FIRST AMENDED PETITION FOR DECLARATORY RELIEF

Plaintiff the Opioid Master Disbursement Trust II, also known as the Opioid MDT II (the “Trust”),¹ a statutory trust created by the Fourth Amended Plan of Reorganization (the “Plan”)²

¹ The Trust’s name bears the number “II” to distinguish it from a similar trust that is contemplated in *In re Purdue Pharma L.P.*, No. 19-23649 (Bankr. S.D.N.Y. 2019).

² As used herein, the “Plan” refers to the Fourth Amended Plan of Reorganization, the materials referred to and incorporated therein, and its implementing documents. The Plan was confirmed by an order of the United States Bankruptcy Court for the District of Delaware dated March 2, 2022 (the “Confirmation Order”). The Plan and Confirmation Order are attached as Attachments 1 and 2, respectively. The Effective Date of the Plan is June 16, 2022. “Effective Date” as used herein has the meaning set forth in the Plan.

of Mallinckrodt plc, et al. (the “Debtors”³), by and through its undersigned attorneys, submits this First Amended Petition (the “Petition”) for declaratory relief and resulting damages.

The Trust was established for the benefit of individuals and entities harmed by the Debtors’ role in creating, perpetuating, and contributing to the nationwide opioid crisis (the “Opioid Claimants”). As detailed below, pursuant to the Plan,⁴ the Debtors’ rights to insurance coverage for claims arising out of, relating to, or in connection with any opioid product or substance (the “Opioid Mass Tort Claims”) have been transferred to the Trust, and the Trust has been granted sole authority to pursue those coverage rights. The Opioid Mass Tort Claims include⁵ claims by individuals who suffered bodily injuries due to the use of Debtors’ opioid pharmaceuticals, and to the use of other manufacturers’ opioid pharmaceuticals, and illicit opioid drugs, for which Debtors were responsible. The Opioid Mass Tort Claims also include claims by entities, including governmental entities and others, that incurred costs because of the bodily injuries of such individuals. The insurance policies as to which Debtors’ rights were transferred to the Trust include the insurance policies listed in Exhibit A hereto (the “Insurance Policies”), which were issued by the insurers named herein and in Exhibit A hereto (the “Defendants”).⁶

³ A complete list of the Debtors is available at <http://restructuring.primeclerk.com/Mallinckrodt>. The Debtors principally responsible for developing, manufacturing, promoting, and distributing branded and generic opioid pharmaceuticals, and active pharmaceutical ingredients (which are defined herein as “APIs”) that were included in opioid pharmaceuticals, are Mallinckrodt LLC, Mallinckrodt APAP LLC, Mallinckrodt Enterprises LLC, SpecGx LLC, and SpecGx Holdings LLC.

⁴ Descriptions of the Plan herein are subject in all respects to the actual terms of the Plan.

⁵ Throughout this Petition, “including” and similar terms mean “including but not limited to” and similar formulations.

⁶ The Trust does not currently know the identities of all of the insurers that issued insurance policies as to which the Plan transferred rights to the Trust, nor details concerning all such insurance policies. Accordingly, the Defendants include a number of Doe Defendants, and the insurance policies as to which the Trust seeks coverage include some number of insurance policies that are not currently listed in Exhibit A. To the extent currently known to the Trust, the issuing insurers, policy numbers, and policy periods of the insurance policies as to which the Trust seeks coverage are listed in Exhibit A, which is hereby incorporated by reference as if fully set forth herein. If and when the Trust learns the identities of Doe Defendants, it will identify them with actual insurer names through amendment of this Petition, including Exhibit A, or other appropriate means consistent with Missouri law. If and when additional insurance policies issued by known Defendants or Doe Defendants are obtained or identified by the Trust, such policies will be added to Exhibit A by amendment of this Petition or other appropriate means consistent with

The Trust brings this declaratory judgment action to effectuate its purposes and fulfill its obligations under the Plan. In support of its Petition, the Trust respectfully states and alleges as follows:

NATURE OF THE ACTION

1. This is an action for declaratory relief under Missouri’s declaratory judgment statute, Mo. Rev. Stat. §§ 527.010–527.130, and Missouri Supreme Court Rules 87.01–87.11.

I. BACKGROUND

2. From the time the original Mallinckrodt entity was founded in St. Louis, Missouri, in 1867, the Debtors and their affiliates developed, manufactured, marketed, promoted, and sold active pharmaceutical ingredients (“APIs”) and pharmaceutical products. Since at least 1995, the Debtors developed, manufactured, marketed, promoted, and sold both branded and generic opioid pharmaceuticals, and their APIs were included in opioid pharmaceuticals manufactured by the Debtors and others. In addition, Debtors engaged in an extensive unbranded promotional campaign, not specific to Debtors’ opioid pharmaceuticals, that promoted the use of opioid pharmaceuticals generally and caused individuals to use not only Debtors’ opioid pharmaceuticals but the opioid pharmaceuticals of other manufacturers, as well as illicit opioid drugs.

3. By early 2020, the Debtors had been named in over 3,000 Opioid Mass Tort Claims. Between 2017 and October 12, 2020 (the “Petition Date”), the Debtors spent more than \$100 million defending Opioid Mass Tort Claims, with litigation expenses exceeding a million dollars a week. The Debtors also spent \$30 million pre-petition to settle just two Opioid Mass Tort Claims.

Missouri law. References to Exhibit A herein include any such amendments, or additions by other appropriate means.

4. On the Petition Date, each of the Debtors commenced in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) a voluntary case under chapter 11 of the Bankruptcy Code (the “Bankruptcy Proceedings”).

5. On March 2, 2022, the Bankruptcy Court confirmed the Plan.

6. Among other things, the Plan created a series of interrelated trusts, including operating opioid trusts⁷ and the Trust.

7. Pursuant to the terms of the Plan, from and after its effective date, which occurred on June 16, 2022 (the “Effective Date”):

- a. the Opioid Mass Tort Claims are channeled to, and the Debtors’ opioid liabilities are transferred to and assumed by, the various trusts described above;
- b. the Debtors are discharged from liability for Opioid Mass Tort Claims;
- c. the Debtors’ rights to insurance coverage for Opioid Mass Tort Claims—the “Assigned Insurance Rights,” as defined in the Plan—among other assets, are transferred to the Trust;
- d. the Trust is empowered, obligated, and has the sole authority to, among other things: (1) preserve, hold, collect, manage, maximize, and liquidate the Assigned Insurance Rights, and (2) enforce, initiate, pursue, prosecute, defend, compromise, and/or resolve the Assigned Insurance Rights; and
- e. the Trust is obligated to distribute proceeds of the Assigned Insurance Rights, among other assets, to Opioid Claimants and/or to the operating opioid trusts which in turn will distribute funds to Opioid Claimants.

⁷ The operating trusts include trusts established for the benefit of specified classes of Opioid Claimants, including personal injury claimants, governmental entity claimants, and third-party payor claimants. *See* Attach. 1 arts. III.B.8–9.

II. A JUSTICIABLE CONTROVERSY EXISTS BETWEEN THE TRUST AND THE DEFENDANTS

8. The Plan is now fully effective.

9. The Trust brings this action pursuant to, and to fulfill its purposes and obligations under, the Plan.

10. The Insurance Policies provide coverage for the Debtors' liability for Opioid Mass Tort Claims.

11. The Defendants have refused or reserved the right to refuse, will refuse or reserve the right to refuse, or otherwise have failed or declined or will fail or decline to meet their coverage obligations under the Insurance Policies for or with respect to the Debtors' liability for the Opioid Mass Tort Claims. Among other things, five of the Defendants objected to a pre-confirmation iteration of the Plan, and withdrew their objections only when the Debtors, with the support of representatives of various classes of Opioid Mass Tort Claims, agreed to add language to the Confirmation Order that reserved the Defendants' ability to dispute coverage with respect to the Assigned Insurance Rights, including under the Insurance Policies. None of the Defendants has acknowledged any obligation to provide coverage for the Debtors' liability for the Opioid Mass Tort Claims.

12. Pursuant to the Missouri Declaratory Judgment Act, which seeks to afford relief from uncertainty and insecurity and to reduce multiplicity of litigation, the Trust seeks declarations concerning the proper construction of the Insurance Policies, the validity of the Trust's claims that the Insurance Policies provide coverage for liability and defense costs associated with the Opioid Mass Tort Claims, and other rights and status under or with respect to the Insurance Policies as they pertain to the Debtors' liability for the Opioid Mass Tort Claims or other matters that are within the scope of the Trust's purposes and obligations under the Plan.

Doe 28 has specifically availed itself of the benefits of transacting business in Missouri by, among other things, selling insurance policies in Missouri or covering insureds and risks located in Missouri, and the cause of action here arises from or relates to the sale of such policies to the Debtors, their affiliates, and other insureds. On information and belief, Doe 28 regularly sells insurance policies in, and/or provides coverage to insureds located in or risks present within, Missouri. If Doe 28 is not a Missouri entity, the Missouri long-arm statute is satisfied with regard to Doe 28 because, among other things, the cause of action against Doe 28 arises from the transacting of business in Missouri and/or the making of contracts within Missouri and/or the contracting to insure persons and/or risks that were located in Missouri at the time of contracting, and Doe 28 has the requisite minimum contacts with Missouri in light of the surrounding circumstances of the case so as not to offend constitutional due process.

74. Doe Defendant 29 ("Doe 29") issued Insurance Policies that cover the Debtors' liability as a result of Opioid Mass Tort Claims. Doe 29 has specifically availed itself of the benefits of transacting business in Missouri by, among other things, selling insurance policies in Missouri or covering insureds and risks located in Missouri, and the cause of action here arises from or relates to the sale of such policies to the Debtors, their affiliates, and other insureds. On information and belief, Doe 29 regularly sells insurance policies in, and/or provides coverage to insureds located in or risks present within, Missouri. If Doe 29 is not a Missouri entity, the

Missouri long-arm statute is satisfied with regard to Doe 29 because, among other things, the cause of action against Doe 29 arises from the transacting of business in Missouri and/or the making of contracts within Missouri and/or the contracting to insure persons and/or risks that were located in Missouri at the time of contracting, and Doe 29 has the requisite minimum contacts with Missouri in light of the surrounding circumstances of the case so as not to offend constitutional due process.

75. Doe Defendant 30 ("Doe 30") issued Insurance Policies that cover the Debtors' liability as a result of Opioid Mass Tort Claims. Doe 30 has specifically availed itself of the benefits of transacting business in Missouri by, among other things, selling insurance policies in Missouri or covering insureds and risks located in Missouri, and the cause of action here arises from or relates to the sale of such policies to the Debtors, their affiliates, and other insureds. On information and belief, Doe 30 regularly sells insurance policies in, and/or provides coverage to insureds located in or risks present within, Missouri. If Doe 30 is not a Missouri entity, the Missouri long-arm statute is satisfied with regard to Doe 30 because, among other things, the cause of action against Doe 30 arises from the transacting of business in Missouri and/or the making of contracts within Missouri and/or the contracting to insure persons and/or risks that were located in Missouri at the time of contracting, and Doe 30 has the requisite minimum contacts with Missouri in light of the surrounding circumstances of the case so as not to offend constitutional due process.

JURISDICTION AND VENUE

76. The jurisdiction of this Court is invoked to determine questions of actual controversy between and among the parties that cannot be resolved absent relief from this Court. This Court has subject matter jurisdiction under Mo. Rev. Stat. § 478.070, which confers on Missouri courts original jurisdiction over all cases and matters, civil and criminal. This Court

also has subject matter jurisdiction pursuant to Mo. Rev. Stat. §§ 527.010–527.130 and Missouri Supreme Court Rules 87.01–87.11, which confer upon Missouri courts the power to declare rights, status, and other legal relations.

77. This Court has personal jurisdiction over the Defendants under Missouri Supreme Court Rule 54.06 and Mo. Rev. Stat. § 500.560. Each of the Defendants transacted business within Missouri by, among other things, conducting a series of acts in Missouri for the purpose of realizing pecuniary interest—such as contracting to insure the Debtors, which include entities headquartered in and risks located in the State of Missouri, and the other categories of acts identified in Paragraphs 25–75. Each Defendant therefore has minimum contacts with Missouri that will allow for personal jurisdiction in the present action. In addition, each of the Defendants has continuous or systematic contacts with Missouri, and/or has consented, either explicitly or implicitly, to the jurisdiction of this Court, thus warranting the exercise of personal jurisdiction in this action. Details regarding the contacts of each of the Defendants are provided in Paragraphs 25–75, which are incorporated herein.

78. Venue is proper under Mo. Rev. Stat. § 508.010. This action sounds in contract, not tort, and of the several defendants, Allianz resides in St. Louis County, *see id.* § 508.010.2(3).

FACTUAL BACKGROUND

I. THE DEBTORS' OPIOID-RELATED BUSINESS

79. Prior to the Effective Date of the Plan, the Debtors' business was divided into two segments: (a) Specialty Generics, and (b) Specialty Brands.

80. Notwithstanding the implication of its name, the Specialty Generics segment of the Debtors developed, manufactured, marketed, promoted, and sold both branded and generic opioid products. It developed, manufactured, marketed, promoted, and sold, (i) APIs that are

used by the Debtors and other manufacturers to create finished dosage opioid products, and (ii) finished dosage opioid products. Finished dosage products are products in the form ultimately received by the consumer, such as tablet, capsule, or liquid. In addition, the Specialty Generics segment of the Debtors engaged in an extensive unbranded promotional campaign, not specific to Debtors' opioid pharmaceuticals, that promoted the use of opioid pharmaceuticals generally and caused individuals to use not only Debtors' opioid pharmaceuticals but the opioid pharmaceuticals of other manufacturers, as well as illicit opioid drugs.

81. Opioids are classified by the Drug Enforcement Agency as Schedule II or Schedule III medications because the medications carry significant risks, including risks of abuse, misuse, and addiction. The labeling approved for these medications by the Food and Drug Administration ("FDA") warns of the risk of abuse and misuse, including through "black box" warnings that discuss the risks of abuse, misuse, and addiction.

82. The Debtors first produced APIs in 1898, when they first made the opium-based controlled substances morphine and codeine. From at least 1995 through the Petition Date, the Debtors' APIs included: acetaminophen/paracetamol (which are used in pain management pharmaceuticals like Tylenol® and in finished dosage opioid products); natural opiates, such as morphine sulfate and codeine phosphate; semi-synthetic opiates such as hydrocodone, hydromorphone, and oxycodone; and synthetic opiates, including fentanyl. During that time period, the Debtors' APIs were used in finished dosage opioid products manufactured and sold by the Debtors and by other manufacturers.

83. The Debtors' finished dosage opioid products have included the following:

Branded/Generic (Branded Name)	Chemical Name
Branded (Exalgo)	Hydromorphone hydrochloride, extended release
Branded (Roxicodone)	Oxycodone hydrochloride
Branded (Xartemis XR)	Oxycodone hydrochloride and acetaminophen

Branded (Methadose)	Methadone hydrochloride
Generic	Morphine sulfate, extended release
Generic	Morphine sulfate oral solution
Generic	Fentanyl transdermal system
Generic	Oral transmucosal fentanyl citrate
Generic	Oxycodone and acetaminophen
Generic	Hydrocodone bitartrate and acetaminophen
Generic	Hydromorphone hydrochloride
Generic	Hydromorphone hydrochloride, extended release
Generic	Naltrexone hydrochloride
Generic	Oxymorphone hydrochloride
Generic	Methadone hydrochloride

II. THE DEBTORS' OPIOID-RELATED CORPORATE HISTORY

84. The Debtors underwent a series of corporate transactions between their initial predecessor's founding in St. Louis in 1867 and the Petition Date.

85. In the bankruptcy proceeding, the Debtors described their corporate history by using "Mallinckrodt" as a summary term for the Debtors' business that historically has operated under that name, rather than by use of specific corporate entity names.¹² Except where the Trust has additional clear and complete information, the Trust takes the same approach herein. If and when the Trust learns additional relevant information concerning historic corporate transactions, whether through discovery or otherwise, it will provide that detail through amendment of this Petition or other appropriate means consistent with Missouri law.

86. Upon information and belief, throughout the policy periods of the Insurance Policies, the insured opioid-related risk was located primarily in Missouri because, among other

reasons, Debtors' opioid-related business was located in Missouri. Upon information and belief, numerous claimants with respect to the Opioid Mass Tort Claims are located in Missouri.

87. From 1996 to 2000, Mallinckrodt (formerly known as IMCERA Group and International Minerals and Chemical Corporation) was a stand-alone company, without a corporate parent. Throughout this period, at least one Mallinckrodt entity involved in the development, manufacture, marketing, promotion, and sale of opioid pharmaceuticals had its principal place of business in Missouri.

88. In 2000, Mallinckrodt became a wholly owned subsidiary of Tyco International Ltd. ("Tyco"), and became one of the primary business units in Tyco's healthcare business. At the time, at least one Mallinckrodt entity involved in the development, manufacture, marketing, promotion, and sale of opioid pharmaceuticals had its principal place of business in Missouri, and that continued to be the case thereafter, through and including the date of the transaction described in the following paragraph.

89. In 2007, Tyco separated into three publicly traded companies, including Covidien Ltd. As part of this transaction, Tyco's healthcare business—including development, manufacture, marketing, promotion, and sale of opioid pharmaceuticals—was transferred to Covidien Ltd., which became the parent company for Mallinckrodt. At the time, at least one Mallinckrodt entity involved in the development, manufacture, marketing, promotion, and sale of opioid pharmaceuticals had its principal place of business in Missouri, and that continued to be the case thereafter, through and including the date of the transaction described in the following paragraph.

90. In 2009, Covidien Ltd. changed its name to Covidien plc.

91. In 2013, Covidien plc transferred its pharmaceuticals business, which included the business and operations of Mallinckrodt and the rest of its opioids business, to Mallinckrodt plc. At the time, at least one Mallinckrodt entity involved in the development, manufacture, marketing, promotion, and sale of opioid pharmaceuticals had its principal place of business in Missouri, and that continued to be the case thereafter, through and including the Effective Date of the Plan.

92. As of the Petition Date, Mallinckrodt plc was the ultimate parent company of “Specialty Generics,” which was comprised of the following Debtors: Mallinckrodt LLC, Mallinckrodt APAP LLC, Mallinckrodt Enterprises LLC, SpecGx LLC, and SpecGx Holdings LLC. As set forth above, the principal place of business of all of these entities is in Missouri.

III. THE COVIDIEN PLC/MALLINCKRODT PLC SEPARATION AGREEMENT

93. The 2013 transaction between Covidien plc and Mallinckrodt plc is detailed in a June 28, 2013 Separation and Distribution Agreement (the “Covidien Separation Agreement”).

94. Under the Covidien Separation Agreement, Covidien plc transferred to Mallinckrodt plc the “Mallinckrodt Liabilities,” including liabilities “relating to, arising out of or resulting from” the pharmaceuticals business, which included the opioids business.

95. Under the Covidien Separation Agreement, Covidien plc transferred to Mallinckrodt plc the “Mallinckrodt Assets,” including rights under “Mallinckrodt Policies” and “Shared Policies” with respect to insurance coverage for liabilities arising out of the opioids business transferred to Mallinckrodt plc, which rights subsequently were transferred to the Trust pursuant to the Plan and include rights that the Trust is pursuing in this action. The Covidien Separation Agreement provides that Covidien plc retained certain other rights under or with

respect to the same policies, including a right to share in certain proceeds.¹³ Mallinckrodt Policies are insurance policies that had been issued to Mallinckrodt and related entities as of October 17, 2000. Shared Policies are insurance policies that were issued on or after that date, through the date of the Covidien Separation Agreement.

IV. THE OPIOID MASS TORT CLAIMS

96. The Debtors' liability for the Opioid Mass Tort Claims arises from the Debtors' role in creating, perpetuating, and contributing to the nationwide opioid crisis, including serious and wide-ranging bodily injuries caused by the use and misuse of opioid pharmaceuticals and illicit opioid drugs, in two respects: supply and demand.

97. As to supply, the Opioid Mass Tort Claims allege that the Debtors manufactured, marketed, and sold substantial quantities of opioid pharmaceuticals that caused serious and wide-ranging bodily injuries among their users. The Opioid Mass Tort Claims further allege that Debtors failed to maintain effective controls over the distribution of opioids, by selling and distributing far greater quantities of opioids than were necessary for legitimate medical purposes, and by failing to report and halt suspicious orders, both of which led to an oversupply of pharmaceuticals and fueled the illegal secondary market for opioids, and caused serious and wide-ranging bodily injuries among their users.

98. As to demand, the Opioid Mass Tort Claims allege that, through their marketing and promotion of opioid pharmaceuticals, including the use of unbranded advertising, paid speakers and key opinion leaders,¹⁴ and industry-funded organizations posing as neutral and credible professional societies, the Debtors and their co-defendants throughout the supply chain

¹³ The Trust reserves, and does not waive, any and all of its rights and defenses with respect to these matters.

¹⁴ According to the allegations in the Opioid Mass Tort Claims, key opinion leaders are medical experts who appeared to be independent, neutral actors who were paid to deliver deceptive messages about opioids because of their ability to influence their peer prescribers, but were in fact neither independent, nor neutral.

changed the prevailing practices in the medical community for the treatment of chronic pain, and the perception of the risks posed, by opioid pharmaceuticals. These unbranded efforts were focused on opioid pharmaceuticals generally; they were not specific to the Debtors' products. Indeed, the unbranded content disseminated by these groups did not mention the Debtors or the Debtors' products. The Opioid Mass Tort Claims allege that Debtors and their co-defendants' facilitation of and participation in this unbranded advertising, in turn, led to the opioid epidemic as a whole, by among other things causing and increasing the use of and addiction to not only the Debtors' opioid pharmaceuticals, but also opioids developed, manufactured, marketed, promoted, and sold by other pharmaceutical companies and to illicit opioids, such as heroin and fentanyl, distributed through black market channels, and in turn causing and increasing the serious and wide-ranging bodily injuries associated with that use and addiction.

99. As noted above, the Debtors developed, manufactured, marketed, promoted, and sold both branded and generic opioid pharmaceuticals, and their APIs were included in opioid pharmaceuticals manufactured by both the Debtors and others.

100. In many instances, the Debtors are allegedly jointly and severally liable with other manufacturers and distributors for injuries caused by opioids that are not the Debtors' products. These injuries do not arise out of the Debtors' sales or representations about their own products, but instead are alleged to arise out of the Debtors' extensive use of unbranded promotional activities to change the way the medical community and the public perceived, prescribed, and used opioids in general, and their concomitant or resulting use of other manufacturers' opioid products and illicit opioids.

101. Based on these allegations and related facts, the Opioid Mass Tort Claims seek to hold the Debtors liable for bodily injuries, and costs incurred because of bodily injuries,

allegedly caused by: (1) the Debtors' products; (2) the Debtors' alleged conduct in creating and fueling the nationwide opioid crisis; (3) the opioid products of other manufacturers; and (4) illicit opioids.

102. The Opioid Mass Tort Claims include claims brought by individuals (or in the case of decedents, their estates) seeking damages because of bodily injuries for which they allege the Debtors are responsible. They also include claims brought by certain public and private entities seeking damages because of amounts they incurred because of opioid-related bodily injuries suffered by their citizens, patients, insureds, or others. For example, Opioid Mass Tort Claims have been asserted by governmental entities, including states, cities, counties, and Native American tribes across the country, seeking damages including the costs of public services incurred because of bodily injuries caused by Debtors' actions and opioid use and abuse for which the Debtors are alleged to be responsible. Similarly, numerous healthcare providers, healthcare plans, and other third-party payors have asserted Opioid Mass Tort Claims seeking damages related to increased costs of healthcare because of bodily injuries caused by the Debtors' actions and opioid use and abuse for which Debtors are alleged to be responsible.

103. The Opioid Mass Tort Claims assert a variety of claims, including, negligence, product liability, and other common law and statutory claims arising from the Debtors' conduct in connection with the development, manufacture, marketing, promotion, and sale of opioids. Generally, the plaintiffs in the Opioid Mass Tort Claims seek damages and other relief, and attorneys' fees and costs.

V. THE DEBTORS' BANKRUPTCY PROCEEDINGS

A. Notice to Opioid Claimants of the Bankruptcy Proceedings, and the Appointment of the Future Claims Representative

104. The Bankruptcy Court did not set a bar date for the Opioid Mass Tort Claims in the Bankruptcy Proceedings.

105. Rather, the Debtors undertook a broad opioid noticing program to advise known and unknown Opioid Claimants of the Bankruptcy Proceedings, including both a direct notice strategy and a media and community outreach strategy.

106. As detailed in the Bankruptcy Court's opinion on confirmation, the Bankruptcy Court received uncontroverted evidence that the Debtors' noticing program reached approximately 91% of all adults in the United States and about 82% of all Canadian adults with an average frequency of six times.¹⁵ The noticing campaign was comprised of advertising on network broadcast and cable television, in newspapers, magazines, on social media and other online locations including a dedicated website, as well as radio. The Debtors also sent a direct, mailed notice, along with a solicitation package, to all Opioid Claimants with pending lawsuits against the Debtors, all persons and entities that had filed opioid-related proofs of claims in the Bankruptcy Proceedings, all persons and entities that had appeared in the Bankruptcy Proceedings on opioid-related issues, all co-defendants to the Debtors in the Opioid Mass Tort Claims, all putative representatives of various classes of the Opioid Mass Tort Claims, and all Opioid Claimants in *In re Purdue Pharma L.P.*¹⁶ Mallinckrodt's bankruptcy filing, the Bankruptcy Proceedings, and the Plan received extensive coverage in national and local news, and business and insurance media.

¹⁵ See Revised Opinion at 42–43, *In re Mallinckrodt PLC*, No. 20-12522 (JTD) (Bankr. D. Del. Feb. 8, 2022), ECF No. 6378.

¹⁶ *Id.* at 43.

107. The Bankruptcy Court also approved the appointment of a Future Claims Representative (“FCR”) to ensure that the interests of future Opioid Claimants were adequately represented in the Bankruptcy Proceedings. Roger Frankel was provisionally appointed as FCR on March 16, 2021, and finally appointed as FCR on June 11, 2021.¹⁷

B. Iterations of the Plan, and Insurers’ Objections Thereto

108. On April 20, 2021, the Debtors filed the first iteration of the Plan. On April 21, 2021, the Debtors filed the first iteration of the Disclosure Statement.

109. On September 29, 2021, the Debtors filed the first amended iteration of the Plan.

110. The first iteration and the first amended iteration of the Plan mirrored the Plan as confirmed in relevant respects. For example, under all iterations of the Plan, the Opioid Mass Tort Claims are channeled to, and the Debtors’ opioid liabilities are transferred to and assumed by, the various trusts described above; the Debtors are discharged from liability for Opioid Mass Tort Claims; the Debtors’ rights to insurance coverage for Opioid Mass Tort Claims—the “Assigned Insurance Rights,” as defined in the Plan—among other assets, are transferred to the Trust; the Trust is empowered, obligated, and has the sole authority to, among other things: (1) preserve, hold, collect, manage, maximize, and liquidate the Assigned Insurance Rights, and (2) enforce, initiate, pursue, prosecute, defend, compromise, and/or resolve the Assigned Insurance Rights; and the Trust is obligated to distribute proceeds of the Assigned Insurance Rights, among other assets, to Opioid Claimants and/or to the operating opioid trusts which in turn will distribute funds to Opioid Claimants.

111. In October 2021, various entities and parties filed objections to the first amended iteration of the Plan, including twenty insurance companies. The insurance companies that objected to the first amended iteration of the Plan included five of the Defendants.

¹⁷ *Id.* at 5.

112. Ultimately, the Debtors, with the support of all putative representatives of various classes of the Opioid Mass Tort Claims, resolved the insurers' objections through language contained in the Bankruptcy Court's Order confirming the Plan. That language provides that any dispute concerning the rights and obligations under the Insurance Policies will be resolved pursuant to the terms of the Insurance Policies and applicable law.¹⁸

C. Confirmation of the Plan, and Creation of the Trust

113. On March 2, 2022, the Bankruptcy Court confirmed the Plan.

114. The Plan created the Trust, which is a Delaware statutory trust under and pursuant to the provisions of the Delaware Statutory Trust Act, Del. Code Ann. tit. 12, §§ 3801, *et seq.*, and a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code.

115. Pursuant to the terms of the Plan, as of the Effective Date:

- a. the Opioid Mass Tort Claims are channeled to, and the Debtors' opioid liabilities are transferred to and assumed by, the various trusts described above;
- b. the Debtors are discharged from liability for Opioid Mass Tort Claims;
- c. the Debtors' rights to insurance coverage for Opioid Mass Tort Claims—the "Assigned Insurance Rights," as defined in the Plan—among other assets, are transferred to the Trust;
- d. the Trust is empowered, obligated, and has the sole authority to, among other things: (1) preserve, hold, collect, manage, maximize, and liquidate the Assigned Insurance Rights; and (2) enforce, initiate, pursue, prosecute, defend, compromise, and/or resolve the Assigned Insurance Rights; and

¹⁸ See Attach. 2 ¶ 277.

- e. the Trust is obligated to distribute proceeds of the Assigned Insurance Rights, among other assets, to Opioid Claimants and/or to the operating opioid trusts which in turn will distribute funds to Opioid Claimants.

116. The “Assigned Insurance Rights” are defined as:

[A]ny and all rights, titles, privileges, interests, claims, demands, or entitlements of the Debtors to any proceeds, payments, benefits, Causes of Action, choses in action, defense or indemnity (collectively, “rights”), regardless of whether such rights existed in the past, now exist, or hereafter arise, and regardless of whether such rights are or were accrued or unaccrued, liquidated or unliquidated, matured or unmatured, disputed or undisputed, fixed or contingent, based on, arising under, or attributable to, any and all Opioid Insurance Policies. For the avoidance of doubt, Assigned Insurance Rights includes the Debtors’ rights, based on, arising under, or attributable to Opioid Insurance Policies issued to the Debtors’ prior affiliates, subsidiaries, and parents (including Medtronic plc [the current parent of the successor to Covidien plc (Covidien Limited)] and its subsidiaries, and parents), or otherwise, or any of their predecessors, successors, or assigns.¹⁹

117. The “Opioid Insurance Policies” are defined as:

(i) with regard to Insurance Contracts issued to any Debtors, (a) all Insurance Contracts that provide general liability, life sciences, or product liability coverages, other than those specifically or categorically listed in the Schedule of Excluded Insurance Policies included in the Plan Supplement, and (b) all Insurance Contracts that may provide or may have provided the Debtors with rights with respect to any Opioid Claim, other than those specifically or categorically listed in the Schedule of Excluded Insurance Policies included in the Plan Supplement (collectively, the “Post-Spin Opioid Insurance Policies”); (ii) all Insurance Contracts issued to Covidien Limited (f/k/a Covidien plc) or its affiliates, subsidiaries, or parents prior to the 2013 spin-off of Mallinckrodt plc from Covidien (the “Spin-Off”) under which, as of the Effective Date, the Debtors have or hold rights to coverage with respect to any Opioid Claim (the “Covidien Insurance Policies”); and (iii) all Insurance Contracts issued to the predecessors of Covidien Limited (f/k/a Covidien plc) and their affiliates, subsidiaries, or parents prior to the Spin-Off under which, as of the Effective Date, the Debtors have or hold rights to coverage with respect to any Opioid Claim (the “Pre- Covidien Insurance Policies”). Rights as used in this definition means any and all rights, titles, privileges, interests, claims, demands, or entitlements of the Debtors to any proceeds,

¹⁹ Attach. 1 at 6–7.

payments, benefits, Causes of Action, choses in action, defense or indemnity, and includes all rights, regardless of whether such rights existed in the past, now exist, or hereafter arise, and regardless of whether such rights are or were accrued or unaccrued, liquidated or unliquidated, matured or unmatured, disputed or undisputed, fixed or contingent. Notwithstanding anything in this definition or otherwise in the Plan to the contrary, (x) Opioid Insurance Policies include the Insurance Contracts set forth on the Schedule of Opioid Insurance Policies included in the Plan Supplement, which schedule is not, and is not intended to be, exhaustive (provided, however, that any such Insurance Contracts that are Covidien Insurance Policies or Pre-Covidien Insurance Policies are Opioid Insurance Policies only if and to the extent provided in clauses (ii) and (iii), respectively, of the first sentence of this definition); and (y) nothing in this definition or any other provision of the Plan shall modify or override the paragraph of the Confirmation Order pertaining to the resolution of the Limited Objection to the Plan filed by Covidien [Docket No. 4699], which paragraph shall control with respect to all matters addressed in such paragraph in the event of any inconsistency. For the avoidance of doubt, nothing in this definition or any other provision of the Plan shall grant the [Trust] any rights under any Insurance Contracts that are not Opioid Insurance Policies, nor shall this definition or any other provision of the Plan grant the [Trust] any rights under the Covidien Insurance Policies and Pre-Covidien Insurance Policies beyond those that the Debtors may have or hold on the Effective Date.²⁰

118. All of the Insurance Policies are Opioid Insurance Policies under the terms of the Plan, and the rights that the Trust is pursuing in this action are Assigned Insurance Rights.

VI. THE INSURANCE POLICIES

119. The Insurance Policies cover policy periods between 1995 and 2018.

120. The Trust possesses copies of or information concerning certain of the Insurance Policies. Upon information and belief, Defendants possess copies of Insurance Policies or information regarding the Insurance Policies that are at least equal to that possessed by the Trust. The Trust will make its copies of the Insurance Policies available to the Court on request, and/or to the Defendants as appropriate through the litigation process.

²⁰ *Id.* at 30.

121. Based on the evidence the Trust has been able to obtain to date, and upon information and belief, the Insurance Policies contain standard-form wording drafted by the insurance industry and supplied by the Defendants.

122. Consistent with the usual manner in which insurers market and sell, and insureds purchase, liability insurance, each of the Insurance Policies either contains comprehensive terms, conditions, and other provisions setting forth the coverage provided by the policy, subject to applicable law; or contains limited provisions of its own and follows form to—that is, incorporates by reference—provisions of one or more underlying or otherwise listed or designated policies that themselves contain, or follow form to, one or more policies that contain comprehensive coverage provisions, which together determine the coverage provided by the policy, subject to applicable law.

123. The Trust is entitled to have the Insurance Policies interpreted or construed in a manner that maximizes insurance protection for liability for the Opioid Mass Tort Claims. Provisions of the Insurance Policies that grant or extend coverage must be construed broadly in favor of coverage, provisions that purport to exclude or limit coverage must be construed narrowly against the Defendants, and the Defendants bear the burden of establishing by a preponderance of the evidence or other applicable standard the applicability of any exclusions or other limiting language on which they seek to rely. Any ambiguity in the language or application of the Insurance Policies must be resolved against the Defendants and in favor of coverage for the Opioid Mass Tort Claims.

124. The Insurance Policies promise in their affirmative grants of coverage, without limitation and with varying wording, to indemnify the Debtors for, or to pay on the Debtors' behalf, all damages and defense costs that the Debtors become legally obligated to pay:

- a. because of or on account of bodily injury during the policy period;
- b. because of bodily injury during the policy period that is caused by an occurrence;
- c. because of bodily injury that is within the products-completed operations hazard for claims made during the policy period;
- d. because of bodily injury that is outside the products-completed operations hazard for claims made during the policy period; or
- e. pursuant to similar wording.

125. Pursuant to the Assigned Insurance Rights, the Trust is entitled to enforce these promises and to receive the proceeds of the Insurance Policies pursuant to the policies' affirmative grants of coverage.

126. Under the terms of the Insurance Policies and applicable law, the Insurance Policies provide insurance coverage to the Debtors for the Debtors' liability and defense costs for or in connection with the Opioid Mass Tort Claims. Pursuant to the Assigned Insurance Rights, the Trust is entitled to enforce the Debtors' rights to such coverage and to receive the proceeds of the Insurance Policies with respect to the Debtors' liability and defense costs for or with respect to the Opioid Mass Tort Claims.

127. The Opioid Mass Tort Claims trigger the Defendants' coverage obligations under the terms and conditions of the Insurance Policies and applicable law, and the damages and defense costs incurred for or in connection with the Opioid Mass Tort Claims are within the coverage grants of the Insurance Policies, because, without limitation, the Opioid Mass Tort Claims seek damages and defense costs that the Debtors become legally obligated to pay:

- a. on account of bodily injury during the policy period;

- b. because of bodily injury during the policy period that is caused by an occurrence;
- c. because of bodily injury that is within the products-completed operations hazard for claims made during the policy period;
- d. because of bodily injury that is outside the products-completed operations hazard for claims made during the policy period; or
- e. pursuant to similar wording.

128. Under the terms of the Insurance Policies and applicable law, each of the Defendants is jointly and severally liable to the Debtors for the full amount of the Debtors' liability and defense costs for or in connection with the Opioid Mass Tort Claims that trigger their policy periods, subject only to any applicable attachment points and any applicable limits of liability of the Insurance Policies. Pursuant to the Assigned Insurance Rights, the Trust is entitled to enforce the Debtors' rights to such coverage and to receive the proceeds of the Insurance Policies with respect to the Debtors' liability and defense costs for or with respect to the Opioid Mass Tort Claims.

129. Based on the evidence the Trust has been able to obtain to date, and upon information and belief, each of the Insurance Policies provides, and applicable law confirms, that the Defendants' obligations are not diminished in the event of the insured's insolvency or bankruptcy.

130. All applicable conditions precedent to coverage or recovery under the Insurance Policies, if any, have been satisfied, compliance with such conditions precedent is excused, such conditions precedent do not apply, or Defendants have waived or are estopped or otherwise precluded from relying on such conditions precedent.

131. Defendants sold the Insurance Policies in consideration of substantial premiums. Any and all necessary premiums for the Insurance Policies have been fully paid.

132. Each of the Insurance Policies has been in full force and effect since it was issued by the Defendants, including at all times material to this Petition.

133. No exclusions or limitations in the Insurance Policies (other than any applicable attachment points, any applicable limits of liability, or any applicable policy triggers) apply to preclude or limit coverage for the Opioid Mass Tort Claims.

134. Certain of the Insurance Policies contain exclusions for bodily injuries that are within the products-completed operations hazard, which generally is defined to apply to products of the Debtors. Defendants bear the burden of establishing that such exclusions bar coverage here. They cannot meet that burden because, without limitation, the Opioid Mass Tort Claims seek to hold the Debtors liable for more than harm allegedly caused by the Debtors' products. The Opioid Mass Tort Claims also seek to hold the Debtors liable for bodily injuries allegedly caused by the Debtors' conduct in creating and fueling the nationwide opioid crisis and by the opioid products of other manufacturers and illicit narcotics. In addition, in many instances, the Debtors are alleged to be jointly and severally liable with other manufacturers and distributors for injuries caused by opioids that are not Debtors' products. These injuries do not arise out of the Debtors' own products, but instead are alleged to arise out of the Debtors' extensive use of unbranded promotional activities to change the way the medical community and the public perceived, prescribed, and used opioids in general, and their concomitant or resulting use of other manufacturers' opioid products and illicit opioids. These injuries are therefore not within the products-completed operations hazard exclusions.

135. Certain of the Insurance Policies contain exclusions for bodily injuries arising out of oxycodone or any of the Debtors' products containing oxycodone. Defendants bear the burden of establishing that such exclusions apply to bar coverage here. Defendants cannot meet this burden because, without limitation, the Opioid Mass Tort Claims seek to hold the Debtors liable for more than harm allegedly caused by oxycodone or Debtors' products containing oxycodone. They seek to hold the Debtors liable for opioid products they developed, manufactured, marketed, promoted, and sold that contain opioid pharmaceuticals other than oxycodone. They also seek to hold the Debtors liable for bodily injuries caused by the Debtors' conduct in creating and fueling the nationwide opioid crisis, by the opioid products of other manufacturers (including non-oxycodone products), and by illicit opioids such as heroin and fentanyl, which are not and do not contain oxycodone. In addition, in many instances, the Debtors are allegedly jointly and severally liable with other manufacturers and distributors for injuries caused by opioid pharmaceuticals developed, manufactured, marketed, promoted, and sold by the other manufacturers and distributors, including opioid pharmaceuticals that do not contain oxycodone. These injuries do not arise out of oxycodone or any of the Debtors' products containing oxycodone, and are not within policy exclusions pertaining to oxycodone.

COUNT ONE: DECLARATORY JUDGMENT (ALL DEFENDANTS)

136. Debtors incorporate the foregoing paragraphs as if fully set forth herein.

137. Because the Effective Date has occurred, among other things:

- a. the Debtors' liability for Opioid Mass Tort Claims has been channeled exclusively to and assumed by the opioid operating trusts at the Trust;
- b. the Debtors have been discharged from liability for Opioid Mass Tort Claims;

- c. the Debtors' rights to insurance coverage for Opioid Mass Tort Claims—the "Assigned Insurance Rights," as defined in the Plan—among other assets, has been transferred to the Trust;
- d. the Trust is empowered, obligated, and has the sole authority to, among other things: (1) preserve, hold, collect, manage, maximize, and liquidate the Assigned Insurance Rights; and (2) enforce, initiate, pursue, prosecute, defend, compromise, and/or resolve the Assigned Insurance Rights; and
- e. the Trust is obligated to distribute proceeds of the Assigned Insurance Rights, among other assets, to the operating opioid trusts, which in turn will distribute funds to Opioid Claimants.

138. Pursuant to the Assigned Insurance Rights and the Trust's right, obligation, and authority to preserve, hold, collect, manage, maximize, liquidate enforce, initiate, pursue, prosecute, defend, compromise, and/or resolve the Assigned Insurance Rights with respect to the Debtors' liability for the Opioid Mass Tort Claims, the Trust has a legally protected interest directly at issue and subject to immediate or prospective consequential relief. The Trust's request for relief is ripe for adjudication.

139. The Trust does not have another adequate available remedy at law, including because non-declaratory relief would not resolve coverage for future Opioid Mass Tort Claims.

140. The Trust is a person with interests under written contracts—the Insurance Policies—or whose rights are affected by contracts—the Insurance Policies. The Trust may therefore have this Court determine questions of construction or validity arising under the Insurance Policies, and obtain a declaration of its rights under the Insurance Policies.

141. The Trust asserts and seeks a declaratory judgment that each of the Defendants is obligated under each of the Insurance Policies it issued, including each policy period of each such Insurance Policy, to provide coverage in full for the Debtors' liability for Opioid Mass Tort Claims that trigger the coverage obligations of the policy in question as set forth above, subject only to any applicable attachment points and any applicable limits of liability of the Insurance Policies in question.

142. Defendants have disputed, declined, or failed to perform fully their coverage obligations with respect to the Opioid Mass Tort Claims or, upon information and belief, will dispute, decline, or fail to perform fully these obligations. Among other things, five of the Defendants objected to a pre-confirmation iteration of the Plan, and withdrew their objections only when Debtors, with the support all putative representatives of various classes of the Opioid Mass Tort Claims, added language to the Confirmation Order that reserved the Defendants' ability to dispute coverage under the Insurance Policies.

143. As a result, the Trust has a real, substantial, presently existing controversy as to which it seeks specific relief.

144. The requested declaratory relief will be of a conclusive character, in that it will resolve the controversy between the Trust and the Defendants.

PRAYER FOR RELIEF

WHEREFORE, the Trust requests that the Court enter judgment against Defendants as follows:

a. Declaring the rights and obligations of the Trust and the Defendants under or with respect to the Insurance Policies and Assigned Insurance Rights with respect to the Debtors' liability for Opioid Mass Tort Claims;

b. Awarding money damages that have accrued as of the time of trial as a result of the Court's declaration of the Trust's entitlement to coverage under or with respect to the Insurance Policies and Assigned Insurance Rights with respect to the Debtors' liability for the Opioid Mass Tort Claims;

c. Awarding costs of suit;

d. Awarding reasonable attorneys' fees incurred in prosecuting this action;

e. Awarding prejudgment interest;

f. Awarding post-judgment interest; and

g. Providing such other and further relief to which this Court may deem Plaintiffs to be justly entitled.

ADMINISTRATIVE CLAIMS, PRIORITY TAX CLAIMS, OTHER PRIORITY CLAIMS, AND UNITED STATES TRUSTEE STATUTORY FEES

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Other Priority Claims have not been classified and thus are excluded from the Classes of Claims and Interests set forth in Article III.

A. *Administrative Claims*

1. General Administrative Claims

Subject to the provisions of sections 328, 330(a), and 331 of the Bankruptcy Code, except to the extent that a Holder of an Allowed General Administrative Claim and the applicable Debtor(s) or Reorganized Debtor(s), as applicable, agree to less favorable treatment with respect to such Allowed General Administrative Claim, each Holder of an Allowed General Administrative Claim will receive, in full and final satisfaction of its General Administrative Claim, an amount in Cash equal to the unpaid amount of such Allowed General Administrative Claim in accordance with the following: (a) if such General Administrative Claim is Allowed on or prior to the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (b) if such General Administrative Claim is Allowed after the Effective Date, on the date such General Administrative Claim is Allowed or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (c) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Reorganized Debtors, as the case may be; or (d) at such time and upon such terms as set forth in an order of the Bankruptcy Court; *provided* that Allowed General Administrative Claims that arise in the ordinary course of the Debtors' business during the Chapter 11 Cases shall be paid in full in Cash in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice.

For the avoidance of doubt and notwithstanding anything to the contrary herein, all Opioid Claims arising after the Petition Date and based upon or arising from the Debtors' pre-Effective Date conduct or activities (and excluding, for the avoidance of doubt, any VI Opioid Claims), shall receive the treatment set forth herein for Classes 8(a)-8(d) and 9(a)-9(j) (as applicable) and shall not receive the treatment described above for General Administrative Claims. Upon the Effective Date, all General Administrative Claims that are Opioid Claims shall be channeled to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, as set forth in Articles IV.W.5, IV.X.5, and IX.H herein, and shall no longer have General Administrative Claim status. For the avoidance of doubt and notwithstanding anything to the contrary herein, to the extent incurred prior to the Effective Date, the New Credit Facilities shall survive the Effective Date and shall not constitute General Administrative Claims entitled to the treatment set forth in this Article II.A.1.

2. Professional Fee Claims, Restructuring Expenses, and Post Effective Date Implementation Expenses

All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be Filed no later than 45 days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior Bankruptcy Court orders. The Reorganized Debtors shall pay Professional Fee Claims owing to the Retained Professionals in Cash to such Retained Professionals in the amount the Bankruptcy Court Allows from funds held in the Professional Fee Escrow Account, as soon as reasonably practicable after

such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided* that the Debtors' and the Reorganized Debtors' obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account. To the extent that funds held in the Professional Fee Escrow Account are insufficient to satisfy the Allowed amount of Professional Fee Claims owing to the Retained Professionals, the Reorganized Debtors shall pay such amounts within ten (10) Business Days of entry of the order approving such Professional Fee Claims.

No later than the Effective Date, the Reorganized Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Retained Professionals and for no other Entities until all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, claims, or interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. No funds held in the Professional Fee Escrow Account shall be property of the Estates of the Debtors or the Reorganized Debtors. When all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court, any remaining funds held in the Professional Fee Escrow Account shall be remitted to the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity being required.

The Retained Professionals shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date projected to be outstanding as of the anticipated Effective Date, and shall deliver such estimate no later than five Business Days prior to the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Retained Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Retained Professionals are not bound to any extent by the estimates. If a Retained Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Retained Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Reorganized Debtors shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

For the avoidance of doubt, all Restructuring Expenses and Post Effective Date Implementation Expenses shall be paid in accordance with Article IV.S of the Plan, and the terms under this Article II.A.2 shall not apply to the parties entitled to receive the Restructuring Expenses. The Reorganized Debtors shall pay the Post Effective Date Implementation Expenses that they incur on or after the Effective Date in the ordinary course of business and without application or notice to, or order of, the Bankruptcy Court.

If a Holder of an Administrative Claim (excluding, for the avoidance of doubt, VI Opioid Claims, Cure Costs, Professional Fee Claims,

Restructuring Expenses, Indenture Trustee Fees (to the extent they would be Administrative Claims) or United States Trustee quarterly fees payable pursuant to Article II.C below) is required to, but does not, File and serve a request for payment of such Administrative Claim by the Administrative Claims Bar Date, such Administrative Claim shall be considered Allowed only if and to the extent that no objection to the allowance thereof has been interposed within three months following the subsequent filing and service of such request or as otherwise set by the Bankruptcy Court or such an objection is so interposed and the Claim has been Allowed by a Final Order; *provided* that any Claim Filed after entry of a decree closing the Debtors' Chapter 11 Cases shall not be Allowed unless the Holder of such Claim obtains an order of the Bankruptcy Court allowing such Claim. For the avoidance of doubt, Administrative Claims that were subject to the Initial Administrative Claims Bar Date, proof of which was not timely submitted in accordance with the Initial Administrative Claims Bar Date Order, shall be disallowed.

The Reorganized Debtors, in their sole and absolute discretion, may settle Administrative Claims in the ordinary course of business without further Bankruptcy Court approval. The Debtors or the Reorganized Debtors, as applicable, may also choose to object to any Administrative Claim no later than the Administrative Claims Objection Deadline, subject to extensions by the Bankruptcy Court, agreement in writing of the parties, or on motion of a party in interest approved by the Bankruptcy Court. Unless the Debtors or the Reorganized Debtors (or other party with standing) object to a timely-Filed and properly served Administrative Claim, such Administrative Claim will be deemed Allowed in the amount requested. In the event that the Debtors or the Reorganized Debtors object to an Administrative Claim, the parties may confer to try to reach a settlement and, failing that, the Bankruptcy Court will determine whether such Administrative Claim should be Allowed and, if so, in what amount.

Notwithstanding anything to the contrary herein, VI Opioid Claims shall not be subject to any Administrative Claims Bar Date or any procedures governing the assertion of, and objection to, Administrative Claims contained in the Plan. All VI Opioid Claims shall survive Confirmation and Consummation of the Plan and shall be obligations of the relevant Debtors and/or Reorganized Debtors, as applicable, enforceable in any court of competent jurisdiction.

B. *Priority Tax Claims*

Except to the extent that a Holder of an Allowed Priority Tax Claim and the Debtor(s) against which such Allowed Priority Tax Claim is asserted agree to a less favorable treatment, in exchange for full and final satisfaction, settlement, release, and the discharge of each Allowed Priority Tax Claim, each Holder of an Allowed Priority Tax Claim due and payable on or prior to the Effective Date shall receive, as soon as reasonably practicable after the Effective Date, on account of such Claim: (1) Cash in an amount equal to the amount of such Allowed Priority Tax Claim; (2) Cash in an amount agreed to by the applicable Debtor or Reorganized Debtor, as applicable, and such Holder; *provided* that such parties may further agree for the payment of such Allowed Priority Tax Claim at a later date; or (3) at the option of the Debtors, Cash in an aggregate amount of such Allowed Priority Claim payable in installment payments over a period not more than five years after the Petition Date, pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. Except for the Claims addressed in Article II above (or as otherwise set forth herein), all Claims and Interests are placed in Classes for each of the applicable Debtors. For all purposes under this Plan, each Class will exist for each of the Debtors; *provided*, that any Class that is vacant as to a particular Debtor will be treated in accordance with Article III.G below. In accordance with section 1123(a)(1) of the Bankruptcy Code, the Debtors have not classified Administrative Claims, Priority Tax Claims, and Other Priority Claims as described in Article II.

The categories of Claims and Interests listed below classify Claims and Interests for all purposes, including voting, Confirmation and distribution pursuant hereto and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. The Plan deems a Claim or Interest to be classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or an Interest is in a particular Class only to the extent that any such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date.

2. Voting Classes

Claims in Classes 2(b)-(c), 3, 4, 5, 6(a)-(g), 7, 8(a)-(d), 9(a)-(h), and 10 are Impaired under the Plan and the Holders of Allowed Claims in all such Classes are entitled to vote to accept or reject the Plan, including by acting through a Voting Representative.⁵ For purposes of determining acceptance and rejection of the Plan, each such Class (including each Class identified by a number and letter) will be regarded as a separate voting Class and votes will be tabulated on a Debtor-by-Debtor basis.

An Impaired Class of Claims shall have accepted this Plan if (a) the Holders, including Holders acting through a Voting Representative, of at least two-thirds (2/3) in amount of Claims actually voting in such Class have voted to accept this Plan and (b) the Holders, including Holders acting through a Voting Representative, of more than one-half (1/2) in number of Claims actually voting in such Class have voted to accept this Plan. ⁴ The Plan provides for potential treatment which would render Claims in Classes 2(b), 2(c), and 3 Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan, and Holders of such Claims would not be entitled to vote.

⁵ Holders of Claims in Class 2(b), Class 2(c), and Class 3 are entitled to vote, but the Plan provides for potential treatment which would render these Claims Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan, and any votes by Holders of such Claims will be moot and disregarded.

Voting Representative, of at least two-thirds (2/3) in number of Claims actually voting in such Class have voted to accept the Plan.

3. Deemed Rejection of the Plan

Claims and Interests in Classes 9(i), 9(j), 13, and 14 are Impaired under the Plan and their Holders shall receive no distributions under the Plan on account of their Claims or Interests (as applicable) and are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Therefore, Holders of Claims and Interests in Classes 9(i), 9(j), 13, and 14 are not entitled to vote on the Plan and the votes of such Holders shall not be solicited.

4. Presumed Acceptance of the Plan or Deemed Rejection of the Plan

The Debtors shall seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify the Plan in accordance with Article XI of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under the Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise; *provided* that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto.

F. *Special Provision Governing Unimpaired Claims*

Except as otherwise provided herein, nothing under the Plan shall affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

G. *Vacant and Abstaining Classes*

Any Class of Claims or Interests that is not occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under

Bankruptcy Rule 3018 shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept the Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under the Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Claims on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliate-subsiaries) corporate structure, for the ultimate benefit of the Holders of New Mallinckrodt Ordinary Shares, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under the Plan to make certain distributions to the Holders of Allowed Claims.

I. *New Credit Facilities*

For the avoidance of doubt and notwithstanding anything to the contrary herein, to the extent incurred prior to the Effective Date, the New Credit Facilities shall survive the Effective Date and shall not be entitled to treatment within any Class set forth herein.

Article IV.

MEANS FOR IMPLEMENTATION OF THE PLAN

A. *General Settlement of Claims and Interests*

In consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action and controversies resolved pursuant to the Plan. The Plan shall be deemed a motion by the Debtors to approve such compromises and settlements (including but not limited to the UCC Settlement and the OCC Settlement) pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromises and settlements under Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, their Estates and Holders of Claims and Interests, and are fair, equitable and within the range of reasonableness. Subject to Article VI, distributions made to Holders of Allowed Claims and Allowed Interests in any Class are intended to be and shall be final and indefeasible and shall not be subject to avoidance, turnover, or recovery by any other Person.

The Restructuring Transactions shall not (a) adversely affect the recoveries under the Plan of (i) holders of Guaranteed Unsecured Notes Claims without the consent of the Required Supporting Unsecured Noteholders or (ii) the holders of Opioid Claims without the consent of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, or (b) materially adversely affect the rights or recoveries under the Plan of the holders of First Lien Term Loan Claims without the consent of the Required Supporting Term Lenders.

The Confirmation Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate Restructuring Transactions (including any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan).

C. *Corporate Existence*

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by the Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law).

D. *Vesting of Assets in the Reorganized Debtors*

Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated herein, including the Restructuring Transactions Memorandum, on the Effective Date, all property of each Debtor's Estate, including (a) all Causes of Action other than (i) the Assigned Third-Party Claims, and (ii) the Assigned Insurance Rights, (b) Excluded Insurance Policies, and (c) any property acquired by any of the Debtors pursuant to the Plan, in each case, shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan and the Opioid Operating Injunction, each Reorganized Debtor may operate its business and may use, acquire, encumber, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code.

Reorganized Mallinckrodt shall not, and neither shall any of its other subsidiaries, other than the Reorganized VI-Specific Debtors, be involved in the sale or distribution of opioids classified as DEA Schedule II–IV drugs in the future.⁶

E. *Indemnification Provisions in Organizational Documents*

As of the Effective Date, each Reorganized Debtor's memorandum and articles of association, bylaws, and other New Governance Documents shall, to the fullest extent permitted by applicable law, provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to, current and former managers, directors, officers, equity holders, members, employees, accountants, investment bankers, attorneys, other professionals, or agents of the Debtors and such current and former managers', directors', officers', equity holders', members', employees', accountants', investment bankers', attorneys', other professionals' and agents' respective Affiliates to the same extent as set forth in the Indemnification Provisions, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, fixed, or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. 1. The New Credit Facilities and Approval of the New Term Loan Documentation and New AR Revolving Facility Documentation

To the extent required and subject to the occurrence of the Effective Date, Confirmation of the Plan shall be deemed to constitute authorization and approval by the Bankruptcy Court (a) of the New Credit Facilities, (b) of the New Term Loan Documentation and New AR Revolving Facility Documentation (including all transactions contemplated thereby, and all actions to be taken, undertakings to be made and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities and expenses provided for therein), and (c) subject to the occurrence of the Effective Date, for the applicable Reorganized Debtors to enter into and perform their obligations under the New Term Loan Documentation and New AR Revolving Facility Documentation and such other documents as may be reasonably required or appropriate. For the avoidance of doubt, if the New Takeback Term Loans are issued pursuant to the Plan, the incurrence of (x) the New Term Loan Facility shall utilize the baskets for Revolver Replacement Term Loans (as defined in the Supporting Term Lenders Joinder Agreement) and may use other baskets (solely to the extent available) and (y) the New AR Revolving Facility shall utilize the baskets for Qualified Receivables Facilities (as defined in the Supporting Term Lenders Joinder Agreement) and may use other baskets (solely to the extent available), in each case, set forth in and subject to the negative covenants limiting the incurrence of indebtedness and liens under the New Takeback Term Loan Documentation.

For the avoidance of doubt, subject to the entry of an order of the Bankruptcy Court approving such incurrence, either or both of the New Credit Facilities may be incurred by the Debtors as debtor-in-possession financing prior to the Effective Date. e. in the event of any inconsistency between the terms of this Article IV.U.2 and any other provision of this Plan or Opioid MDT II Documents, the terms of this Article IV.U.2 shall govern unless the Opioid MDT II Trustees and the Opioid Creditor Trustees for each of the Opioid Creditor Trusts mutually agree.

V. *Settlements of Opioid Claims*

1. Non-Precedential Effect for Holders of Opioid Claims

This Plan, the Plan Supplement, and the Confirmation Order constitute a good faith full and final comprehensive compromise and settlement of Opioid Claims and controversies based upon the unique circumstances of these Chapter 11 Cases (such as the unique facts and circumstances relating to these Debtors as compared to other defendants in the general opioid litigations, and the need for an accelerated resolution without litigation) such that (i) none of the foregoing documents, nor any materials used in furtherance of Confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used as precedent, or used by any party or Person in any context whatsoever beyond the purposes of this Plan, in any other litigation or proceeding except as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan before the Bankruptcy Court or any other court of competent jurisdiction, and (ii) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise applicable to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. This Plan, the Plan Supplement, and the Confirmation Order will be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding involving Opioid Claims in which none of the Debtors, the Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Supplement, or the Confirmation Order. Any Opioid Claimants' support of, or position or action taken in connection with, this Plan, the Plan Supplement, and the Confirmation Order may differ from his position or testimony in any other litigation or proceeding except in connection with these Chapter 11 Cases. Further, the treatment of Opioid Claims as set forth in this Plan is not intended to serve as an example for, or represent the parties' respective positions or views concerning any other chapter 11 cases relating to opioid products, nor shall it be used as precedent by any Entity or party in any other chapter 11 cases related to opioid products.

2. Transferability of Opioid Claim Distribution Rights

Any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Opioid MDT II or the Opioid Creditor Trusts on account of an Opioid Claim shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts, as applicable. Further, any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of an Opioid Claim

shall be nontransferable and nonassignable except by will, intestate, succession or operation of law or as otherwise provided in the Plan or any of the Opioid Creditor Trust Documents. Any rights of Holders of Opioid Claims to receive a Distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of Opioid Claims shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

W. *Transfers of Property to and Assumption of Certain Liabilities by the Opioid MDT II*

1. Transfer of Books and Records to the Opioid MDT II

On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of all books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the defense of Opioid Claims (including Opioid Demands) in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. The transfer of any privileged books and records provided to the Opioid MDT II necessary for the defense of Opioid Claims (including Opioid Demands) shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to defend the Opioid Claims (including Opioid Demands) as more fully set forth in the Opioid MDT II Cooperation Agreement. Further, pursuant to the Plan and the Confirmation Order, none of the Debtors, the Reorganized Debtors, any of the Debtors’ or the Reorganized Debtors’ Affiliates or the Disinterested Managers shall be liable for violating any confidentiality or privacy protections as a result of transferring the books and records to the Opioid MDT II in accordance with the Opioid MDT II Cooperation Agreement, and the Opioid MDT II, upon receipt of the books and records, shall take appropriate steps to comply with any such applicable protections.

2. Funding the Opioid MDT II

a. *Opioid MDT II Funding Amount*

The Opioid MDT II shall be funded solely by the Opioid MDT II Consideration. On the Effective Date, the obligations to provide the Opioid MDT II Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the Opioid MDT II Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

b. *Payments to the Opioid MDT II and to the Public Schools’ Special Education Initiative*

On the Effective Date, the Debtors and/or the Reorganized Debtors will make the Initial Opioid MDT II Payment, and thereafter, the Reorganized Debtors or Reorganized Mallinckrodt will make each of

the Opioid Deferred Cash Payments subject to the Prepayment Option; *provided* after any sale of (i) Mallinckrodt Enterprises Holdings, Inc. and its subsidiaries (including, for the avoidance of doubt, its successors and assigns) or (ii) a material portion of their assets or businesses (including as a result of a merger, equity sale, or asset sale), subject to compliance with the Debtors' covenants under the agreements governing their funded indebtedness (as may be modified from time to time), 50% of the "net proceeds" of such sale (after, for the avoidance of doubt, compliance with then-existing covenants) shall be paid to the Opioid MDT II; and the amount of such net proceeds actually conveyed to the Opioid MDT II will be deemed a ratable repayment against the remaining Opioid Deferred Cash Payments that the Opioid MDT II is entitled to receive. For the avoidance of doubt, the Debtors will not be under any obligation to undertake any such sale on any particular timeframe. The Debtors intend that payments to the Opioid MDT II (whenever made, and from whatever source) will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of payments to the Opioid MDT II on account of Opioid Claims, and such tax characterization shall not be construed to be dispositive for any non-tax purpose. Nor shall such tax characterization be construed to mean that Debtors' payments satisfy the full extent of the liability associated with Opioid Claims, the satisfaction of which remains a valuable right assigned to the Opioid MDT II, nor that the remaining liability associated with Opioid Claims seeks restitution as a form of relief.

In addition, the Debtors and the Public Schools' Special Education Initiative intend that the Public Schools' Special Education Initiative Contribution will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of the Public Schools' Special Education Initiative Contribution, and such tax characterization shall not be construed to be dispositive for any non-tax purpose.

Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, on the one hand, and the Reorganized Debtors, on the other, shall reasonably cooperate in good faith with each other and their respective representatives with respect to the reporting required pursuant to Section 6050X of the Internal Revenue Code regarding the payments or transfers of property required under the Plan, with the goal of eliminating redundancies and complying with their reporting requirements, if any, in an efficient manner, including, if permitted under applicable law, appointing a single appropriate official to file a single information return in accordance with Treasury Regulation Sections 1.6050X-1(b)(3) and 1.6050X-1(f)(1)(ii)(B). Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, as applicable, shall, no later than thirty (30) days prior to the date on which each such information return, if any, is required to be filed, provide to the Reorganized Debtors a draft of any such information return it has determined that it is required to file with the IRS with respect to payments or transfer of property to it under the Plan and, prior to filing, shall consider in good faith any and all comments timely received from the Reorganized Debtors with respect thereto. If, after consultation with its tax advisors, the Trustees or other authorized persons of the Opioid MDT II, NOAT II or the Public Schools' Special Education Initiative reasonably determine in good faith that any such comments should not be reflected in such filing, the parties shall use reasonable best efforts to negotiate in good faith so as to reach a mutually agreeable resolution. If the parties are unable to reach a mutually agreeable resolution, the matter shall be resolved as directed by the Bankruptcy Court.

In addition, each of the Opioid MDT II and the Public Schools' Special Education Initiative shall use reasonable best efforts to provide to the Reorganized Debtors, no later than fifteen (15) days following the end of each calendar quarter, an estimate of the aggregate payments to any attorneys' fee funds established pursuant to Article IV.X.9.

c. *New Opioid Warrants*

On the Effective Date, Reorganized Mallinckrodt shall issue, and the Debtors shall cause to be transferred, the New Opioid Warrants to the Opioid MDT II or to a newly formed limited liability company formed and wholly owned by the Opioid MDT II.⁷

d. *Assigned Third-Party Claims, Share Repurchase Claims, and Assigned Insurance Rights*

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights to the Opioid MDT II; *provided, that* the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the Opioid MDT II) on account of any Assigned Third-Party Claims shall be enjoined and barred. Subject to the foregoing, nothing contained in the Plan, the Plan Supplement, or the Confirmation Order shall operate to require any Opioid Insurer to pay under any Opioid Insurance Policy the liability of any Person that was not an insured prior to the Petition Date..

The Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the prosecution of the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided, that*, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. Such transfer shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to preserve, secure, prosecute, or obtain the benefit of the Assigned Third-Party Claims, the Share Repurchase Claims, and Assigned Insurance Rights as more fully set forth in the Opioid MDT II Cooperation Agreement.

The Opioid MDT II shall be authorized to conduct Rule 2004 examinations, to the fullest extent permitted thereunder, to investigate the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights, without the requirement of filing a motion for such authorization; *provided*, however, that no such Rule 2004 examinations shall be taken of the Debtors, the Reorganized Debtors, Medtronic plc (and/or its subsidiaries and affiliates, including Covidien Limited), or any of their respective predecessors, successors, assigns and each of their respective then-current or former employees, officers,

⁷ The Debtors and the Supporting Parties are discussing the original issuance of the New Opioid Warrants to a newly formed limited liability company ("LLC") formed by and initially owned by Opioid MDT II. At emergence, Reorganized Debtor will issue the warrants to LLC directly. Following the issuance of the warrants to LLC, Opioid MDT II will distribute substantially all of the equity interests in LLC to the Creditor Trusts, retaining the portion allocable to the Opioid MDT II disputed claims reserve and any other portion allocable to Opioid MDT II beneficiaries other than the Creditor Trusts. A further transfer of LLC equity is expected with respect to TAFT II and the TAFT II beneficiaries.

Notwithstanding the foregoing, nothing herein shall interfere with the obligations of the Debtors, the Reorganized Debtors, or any of their respective then-current or former employees, officers, directors or Representatives to cooperate with the Opioid MDT II as set forth herein and in the Opioid MDT II Cooperation Agreement. For the avoidance of doubt, in the context of an actual pending litigation or contested matter, the rules of discovery applicable to such litigation or contested matter will control.

In implementing the assignment of the Assigned Insurance Rights, the Debtors or the Reorganized Debtors, on the one hand, and the Governmental Plaintiff Ad Hoc Committee and the MSGE Group or the Opioid MDT II, on the other hand, shall cooperate and negotiate in good faith concerning (x) treatment of unsatisfied self-insured retentions under the applicable Insurance Contracts, which, to the extent they remain to be paid as of the Effective Date, shall be satisfied to the extent and in the manner required by applicable law, with the objective of minimizing adverse consequences to Mallinckrodt, Reorganized Mallinckrodt, and the Opioid MDT II (it being understood that the foregoing obligation shall not require the Debtors or Reorganized Debtors to satisfy all or any portion of any such self-insured retentions with respect to any Opioid Insurance Policies) and (y) any actions by the Debtors, Reorganized Debtors, or the Opioid MDT II to pursue or preserve the Insurance Contracts relating to the Assigned Insurance Rights.

without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court; provided that the settlement, monetization, or disposition of the Share Repurchase Claims may not treat the holders of interests in such Share Repurchase Claims inconsistently without such holders' consent or, if applicable, without offering such holders the right to participate in such settlement, monetization, or disposition).

The Opioid Creditor Trusts shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees and other charges incurred subsequent to the date upon which the Opioid Creditor Trusts are established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

To the extent that the Opioid MDT II discovers, through its pursuit of the Assigned Insurance Rights, Insurance Contracts that are not included on the Schedule of Opioid Insurance Policies or the Schedule of Excluded Insurance Policies, (i) the Opioid MDT II will provide notice of such discovery to the Reorganized Debtors as soon as reasonably practicable following such discovery and (ii) the Opioid MDT II and the Reorganized Debtors will work in good faith to agree whether such Insurance Contract is an Opioid Insurance Policy or an Excluded Insurance Policy. The Reorganized Debtors, the Opioid MDT II, and the Insurers reserve their rights to pursue relief in any appropriate forum in the event the Reorganized Debtors and the Opioid MDT II are unable to reach an agreement whether such Insurance Contract is an Opioid Insurance Policy or an Excluded Insurance Policy.

7. Opioid MDT II Distributions

The Opioid MDT II shall make the Opioid MDT II Initial Distribution on the Opioid MDT II Initial Distribution Date and shall make the Opioid MDT II Subsequent Distributions on any Opioid MDT II Subsequent Distribution Date. The Opioid MDT II shall fund the Opioid Attorneys' Fees Fund with the Opioid Attorneys' Fees Fund Share, out of the Public Opioid Creditor Share. The Opioid MDT II shall also establish and fund the Opioid MDT II Operating Reserve and the Opioid MDT II Third-Party Payor Reserve.

8. Private Claimants' Attorneys' Fees.

A. Common Benefit Fund Assessments. On the Effective Date, a Common Benefit Escrow shall be established and funded by assessments of 5% of each Distribution made by the Private Opioid Creditor Trusts and the Ratepayer Account. Such assessments will be paid by each Private Opioid Creditor Trust and the Ratepayer Account in respect of the distributions made by each Private Opioid Creditor Trust and the Ratepayer Account to the Common Benefit Escrow and then, upon its establishment, directly to the Common Benefit Fund established by the MDL Court, on periodic schedules for each Private Opioid Creditor Trust and the Ratepayer Account acceptable to such creditors and the MDL Plaintiffs' Executive Committee, or as otherwise ordered by the MDL Court. The amounts in the Common Benefit Escrow shall be held in escrow until an order is entered by the MDL Court establishing a Common Benefit Fund, at which time the amounts held by the Common Benefit Escrow and all subsequent assessments of 5% of each Distribution made by the Private Opioid Creditor Trusts and the Ratepayer Account shall be transferred to and distributed in accordance with the order of the MDL Court establishing the Common Benefit Fund. To the extent a Hospital Opioid Claimant, a Third-Party Payor Opioid Claimant, a Ratepayer Opioid Claimant, a NAS Monitoring Opioid Claimant, a PI/NAS Opioid Claimant (or any ad hoc group consisting of Claimants of any of the foregoing) has retained counsel through an contingency fee arrangement, any contingency fees owed to such contingency counsel payable from Distributions under the Plan shall be reduced by the full amount payable under this Article IV.X.8. However, the applicable Claimant and its counsel, in their sole discretion, may agree that an amount up to but not exceeding 40% of the amount payable under this Article IV.X.8 may be applied to the reimbursement of actual costs and expenses incurred by such Claimant's counsel, in which case such agreed cost-reimbursement amount shall not reduce the contingency fee amounts payable to such counsel. For the avoidance of doubt, if the Debtors, the Governmental Plaintiff Ad Hoc Committee, and the MSGE Group agree to any reduced or less restrictive terms concerning the 5% Common Benefit Fund assessment (or its implementation) provided under any portion of this Article IV.X.8 for any of the Private Opioid Creditor Trusts and the Ratepayer Account, then such modifications shall apply to each of the groups, *mutatis mutandis*.

B. Hospitals Attorneys' Fees and Costs. On the Effective Date, the Hospital Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ad Hoc Group of Hospitals with respect to Hospital Opioid Claims. The Hospital Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Hospital Trust to Hospital Opioid Claimants that have not retained (or are not part of an ad hoc group that has retained) separate counsel through an individual contingency fee arrangement less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.Y.7(A). The Hospital Attorney Fee Fund shall be administered by the Hospital Trust on terms acceptable to the Ad Hoc Group of Hospitals.

C. NAS Monitoring Attorneys' Fees and Costs. On the Effective Date, the NAS Monitoring Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the NAS Committee with respect to NAS Monitoring Opioid Claimants. The NAS Monitoring Attorney Fee Fund shall be funded with (i) 20% of each distribution made to the NAS Monitoring Trust less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. Reasonable expert costs incurred by the NAS Committee in the formation of the abatement plan for the NAS Monitoring Trust shall also be paid by the NAS Monitoring Trust, and, for the avoidance of doubt, (x) there shall be no amounts payable to the Common Benefit Escrow or the Common Benefit Fund on account of such cost reimbursements and (y) the 20% limitation on attorneys' fees shall not apply to the foregoing reasonable expert costs. The NAS Monitoring Attorney Fee Fund shall be administered by the NAS Monitoring Trust on terms acceptable to the NAS Committee. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

D. Ratepayer Attorneys' Fees and Costs. On the Effective Date, the Ratepayer Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ratepayer Mediation Participants. The Ratepayer Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Ratepayer Account less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. The Ratepayer Attorney Fee Fund shall be administered by the Ratepayer Account as set forth in this Article IV.X.8. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

E. Emergency Room Physicians Attorneys' Fees and Costs. On the Effective Date, the Emergency Room Physicians Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Emergency Room Physicians Opioid Claimants. The Emergency Room Physicians Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Emergency Room Physicians Trust less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. The Emergency Room Physicians Attorney Fee Fund shall be administered by the Emergency Room Physicians Trust as set forth in this Article IV.X.8. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

F. PI Claimant Costs and Expenses. The Opioid Creditor Trustee of the PI Trust shall pay or reimburse, as applicable, the compensation, costs and fees of professionals that represented or advised the Ad Hoc Group of Personal Injury Victims and the NAS Committee in connection with the Chapter 11 Cases, as and to the extent provided in the PI Trust Documents. Such compensation, costs and fees paid or reimbursed, as applicable, by the PI Trust shall be deducted from distributions from the PI Trust Holders of Allowed PI Opioid Claims and Allowed NAS PI Opioid Claims, in each case pursuant to the PI Trust Documents. Nothing in this Article IV.X.8 shall impair or otherwise affect any fee contract that is not a contingency fee contract between the Ad Hoc Group of Personal Injury Victims and its professionals, or between the NAS Committee and its professionals.

G. No Impairment of Contingency Fee Contracts; No Further Assessment. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel. In this regard, the payment of the assessments described in this Article IV.X.8 shall be the only payment that such Holders (or their counsel) shall ever have to make to the Common Benefit Fund with respect to amounts distributed under this Plan, and shall not be subject to any further or other common benefit or similar assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof.

9. Public Opioid Claimants' Attorneys' Fees

A. Opioid Attorneys' Fee Fund. On the Effective Date, the Opioid Attorneys' Fee Fund shall be established, and thereafter funded pursuant to Article IV.X.7 for payment of costs and expenses (including attorneys' fees) as further set forth in this Article IV.X.9.

B. Municipal and Tribe Opioid Attorneys' Fee Fund. On the Effective Date, the Municipal and Tribe Opioid Attorneys' Fee Fund shall be established for the payment of costs and expenses (including attorneys' fees) of Holders of Municipal Opioid Claims and Tribe Opioid Claims (including any ad hoc group consisting of any of the foregoing), other than any amounts paid to counsel to the Governmental Plaintiff Ad Hoc Committee and the MSGE Group in accordance with the Plan and the Restructuring Support Agreement. The Municipal and Tribe Opioid Attorneys' Fee Fund shall be funded in an aggregate

amount not to exceed \$110 million from periodic distributions of 5.5% of each distribution on account of the Public Opioid Creditor Share. Payments from the Municipal and Tribe Opioid Attorneys' Fee Fund shall be the exclusive means of payment from the Public Opioid Creditor Trusts for costs and expenses (including attorneys' fees) of any Holder of a Municipal Opioid Claim or Tribe Opioid Claim (or any ad hoc group consisting of any of the foregoing) or any attorney therefor, other than amounts paid in accordance with the order of the MDL Court establishing the Common Benefit Fund. Except as otherwise agreed to in writing by the MSGE Group and the MDL Plaintiffs' Executive Committee, the PEC/MSGE Mallinckrodt Fee Allocation Agreement shall be and remain fully enforceable, and shall apply to the Municipal and Tribe Opioid Attorneys' Fee Fund. All modifications of the Municipal and Tribe Opioid Attorneys' Fee Fund that directly impact reimbursement of costs and expenses of Holders of Tribe Opioid Claims shall be reasonably acceptable to the Tribal Leadership Committee.

C. State Costs and Expenses. On the Effective Date, the State Opioid Attorneys' Fee Fund shall be established for the payment of costs and expenses (including attorneys' fees) of the States (including any ad hoc group thereof), other than amounts other than any amounts paid to counsel to the Governmental Plaintiff Ad Hoc Committee in accordance with the Plan and the Restructuring Support Agreement. - (b) As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, each Holder of a U.S. Government-Opioid Claimant Medical Expense Claim shall, without any further action by the Bankruptcy Court, be conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released by the Opioid Creditor Trusts, and their agents, representatives, successors and assigns, in their respective capacities as such, of all claims and Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the release of the U.S. Government-Opioid Claimant Medical Expense Claims (other than a claim or Cause of Action to enforce the terms of the Plan, including, but not limited to, any release of the U.S. Government-Opioid Claimant Medical Expense Claims) that the Opioid Creditor Trusts have asserted or could assert on their own behalf or on behalf of another Person or party notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived), against a Holder of a U.S. Government-Opioid Claimant Medical Expense Claim and, in respect of each Holder of a U.S. Government-Opioid Claimant Medical Expense Claim, its respective agents, representatives, successors and assigns, in their respective capacities as such.
- (c) The United States Department of Defense, Defense Health Agency (in respect of the TRICARE Program) submits to the jurisdiction of the Bankruptcy Court for purposes of the U.S. Government-Opioid Claimant Medical Expense Claim Settlement, including, but not limited to, the U.S. Government-Opioid Claimant Medical Expense Claim Releases.

Y. *Administration of Opioid Claims*

All Opioid Claims will be administered, processed, and resolved pursuant to the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The Opioid MDT II Trustee(s) and Opioid Creditor Trustee(s), as applicable, shall determine the eligibility, amount and Allowance of the applicable Opioid Claims in accordance with the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The determination by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s) of the eligibility, amount and Allowance of each Opioid Claim (except for any Other Opioid Claims) shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other Person, except as set forth herein and in the Opioid MDT II Documents and Opioid Creditor Trust Documents. Distributions in respect of Allowed Opioid Claims shall be made by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s), in accordance with the trust distribution procedures and other provisions of the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents, from the applicable Opioid MDT II or Opioid Creditor Trust. Distributions from the Opioid MDT II, Opioid Creditor Trusts, and the Ratepayer Account shall be the sole source of recovery for Holders of Allowed Opioid Claims, and no Holder of an Opioid Claim shall have any other or further recourse to the Opioid Creditor Trusts, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Opioid Claims shall have no recourse to the Opioid Creditor Trusts, the Ratepayer Account, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

1. Administration of Other Opioid Claims

On the Effective Date or as soon as reasonably practicable thereafter, the Opioid MDT II Administrator will (i) file the notice of the Other Opioid Claims Bar Date with the Bankruptcy Court and (ii) publish the notice of the Other Opioid Claims Bar Date, the form of which shall be reasonably acceptable to the Reorganized Debtors. The notice shall be served on all known Other Opioid Claimants who were served with ballots for Class 9(h) or submitted ballots for Class 9(h). Any Other Opioid Claim for which no timely proof of claim form is submitted shall be deemed disallowed, subject to Bankruptcy Rule 9006.

All Other Opioid Claims shall be Disputed Claims under the Plan. Only Other Opioid Claims that become Allowed Claims pursuant to the procedures contained in Article IV.Y.2 herein shall be entitled to receive distributions on account of their respective Other Opioid Claimant Pro Rata Share. For the avoidance of doubt, Other Opioid Claims, whether Allowed or disallowed, shall not be entitled to any distributions from any Abatement Trust or other Opioid Creditor Trust.

After Other Opioid Claims are Allowed and in the course of making any Opioid MDT II Subsequent Distribution, the Opioid MDT II Administrator will calculate the Other Opioid Claimant Pro Rata Share for the Allowed Other Opioid Claims, and shall make distributions to Holders of Allowed Other Opioid Claims accordingly.

The Opioid MDT II Administrator may, in its discretion, elect to implement procedures for the establishment and release of a reserve for Other Opioid Claims that may be allowed in the future. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Opioid MDT II shall treat any such reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including, to the extent applicable, the Opioid MDT II and Holders of Other Opioid Claims) shall be required to report for tax purposes consistently with the foregoing.

2. Objections to Other Opioid Claims

The Opioid MDT II Administrator shall be entitled to object to Other Opioid Claims. Any objections to Other Opioid Claims shall be served and filed on or before the later of (i) two-hundred and seventy (270) days after the Other Opioid Claims Bar Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown); any Disputed Other Opioid Claim to which no objection is served and filed within such time shall become an Allowed Other Opioid Claim after the expiration of such time. The Opioid MDT II Administrator shall be entitled to use omnibus objections in compliance with Local Rule 3007-1 and may seek Bankruptcy Court approval to establish additional objection or estimation procedures as the Opioid MDT II Administrator believes appropriate. Other Opioid Claims shall be Allowed or disallowed in accordance with the Bankruptcy Code, and any objection to, or other dispute regarding, the Allowance of an Other Opioid Claim shall (absent consensual resolution) be determined by the Bankruptcy Court. Notwithstanding anything to the contrary contained in the Plan, any disallowance of any Other Opioid Claim pursuant to any objection filed under this section of the Plan or otherwise shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code.

3. Resolution of Disputed Other Opioid Claims

On and after the Effective Date the Opioid MDT II Administrator shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Other Opioid Claims and to compromise, settle, or otherwise resolve any Disputed Other Opioid Claims without approval of the Bankruptcy Court.

4. Disallowance of Other Opioid Claims

Any Other Opioid Claims held by an Entity from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Other Opioid Claims may not receive any distributions on account of such Other Opioid Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors.

5. Estimation of Other Opioid Claims

The Opioid MDT II Administrator may at any time request that the Bankruptcy Court estimate any Other Opioid Claims pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose,

regardless of whether the Opioid MDT II Administrator has previously objected to such Other Opioid Claim or whether the Bankruptcy Court has ruled on any such objection; *provided*, however, any estimation of any Other Opioid Claim shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code. The Bankruptcy Court shall retain jurisdiction to estimate any Other Opioid Claim at any time during litigation concerning any objection to any Other Opioid Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any Other Opioid Claim, that estimated amount shall constitute the maximum limitation on such Other Opioid Claim (unless such Other Opioid Claim is subsequently Allowed in a greater amount pursuant to section 502(j) of the Bankruptcy Code), and the Opioid MDT II Administrator may pursue supplementary proceedings to object to the ultimate allowance of such Other Opioid Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Other Opioid Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

Z. Authority of the Debtors

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, prior to the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of the Plan, the Confirmation Order, the Scheme of Arrangement, the Irish Confirmation Order, the Restructuring Transactions, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents.

AA. Industry-Wide Document Disclosure Program

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall participate in an industry-wide document disclosure program by disclosing publicly a subset of its litigation documents, subject to scope and protocols described below.

1. Documents Subject to Public Disclosure

The following documents shall be produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to the Minnesota State Attorney General, on behalf of the Settling States, and are subject to public disclosure in perpetuity as part of an industry-wide document disclosure program, except for the redactions authorized by Article IV.AA.2:

- (b) All documents, indices, and privilege logs the VI-Specific Debtors produced in the Opioid Multi-District Litigation (*In re Nat'l Prescription Opiate Litig.*, No. 1:17-MD-2804 (N.D. Ohio)) and the New York litigation (*In re Opioid Litigation*, 400000/2017 (Suffolk County)) prior to the Petition Date.

All documents produced under this provision shall be provided in electronic format with all related metadata. The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors and the Minnesota State

Attorney General, on behalf of the Settling States, will work cooperatively to develop technical specifications for the productions.

2. Information That May Be Redacted

The following categories of information are exempt from public disclosure:

- (a) Information subject to trade secret protection. A “trade secret” is information, including a formula, pattern, compilation, program, device, method, technique or process, that (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, “trade secret” does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion.
- (b) Confidential personal information. “Confidential personal information” means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. “Confidential personal information” does not include the names of the VI-Specific Debtors’ and/or the Reorganized VI-Specific Debtors’ officers, directors, employees, agents, or attorneys.
- (c) Information that is inappropriate for public disclosure because it is subject to personal privacy interests recognized by law (e.g., HIPAA), or contractual rights of third parties that the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may not abrogate.
- (d) Information regarding the VI-Specific Debtors’ and/or the Reorganized VI-Specific Debtors’ employees’ personal matters unrelated to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors, including emails produced by the VI-Specific Debtors’ custodians discussing vacation or sick leave, family, or other personal matters.

3. Redaction of Documents Containing Protected Information

Whenever a document contains information subject to a claim of exemption pursuant to Article IV.AA.2, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce the document in redacted form. Such redactions shall indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions shall be limited to the minimum redactions possible to protect the legally recognized individual privacy interests and trade secrets identified above.

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, a log noting each document redacted. The log shall also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be produced simultaneously with the production of documents required by Article IV.AA.7.

In addition to the redacted documents, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall, upon any Settling State’s request, also produce all documents identified in Article IV.AA.1 in unredacted form to such Settling State at the same time. The redacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may be publicly disclosed in accordance with Article IV.AA.6. The unredacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to a Settling State shall be available only to such Settling State unless the VI-Specific

Debtors' and/or the Reorganized VI-Specific Debtors' claim of exemption under Article IV.AA.2 is successfully challenged in accordance with Article IV.AA.4 or the trade secret designation expires in accordance with Article IV.AA.5.

4. Challenges to Redaction

Anyone, including members of the public and the press, may challenge the appropriateness of redactions by providing notice to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors. If the challenge is not resolved by agreement, it must be resolved in the first instance by a third party jointly appointed by the Minnesota State Attorney General, on behalf of the Settling States, and the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to resolve such challenges. The decision of the third party may be appealed to a court with enforcement authority over the Opioid Operating Injunction. If not so appealed, the third party's decision is final. In connection with such challenge, a Settling State may provide copies of relevant unredacted documents to the parties or the decisionmaker, subject to appropriate confidentiality and/or in camera review protections, as determined by the decisionmaker.

5. Review of Trade Secret Redactions

Ten years after the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors complete the production of documents in accordance with this Article IV.AA, the Reorganized VI-Specific Debtors shall review all trade secret assertions made in accordance with Article IV.AA.2 and all non-manufacturing trade secret designations shall expire. The newly unredacted documents may then be publicly disclosed by the Minnesota State Attorney General, on behalf of the Settling States, in accordance with Article IV.AA.6. The Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, an updated redaction log justifying its designations of the remaining trade secret redactions as manufacturing trade secrets.

6. Public Disclosure through a Document Repository

The Minnesota State Attorney General, on behalf of the Settling States, may publicly disclose all documents covered by this Article IV.AA through a public repository maintained by a governmental, non-profit, or academic institution. The Minnesota State Attorney General, on behalf of the Settling States, may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents. When providing the documents covered by this Article IV.AA to a public repository, no Settling State shall include or attach within the document set any characterization of the content of the documents. For the avoidance of doubt, nothing in this paragraph shall prohibit any Settling State from publicly discussing the documents covered by this Article IV.AA.

7. Timeline for Production

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce all documents required by Article IV.AA.1 within nine months from the Petition Date.

8. Costs

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall be responsible for their allocable share of all reasonable costs and expenses associated with the public disclosure and storage of the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' documents through any public repository.

BB. *Monitor*⁸1. Appointment and Term

The Confirmation Order will provide for the appointment of the Monitor for a term of five years from the Petition Date. If, at the conclusion of the Monitor's five-year term, the Settling States determine in good faith and in consultation with the Monitor that the Reorganized VI-Specific Debtors have failed to achieve and maintain substantial compliance with the substantive provisions of the Opioid Operating Injunction, the Monitor's engagement shall be extended for an additional term of up to two years, subject to the right of the Reorganized VI-Specific Debtors to commence legal proceedings for the purpose of challenging the decision of the Settling States and to seek preliminary and permanent injunctive relief with respect thereto.

2. Identity

The Monitor for the full term shall be the Chapter 11 Monitor in place as of the Effective Date unless justifiable cause exists and the Monitor Agreement shall remain in full force and effect upon the Effective Date, unless amended or superseded by further order of the Bankruptcy Court, which order may be the Confirmation Order. For purposes of this paragraph, justifiable cause exists if the Monitor resigns or a court finds that the Monitor: (a) develops a conflict of interest that would undermine public confidence in the objectivity of his or her work; (b) has unreasonably failed to fulfill his or her material obligations under the Opioid Operating Injunction or pursuant to his or her work plan, (c) has engaged in any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct; or (d) has engaged in an intentional act of bias or prejudice in favor or against either party. Justifiable cause shall not include the Reorganized VI-Specific Debtors' or the Settling States' disagreements with the decisions of the Monitor, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Monitor has not been acting as an independent third party in rendering decisions.

If a new Monitor must be appointed during the term, the Reorganized VI-Specific Debtors and the Settling States shall exchange pools of recommended candidates within 30 days of the Monitor's departure. The pools shall each contain the names of three individuals, groups of individuals or firms and shall be based in part on experience with internal investigations or the investigative process (which may include prior monitorship or oversight experience) and expertise in the pharmaceutical industry, relevant regulatory regimes, and internal controls and compliance systems.

After receiving the pools of Monitor candidates, the Reorganized VI-Specific Debtors and the Settling States shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Reorganized VI-Specific Debtors and the Settling States may veto any of the candidates, and must do so in writing within 30 days of receiving the pool of candidates. If all three candidates within a pool are rejected by either the Reorganized VI-Specific Debtors or the Settling States, the party who rejected the three candidates may direct the other party to provide up to three additional qualified candidates within 15 days of receipt of said notice.

If the Reorganized VI-Specific Debtors or the Settling States do not object to a proposed candidate, the Reorganized VI-Specific Debtors or the Settling States shall so notify the other in writing within 30 days of receiving the pool of candidates. If more than one candidate remains, the Settling States shall select the Monitor from the remaining candidates.

⁸ This section is qualified in its entirety by the Voluntary Injunction and the Opioid Operating Injunction, and for any inconsistency between this section and the Voluntary Injunction and the Opioid Operating Injunction, the Voluntary Injunction and the Opioid Operating Injunction, as applicable, will govern.

3. Duties and Reporting

The Monitor shall be responsible for ensuring that the Reorganized VI-Specific Debtors (and any successors during the Monitor's term to the Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories) are in compliance with the Opioid Operating Injunction. The Reorganized VI-Specific Debtors and their professionals and representatives shall cooperate and reasonably respond to requests by the Monitor in the performance of its responsibilities, including reasonable requests for access to relevant books and records of the Reorganized VI-Specific Debtors. Subject to any legally recognized privilege and as reasonably necessary to perform his or her duties, the Monitor shall have full and complete access to the Reorganized VI-Specific Debtors' personnel, books, records, and facilities, and to any other relevant information, as the Monitor may request. The Reorganized VI-Specific Debtors shall develop such information as the Monitor may request and shall fully, completely and promptly cooperate with the Monitor.

The manner in which the Monitor will carry out his or her responsibilities, the general scope of information that the Monitor will seek to review in fulfilling his or her duties and, where applicable, the methodologies to be utilized shall be consistent with the work plan used by the Chapter 11 Monitor as of the Effective Date (the "Work Plan"). The Reorganized VI-Specific Debtors, the Settling States, and the Monitor may jointly agree to revisions to the Work Plan.

The Monitor shall file a report with the Settling States regarding compliance by the Reorganized VI-Specific Debtors with the terms of the Opioid Operating Injunction every 90 days after the Effective Date (the "**Monitor Reports**"). The Reorganized VI-Specific Debtors and the Settling States may jointly agree to decrease the frequency of Monitor Reports to every 180 days. To the extent permissible by state public record laws, these reports (in whole or in part) may be filed subject to restriction from public disclosure. The content of Monitor Reports shall be set forth in the Work Plan.

Prior to issuing a Monitor Report, the Monitor shall confer with Reorganized VI-Specific Debtors and the Settling States, either jointly or separately (in the discretion of the Monitor), regarding his or her preliminary findings and the reasons for those findings. The Reorganized VI-Specific Debtors shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report.

4. Relief and Cure

In furtherance of the responsibilities of the Monitor, the Monitor shall be authorized to seek relief from the Bankruptcy Court, to the extent necessary to carry out its obligations hereunder.

In the event a Monitor Report identifies a potential violation of the Opioid Operating Injunction, the Reorganized VI-Specific Debtors shall have the right to cure any potential violation within 30 days.

5. Professionals and Costs

The Monitor shall have the authority to employ, upon written consent from the Reorganized VI-Specific Debtors, such consent not to be unreasonably withheld, delayed or conditioned, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's responsibilities. Requests to employ such individuals will be decided upon no later than ten (10) days from their receipt.

All compensation, costs and fees of the Monitor and any professionals retained by the Monitor shall be paid by the Reorganized VI-Specific Debtors.

6. Liability

The Monitor shall serve without bond or other security. The Monitor shall have no obligation, responsibility, or liability for the operations of the Reorganized VI-Specific Debtors.

CC. *Trade Claimant Agreements*

As to any Trade Claimant that agrees by so indicating on its Ballot to maintain with the Debtors Favorable Trade Terms, the Plan shall constitute (i) if applicable, an amendment to such Trade Claimant's assumed or assumed and assigned Executory Contract between any Debtor and such Trade Claimant, instituting the foregoing trade terms in such Executory Contract, or (ii) otherwise, a contractual agreement by such Trade Claimant to maintain such trade terms for at least twelve (12) months after the Effective Date.

DD. *Federal/State Acthar Settlement*

As of the Effective Date, the Federal/State Acthar Settlement Agreements shall be executed by Parent, Mallinckrodt ARD LLC, the U.S. Government, and the States. On the Effective Date or as soon as reasonably practicable thereafter, the Debtors and/or the Reorganized Debtors will make the Initial Federal/State Acthar Settlement Payment, and thereafter, the Reorganized Debtors will make each of the Federal/State Acthar Deferred Cash Payments; *provided*, that except as otherwise expressly set forth in any of the Federal/State Acthar Settlement Agreements executed by any State, the Initial Federal/State Acthar Settlement Payment and Federal/State Acthar Deferred Cash Payments shall bear interest accruing at an annual rate of 0.6255%, running from September 21, 2020, in eight installments.

EE. *Retainers of Ordinary Course Professionals*

Upon the Effective Date, each Ordinary Course Professional may apply its retainer, if any, against any outstanding prepetition balances owed by the Debtors to such Ordinary Course Professional.

FF. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

GG. *No Claims Under First Lien Notes/Second Lien Notes Intercreditor Agreement*

As the holders of First Lien Notes Claims shall have received recovery in full pursuant to the terms of this Plan, the holders of First Lien Notes shall not have any claims (including, without limitation, for turnover of payments) against the holders of Second Lien Notes (or the Second Lien Indenture Trustee or the Second Lien Collateral Agent) under the existing Intercreditor Agreement in any way arising from, relating to or as a result of the Debtors' restructuring (including, without limitation, of the First Lien Notes and Second Lien Notes), the Plan (including, without limitation, the treatment of the existing First Lien Notes Claims or Second Lien Notes Claims under the Plan or the making of distributions to the holders of the existing First Lien Notes Claims or Second Lien Notes Claims in accordance with the Plan), the distribution of property by the Debtors under the Plan, any related document or any order of the Bankruptcy Court, or any other transaction, agreement, event, omission or other occurrence taking place on or before the Effective Date related or relating to any of the foregoing, including without limitation the payment of any reasonable and documented out-of-pocket fees or expenses of the advisors to the Ad Hoc Second Lien Notes Group or the payment of the Second Lien Notes Indenture Trustee Fees, which payments shall be

final and not subject to disgorgement, turnover, recovery, avoidance, recharacterization or any other similar claim.

Prior to Effective Date, the Debtors shall not agree to any settlement with holders of the First Lien Notes Claims as to the treatment of such First Lien Notes Claims under this Plan that does not provide for a full release from any and all claims (including, without limitation, for turnover of payments) held by such settling holders of such First Lien Notes Claims against the holders of the Second Liens Notes Claims pursuant to the applicable Intercreditor Agreement.

HH. *General Unsecured Claims Trust*

1. Creation of General Unsecured Claims Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the General Unsecured Claims Trust in accordance with the Plan and the General Unsecured Claims Trust Documents. As of the Effective Date, the General Unsecured Claims Trust Documents shall be executed by the Debtors and the General Unsecured Claims Trustee, as applicable, and the General Unsecured Claims Trust shall be created. The General Unsecured Claims Trust will satisfy any applicable requirements to constitute a “qualified settlement fund” within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the General Unsecured Claims Trust and implementation of the UCC Settlement shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of General Unsecured Claims and Trade Claims to be assumed by the General Unsecured Claims Trust. The purpose of the General Unsecured Claims Trust shall be to, among other things: (1) resolve all Claims assumed thereby in accordance with the Plan, the General Unsecured Claims Trust Documents, and the Confirmation Order (but not, for the avoidance of doubt, (a) the Share Repurchase Claims, which will be liquidated by the Opioid MDT II or (b) any Claims to the extent and for so long as they are asserted as any other classification or status of Claims except General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust under Article IV.HH.7 of the Plan); (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the General Unsecured Claims Trust for use in resolving Claims assumed thereby; (3) enforce, pursue, prosecute, compromise, and/or settle the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims; (4) pay all GUC Trust Expenses as provided in the General Unsecured Claims Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the General Unsecured Claims Trust, including the fees and expenses of any professionals retained by the General Unsecured Claims Trust; and (6) qualify at all times as a qualified settlement fund.

3. Transferability of General Unsecured Claim Trust Distribution Rights

Any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, or the General Unsecured Claims Trust, as applicable. Further, any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall be nontransferable and nonassignable

except by will, intestate, succession, or operation of law or as otherwise provided in the Plan or any of the General Unsecured Claims Trust Documents. Any rights to receive a Distribution or other payment from the General Unsecured Claims Trust shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the General Unsecured Claims Trust

The General Unsecured Claims Trust shall be funded solely by the General Unsecured Claims Trust Consideration. On the Effective Date, the obligations to provide the General Unsecured Claims Trust Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the General Unsecured Claims Trust Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. Other than the obligation to provide the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust, the Debtors, the Reorganized Debtors, and the Estates shall have no obligation to make any payment on account of any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust.

The Reorganized Debtors shall market the StrataGraft priority review voucher at a time to be determined by the Reorganized Debtors’ board of directors. The Reorganized Debtors shall have sole discretion and control over the marketing and sale of the Stratagraft priority review voucher but shall provide the General Unsecured Claims Trustee with timely updates regarding all aspects of the marketing of the StrataGraft priority review voucher, and the General Unsecured Claims Trustee shall be entitled to reasonable consultation rights in respect of such marketing.

5. GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims to the General Unsecured Claims Trust; *provided*, that the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the General Unsecured Claims Trust) on account of any GUC Assigned Preference Claims or GUC Assigned Sucampo Avoidance Claims shall be enjoined and barred. In addition, the General Unsecured Claims Trust may obtain other consideration from third parties post-emergence, including but not limited to claims assigned by creditors, subject to the reasonable consent right of the Debtors or Reorganized Debtors, and the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with such other third-party consideration on the same terms as set forth in this Article IV.HH.

On and after the Effective Date, the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with the General Unsecured Claims Trust’s investigation, preservation, pursuit, and securing of the GUC Assigned Sucampo Avoidance Claims, including by providing non-privileged information (including, without limitation, data, documents, emails, and access to individuals with information) related to the GUC Assigned Sucampo Avoidance Claims, at the reasonable request of the General Unsecured Claims Trust. The General Unsecured Claims Trust shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date.

Any request by the General Unsecured Claims Trust for cooperation by the Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the General Unsecured Claims Trust Consideration in the General Unsecured Claims Trust

On the Effective Date, pursuant to the Plan and in accordance with the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust Consideration shall be transferred or issued to and vest in the General Unsecured Claims Trust free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Claims assumed by the General Unsecured Claims Trust). The General Unsecured Claims Trust shall have no liability for, and the General Unsecured Claims Trust Consideration shall vest in the General Unsecured Claims Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Claims assumed by the General Unsecured Claims Trust. From and after the Effective Date, all proceeds of the General Unsecured Claims Trust Consideration shall be paid to the General Unsecured Claims Trust to be applied in accordance with the General Unsecured Claims Trust Documents. For the avoidance of doubt, the Asbestos Cost Sharing Agreement shall be excluded from the General Unsecured Claims Trust and remain with the Reorganized Debtors.

7. Assumption of Certain Liability and Responsibility by the General Unsecured Claims Trust

In consideration for the property transferred to the General Unsecured Claims Trust and in furtherance of the purposes of the General Unsecured Claims Trust and the Plan, the General Unsecured Claims Trust shall assume all liability and responsibility, financial and otherwise, for (a) all General Unsecured Claims and (b) any Trade Claim, the Holder of which votes to reject the Plan or does not agree to maintain Favorable Trade Terms in accordance with the requirements set forth in the Disclosure Statement Order. The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the General Unsecured Claims Trust. Except as otherwise provided in the Plan and the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

8. Administration of General Unsecured Claims and Trade Claims Assumed by the General Unsecured Claims Trust

All Claims assumed by the General Unsecured Claims Trust will be administered, liquidated and discharged pursuant to the applicable General Unsecured Claims Trust Documents. Distributions in respect of Allowed Claims assumed by the General Unsecured Claims Trust shall be made by the General Unsecured Claims Trustee(s), in accordance with the General Unsecured Claims Trust Documents from the General Unsecured Claims Trust. Distributions from the General Unsecured Claims Trust shall be the sole source of recovery for Holders of Allowed Claims assumed by the General Unsecured Claims Trust pursuant to the Plan, and no Holder of any such Claim shall have any other or further recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Claims shall have no recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

Other than as described below, only the General Unsecured Claims Trustee shall be entitled to object to the General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. Any objections to such Claims shall be served and filed by the General Unsecured Claims Trustee on or before the later of (a) two-hundred and seventy (270) days after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The General Unsecured Claims Trustee shall be entitled to use omnibus objections in compliance with Local Rule 3007-1, in addition to any procedures set forth in the General Unsecured Claims Trust Documents, and may seek Bankruptcy Court approval to establish additional objection, estimation, or other claims reconciliation procedures as the General Unsecured Claims Trustee believes appropriate.

Notwithstanding anything to the contrary in the foregoing paragraph: (x) any settlement that results in allowance of any Acthar Claims shall require the consent of the Debtors (such consent not to be unreasonably withheld, conditioned, or delayed) and shall not include any direct or indirect admission of fault or liability as to the Debtors, the Reorganized Debtors, or any Released Party and shall not include any terms that allow for, establish, or tend to establish any legal or factual predicate for postpetition or post-Effective Date claims, liabilities, or obligations, including as to any form of legal or equitable relief, against the Debtors, the Reorganized Debtors, or any Released Party; (y) if, after the Effective Date, the merits of any Acthar Claim are to be the subject of litigation (as opposed to being settled or resolved without litigation), the Reorganized Debtors shall have the right to control the defense of any such Acthar Claim, as well as any settlement thereof (with the reasonable consent and at the expense of the General Unsecured Claims Trust); and (z) (i) all administrative, secured, and priority claims, including any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust a portion of which is asserted to be an administrative, secured, or priority claim and (ii) any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust that seeks injunctive relief shall be resolved by the Debtors in accordance with the terms, provisions, and procedures of the Plan, provided, however, that if such General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust is later determined not to be an administrative, secured, or priority claim, or any request for injunctive relief therein has been dismissed, such Claim shall be resolved by the General Unsecured Claims Trust in accordance with the terms, provisions, and procedures of the General Unsecured Claims Trust Documents and shall be controlled by the General Unsecured Claims Trustee(s), with the reasonable consent of the Debtors' *provided*, that the Debtors or the Reorganized Debtors shall not seek to allow a General Unsecured Claim that has been reclassified in accordance with clause (z).

The General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary or appropriate by the General Unsecured Claims Trust Trustee(s). The General Unsecured Claims Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other charges incurred subsequent to the date upon which the General Unsecured Claims Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

The General Unsecured Claims Trust shall be authorized to conduct examinations under Bankruptcy Rule 2004, to the fullest extent permitted thereunder, to investigate the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, without the requirement of filing a

motion for such authorization; *provided, however*, that no such examinations shall be taken of the Debtors, the Reorganized Debtors, any Released Party, or any of their respective then-current employees, officers, directors, representatives, or agents, without further order of the Bankruptcy Court after notice and an opportunity to object and be heard.

Before and after the Effective Date, the Debtors or the Reorganized Debtors (as applicable) shall provide reasonable cooperation to the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust (as applicable) in connection with the investigation and preservation of the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, including by providing information (including, without limitation, documents, emails, and access to individuals with information), at the reasonable request of professionals retained by the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust on the terms set forth in the GUC Trust Cooperation Agreement.

II. *Asbestos Trust*

1. Creation of Asbestos Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the Asbestos Trust in accordance with the Plan and the Asbestos Trust Documents. The Asbestos Trust will satisfy any applicable requirements to constitute a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the Asbestos Trust shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of Asbestos Claims. The purpose of the Asbestos Trust shall be to, among other things: (1) resolve all Asbestos Claims assumed thereby in accordance with the Plan, the Asbestos Trust Documents, and the Confirmation Order; (2) preserve, hold, collect, manage, and maximize the assets of the Asbestos Trust for use in resolving Asbestos Claims; (3) pay all Asbestos Trust Expenses as provided in the Asbestos Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (4) pay any and all administration and operating expenses of the Asbestos Trust, including the fees and expenses of any professionals retained by the Asbestos Trust; and (5) qualify at all times as a qualified settlement fund.

Further, any right of a Holder of any Asbestos Claim to receive a distribution or other payment from the Asbestos Trust shall be nontransferable and nonassignable except by will, intestate, succession, or operation of law. Any rights to receive a Distribution or other payment from the Asbestos Trust shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the Asbestos Trust

The Asbestos Trust shall be funded solely by the Asbestos Trust Consideration, which shall be funded by the General Unsecured Claims Trust. On the Effective Date, the obligations of the General Unsecured Claims Trust to provide the Asbestos Trust Consideration shall constitute legal, valid, binding, and authorized obligations, enforceable in accordance with the terms hereof. If any such new litigations or claims result in the filing of Proofs of Claim in the Bankruptcy Court, such Proofs of Claim shall be Asbestos Late Claims, and not Asbestos Claims.

Article V.**TREATMENT OF EXECUTORY CONTRACTS
AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES****A. *Assumption of Executory Contracts and Unexpired Leases***

On the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumption of the Restructuring Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Restructuring Support Agreement shall be binding and enforceable against the parties to the Restructuring Support Agreement in accordance with its terms. For the avoidance of doubt, the assumption of the Restructuring Support Agreement herein shall not otherwise modify, alter, amend, or supersede any of the terms or conditions of the Restructuring Support Agreement including, without limitation, any termination events or provisions thereunder.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease or the execution of any other Restructuring Transaction (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. For the avoidance of doubt, consummation of the Restructuring Transactions shall not be deemed an assignment of any Executory Contract or Unexpired Lease of the Debtors, notwithstanding any change in name, organizational form, or jurisdiction of organization of any Debtor in connection with the occurrence of the Effective Date.

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the Debtors or Reorganized Debtors, as applicable, reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion prior to the Confirmation Date (or such later date as may be permitted by Article V.B or Article V.E below), *provided* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

B. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Cost in Cash on the Effective Date or as soon as reasonably practicable, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree. No later than the Plan Supplement Filing Date, to the extent not previously Filed with the Bankruptcy Court and served on affected counterparties, the Debtors shall provide notices of the proposed assumption and proposed Cure Costs to be sent to applicable counterparties, together with procedures for objecting thereto and for resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related Cure Cost must be Filed, served, and actually received by the Debtors by the date on which objections to confirmation are due (or such other date as may be provided in the applicable assumption notice).

Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Cost will be deemed to have assented to such assumption and Cure Cost. Any timely objection to a proposed assumption or Cure Cost will be scheduled to be heard by the Bankruptcy Court at the Reorganized Debtors' first scheduled omnibus hearing after the date that is ten (10) days after the date on which such objection is Filed. In the event of a dispute regarding (1) the amount of any Cure Cost, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365(b) of the Bankruptcy Code under any Executory Contract or the Unexpired Lease, and/or (3) any other matter pertaining to assumption and/or assignment, then such dispute shall be resolved by a Final Order; *provided* that the Debtors or Reorganized Debtors may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court; *provided, further*, that notwithstanding anything to the contrary herein (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors reserve the right to reject any Executory Contract or Unexpired Lease previously designated for assumption within forty five (45) days after the entry of a Final Order resolving an objection to the assumption or to the proposed Cure Cost.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full satisfaction and cure of any Claims and defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, under any assumed Executory Contract or Unexpired Lease arising at any time prior to the effective date of assumption. Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, will continue to honor all postpetition and post-Effective Date obligations under any assumed Executory Contracts and Unexpired Leases in accordance with their terms, regardless of whether such obligations are listed as a Cure Cost, and whether such obligations accrued prior to or after the Effective Date, and neither the payment of Cure Costs nor entry of the Confirmation Order shall be deemed to release the Debtors or the Reorganized Debtors, as applicable, from such obligations.

C. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, and except as otherwise provided in this section of or otherwise in the Plan, any Proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Effective Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease). **Any Proofs of Claim arising from the rejection of the Executory Contracts and Unexpired Leases that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall constitute

General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan; *provided*, however, as set forth in Article V.G. of this Plan, any Claims arising out of the rejection of an Executory Contract that are Co-Defendant Claims shall be either Other Opioid Claims or No Recovery Opioid Claims, and shall be treated in accordance with the Plan, and the deadline for the filing of Proofs of Claim arising out of the rejection of an Executory Contract or Unexpired Lease set forth in this Article V.C. shall not apply with respect to any Co-Defendant Claim.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, will be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) will survive and remain unaffected by entry of the Confirmation Order.

E. *Reservation of Rights*

Neither anything contained in the Plan nor the Debtors' delivery of a notice of proposed assumption and proposed Cure Cost to any contract and lease counterparties shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.C of the Plan.

F. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

G. *Co-Defendant Contracts*

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), the assumption of any contract or lease under the Plan, the non-Debtor counterparty to which is a Released Co-Defendant, shall (a) release any Causes of Action on account of any and all terms or provisions of such contract or lease solely to the extent such terms or provisions create an obligation of any

party thereto (or any assignee thereof), or give rise to a right in favor of any non-Debtor under any Opioid Insurance Policy or any other insurance policy of any Protected Party, for the indemnification or reimbursement of any Person for costs, losses, damages, fees, expenses or any other amounts whatsoever relating to or arising from any actual or potential opioid-related litigation or dispute, whether accrued or unaccrued, asserted or unasserted, existing or hereinafter arising, based on or relating to, or in any manner arising from, in whole or in part, Opioid-Related Activities or other conduct occurring prior to the Effective Date; and (b) constitute (i) a release by each party of each other counterparty (and any assignee thereof or successor thereto), including a mutual release between (x) each non-Debtor counterparty to the contract and its Co-Defendant Related Parties and (y) the Debtor counterparty to the contract and the Protected Parties, (ii) a release by each non-Debtor party of all Insurers, in the case of (i) and (ii), from any and all Causes of Action and other rights of recovery arising under or relating to such indemnification and reimbursement rights to the extent relating to any conduct occurring prior to the Effective Date, and (iii) an agreement by each non-Debtor counterparty to the contract and its Co-Defendant Related Parties to release any and all Co-Defendant Claims held by such parties against any Protected Parties. On the Effective Date, all Co-Defendant Claims arising under or related to any such assumed or assumed and assigned contract or lease, the non-Debtor counterparty to which is a Released Co-Defendant, shall be released and discharged with no consideration on account thereof, and all Proofs of Claim in respect thereof shall be deemed expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person. To the extent that any court of competent jurisdiction later determines that the releases granted by any Released Co-Defendant or its Co-Defendant Related Parties hereunder are unenforceable, such Person shall not be considered a Released Co-Defendant or Co-Defendant Related Party and shall not be Released Parties for any purpose under this Plan. Any and all Claims and Causes of Action against such Co-Defendant and its Co-Defendant Related Parties shall be Assigned Third-Party Claims, in such event.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors assume any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Co-Defendant Claims shall not be channeled to the Opioid MDT II or the Opioid Creditor Trusts and (ii) the Debtors' Claims and Causes of Action against such Co-Defendant shall be Retained Causes of Action and vest in the Reorganized Debtors and, for the avoidance of doubt, will not be Assigned Third-Party Claims or otherwise assigned to the Opioid MDT II.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors reject any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Opioid Claims shall be channeled to the Opioid MDT II as either No-Recovery Opioid Claims or Other Opioid Claims, unless such Opioid Claims are correctly classified in another class of Opioid Claims, and (ii) all Claims and Causes of Action against such Co-Defendant that would otherwise be considered Assigned Third-Party Claims shall be Assigned Third-Party Claims.

For the avoidance of doubt, unless otherwise agreed by the counterparty to any assumed or assumed and assigned contract or lease, the foregoing shall not release or otherwise modify any term or provision of such contract or lease to the extent of any indemnification or reimbursement rights (i) accruing after the Effective Date for conduct occurring after the Effective Date, (ii) for any amounts, if any, due to a Co-Defendant as a result of the New York Opioid Stewardship Act (2018 N.Y. Sess. Laws, ch. 57, pt. NN 7 (codified at N.Y. Pub. Health Law § 3323 and N.Y. State Fin. Law § 97-aaaaa)) or (iii) for any Co-Defendant Surviving Pre-Effective Date Claim. Notwithstanding the release, satisfaction, expungement

and extinguishment of Co-Defendant Claims, a Co-Defendant retains its Co-Defendant Defensive Rights, which includes the ability to recover from Persons that are not Protected Parties or from any insurance policies that are not Opioid Insurance Policies or other insurance policies of Protected Parties. The counterparty to such contract or lease and all other applicable Persons shall be bound by the terms set forth in this Article V.G.

H. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of the Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in the Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, will be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring, the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration or similar provisions therein. No counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately prior to such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided* that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. *Distribution on Account of Claims Other than Opioid Claims Allowed as of the Effective Date*

Except as otherwise provided in the Plan or a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Claims other than Opioid Claims Allowed on or before the Effective Date shall be made on the Initial Distribution Date; *provided* that (1) Allowed Administrative

Claims with respect to liabilities incurred by the Debtors in the ordinary course of business shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business or industry practice, (2) Allowed Priority Tax Claims shall be satisfied in accordance with Article II.B herein, (3) Allowed Other Priority Claims shall be satisfied in accordance with Article II.C herein, and (4) Allowed General Unsecured Claims and Allowed Trade Claims that would not come due in the ordinary course of the Debtors' business until after the Initial Distribution Date shall be paid by the Reorganized Debtors in the ordinary course of business; *provided, further*, that all Initial Distribution Date distributions are subject to the Disputed General Unsecured Claims Reserve in accordance with Article VII.H of the Plan. For the avoidance of doubt, the Debtors' obligation to make any distributions on account of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust will be satisfied by the transfer of the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust.

B. Distributions on Account of Claims Other than Opioid Claims Allowed After the Effective Date

1. Payments and Distributions on Disputed Claims

Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions on account of Disputed Claims other than Opioid Claims that become Allowed after the Effective Date shall be made on the next Periodic Distribution Date that is at least thirty (30) days after the Disputed Claim becomes an Allowed Claim; *provided* that (a) Disputed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business that become Allowed after the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (b) Disputed Priority Tax Claims that become Allowed Priority Tax Claims after the Effective date shall be treated as Allowed Priority Tax Claims in accordance with Article II.B of the Plan, and (c) Disputed Other Priority Claims that become Allowed Other Priority Claims after the Effective Date shall be treated as Allowed Other Priority Claims in accordance with Article II.C of the Plan.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order.

C. Timing and Calculation of Amounts to Be Distributed

Except as otherwise provided herein, on the Initial Distribution Date each Holder of an Allowed Claim other than an Opioid Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. If and to the extent that any Disputed Claims exist, distributions on account of such Disputed Claims shall be made pursuant to Article VI.B and Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

D. Delivery of Distributions

1. Record Date for Distributions

For purposes of making distributions on the Initial Distribution Date only, the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims other than Opioid Claims

reflected in the Debtors' books and records as of the close of business on the Confirmation Date; *provided, however*, that such record date will not apply to any distributions related to the First Lien Notes, Second Lien Notes, or Guaranteed Unsecured Notes maintained through DTC, and the record date for Holders of Allowed First Lien Term Loan Claims shall be the Effective Date. Subject to the foregoing sentence, if a Claim other than an Opioid Claim is transferred (a) twenty-one (21) or more days before the Confirmation Date and reasonably satisfactory documentation evidencing such transfer is Filed with the Bankruptcy Court before the Confirmation Date, the Distribution Agent shall make the applicable distributions to the applicable transferee, or (b) twenty (20) or fewer days before the Confirmation Date, the Distribution Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form is Filed with the Bankruptcy Court before the Confirmation Date and contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General

Except as otherwise provided in the Plan, the Distribution Agent shall make distributions to Holders of Allowed Claims other than Opioid Claims at the address for each such Holder as indicated in the Debtors' records as of the date of any such distribution, including the address set forth in any Proof of Claim Filed by that Holder or, with respect to Holders of Allowed First Lien Term Loan Claims, the address recorded as of the Effective Date in the register maintained by the First Lien Agent, as applicable; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Distributions by Distribution Agents

The Debtors and the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Distribution Agents to facilitate the distributions required hereunder. Except in the case of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee, each serving as a Distribution Agent, to the extent the Debtors and the Reorganized Debtors, as applicable, determine to utilize a Distribution Agent to facilitate the distributions under the Plan to Holders of Allowed Claims other than Opioid Claims, Guaranteed Unsecured Notes Claims, 4.75% Unsecured Notes Claims, and Legacy Unsecured Notes Claims, any such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or distributions required under the Plan; and (c) waive any right or ability to setoff, deduct from or assert any lien or encumbrance against the distributions required under the Plan to be distributed by such Distribution Agent; *provided*, that no Distribution Agent (including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee) will be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

Distributions on account of the Allowed First Lien Term Loan Claims will be made to the First Lien Agent or the New Takeback Term Loan Agent, as applicable, and the First Lien Agent or the New Takeback Term Loan Agent (as applicable) will be, and will act as, the Distribution Agent with respect to the Allowed First Lien Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents. Distributions on account of the Allowed Second Lien Notes Claims will be made to or at the direction of the Second Lien Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee will be, and will act as, the Distribution Agent with respect to the Allowed Second Lien Notes Claims in accordance with the terms and conditions of this Plan and the Second Lien Notes Indenture.

The Debtors or the Reorganized Debtors, as applicable, shall pay to the Distribution Agents all reasonable and documented fees and expenses of the Distribution Agents without the need for any approvals, authorizations, actions, or consents. The Distribution Agents (other than the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy

Unsecured Notes Indenture Trustee) shall submit detailed invoices to the Debtors or the Reorganized Debtors, as applicable, for all fees and expenses for which the Distribution Agent seeks reimbursement and the Debtors or the Reorganized Debtors, as applicable, shall promptly pay those amounts that they, in their sole discretion, deem reasonable, and shall object in writing to those fees and expenses, if any, that the Debtors or the Reorganized Debtors, as applicable, deem to be unreasonable. In the event that the Debtors or the Reorganized Debtors, as applicable, object to all or any portion of the amounts requested to be reimbursed in a Distribution Agent's invoice, the Debtors or the Reorganized Debtors, as applicable, and such Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate payment of such disputed fees and/or expenses. In the event that the Debtors or the Reorganized Debtors, as applicable, and a Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

4. Distributions to Holders of Second Lien Notes Claims, Guaranteed Unsecured Notes Claims, 4.75% Notes Claims, and Legacy Unsecured Notes Claims

The distributions of Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be made under this Plan to Holders of Guaranteed Unsecured Notes Claims shall be deemed made by the Debtors or Reorganized Debtors, as applicable, to the Guaranteed Unsecured Notes Indenture Trustee which shall transmit (or cause to be transmitted) such distributions to such Holders as set forth below. Notwithstanding anything to the contrary in this Plan, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, may transfer or facilitate the transfer of such distributions through the facilities of DTC in exchange for the relevant Guaranteed Unsecured Notes. If it is necessary to adopt alternate, additional or supplemental distribution procedures for any reason including because such distributions cannot be made through the facilities of DTC, to otherwise effectuate the distributions under this Plan, the Debtors or Reorganized Debtors, as applicable, shall implement the Alternate/Supplemental Distribution Process. The Debtors or Reorganized Debtors (as applicable) shall use their best efforts to make the Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be distributed to Holders of the Guaranteed Unsecured Notes eligible for distribution through the facilities of DTC.

Distributions on account of the Guaranteed Unsecured Notes Claims, the 4.75% Unsecured Notes Claims, and the Legacy Unsecured Notes Claims will be made to or at the direction of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee, as applicable. As soon as practicable, each of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall arrange to deliver such distributions to or on behalf of such Holders in accordance with the Plan and the applicable debt documents, subject to the rights of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee to exercise any charging lien granted under the Guaranteed Unsecured Notes Indenture, the 4.75% Unsecured Notes Indenture, or Legacy Unsecured Notes Indenture, as applicable. None of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall incur any liability whatsoever on account of making any distributions in accordance with the Plan, whether such distributions are made by it, or by the Distribution Agent at its reasonable direction and whether made on or after the Effective Date.

The obligations of the Guaranteed Unsecured Notes Indenture Trustee under or in connection with this Plan, the Guaranteed Unsecured Notes Indentures, the Guaranteed Unsecured Notes, and any related notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents, shall be discharged and deemed fully satisfied upon the Effective Date. On and after the Effective Date, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as trustee, shall be appointed and act as a Distribution Agent with respect to the applicable Guaranteed Unsecured Notes Claims to facilitate the

distributions provided for in this Plan to the applicable Holders of Allowed Guaranteed Unsecured Notes Claims. The obligations of the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, under or in connection with this Plan shall be discharged and deemed fully satisfied (as applicable) upon either: (i) DTC's receipt of the distributions with respect to the Allowed Guaranteed Unsecured Notes Claims; or (ii) if the Alternate/Supplemental Distribution Process is utilized, upon the earlier of the completion of the Guaranteed Unsecured Notes Indenture Trustee's role in such process or in accordance with the terms of the Alternate/Supplemental Distribution Process and, in either case, the Guaranteed Unsecured Notes Indenture Trustee shall not, in any capacity, have liability to any person for having made, or facilitating the making of, the distributions through the foregoing items (i) and (ii). The Guaranteed Unsecured Notes Indenture Trustee, as a Distribution Agent under this Plan, will be entitled to recognize and deal with for all purposes the Holders of the Guaranteed Unsecured Notes to the extent necessary to facilitate the distributions with respect to Allowed Guaranteed Unsecured Notes Claims to such Holders. Regardless of in which capacity it is acting, the Guaranteed Unsecured Notes Indenture Trustee in any capacity shall not be responsible for, and may conclusively rely on, the Alternate/Supplemental Distribution Process.

The distributions to be made under this Plan to Holders of Second Lien Notes Claims shall be deemed completed when made to or at the direction of the Second Lien Notes Indentures Trustee, which shall be deemed to be the Holder of all Second Lien Notes Claims for purposes of distributions to be made hereunder, and the Second Lien Notes Indenture Trustee shall hold or direct such distributions for the benefit of the Holders of Second Lien Notes Claims. The Second Lien Notes Indenture Trustee may transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with Holders of the Second Lien Notes Claims, to the extent consistent with the customary practices of DTC. If the Second Lien Notes Indenture Trustee is unable to make, or consents to the Reorganized Debtors making, such distributions, the Reorganized Debtors, with the Second Lien Notes Indenture Trustee's cooperation, shall make such distributions to the extent practicable to do so. The Second Lien Notes Indenture Trustee shall have no duties or responsibilities relating to any form of distribution that is not DTC eligible and the Debtors or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of a Second Lien Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. Regardless of whether distributions to Holders of Second Lien Notes Claims are made by the Second Lien Notes Indenture Trustee, or at the reasonable direction of the Second Lien Notes Indenture Trustee, the Second Lien Notes Indenture Trustee's charging lien shall attach to such distributions in the same manner as if such distributions were made through the Second Lien Notes Indenture Trustee. The Second Lien Notes Indenture Trustee shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct.

Notwithstanding any policies, practices or procedures of DTC or any other applicable clearing system, DTC and all other applicable clearing systems shall cooperate with and take all actions reasonably requested by the Notice and Claims Agent, the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee to facilitate distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, and Allowed Second Lien Notes Claims, including without requiring that such distributions be characterized as repayments of principal or interest. No Distribution Agent, including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee in any capacity, shall be required to provide indemnification or other security to DTC in connection with any distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, or Allowed Second Lien Notes Claims through the facilities of DTC.

5. Minimum Distributions

Notwithstanding anything herein to the contrary, other than on account of Unimpaired Claims, the Reorganized Debtors and the Distribution Agents shall not be required to make distributions or payments of less than \$100 (whether Cash or otherwise) and shall not be required to make partial distributions or payments of fractions of dollars or distributions of fractions of a New Mallinckrodt Ordinary Share. Whenever any payment or distribution of a fraction of a dollar or a fraction of a New Mallinckrodt Ordinary Share would otherwise be called for, the actual payment or distribution will reflect a rounding down of such fraction to the nearest whole dollar or nearest whole New Mallinckrodt Ordinary Share.

6. Undeliverable Distributions

a. Holding of Certain Undeliverable Distributions

Undeliverable distributions shall remain in the possession of the Reorganized Debtors, subject to Article VI.D.5.b of the Plan, until such time as any such distributions become deliverable or are otherwise disposed of in accordance with applicable nonbankruptcy law. Undeliverable distributions shall not be entitled to any additional interest, dividends, or other accruals of any kind on account of their distribution being undeliverable. Nothing contained herein shall require the Reorganized Debtors to attempt to locate any Holder of an Allowed Claim.

b. Failure to Present Checks

Checks issued by the Reorganized Debtors (or their Distribution Agent) on account of Allowed Claims shall be null and void if not negotiated within 90 days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim with respect to which such check originally was issued.

E. *Compliance with Tax Requirements/Allocations*

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, including requiring as a condition to the receipt of a distribution, that the Holders of an Allowed Claim complete an IRS Form W-8 or W-9, as applicable. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts Other than Opioid Insurance Policies*

Notwithstanding anything to the contrary in the Plan, the Plan Supplement, the Disclosure Statement or the Confirmation Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

(a) on and after the Effective Date, all Insurance Contracts that are not the Opioid Insurance Policies (i) are found to be and shall be treated as, Executory Contracts under the Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (ii) shall vest in

the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts that are not the Opioid Insurance Policies and as to which no Proof of Claim, Administrative Claim or Cure Cost claim need be filed; and

(b) solely with respect to Insurance Contracts that are not Opioid Insurance Policies, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in the Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (i) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (ii) Insurers to administer, handle, defend, settle and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (A) workers' compensation claims, (B) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in the Plan to proceed with its claim, and (C) all costs in relation to each of the foregoing; and (iii) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts other than Opioid Insurance Policies, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts other than Opioid Insurance Policies and/or applicable non-bankruptcy law. For the avoidance of doubt, this Article VI.F shall not apply to Opioid Insurance Policies and Opioid Claims.

G. *Distributions on Account of Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VI.A through VI.F (except as set forth in the last sentence of Article VI.E) shall not apply to any Opioid Claims, and all distributions to Holders of Opioid Claims (including Opioid Demands) shall be made by and from the Opioid MDT II and the Opioid Creditor Trusts in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

H. *Allocation of Distributions Between Principal and Interest*

Except with respect to the 2024 First Lien Term Loan Claims and the 2025 First Lien Term Loan Claims and as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

I. *Postpetition Interest on Claims*

Notwithstanding anything else in this Plan or the Confirmation Order, postpetition interest shall accrue and be paid on the First Lien Revolving Credit Facility Claims, the First Lien Term Loan Claims, the First Lien Notes Claims, and the Second Lien Notes Claims as set forth in the Plan. Unless otherwise specifically provided for in this Plan (including the preceding sentence and Article II.B.2 of the Plan), the

Confirmation Order, the Cash Collateral Order, or Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any other Claims and no Holder of any other Claims shall be entitled to interest accruing on or after the Petition Date on any Claim.

Article VII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *Allowance and Disallowance of Claims Other than Opioid Claims*

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim other than Opioid Claims and any other Claims Allowed under this Plan (including the First Lien Term Loan Claims), including the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim other than Opioid Claims or contingent or unliquidated Claim other than Opioid Claims in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

B. *Prosecution of Objections to Claims other than Opioid Claims*

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Debtors shall have the authority to File objections to Claims (other than Claims that are Allowed under this Plan or Opioid Claims) and settle, compromise, withdraw, or litigate to judgment objections to any and all such Claims, regardless of whether such Claims are in an Unimpaired Class or otherwise; *provided, however*, this provision shall not apply to Professional Fee Claims, which may be objected to by any party-in-interest in these Chapter 11 Cases. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim other than Opioid Claims without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors shall have the sole authority to administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. The General Unsecured Claims Trustee shall be required to notify the Reorganized Debtors simultaneously with the Notice and Claims Agent of any adjustments to be made to the Claims Register.

C. *Estimation of Claims and Interests other than Opioid Claims*

Before or after the Effective Date, the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim other than any Opioid Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection; and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or during the appeal relating to such objection; *provided* that if the Bankruptcy Court resolves the Allowed amount of a Claim, the Debtors and Reorganized Debtors, as applicable, shall not be permitted to seek an estimation of such Claim. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the

Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim subject to applicable law. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

D. *No Distributions Pending Allowance*

If any portion of a Claim other than an Opioid Claim is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Claim becomes an Allowed Claim.

E. *Time to File Objections to Administrative Claims*

Any objections to Administrative Claims shall be Filed on or before the Administrative Claims Objection Deadline, subject to any extensions thereof approved by the Bankruptcy Court.

F. *Procedures Regarding Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VII.A through VII.E shall not apply to any Opioid Claims, and all procedures for resolving contingent, unliquidated, and disputed Opioid Claims (including Opioid Demands) shall be governed by the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

G. *No Filing of Proofs of Claim for Opioid Claims or VI Opioid Claims*

Except as otherwise provided in the Plan, Holders of Opioid Claims or VI Opioid Claims shall not be required to File a Proof of Claim or a request for payment of an Administrative Claim on account of such Holder's Opioid Claims or VI Opioid Claims, and no such Holders should File such a Proof of Claim or such request for payment; *provided, however*, that a Holder of an Opioid Claim or VI Opioid Claim that wishes to assert Claims against the Debtors that are not Opioid Claims or VI Opioid Claims must File a Proof of Claim or a request for payment of an Administrative Claim with respect to such Claims which are not Opioid Claims or VI Opioid Claims on or before the applicable Claims Bar Date. The Opioid MDT II and Opioid Creditor Trusts will make distributions on account of Opioid Claims in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable. Within sixty (60) days after the Effective Date, the Reorganized Debtors shall File a report identifying all Proofs of Claim that are reasonably determined by the Debtors, in consultation with the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, and the Opioid MDT II Trustee(s), to be on account of any Opioid Claim, and upon the Filing of such report and notice to the Holders of such Proofs of Claim who shall have 14 days to object to such determination, all identified Proofs of Claim shall be deemed withdrawn and removed from the applicable claims register; *provided* that Proofs of Claim on account of Opioid Claims filed after the Effective Date shall automatically be deemed withdrawn and expunged; *provided, further*, that upon a motion and hearing with notice to the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, the Opioid MDT II Trustee(s), and, solely in the case of clause (b) below, the Holders of affected Proofs of Claim, the Debtors (a) may seek an extension to the deadline to File such report from the Bankruptcy Court and (b) may seek determination by the Bankruptcy Court that any Proof of Claim is on account of any Opioid Claim.

H. *Distributions After Allowance*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim. For the avoidance of doubt, this section of the Plan does not apply to General Unsecured Claims or Trade Claims assumed by the General Unsecured Claims Trust. The Debtors will retain the Trade Claim Cash Pool Unallocated Amount once all Allowed Trade Claims are satisfied in full.

I. *Disallowance of Certain First Lien Credit Agreement Claims, First Lien Notes Claims, and Second Lien Notes Claims.*

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the following Claims shall be disallowed on the Effective Date except as otherwise ordered by a Final Order of the Bankruptcy Court before the Effective Date: (a) any First Lien Credit Agreement Claims (i) for default rate interest under Section 2.13(c) of the First Lien Credit Agreement in excess of the non-default rate applicable under Sections 2.13(a) or (b) of the First Lien Credit Agreement, or (ii) for interest based on the asserted conversion of any “Eurocurrency Borrowing” to an “ABR Borrowing” (each as defined in the First Lien Credit Agreement) under Section 2.07(e) of the First Lien Credit Agreement, to the extent such interest exceeds the interest payable on such borrowing as a Eurocurrency Borrowing; *provided that*, notwithstanding the foregoing, the Allowed First Lien Revolving Credit Facility Claims and the Allowed First Lien Term Loan Claims shall include the applicable amount of First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest, respectively, and such First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest shall not be subject to disallowance; *provided further that* notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the First Lien Credit Agreement, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order during the Chapter 11 Cases to the First Lien Revolving Lenders, the First Lien Term Lenders and their respective agents and professionals shall be retained by the First Lien Revolving Lenders, the First Lien Term Lenders and such agents and professionals, as applicable, and not recharacterized as principal payments (other than payments of principal made on or prior to April 23, 2021 and First Lien Term Loan Principal Payments) or otherwise subject to disgorgement, recovery, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the First Lien Revolving Credit Facility Claims or the First Lien Term Loan Claims, as applicable (b) any First Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the First Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the First Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the First Lien Notes Indenture; (c) any Second Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the Second Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the Second Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the Second Lien Notes Indenture; and (d) any Claims for payment of any amounts payable pursuant to the Cash Collateral Order arising after the Effective Date. The Debtors will file an objection to such Claims consistent with the foregoing in advance of the Confirmation Hearing, and the Bankruptcy Court’s determination of such objection shall be set forth in the Confirmation Order.

Article IX.

RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims, Opioid Demands, and Interests; Compromise and Settlement of Claims, Opioid Demands, and Interests.*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Opioid Claims, Opioid Demands, and Interests of any nature whatsoever, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, or rights against the Debtors, the Reorganized Debtors, or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, Opioid Claims, Opioid Demands, or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim, Opioid Claim, Opioid Demand, or Interest is Allowed; or (3) the Holder of such Claim, Opioid Claim, Opioid Demand, or Interest has accepted the Plan. For the avoidance of doubt, the Claims against the Debtors, the Reorganized Debtors, and any of their assets and properties discharged pursuant to the Plan shall include (y) any Claims to the extent based on any assertion that the *Wholesale Product Purchase Agreement* (as in effect immediately prior to the Effective Date and including any prior versions of such agreement) between Mallinckrodt ARD LLC and Priority Healthcare Distribution, Inc., and/or the Debtors’ (or any predecessor’s) pre-Effective Date performance thereunder consistent with its terms, constitute an anticompetitive agreement or other anticompetitive conduct under applicable law, and (z) any Claims based on pre-Effective Date sales of Acthar Gel to the extent based on any assertion that the Debtors’ (or any predecessor’s) acquisition by license and maintenance of any rights to Synacthen Depot and related assets constitute anticompetitive conduct under applicable law. Except as otherwise provided herein, any default by the Debtors with respect to any Claim, Opioid Claim, or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims, Opioid Demands, and Interests subject to the Effective Date occurring, except as otherwise expressly provided in the Plan. For the avoidance of doubt, nothing in this Article IX.A shall affect the rights of Holders of Claims and Interests to seek to enforce the Plan, including the distributions to which Holders of Allowed Claims and Interests may be entitled to under the Plan.

In consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Opioid Demands, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Opioid Demands, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromises or settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. The Co-Defendant Defensive Rights shall not be waived, released, altered, impaired, or discharged and all Co-Defendant Defensive Rights are preserved, as provided in Article IX.N of the Plan.

B. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and the restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Debtors and the Estates from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any security or indebtedness of the debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, litigation claims arising from historical intercompany transactions between or among a Debtor and another Debtor, the business or contractual arrangements between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents (including providing any legal opinion requested by any Entity regarding any transaction,

contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims and Assigned Insurance Rights; *provided, further*, that the Debtors do not release Claims or Causes of Action against Released Co-Defendants that (i) are commercial in nature, and (ii) are unrelated to the Chapter 11 Cases or the subject matter of a Pending Opioid Action; *provided, further*, that the Debtors do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding anything to the contrary in the foregoing, (x) the releases by the Debtors set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan, and (y) with respect to the Released Co-Defendants, nothing in this Article IX.B shall release any Estate Surviving Pre-Effective Date Claim. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.B of the Plan. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.B of the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in Article IX.B of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court’s finding that such release is: (a) in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise

of the Claims released by the Debtor Release; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; and (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.B of the Plan.

C. *Releases by Non-Debtor Releasing Parties Other Than Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, except as otherwise explicitly provided herein, by the Non-Debtor Releasing Parties, in each case, from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such Holders or their Estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any Security or indebtedness of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, litigation claims arising from historical intercompany transactions between or among a Debtor and another Debtor, the business or contractual arrangements or interactions between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trust, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the prepetition documents, the "agreement in

principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing, other than Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence or willful misconduct. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.C of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Non-Debtor Releasing Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Released Parties for purposes of this Article IX.C. As a matter of clarification, the claims released by the Released Co-Defendants pursuant to Article IX.C shall not include any counterclaims, cross claims or other claims not directly arising from Mallinckrodt’s restructuring or these chapter 11 cases that the Released Co-Defendants may have against any Released Party in connection with any Pending Opioid Action or future action similar thereto, including any pending or future Opioid Action involving Mallinckrodt.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any criminal liability of a Released Party to a Governmental Unit arising out of, or relating to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act; (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date; or (z) preclude the Governmental Units that are plaintiffs in *Connecticut et al., v. Sandoz, Inc. et al.*, Case No. 2:20-cv-03539 (E.D. Pa.) from seeking injunctive relief in such pending action governing future conduct of the Debtors or the Reorganized Debtors, as applicable, that would not otherwise be discharged under the Bankruptcy Code. It is further understood and agreed that, pursuant to clause (z), the Governmental Units are not precluded from introducing or relying on facts or evidence occurring during the time period prior to the Confirmation Date in support of the request for future injunctive relief and the Debtors’ and Reorganized Debtors’ rights to object on any evidentiary grounds are reserved thereto.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, causes of action, proceeding or investigations against any non-Debtor person or non-Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Non-Debtor Releasing Parties set forth in Article IX.C of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) given in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the Claims released by Article IX.C of the Plan; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.C of the Plan; (g) consensual; and (h) essential to the confirmation of the Plan.

D. *Releases by Holders of Opioid Claims*

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Protected Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, each Opioid Claimant (in its capacity as such) is deemed to have released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, each Debtor, Reorganized Debtor, and Protected Party from any and all Claims (including Opioid Claims and Opioid Demands), counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, or attorneys' fees and expenses whatsoever, including any derivative claims asserted, or assertable on behalf of the Debtors, or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of any other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Opioid Claims (including Opioid Demands), the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), intercompany transactions between or among a Debtor and another Debtor, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, or any contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract,

instrument, document, or other agreement contemplated by the Plan or the reliance by any Protected Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Protected Party, or upon any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above (a) do not release any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation and (b) with respect to Co-Defendants and their Co-Defendant Related Parties, do not affect or alter (x) any treatment expressly set forth in Article III or Article V.G. of the Plan, (y) the preservation of Co-Defendant Defensive Rights as set forth in the Plan, including, without limitation, in Article IX.N of the Plan, or (z) any related substantive language set forth in the defined terms applicable to the foregoing clauses (x) or (y), as set forth in Article I of the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release by Opioid Claimants. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Protected Parties under the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of this release by Opioid Claimants, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court’s finding that this release is: (1) essential to the confirmation of the Plan; (2) given in exchange for the good and valuable consideration provided by the Protected Parties; (3) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (4) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to article IX.D of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any liability of a Protected Party to a Governmental Unit arising out of, or relating to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act perpetrated by the applicable Protected Party; or (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date.

E. *Release of Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, in each case solely in their respective capacities as such, shall be deemed conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Protected Parties from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Protected Parties are, were, would have been, or will be legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived) based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of

confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, or the distribution of property under the Plan or any other related agreement, Pending Opioid Actions, the development, production, manufacture, licensing, labeling, marketing, advertising, promotion, distribution or sale of opioid-related products, any past use or misuse of any opioid sold by the Debtors or any of its affiliates, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims, Assigned Insurance Rights, and Share Repurchase Claims; *provided, further*, that the Protected Parties do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Holder of an Opioid Claim, Released Co-Defendant, or Co-Defendant Related Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct; *provided, further*, that nothing in this Article IX.E shall (a) release any Cause of Action the Protected Parties are entitled to assert that is both (i) contractual or commercial in nature and (ii) unrelated to the subject matter of Pending Opioid Actions, (b) release any Cause of Action the Debtors are entitled to assert, to the extent such Cause of Action is necessary for the administration and resolution of a Claim against a Debtor solely in accordance with the Plan, *provided, however*, that the foregoing clause (b) shall not apply to any Holder of a Co-Defendant Claim solely with respect to such Co-Defendant Claim, (c) release any claim or right of the Debtors or the Reorganized Debtors arising in the ordinary course of the Debtors' or Reorganized Debtors' business, including, without limitation, any such claim with respect to taxes, (d) be construed to impair in any way the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Definitive Documents, the Confirmation Order or the Restructuring Transactions, or (e) with respect to the Released Co-Defendants and their Co-Defendant Related Parties, nothing in this Article IX.E shall release any Estate Surviving Pre-Effective Date Claim. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this release of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, solely in their capacity as such, by the Protected Parties. Notwithstanding anything to the contrary in the foregoing, the releases by the Protected Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. For the avoidance doubt, the releases by the Protected Parties set forth in this Section IX.E shall not release any Holder of Opioid Claims from any specific Claim, counterclaim, dispute, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, lien, remedy, loss, contribution, indemnity, cost, liability, attorneys' fee or expense if such Holder of Opioid Claims, in its capacity other than as a Holder of Opioid Claims, has not released the applicable Protected Party from Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses arising from a common nucleus of operative facts.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.E of the Plan.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims,

causes of action, proceeding or investigations against any non-Debtor person or non- Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Protected Parties set forth in Article IX.E of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims; (b) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims released by the Protected Parties; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.E of the Plan; and (g) essential to the confirmation of the Plan.

F. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any person for any Claims or Causes of Action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, related to, or arising out of, the Chapter 11 Cases, formulating, negotiating, preparing, disseminating, implementing, filing, administering, confirming or effecting the confirmation or consummation of the Plan, the Disclosure Statement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto), or any contract, instrument, release or other agreement or document created or entered into in connection with any of the foregoing, or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the Disclosure Statement or confirmation or consummation of the Plan, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, or the Opioid Creditor Trust Documents, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; *provided, however*, that the foregoing provisions of this exculpation shall not operate to waive or release: (a) any Causes of Action arising from actual fraud, gross negligence, or willful misconduct of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (b) the rights of any person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; *provided, further*, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person or Entity.

G. *Permanent Injunction*

Except as otherwise expressly provided in the Confirmation Order or Plan, from and after the Effective Date all persons are, to the fullest extent provided under section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from: (a) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff, or subrogation of any kind; and (e) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Equity Interest or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Confirmation Order against any person so released, discharged or exculpated (or the property or estate of any person so released, discharged or exculpated). All injunctions or stays provided in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, or otherwise, and in existence on the confirmation date, shall remain in full force until the Effective Date. Article IX.G of the Plan shall not apply to Opioid Claims, which shall be subject to Article IX.H of the Plan.

H. *Opioid Permanent Channeling Injunction*

TERMS. Pursuant to section 105(a) of the Bankruptcy Code, from and after the Effective Date, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to this Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable, and such Opioid Claimant shall have no right whatsoever at any time to assert its Opioid Claims (including Opioid Demands) against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all Opioid Claimants, including Future Opioid PI Claimants, shall be permanently and forever stayed, restrained, barred, and enjoined from taking any of the following actions for the purpose of, directly or indirectly or derivatively collecting, recovering, or receiving payment of, on, or with respect to any Opioid Claim (including Opioid Demand) based upon or arising from the Debtors' pre-Effective Date conduct or activities other than from the Opioid MDT II or the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable:

- Commencing, conducting, or continuing in any manner, directly, indirectly or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;
- Enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any means or in any manner, whether directly or indirectly, any judgment, award, decree, or other order against any Protected Party or any property or interests in property of any Protected Party;

- Creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance against any Protected Party or any property or interests in property of any Protected Party;
- Setting off, seeking reimbursement of, contribution from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability owed to any Protected Party or any property or interests in property of any Protected Party; or
- Proceeding in any manner in any place with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Opioid MDT II or the Opioid Creditor Trusts, as applicable, except in conformity and compliance with the applicable Opioid MDT II Documents and Opioid Creditor Trust Documents.

RESERVATIONS. The foregoing injunction shall not stay, restrain, bar, or enjoin (a) the rights of Opioid Claimants to assert Opioid Claims (including Opioid Demands) against the Opioid MDT II or the Opioid Creditor Trusts, as applicable, solely in accordance with the Plan, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents, as applicable; and (b) the rights of Entities to assert any Claim, debt, obligation, or liability for payment of Trust Expenses against the Opioid MDT II.

MODIFICATIONS. There can be no modification, dissolution, or terminations of this Opioid Permanent Channeling Injunction, which shall be a permanent injunction.

NON-LIMITATION OF CHANNELING INJUNCTION. Nothing in the Plan, the Opioid MDT II Documents, or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability, or effectiveness of the Opioid Permanent Channeling Injunction issued in connection with the Plan.

BANKRUPTCY RULE 3016 COMPLIANCE. The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

I. Opioid Insurer Injunction.

TERMS. In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Opioid Insurer, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any

Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;

- c. creating, perfecting or enforcing in any manner any Lien of any kind against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any such Claim based on, arising under or attributable to an Opioid Insurance Policy.

2. **RESERVATIONS.** The provisions of this Opioid Insurer Injunction do not apply to the Opioid MDT II and shall not preclude the Opioid MDT II from pursuing any Claim based on, arising under, or attributable to an Opioid Insurance Policy (including the Assigned Insurance Rights) or any other Claim that may exist under any Opioid Insurance Policy against any Opioid Insurer, nor shall it enjoin the Opioid MDT II from prosecuting any action based on, arising from, or attributable to any Opioid Insurance Policy or from asserting any claim, debt, obligation, cause of action, or liability for payment against a Opioid Insurer based on, arising from, or attributable to any Opioid Insurance Policy (including the Assigned Insurance Rights). The provisions of this Opioid Insurer Injunction are not issued for the benefit of any Opioid Insurer, and no such insurer is a third-party beneficiary of this Opioid Insurer Injunction. For the avoidance of doubt, with respect to a Person that purports to be insured under any Opioid Insurance Policy, the Opioid Insurer Injunction shall enjoin only derivative claims and rights. Nothing in this Plan shall determine whether any Claim or right under any Opioid Insurance Policy is either derivative or direct, or otherwise would be disallowed or subordinated under the Bankruptcy Code, which determination shall be made, as necessary, to the extent such Claim or right is not otherwise released under this Plan, in accordance with applicable law.

3. **MODIFICATIONS.** To the extent the Opioid MDT II Trustees determine that some or all of the proceeds under the Opioid Insurance Policies are substantially unrecoverable by the Opioid MDT II, the Opioid MDT II shall have the sole and exclusive authority, upon written notice to any affected Opioid Insurer, to terminate, reduce, or limit the scope of this Opioid Insurer Injunction with respect to any Opioid Insurer, *provided* that any termination, reduction, or limitation of the Opioid Insurer Injunction (i) shall apply equally to all Classes of Opioid Claims, and (ii) shall comply with any procedures set forth in the Opioid MDT II Documents.

4. **NON-LIMITATION OF INSURER INJUNCTION.** Except as set forth in paragraph 2 and 3 of this Article, nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust

Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Opioid Insurer Injunction issued in connection with the Plan.

J. *Settling Opioid Insurer Injunction.*

1. **Terms.** In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Settling Opioid Insurer, solely to the extent that such Settling Opioid Insurer has been released from such Claim under such Opioid Insurance Policy pursuant to an Opioid Insurance Settlement, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- c. creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such Opioid Insurance Policy.

2. **REDUCTION OF INSURANCE JUDGMENTS.** Any right, Claim, or cause of action that an insurance company may have been entitled to assert against any Settling Opioid Insurer but for the Settling Opioid Insurer Injunction, if any such right, Claim, or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim, or cause of action solely as a setoff claim against the Opioid MDT II and not against or in the name of the Settling Opioid Insurer in question. Any such right, Claim, or cause of action to which an insurance company may be entitled shall be solely in the form of a setoff against any recovery of the Opioid MDT II from that insurance company, and under no circumstances shall that insurance company receive an affirmative recovery of funds from the Opioid MDT II or any Settling Opioid Insurer for such right, Claim, or cause of action. In determining the amount of any setoff, the Opioid MDT II may assert any legal or equitable rights the

Settling Opioid Insurer would have had with respect to any right, Claim, or cause of action. Any Opioid Insurance Settlement for which Court approval is sought shall be sent out on notice pursuant to Bankruptcy Rule 9019.

3. **MODIFICATIONS.** There can be no modification, dissolution or termination of the Settling Insurer Injunction, which shall be a permanent injunction.

4. **NON-LIMITATION OF SETTling INSURER INJUNCTION.** Nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Settling Insurer Injunction issued in connection with the Plan.

K. *Opioid Operating Injunction*

From and after the date on which the Opioid Operating Injunction Order is entered by the Bankruptcy Court or another court of competent jurisdiction, the VI-Specific Debtors and/or Reorganized VI-Specific Debtors, as applicable, and any successors to the VI-Specific Debtors' and/or Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories shall abide by the Opioid Operating Injunction as set forth in the Plan Supplement.

The VI-Specific Debtors and Reorganized VI-Specific Debtors, as applicable, consent to the entry of a final judgment or consent order upon the Effective Date imposing all of the provisions of the Opioid Operating Injunction in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). After the Effective Date, the Opioid Operating Injunction will be enforceable in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). The VI-Specific Debtors and Reorganized VI-Specific Debtors agree that seeking entry or enforcement of such a final judgment or consent order will not violate any other injunctions or stays that it will seek, or that may otherwise apply, in connection with its Chapter 11 Cases or Confirmation.

L. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or prior to the Effective Date (whether pursuant to the Plan, a Final Order or otherwise); *provided* that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Reorganized Debtor or the Opioid MDT II of any such Claims, rights, and Causes of Action; *provided, further*, that the exercise of rights of setoff and/or recoupment by non-Debtor third parties against the Debtors or Reorganized Debtors on account of any Assigned Third-Party Claims shall be enjoined and barred, to the extent permitted by applicable law.

M. *Access to Opioid Insurance Policies*

Notwithstanding anything herein to the contrary, the Debtors shall not be released from liability for any Claim (other than any Co-Defendant Claim) that is or may be covered by any Opioid Insurance Policy; *provided* that recovery for any such Claim, including by way of settlement or judgment, shall be limited to the available proceeds of such Opioid Insurance Policy (and any extra-contractual liability of the Opioid Insurer with respect to any Opioid Insurance Policy) and shall be

asserted pursuant to procedures set forth in the Opioid MDT II Documents, and no Person or party shall execute, garnish or otherwise attempt to collect any such recovery from any assets other than the available proceeds of the Opioid Insurance Policy. The Debtors shall be released automatically from a Claim described in this paragraph upon the earlier of (x) the abandonment of such Claim and (y) such a release being given as part of a settlement or resolution of such Claim, and shall be released automatically from all Claims described in this paragraph upon the exhaustion of the available proceeds of the relevant Opioid Insurance Policy (notwithstanding the nonoccurrence of either event described in the foregoing clauses (x) and (y)).

N. *Co-Defendant Defensive Rights*

Except as provided in the Opioid Insurer Injunction, the Settling Opioid Insurer Injunction or this Article IX.N, notwithstanding anything to the contrary in this Article IX or in the Plan as it currently exists or as it might be further amended, the Confirmation Order or any order entered in connection with the Plan (or the Plan as amended) (or any such order, as amended, modified or supplemented), or any supplement to the Plan (or the Plan as further amended), nothing contained in the Plan or any of the foregoing documents or orders (including without limitation, the classification, treatment, allowance, disallowance, release, bar, injunction, Opioid Permanent Channeling Injunction or any other provision of the Plan or the Plan as amended with respect to, impacting, affecting, modifying, limiting, subordinating, impairing, in any respect, a Co-Defendant Claim), will release, bar, enjoin, impair, alter, modify, amend, limit, prohibit, restrict, reduce, improve or enhance any Co-Defendant Defensive Rights of any Holder of a Co-Defendant Claim as such rights exist or might in the future exist under applicable non-bankruptcy law. Nothing in the Plan, any of the Definitive Documents or in the Confirmation Order shall preclude, operate to or have the effect of, impairing any Holder of a Co-Defendant Claim from asserting in any proceeding any and all Co-Defendant Defensive Rights that it has or may have under applicable law. Nothing in the Plan, any of the Definitive Documents or the Confirmation Order shall be deemed to waive any Co-Defendant Defensive Rights, and nothing in the Chapter 11 Cases, the Plan, any of the Definitive Documents or the Confirmation Order may be used as evidence of any determination regarding any Co-Defendant Defensive Rights, and under no circumstances shall any Person be permitted to assert issue preclusion or claim preclusion, waiver, estoppel, or consent in response to the assertion of any Co-Defendant Defensive Rights. This Article IX.N shall be included in the Confirmation Order. Co-Defendant Defensive Rights (i) may be used to offset, set-off, recoup, allocate or apportion fault, liability, or damages, or seek judgment reduction or otherwise to defend against any Cause of Action or Claim brought by any Person against the Holder of any Co-Defendant Claim based in whole or in part on Opioid-Related Activities; and (ii) shall in no case be used to seek any affirmative monetary recovery from any Protected Party or any Asset of any Protected Party (including from any Opioid Insurance Policy or any other insurance policy of a Protected Party) on account of any Claim or Cause of Action released pursuant to Article IX.D, and shall in no case be used to seek an affirmative recovery from the Opioid MDT II or any Asset of the Opioid MDT II or any Opioid Creditor Trust or any Asset of any Opioid Creditor Trust. Any verdicts in any litigation shall not be binding on the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account if the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account do not participate in such litigation (and the Opioid MDT II, the Opioid Creditor Trusts, and the Ratepayer Account are not required to participate in such litigation).

Article X.

Article XII.

UCC Appendix

Exhibit 6 – Appendix**Allocation of Recoveries to Holders of Class 6 Claims and Certain Class 7 Claims****Executive Summary**

This appendix is intended to describe the methodology by which recoveries per the UCC Settlement are allocated to each sub-class of Allowed Class 6 Claims and Allowed Class 7 Claims that are assumed by the General Unsecured Claims Trust¹ (collectively, the “**Relevant Claims**”) under the Plan as determined by the UCC. The UCC’s Class 6 allocation of recoveries is an integral component of the UCC Settlement that materially increased the pool of consideration available to Holders of Relevant Claims. That consideration consists of (a) \$135 million in cash on the Effective Date (the “**Initial Cash Payment**”) plus (b) additional non-cash consideration to be monetized for which value is currently undetermined (the “**Other GUC Settlement Consideration**,” and together with the Initial Cash Payment, the “**General Unsecured Claims Trust Consideration**”), including certain litigation claims and the right to share in any future proceeds of certain priority review vouchers and other contingent value rights.² To resolve issues set forth in the UCC’s Supplemental Objection to the Disclosure Statement [Docket No. 2852], the allocation represents a compromise of the UCC’s objections to the distributions set forth in the June 8, 2021 version of the Plan [Docket No. 2916].

The allocation of recoveries to Holders of Relevant Claims is the product of a multi-step calculation process:

1. UCC Waterfall: The UCC’s professionals constructed a creditor recovery model (the “**UCC Waterfall**”) which valued assets and claims at, and estimated recoveries to creditors of, each Debtor entity and non-Debtor affiliate in accordance with the absolute priority rule and based on certain assumptions. Key assumptions underlying the UCC Waterfall are described below.³
2. Allocation Step 1: The UCC’s professionals calculated the potential recoveries to each sub-class of Holders of Relevant Claims at various estimates of General Unsecured Claims Trust Consideration by multiplying estimated General Unsecured

¹ These Class 7 Claims assumed by the General Unsecured Claims Trust will consist of Claims initially classified as Class 7 Claims under the Plan that are ineligible for treatment as Class 7 Claims due to the applicable Holder having (i) voted to reject the Plan and/or (ii) declined to agree to Favorable Trade Terms.

² The UCC professionals believe that a range of \$180 to \$220 million is a reasonable estimate of aggregate General Unsecured Claims Trust Consideration based upon information available at the time the UCC Settlement was reached and includes assumptions about future events.

³ While the estimated aggregate recoveries to Holders of Class 6 Claims per the UCC Waterfall (“**UCC Waterfall Recoveries**”) were used in the UCC’s mediation with the Debtors to inform the negotiation of the UCC Settlement, the UCC Waterfall Recoveries do not mirror recoveries to Holders of Class 6 Claims per the UCC Settlement. Such aggregate recoveries instead reflect a consensual, good faith, resolution and settlement of various controversies between the Debtors and the UCC as well as potential intercreditor controversies between and among the Class 6 sub-classes.

Claims Trust Consideration by each Class 6 sub-class's estimated recovery amount as determined by the UCC Waterfall as a percentage of UCC Waterfall Recoveries.

3. Allocation Step 2: The UCC allocation (the "**Allocation**") for distributing potential recoveries among Holders of Relevant Claims reasonably adjusts the calculations in Allocation Step 1 for timing and amounts of recoveries consistent with the overall GUC Settlement and as further described herein. The Allocation includes both (i) initial, fixed cash distributions or reserves⁴ (the "**Initial Fixed Distributions**"), and (ii) additional distributions from proceeds to be realized from Other GUC Settlement Consideration (the "**Additional Distributions**"). The General Unsecured Claims Trust Consideration is comprised of the Initial Fixed Distributions and the Additional Distributions.

Actual results presented herein may be materially different than the estimated results illustrated in Tables 1, 2, 4, 5, 6, 7 and 8 as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses.⁵

UCC Waterfall

The UCC Waterfall⁶ reflects hypothetical recoveries that would be received by each of the following Class 6 sub-classes on a Debtor-by-Debtor basis: (i) Class 6(a) – Acthar Claims; (ii) Class 6(b) – Generics Price Fixing Claims; (iii) Class 6(c) – Asbestos Claims; (iv) Class 6(d) – Legacy Unsecured Notes Claims; (v) Class 6(e) – Environmental Claims and Class 6(f) – Other General Unsecured Claims;⁷ and (vi) Class 6(g) – 4.75% Unsecured Notes Claims. *See* Plan at Art. III.B.6. The UCC has informed the Debtors that the UCC Waterfall is premised upon the following assumptions, among many others, to estimate recoveries to creditors:⁸

- Total enterprise value of \$5.7 billion, calculated as the average of the midpoints of the different valuations asserted by the Debtors⁹ and the UCC.

⁴ The Initial Fixed Distributions equal the Initial Cash Payment less \$10 million to be held in reserve for administration expenses of the General Unsecured Claims Trust.

⁵ It is currently expected (and assumed for purposes of this Allocation) that GUC Trust Expenses are \$10 million.

⁶ For the avoidance of doubt, the UCC Waterfall and the allocation methodology described herein is solely the work product of the UCC professionals.

⁷ For the purposes of the UCC Waterfall and Allocation, Classes 6(e) and 6(f) are illustrated as a single group of creditors at each Debtor entity (as applicable). Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust will be calculated pro rata on an entity-by-entity basis, as further described below.

⁸ The following is not intended to be an exhaustive list of the assumptions underlying the UCC Waterfall.

⁹ To maintain consistency between the valuations asserted by the Debtors and the UCC, the Debtors' valuation was reduced by the UCC professionals to account for the estimated value of CARES Act tax refund receivables.

- The allocation of total enterprise value, and other assets not included in total enterprise value (such as cash on hand), on an entity-by-entity basis.
- Treatment of funded debt claims upon consideration of underlying credit documents, and allocation of such claims on an entity-by-entity basis.
- A good faith estimation of claims, including contingent claims, on an entity-by-entity basis.¹⁰
- The satisfaction of unsecured claims, after full satisfaction of all secured claims, on an entity-by-entity basis.
- Exclusion of CMS and opioid settlements (*i.e.*, the settlements are not given effect).

Table 1 below illustrates estimated recoveries to Holders of Class 6 Claims per the UCC Waterfall:

Table 1

Sub-class	Est. Share of Aggregate Class 6 Entitlements
6(a) – Acthar Claims	29.0%
6(b) – Generics Price Fixing Claims	6.0%
6(c) – Asbestos Claims	1.9%
6(d) – Legacy Unsecured Notes Claims	5.4%
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%
6(g) – 4.75% Unsecured Notes Claims	28.5%
Total	100.0%

Allocation Step 1

Applying the estimated recoveries in the table above, the UCC professionals calculated the first step in the allocation process using various estimates of General Unsecured Claims Trust Consideration less GUC Trust Expenses (“Net Consideration”), as illustrated in Table 2 below:

Table 2

¹⁰ The estimation of claims in the UCC Waterfall in no way implies or concedes the validity, amount or priority of such claims.

	Est. Share of Aggregate Class 6 Entitlements		@ Net Consideration (\$ millions)		
Sub-class	@ Net Consideration $\leq 282^{11}$ (per Table 1)	@ Net Consideration = 300 ¹²	125	200	300
6(a) – Acthar Claims	29.0%	29.1%	36.2	58.0	87.3
6(b) – Generics Price Fixing Claims	6.0%	6.0%	7.5	11.9	17.9
6(c) – Asbestos Claims	1.9%	1.9%	2.4	3.8	5.8
6(d) – Legacy Unsecured Notes Claims	5.4%	5.1%	6.8	10.9	15.3
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%	29.3%	36.5	58.4	87.9
6(g) – 4.75% Unsecured Notes Claims	28.5%	28.6%	35.6	57.0	85.8
Total	100.0%	100.0%	125.0	200.0	300.0

The percentages set forth for each sub-class in the applicable column under the heading “Est. Share of Aggregate Class 6 Entitlements” are referred to herein as the “**Class 6 Entitlements**”.

Allocation Step 2

The UCC adjusted the allocation of recovery amounts for each Class 6 sub-class under Allocation Step 1 (the “**Recovery Adjustments**”) to fairly, reasonably, and equitably account for various settlements embodied in the UCC Settlement that compromise a myriad of (i) disputes between the Debtors and Holders of Class 6 Claims and (ii) actual and potential intercreditor controversies between and among the Class 6 sub-classes. Among other factors, the UCC considered the extent to which:

- General Unsecured Claims Trust Consideration will exceed the Initial Cash Payment.
- Claims in each sub-class are contingent, unliquidated and/or disputed.
- Contingent, unliquidated claims in certain sub-classes face the risk of complete or partial disallowance.

Allocation Step 1, coupled with the Recovery Adjustments, yield the Initial Fixed Distributions and the Additional Distributions described below.

Initial Fixed Distributions: Table 3 below illustrates the Initial Fixed Distributions:

Table 3

¹¹ Once Net Consideration exceeds approximately \$282 million, pursuant to the UCC Waterfall, the Legacy Unsecured Notes’ Class 6 Entitlement, when multiplied by Net Consideration, would provide a recovery in excess of the Legacy Unsecured Notes Claims. As a result, the excess would be reallocated among the other sub-classes.

¹² At \$300 million of Net Consideration, approximately \$1.0 million available to Legacy Unsecured Notes in excess of the Legacy Unsecured Notes Claims is reallocated among the other sub-classes.

Sub-class	Initial Fixed Distributions (\$ millions)
6(a) – Acthar Claims	7.5
6(b) – Generics Price Fixing Claims	8.0
6(c) – Asbestos Claims	18.0
6(d) – Legacy Unsecured Notes Claims	10.9
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6
6(g) – 4.75% Unsecured Notes Claims	57.0
Total	125.0

The Initial Fixed Distributions will be paid to Holders of Generics Price Fixing Claims, Asbestos Claims, Legacy Unsecured Notes Claims, and 4.75% Unsecured Notes Claims. While the Initial Fixed Distributions for Holders of Acthar Claims and Environmental Claims / Other General Unsecured Claims are initially being held in reserve, such amounts shall be paid as long as the reconciled amounts of Acthar Claims and Environmental Claims / Other General Unsecured Claims equal or exceed \$7.5 million and \$23.6 million, respectively.

Additional Distributions: The Additional Distributions to Holders of Class 6 Claims shall be made to the following sub-classes (the “Entitled Sub-Classes”): (i) Acthar Claims (Class 6(a)); (ii) Legacy Unsecured Notes Claims (Class 6(d)); (iii) Environmental Claims (Class 6(e)); (iv) Other General Unsecured Claims (Class 6(f)); and (v) 4.75% Unsecured Notes Claims (Class 6(g)), and are summarized as follows:

- Holders of 4.75% Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$57.0 million.
- Holders of Legacy Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$10.9 million.
- Holders of Acthar Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$7.5 million.
- Holders of Environmental Claims / Other General Unsecured Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$23.6 million.
- Holders of Asbestos Claims and Generics Price-Fixing Claims are not entitled to Additional Distributions and will instead receive only their pro rata share of their respective Initial Fixed Distributions.

Specifically, Additional Distributions are calculated as follows for any Entitled Sub-Class: (i)(A)(I) the Class 6 Entitlement for that Entitled Sub-Class divided by (II) the sum of the Class 6 Entitlements for all Entitled Sub-Classes (at the applicable amount of Net Consideration), multiplied by (B) the aggregate Net Consideration less Initial Fixed Distributions made to all non-Entitled Sub-Classes (at the applicable amount of Net Consideration) less (ii) the Initial Fixed Distribution (and all prior Additional Distributions) made to that Entitled Sub-Class.

Example: Assuming Net Consideration of \$200 million, Acthar Claims would be entitled to Additional Distributions of approximately \$45.4 million calculated as follows:

(i)(A)(I) 29.0% [Table 2] divided by (II) 58.2% (i.e., 29.0% + 29.2%) [Table 2] multiplied by (B) \$106.1 million (\$200 million [Table 2] less \$93.9 million (\$8.0 million + \$18.0 million + 10.9 million + 57.0 million) [Table 3]) less (ii) \$7.5 million [Table 3].

Estimated recoveries to each sub-class based on the Allocation (i.e., Initial Fixed Distributions plus cumulative Additional Distributions) at various estimates of Net Consideration are illustrated within Table 4 below:

Table 4

Estimated Recoveries per Allocation (\$ millions)					
	@ Net Consideration (\$ millions)				
Sub-class	125	150	200	250	300
6(a) – Acthar Claims	7.5	28.0	52.9	70.5	86.6
6(b) – Generics Price Fixing Claims	8.0	8.0	8.0	8.0	8.0
6(c) – Asbestos Claims	18.0	18.0	18.0	18.0	18.0
6(d) – Legacy Unsecured Notes Claims	10.9	10.9	10.9	13.2	15.2
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6	28.2	53.3	71.0	87.2
6(g) – 4.75% Unsecured Notes Claims	57.0	57.0	57.0	69.3	85.1
Total	125.0	150.0	200.0	250.0	300.0

Additional Distributions are subject to material change as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses. Thus, actual recoveries to Holders of Class 6 Claims within the Entitled Sub-Classes may be materially different than the estimated recoveries illustrated in Table 4 above.

Allocation to Holders of Class 6(e) Claims, Class 6(f) Claims, and Class 7 Claims Assumed by the General Unsecured Claims Trust

Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust (collectively, the “Other Claims”) will be calculated pro rata on an entity-by-entity basis, pursuant to the UCC Waterfall and Allocation. Estimated recovery percentages to Other Claims on an entity-by-entity basis are illustrated in Table 5 below at various estimates of Net Consideration.

Table 5 is based upon estimates of potential claims and may not include a recovery percentage at every Debtor entity where Holders of Other Claims may have such claims Allowed. The absence of a particular Debtor entity from Table 5 does not indicate that a Holder of an Other Claim at such an entity will not receive a recovery. Rather, a Holder of an Other Claim at an absent Debtor entity will receive the recovery that it is entitled to pursuant to the Allocation.

Impact of Sensitizing Acthar Claims

As the Acthar Claims will be reconciled after the Effective Date,¹³ Tables 6, 7 and 8 below illustrate the impact that sensitizing Acthar Claims within the UCC Waterfall would have on estimated recoveries to Holders of Class 6 Claims, assuming Net Consideration of \$125 million, \$200 million, and \$300 million.

¹³ Solely for the purpose of calculating the Allocation, and given their separate treatment under the UCC Settlement, the amounts of the Asbestos Claims and the Generics Price Fixing Claims have been fixed. Reconciliation of the Asbestos Claims and Generics Price Fixing Claims for pro rata distribution purposes will occur through separate processes as detailed in the UCC Settlement.

PEC/MSGE Mallinckrodt Fee Allocation Agreement

PEC/MSGE Mallinckrodt Fee Allocation Agreement

1. This agreement applies to the Mallinckrodt bankruptcy.
2. With respect to the Mallinckrodt bankruptcy, one singular “all attorneys’ fees” fund shall be deposited (as the funds are received) into an interest-bearing account to cover all attorneys’ fees for any lawyer involved in opioid litigation on behalf of cities, counties, and/or tribes. The fund is separate from the MDL Common Benefit Fund and does NOT cover fees for lawyers related to representing state Attorneys General, hospitals, third party payers, NAS babies, and/or personal injury/wrongful death claimants, or any other entity except cities, counties, and/or tribes, as payment of fees for those engagements will be subject to a different procedure and/or the claims are not covered by this agreement. Participation in the fund does not preclude applicants from participating in the MDL Common Benefit Fund or any fee funds or “backstops” established in state specific MOU’s or agreements.
3. Amounts distributed under this Plan shall not be subject to any future or other common fund, common benefit, or other assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof. The process, factors, and mechanism for distribution of fees from the fee fund shall be mutually agreed upon by the PEC and MSGE on or before January 1, 2023. If the parties are unable to agree the issue shall be presented to an agreed-upon neutral who shall determine the process, factors and mechanism for distribution of the fees.

H. TRANSMITTAL AND MAILING OF MATERIALS; NOTICE

10. As evidenced by the Solicitation Affidavits, the Publication Affidavit, the Contract/Lease Affidavits, the Daloia Declaration, the Preliminary Voting Report, and the Final Voting Report, due, adequate, and sufficient notice of entry of the Disclosure Statement Order, the Plan, and notice of the assumptions of Executory Contracts and Unexpired Leases to be assumed by the Debtors (such Executory Contracts and Unexpired Leases, the “**Assumed Contracts**”) and related cure amounts and the procedures for objecting thereto and resolution of disputes by the Court thereof has been given to, as applicable: (a) all Holders of Claims (including, for the avoidance of doubt, known and unknown Holders of Opioid Claims and Opioid Demands) or Interests; (b) parties that requested notice in accordance with Bankruptcy Rule 2002; (c) all non-Debtor counterparties to Executory Contracts and Unexpired Leases; and (d) all taxing and governmental authorities listed on the Debtors’ Schedules of Assets and Liabilities or the Claims Register in the Chapter 11 Cases; each in substantial compliance with the Disclosure Statement Order and Bankruptcy Rules 2002(b), 3017, 3019, and 3020(b), and no other or further notice is or shall be required. Due, adequate, and sufficient notice of the Voting Deadline, the Opioid Voting Deadline, the Cure Objection Deadline, the Plan Objection Deadline, the Confirmation Hearing (as may be continued from time to time), and any other applicable dates and hearings described in the Disclosure Statement Order was given in compliance with the Bankruptcy Code,

the Bankruptcy Rules, and the Disclosure Statement Order, and no other or further notice is or shall be required.

11. The Disclosure Statement (including all applicable exhibits thereto and the notices provided for therein) provided Holders of Claims, holders of Interests, and all Persons that have held or asserted or that hold or assert any Opioid Claims or Opioid Demands with sufficient notice of the releases, exculpatory provisions, and injunctions, (including the Opioid Permanent Channeling Injunction) set forth in sections IX.B-K of the Plan, in satisfaction of the requirements of Bankruptcy Rule 3016(c).

The UCC/OCC/2L Settlement Notice provided Holders of Claims, holders of Interests, and all Persons that have held or asserted or that hold or assert any Opioid Claims or Opioid Demands with sufficient notice of the UCC Settlement, OCC Settlement, and the Second Lien Notes Settlement incorporated into the Plan. As evidenced by the UCC/OCC/2L Settlement Affidavit, service of the UCC/OCC/2L Settlement Notice was (a) adequate and sufficient under the circumstances of the Chapter 11 Cases, and adequate and sufficient notice of the UCC/OCC/2L Settlement Notice was timely and properly provided in compliance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules and (b) provided due process, and an opportunity to appear and to be heard, to all parties in interest, all holders of Claims, all holders of Interests, and all Persons that have held or asserted or that hold or assert any Opioid Claim or Opioid Demand. The UCC Settlement, OCC Settlement, and Second Lien Notes Settlement were incorporated into the *Second Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 5636] prior to the Plan Objection Deadline and the Debtors provided due process, and an opportunity to appear and to be heard, to all parties in

interest, all holders of Claims, all holders of Interests, and all Persons that have held or asserted or that hold or assert any Opioid Claim or Opioid Demand.

I. SOLICITATION

13. The Debtors solicited votes for acceptance and rejection of the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to sections 1125, 1126, and all other applicable sections of the Bankruptcy Code, Bankruptcy Rules 3017, 3018, and 3019, the Disclosure Statement Order, and all other applicable rules, laws, and regulations. All procedures used to distribute Ballots to the applicable Holders of Claims and to tabulate the Ballots were fair and reasonable and conducted in good faith and in accordance with the Disclosure Statement Order and the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and all other applicable rules, laws, and regulations.

14. Promptly following entry of the Disclosure Statement Order, in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Disclosure Statement Order, and as evidenced by the Solicitation Affidavits, Prime Clerk effectuated service of the appropriate Solicitation Packages on: (a) each Holder of Claims entitled to vote on the Plan (i.e., Class 2(b) (2024 First Lien Term Loan Claims), Class 2(c) (2025 First Lien Term Loan Claims), Class 3 (First Lien Notes Claims), Class 4 (Second Lien Notes Claims), Class 5 (Guaranteed Unsecured Notes Claims), Class 6(a) (Acthar Claims), Class 6(b) (Generics Price Fixing Claims), Class 6(c) (Asbestos Claims), Class 6(d) (Legacy Unsecured Notes Claims), Class 6(e) (Environmental Claims), Class 6(f) (Other General Unsecured Claims), Class 6(g) (4.75% Unsecured Notes Claims), Class 7 (Trade Claims), Class 8(a) (State Opioid Claims), Class 8(b) (Municipal Opioid Claims), Class 8(c) (Tribe Opioid Claims), Class 8(d) (U.S. Government Opioid Claims), Class 9(a) (Third-Party Payor Opioid Claims), Class 9(b) (PI Opioid Claims), Class 9(c) (NAS PI Opioid Claims), Class 9(d) (Hospital Opioid Claims), Class 9(e) (Ratepayer Opioid Claims), Class 9(f)

(NAS Monitoring Opioid Claims), Class 9(g) (Emergency Room Physicians Opioid Claims), Class 9(h) (Other Opioid Claims), and Class 10 (Settled Federal/State Acthar Claims) (the Classes of Claims entitled to vote to accept or reject the Plan, the “**Voting Classes**”), and (b) each Holder of Claims or Interests in a Class not entitled to vote on the Plan (i.e., Class 1 (Other Secured Claims), Class 2(a) (First Lien Revolving Credit Facility Claims), Class 9(i) (No Recovery Opioid Claims), Class 9(j) (Released Co-Defendant Claims), Class 11 (Intercompany Claims), Class 12 (Intercompany Interests), and Class 14 (Equity Interests).

15. At the time Prime Clerk effectuated service of the Solicitation Packages, no creditors or Holders of Claims were classified under Class 13 (Subordinated Claims) and any claimants not otherwise classified under Class 13 (Subordinated Claims) were treated as a Holder of a Claim under Class 6(f) (Other General Unsecured Claims) for solicitation purposes.

16. Further, although the Plan provides for potential treatment which would render Claims in Classes 2(b), 2(c), and 3 Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan and would not be entitled to vote, the Debtors served such Classes of Claims with Solicitation Packages.

17. The Debtors and Prime Clerk effectuated the Additional Opioid Notice Plan, including providing supplemental notice by means of (a) direct mailings to certain additional individuals and entities that hold or could assert any Opioid Claims or Opioid Demands, (b) print media, (c) online display, (d) internet search terms, (e) social media campaigns, and (f) television and radio advertisements, which collectively served over 1.1 billion impressions in the U.S. and the U.S. Territories and 324 million impressions in Canada. In the U.S. and the U.S. Territories, print media served approximately 4 million impressions, television and radio advertisements served over 218 million impressions, and the digital campaign served over 943 million

impressions. In Canada, print media served approximately 15 million impressions, and the digital campaign served over 309 million impressions.

18. As described in the Disclosure Statement Order and as evidenced by the Solicitation Affidavits, service of the Solicitation Packages was adequate and sufficient under the circumstances of the Chapter 11 Cases, and adequate and sufficient notice of the Confirmation Hearing and other requirements, deadlines, hearings, and matters described in the Disclosure Statement Order (a) was timely and properly provided in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Disclosure Statement Order and (b) provided due process, and an opportunity to appear and to be heard, to all parties in interest, all holders of Claims, all holders of Interests, and all Persons that have held or asserted or that hold or assert any Opioid Claim or Opioid Demand.

19. Because the foregoing transmittals, notices, and service set forth above were adequate and sufficient, no other or further notice is necessary or shall be required. All parties in interest, including, without limitation, the Debtors' insurers, had notice of the Chapter 11 Cases and an opportunity to participate in them and were on notice that the Debtors' opioid-related liabilities were being mediated, negotiated, and resolved.

20. Votes on the Plan were solicited, including, where applicable, pursuant to certain Non-Notes Master Ballot Solicitation Procedures (which included a Master Ballot Solicitation Method and a Direct Solicitation Method) and Notes Master Ballot Solicitation Procedures (each as defined in the Disclosure Statement Motion), after disclosure of "adequate information" as defined in section 1125 of the Bankruptcy Code. None of the postings, press releases or statements of various parties, including letters of support and/or recommendations or other communications

from any official and unofficial committees, constituted improper solicitations of the Plan under section 1125 of the Bankruptcy Code.

21. Each of the Debtors and other Released Parties, as applicable, acted in “good faith” within the meaning of section 1125(e) of the Bankruptcy Code and in compliance with the applicable provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all of their respective conduct relating to the solicitation of acceptances of the Plan and the other activities described in section 1125 of the Bankruptcy Code. Accordingly, the Released Parties are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Article IX of the Plan.

J. THE VOTING REPORTS

22. Prior to the Confirmation Hearing, the Debtors filed the Preliminary Voting Report. Shortly after commencement of the Confirmation Hearing, the Debtors filed the Final Voting Report. As set forth in the Voting Reports, the procedures used to tabulate the ballots were fair and conducted in accordance with the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules, and all other applicable rules, laws, and regulations.

23. As set forth in the Plan, Holders of Claims in the Voting Classes for each of the Debtors were eligible to vote on the Plan pursuant to the Disclosure Statement Order and the Solicitation Procedures therein. In addition, Holders of Claims and Interests in Classes 1 and 2(a) are Unimpaired and conclusively presumed to have accepted the Plan and, therefore, are not entitled to vote to accept or reject the Plan.

24. Holders of Claims and Interests in Classes 11 and 12 either are Unimpaired, in which case they are conclusively deemed to have accepted the Plan, or Impaired, in which case they are conclusively deemed to have rejected the Plan, and therefore, are not entitled to vote to accept or reject the Plan.

25. Holders of Claims and Equity Interests in Classes 9(i), 9(j), and 13-14 (together with Holders of Claims and Interests in Classes 11 and 12, to the extent Impaired under the Plan, collectively, the “**Deemed Rejecting Classes**”) are Impaired under the Plan, are entitled to no recovery under the Plan, and are therefore conclusively deemed to have rejected the Plan.

L. BURDEN OF PROOF

30. The Debtors, as proponents of the Plan, have met their burden of proving the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code by a preponderance of the evidence, the applicable evidentiary standard for Confirmation.

N. MODIFICATIONS TO THE PLAN

32. The modifications made to the Plan between solicitation and the Confirmation Date (collectively, the “**Modifications**”) comply in all respects with section 1127 of the Bankruptcy Code. Specifically, the Modifications with respect to the Plan related to the UCC Settlement, OCC Settlement, and the Second Lien Notes Settlement incorporated into the *Second Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 5636] and set forth in this Confirmation Order do not materially and adversely affect the treatment of any Claims against, or Interests in, the Debtors. The Debtors’ key constituents, including the Supporting Parties, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, and the Ad Hoc Second Lien Notes Group, affected by or whose clients representing parties affected by such Modifications negotiated those Modifications and support, or otherwise have not objected to, such Modifications. Other parties in interest affected by such Modifications, including Covidien Limited (f/k/a Covidien plc) (to the extent applicable), negotiated certain of those Modifications with the Debtors, the Governmental Plaintiff Ad Hoc Committee and the Official Committee of Opioid-Related Claimants, and support, or otherwise have not objected to, such Modifications. Such Modifications were filed with the Court before the Plan Objection Deadline and all parties in interest had an opportunity to object to such Modifications.

33. The Modifications in the *Third Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 6006] comply with section 1127 of the Bankruptcy Code. Specifically, the parties in interest affected by such Modifications, specifically, the Co-Defendants, Supporting Parties, and the

Insurers, negotiated those Modifications and support, or otherwise have not objected to, such Modifications contained in the *Third Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*, and such Modifications do not adversely affect the treatment of any Claims against, or Interests in, the Debtors.

34. The Modifications in the *Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 6066] comply with section 1127 of the Bankruptcy Code. Specifically, the parties in interest affected by such Modifications, including the Insurers and Covidien Limited (f/k/a Covidien plc) (to the extent applicable), negotiated those Modifications with the Debtors, the Governmental Plaintiff Ad Hoc Committee and the Official Committee of Opioid-Related Claimants, and support, or otherwise have not objected to, such Modifications contained in the *Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*, and such Modifications do not adversely affect the treatment of any Claims against, or Interests in, the Debtors.

35. Accordingly, pursuant to Bankruptcy Rule 3019, (a) no other or further disclosure with respect to the Modifications is required under section 1125 of the Bankruptcy Code and (b) neither resolicitation of votes on the Plan nor affording Holders of Claims and Interests in the Voting Classes the opportunity to change a previously cast Ballot is required under section 1126 of the Bankruptcy Code.

O. CONFIRMATION HEARING

36. The Court held the Confirmation Hearing on November 1-2, 2021, November 4-5, 2021, December 6-10, 2021, December 13-17, 2021, January 3-4, 2022, and January 6, 2022. The Court issued its Confirmation Opinion confirming the Plan on February 3, 2022.

P. COMPLIANCE WITH THE REQUIREMENTS OF SECTION 1129 OF THE BANKRUPTCY CODE

37. The Plan complies with all applicable provisions of the Bankruptcy Code, as required by section 1129(a)(1) of the Bankruptcy Code, including sections 1122 and 1123 of the Bankruptcy Code.

1. Section 1129(a)(1) – Compliance of the Plan with Applicable Provisions of the Bankruptcy Code.

38. The Plan complies with all applicable provisions of the Bankruptcy Code, as required by section 1129(a)(1) of the Bankruptcy Code, including sections 1122 and 1123 of the Bankruptcy Code.

2. Sections 1122 and 1123(a)(1)-(4) - Classification and Treatment of Claims and Interests.

39. Pursuant to sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, Article III of the Plan designates Classes of Claims and Interests, other than for Administrative Claims, Priority Tax Claims, and Other Priority Claims.¹² As required by section 1122(a), each Class of Claims and Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class. The Plan contains thirty-four (34) Classes of Claims and Interests, designated as Classes 1, 2(a)-2(c), 3-5, 6(a)-(g), 7, 8(a)-(d), 9(a)-(j), and 10 through 14. Such classification is proper under section 1122(a) of the Bankruptcy Code, because such Classes of Claims and Interests have differing rights among each other and against the Debtors' assets or differing interests in the Debtors.

¹² Pursuant to section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Other Priority Claims are not required to be classified. Articles II.A, II.B, and II.C of the Plan describe the treatment under the Plan of Administrative Claims, Priority Tax Claims, and Other Priority Claims, respectively.

40. Pursuant to section 1123(a)(2) of the Bankruptcy Code, Article III of the Plan specifies all Classes of Claims and Interests that are not Impaired under the Plan. The Plan specifies that Class 1 (Other Secured Claims) and Class 2(a) (First Lien Revolving Credit Facility Claims) are Unimpaired.

41. Pursuant to section 1123(a)(3) of the Bankruptcy Code, Article III of the Plan specifies all Classes of Claims and Interests that are Impaired under the Plan. The Plan specifies that Class 2(b) (2024 First Lien Term Loan Claims) (to the extent Impaired), Class 2(c) (2025 First Lien Term Loan Claims) (to the extent Impaired), Class 3 (First Lien Notes Claims) (to the extent Impaired), Class 11 (Intercompany Claims) (to the extent Impaired), and Class 12 (Intercompany Interests) (to the extent Impaired) are potentially Impaired Classes under the Plan.

42. It further specifies that Class 4 (Second Lien Notes Claims), Class 5 (Guaranteed Unsecured Notes Claims), Class 6(a) (Acthar Claims), Class 6(b) (Generics Price Fixing Claims), Class 6(c) (Asbestos Claims), Class 6(d) (Legacy Unsecured Notes Claims), Class 6(e) (Environmental Claims), Class 6(f) (Other General Unsecured Claims), Class 6(g) (4.75% Unsecured Notes Claims), Class 7 (Trade Claims), Class 8(a) (State Opioid Claims), Class 8(b) (Municipal Opioid Claims), Class 8(c) (Tribe Opioid Claims), Class 8(d) (U.S. Government Opioid Claims), Class 9(a) (Third-Party Payor Opioid Claims), Class 9(b) (PI Opioid Claims), Class 9(c) (NAS PI Opioid Claims), Class 9(d) (Hospital Opioid Claims), Class 9(e) (Ratepayer Opioid Claims), Class 9(f) (NAS Monitoring Opioid Claims), Class 9(g) (Emergency Room Physicians Opioid Claims), Class 9(h) (Other Opioid Claims), Class 9(i) (No Recovery Opioid Claims), Class 9(j) (Released Co-Defendant Claims), Class 10 (Settled Federal/State Acthar Claims), Class 13 (Subordinated Claims), and Class 14 (Equity Interests) are Impaired Classes under the Plan, each within the meaning of section 1124 of the Bankruptcy Code. The Plan

specifies the treatment of each of the aforementioned Classes, thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

43. Pursuant to section 1123(a)(4) of the Bankruptcy Code, Article III of the Plan also provides the same treatment for each Claim or Interest within a particular Class, unless the Holder of a Claim or Interest agrees to less favorable treatment of its Claim or Interest. Valid business, legal, and factual reasons exist for separately classifying the various Classes of Claims and Interests under the Plan. The Plan therefore complies with sections 1122 and 1123(a)(1)-(4) of the Bankruptcy Code.

3. Section 1123(a)(5) - Adequate Means for Implementation of the Plan.

44. Article IV and various other provisions of the Plan provide adequate means for the Plan's implementation. Those provisions relate to, among other things: (a) the good faith and integrated compromise and settlement of Claims, Interests, Causes of Action, and controversies relating to the Plan, including, without limitation, any settlements included in the Restructuring Support Agreement (including the Opioid Settlement (as defined in the Restructuring Support Agreement)), the Federal/State Acthar Settlement, the UCC Settlement, the OCC Settlement, and the Second Lien Notes Settlement; (b) authority to effectuate the Restructuring Transactions (subject to the terms of the Restructuring Support Agreement); (c) sources of consideration for distributions under the Plan; (d) execution of and entry into the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes; (e) execution of and entry into the New Opioid Warrant Agreement; (f) treatment of Equity Interests in subsidiary Debtors; (g) issuance of the New Mallinckrodt Ordinary Shares and New Opioid Warrants; (h) cancellation of notes, instruments and Equity Interests; (i) execution of and entry into the Registration Rights Agreement; (j) payment of certain fees and expenses including, without limitation, the Noteholder Consent Fee and the Term Loan Exit Payment pursuant to the

terms of the Restructuring Support Agreement and, in the case of the Term Loan Exit Payment, as authorized by the *Order (I) Modifying Cash Collateral Order with Respect to Adequate Protection Terms, (II) Permitting the Debtors to Pay Certain Amounts, and (III) Granting Related Relief* [Docket No. 2021], the Restructuring Expenses, and the Post Effective Date Implementation Expenses; (k) authority to undertake corporate actions necessary to effectuate the Plan, including without limitation the New Governance Documents; (l) appointment of officers and directors of the Reorganized Debtors; (m) adoption of the Management Incentive Plan by the Reorganized Board; (n) continuation of the Debtors' D&O Liability Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto); (o) rejection, assumption, or assumption and assignment of Executory Contracts and Unexpired Leases, including without limitation the deemed assumption all of the Debtors' D&O Liability Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date; (p) execution of and entry into the Opioid MDT II Documents, the Opioid Creditor Trust Documents (as applicable), the General Unsecured Claims Trust Documents, and the Asbestos Trust Documents; and (q) the listing of the New Mallinckrodt Ordinary Shares for trading on the NASDAQ Capital Market, the NASDAQ Global Market, or the New York Stock Exchange.¹³ Further, the Bankruptcy Code authorizes the transfer and vesting of the Opioid MDT II Consideration (including any and all litigation rights and transfer of documents and other rights), notwithstanding any terms of any Insurance Contracts related to the Assigned Insurance Rights or provisions of non-bankruptcy law that any Insurer may otherwise argue prohibits such transfer and

¹³ Pursuant to Article VIII.A.11 of the Plan, the occurrence of the Effective Date is conditioned on the High Court of Ireland having made the Irish Confirmation Order and the Scheme of Arrangement effective in accordance with its terms (or shall become effective concurrently with effectiveness of the Plan).

vesting. Moreover, the Debtors will have, on the Effective Date, sufficient Cash to make all payments required under the Plan on the Effective Date. The Plan therefore complies with section 1123(a)(5) of the Bankruptcy Code.

4. Section 1123(a)(6) - Prohibition Against the Issuance of Nonvoting Equity Securities and Adequate Provisions for Voting Power of Classes of Securities.

45. The Plan provides that the New Governance Documents, among other things, prohibit the issuance of nonvoting equity securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. The aforementioned New Governance Documents (other than with respect to Reorganized Debtor Mallinckrodt Holdings GmbH incorporated under or otherwise governed by Switzerland corporate law) filed with the Plan Supplement, reflect this prohibition. Specifically, Reorganized Debtor, Mallinckrodt Holdings GmbH, is subject to Swiss law, which requires that articles of association for Swiss corporations provide for the voting power of equity securities, and such Reorganized Debtor shall be governed by the applicable New Governance Documents despite the absence of a prohibition of the issuance of nonvoting equity securities in such applicable Swiss New Governance Documents. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

5. Section 1123(a)(7) - Selection of Directors and Officers in a Manner Consistent with the Interest of Creditors and Equity Security Holders and Public Policy.

46. The selection of the Reorganized Board, as set forth in Article IV.M of the Plan and in the New Governance Documents, is consistent with the interests of Holders of Claims and Interests and public policy. Further, the selection of the Opioid MDT II Trustee(s) (Article IV.U.1), Opioid Creditor Trustees (Article IV.X.2), the General Unsecured Claims Trustee (Article IV.HH.2), and the Asbestos Trustee (Article IV.II.2), as set forth in the aforementioned Articles of the Plan and in the Plan Supplement, is consistent with the interests of Holders of Claims and

Interests and public policy. Accordingly, the Plan satisfies the requirements of section 1123(a)(7) of the Bankruptcy Code.

6. Section 1123(a)(8) – Individual Debtors.

47. Section 1123(a)(8) of the Bankruptcy Code is inapplicable to the Chapter 11 Cases. None of the Debtors is an individual, as such term is used in the Bankruptcy Code.

7. Section 1123(b)(1)-(2) - Impairment of Claims and Interests and Assumption, Assumption and Assignment or Rejection of Executory Contracts and Unexpired Leases.

48. In accordance with section 1123(b)(1) of the Bankruptcy Code, Article III of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims and Interests. In accordance with section 1123(b)(2) of the Bankruptcy Code, Article V of the Plan provides that, on the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (a) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (b) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (c) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

49. The Debtors have provided notice to each non-Debtor counterparty to each Executory Contract and Unexpired Lease of the treatment of such non-Debtor counterparty's contract(s) pursuant to the Plan and, with respect to Executory Contracts and Unexpired Leases being assumed under the Plan, the proposed Cure Cost for such contracts and leases. The Debtors, in assuming the Assumed Contracts under the Plan, (a) utilized their sound business judgment, (b)

provided adequate assurance of future performance (within the meaning of section 365 of the Bankruptcy Code) and no further adequate assurance is or shall be required, and (c) complied with section 365 of the Bankruptcy Code, as contemplated by section 1123(b)(2) of the Bankruptcy Code. The Plan is, therefore, consistent with section 1123(b)(1)-(2) of the Bankruptcy Code.

8. Section 1123(b)(3) - Settlement, Releases, Exculpation, Injunction, and Preservation of Claims and Causes of Action.

50. **Compromises and Settlements.** In accordance with section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and consideration for (a) the distributions, releases, injunctions, and other benefits provided under the Plan and (b) the support of the Supporting Parties, the Future Claimants' Representative, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, and the Ad Hoc Second Lien Notes Group, upon the Effective Date, and subject to the provisions of Article III.C of the Plan, the provisions of the Plan shall constitute a good faith and integrated compromise and settlement of all Claims, Interests, and controversies relating to any Allowed Claim or Interest or any distribution to be made on account thereof or otherwise resolved under the Plan. Such integrated compromise and settlement is the product of extensive arm's-length, good faith negotiations that, in addition to the Plan, resulted in the execution of the Restructuring Support Agreement and the various other settlements, including, without limitation, the UCC Settlement, the OCC Settlement, and the Second Lien Notes Settlement, that are incorporated in the Plan. Such integrated compromise and settlement is fair, equitable, and reasonable, represents a sound exercise of the Debtors' business judgment, and is in the best interests of the Debtors and their Estates.

51. In accordance with the provisions of the Plan, including, without limitation, Articles IV.O, IV.HH, and IV.II of the Plan, on and after the Effective Date, the Reorganized Debtors shall retain and may enforce, sue on, settle, compromise, otherwise resolve, discontinue,

abandon, or dismiss all retained Causes of Actions other than the Assigned Third-Party Claims, the Assigned Insurance Rights, the Share Repurchase Claims, Causes of Actions transferred to and assumed by the General Unsecured Claims Trust, the Asbestos Trust, and the Opioid MDT II without any further notice to or action, order, or approval of the Court.

52. Pursuant to the Bankruptcy Code, including section 1123 of the Bankruptcy Code, and Bankruptcy Rule 9019, the Debtors have authority to propose and negotiate a resolution of their opioid-related liabilities and, with approval of the Court, enter into a resolution of their opioid-related liabilities through the Plan. The settlements reached between, and among, the Debtors and the opioid-related claimants, as embodied in the Plan, are fair, equitable and reasonable and were entered into in good faith based on arm's-length negotiations.

53. **Subordinated Claims.** The classification and manner of satisfying all Claims and Interests under the Plan takes into consideration all subordination rights, whether arising by contract or under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise; *provided* that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth in the Plan shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. On notice to a Party so affected, the Debtors reserve the right under section 510 of the Bankruptcy Code, except where otherwise provided in the Plan, to apply for an order reclassifying any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto.

54. All subordination and related turnover rights that a Holder of a Claim or Interest may have with respect to any distribution to be made under the Plan, shall be discharged and terminated, and all actions related to the enforcement of such subordination and related turnover

rights shall be enjoined permanently. Accordingly, distributions under the Plan to Holders of Allowed Claims shall not be subject to payment of a beneficiary of such terminated subordination and related turnover rights, or to levy, garnishment, attachment, or other legal process by a beneficiary of such terminated subordination and related turnover rights.

55. **Releases by the Debtors.** The releases set forth in Article IX.B of the Plan (collectively, the “**Debtor Release**”) constitute an essential and critical provision of the Plan and formed an integral part of the agreement among all parties in interest embodied in the Plan, as demonstrated by, among other things, the terms of the Restructuring Support Agreement. The Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, is: (a) within the jurisdiction of the Bankruptcy Court pursuant to 28 U.S.C. § 1334; (b) in exchange for the good and valuable consideration provided by the Released Parties; (c) a good faith and integrated settlement and compromise of the Claims released by the Debtor Release; (d) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (e) fair, equitable, and reasonable; (f) given and made after due notice and opportunity for hearing; (g) appropriately narrow in scope given that it expressly excludes (i) all Assigned Third-Party Claims and Assigned Insurance Rights, (ii) Claims or Causes of Action against Released Co-Defendants (which, for the avoidance of doubt, does not include Covidien plc or any of their affiliates) that (x) are commercial in nature, and (y) are unrelated to the Chapter 11 Cases or the subject matter of a Pending Opioid Action, (iii) Claims or Causes of Action arising from acts actual fraud, gross negligence, or willful misconduct, (iv) any post-Effective Date obligations of any party or Entity under the Plan, and any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or

(v) any Claims which are reinstated pursuant to the Plan; and (h) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.B of the Plan.

56. The Debtor Release appropriately offers protection to parties that constructively participated in the Debtors' restructuring efforts. Such protections from liability facilitated the participation of many of the Debtors' stakeholders in the negotiations and compromises that led to the Plan.

57. The Debtors, through independent board members and counsel, conducted separate diligence processes—one for Specialty Generics and one for all of the other Debtors—to evaluate whether the Debtor Release is consistent with the Debtors' fiduciary duties. The board members and counsel that conducted these diligence processes were well qualified, independent, and acted independently and not under the direction or influence of the Debtors. The aforementioned independent board members and counsel conducted a comprehensive and thorough investigation into potential claims the Estates may have against the Released Parties. The Debtors have exercised reasonable business judgment in determining to grant the Debtor Release against the Released Parties.

58. The scope of the Debtor Release is appropriately tailored under the facts and circumstances of the Chapter 11 Cases. In light of, among other things, the significant contributions made by, or on behalf of, the Released Parties to the Debtors' Estates and the critical nature of the Debtor Release to the Plan, the Debtor Release is approved.

59. **Third-Party Release.** The releases set forth in Article IX.C of the Plan (collectively, the "**Third-Party Release**") are found to be consensual on the part of the Releasing Parties and within the jurisdiction of the Bankruptcy Court pursuant to 28 U.S.C. § 1334. The Third-Party Release is appropriately narrow in scope given that it expressly excludes any Claims

or Causes of Action arising from acts of actual fraud, gross negligence, or willful misconduct, and it excludes any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. The Third-Party Release is essential to the formulation, confirmation, and implementation of the Plan, as required by section 1123 of the Bankruptcy Code and a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.C of the Plan.

60. The scope of the Third-Party Release in the Plan is appropriately tailored to the facts and circumstances of the Chapter 11 Cases, and parties received due and adequate notice of the Third-Party Release and the opportunity to opt out of or object to the Third-Party Release. As set forth in the Confirmation Opinion, and notwithstanding anything to the contrary in this Confirmation Order, any creditor that claims they did not receive notice of their right to opt out will have the opportunity to seek relief from the Court to exercise their rights.

61. **Release by Holders of Opioid Claims.** The releases by Holders of Opioid Claims of the Protected Parties set forth in Article IX.D of the Plan constitute an essential and critical provision of the Plan and formed an integral part of the agreement among all parties in interest embodied in the Plan, as demonstrated by, among other things, the terms of the Restructuring Support Agreement, the Opioid Settlement (as defined in the Restructuring Support Agreement), and the OCC Settlement. The release by Opioid Claimants is: (a) within the jurisdiction of the Bankruptcy Court pursuant to 28 U.S.C. § 1334; (b) given in exchange for the good and valuable consideration provided by, or on behalf of, the Protected Parties; (c) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (d) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (e) fair, equitable, and reasonable; (f) given and

made after due notice and opportunity for hearing; (g) appropriately narrow in scope given that it (i) expressly excludes (w) any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation, (x) Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, (y) any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan, and (z) any release or discharge of a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date, and (ii) with respect to Co-Defendants and their Co-Defendant Related Parties, does not affect or alter (x) any treatment expressly set forth in Article III or Article V.G. of the Plan, (y) the preservation of Co-Defendant Defensive Rights as set forth in the Plan, including, without limitation, in Article IX.N of the Plan, or (z) any related substantive language set forth in the defined terms applicable to the foregoing clauses (x) or (y), as set forth in Article I of the Plan; (h) essential to the confirmation of the Plan; (i) consistent with sections 105, 1123, and 1129 of the Bankruptcy Code, other provisions of the

Bankruptcy Code, and other applicable law; and (j) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

62. Similar to the Debtor Release, the releases by the Opioid Claimants and its protections were necessary inducements to the participation of many of the Debtors' stakeholders in the negotiations and compromises that led to the Plan and the structure for the Debtors' reorganization. Specifically, the Protected Parties, individually and collectively, made significant contributions, or had significant contributions made on their behalf, to the Chapter 11 Cases, including negotiating and entering into the Restructuring Support Agreement and the Opioid Settlement (as defined in the Restructuring Support Agreement), the Debtors' and Reorganized Debtors' funding the Opioid MDT II Consideration, facilitating the creation of the Opioid MDT II and the Opioid Creditor Trusts, entering into and funding the OCC Settlement, and otherwise actively supporting the Debtors' reorganization. The release by the Opioid Claimants in favor of the Protected Parties therefore appropriately offers protection to the Protected Parties, including those that actively and constructively participated in and contributed to the Debtors' restructuring and without whom the proposed restructuring contemplated by the Plan could not have been achieved.

63. The litigation of the released claims against the Protected Parties by Holders of Opioid Claims would have conceivable effects on the *res* of the Estates. Litigation of such claims could deplete the value of certain insurance policies being retained by the Debtors, could lead to the assertion of indemnification and contribution claims against the Estates and the Reorganized Debtors, could distract the Reorganized Debtors' management and employees, could adversely affect the Reorganized Debtors' ability to attract, and maintain relationships with, skilled and qualified employees, managers, and consultants, and could otherwise prejudice the Estates or the

Opioid MDT II (and therefore reduce the value available for distribution to creditors and the Opioid Creditor Trusts).

64. The scope of the release by the Opioid Claimants in the Plan is appropriately tailored to the facts and circumstances of the Chapter 11 Cases, and parties received due and adequate notice of the release by the Opioid Claimants. In light of, among other things, the significant contributions by, or on behalf of, the Protected Parties to the Debtors' Estates, the largely consensual nature of the release by the Opioid Claimants as evidenced by substantially all of the classes of Opioid Claimants that voted to accept the Plan, and the critical nature of the release to the Plan, the release by Holders of Opioid Claims is approved.

65. **Release of Opioid Claimants and Released Co-Defendants and each of their Co-Defendant Related Parties.** The releases by the Protected Parties of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties set forth in Article IX.E of the Plan constitute an essential and critical provision of the Plan and formed an integral part of the agreement among all parties in interest embodied in the Plan, as demonstrated by the terms of the OCC Settlement and the settlements embodied in the Plan with respect to the Released Co-Defendants and each of their Co-Defendant Related Parties. The release by the Protected Parties of the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties is: (a) within the jurisdiction of the Bankruptcy Court pursuant to 28 U.S.C. § 1334; (b) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties; (c) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties released by the Protected Parties; (d) in the best interests of the Debtors, their Estates and all Holders of Claims

and Equity Interests; (e) fair, equitable, and reasonable; (f) given and made after due notice and opportunity for hearing; (g) appropriately narrow in scope given that it expressly excludes (i) all Assigned Third-Party Claims, Assigned Insurance Rights, and Share Repurchase Claims, (ii) any Claims or Causes of Action against a Holder of an Opioid Claim, Released Co-Defendant, or Co-Defendant Related Party arising from acts of actual fraud, gross negligence, or willful misconduct, (iii) any Cause of Action the Protected Parties are entitled to assert that is both (x) contractual or commercial in nature and (y) unrelated to the subject matter of Pending Opioid Actions, (iv) any Cause of Action the Debtors are entitled to assert, to the extent such Cause of Action is necessary for the administration and resolution of a Claim against a Debtor solely in accordance with the Plan, (v) any claim or right of the Debtors or the Reorganized Debtors arising in the ordinary course of the Debtors' or Reorganized Debtors' business, including, without limitation, any such claim with respect to taxes, (vi) the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Definitive Documents, this Confirmation Order or the Restructuring Transactions, and (vii) any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan; (h) essential to the confirmation of the Plan; and (i) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.E of the Plan.

66. Similar to the above releases, the releases by the Protected Parties of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties and its protections were necessary inducements to the participation of many of the Debtors' stakeholders in the negotiations and compromises that led to the Plan, the OCC Settlement, the settlements embodied in the Plan with respect to the Released Co-Defendants and each of their

Co-Defendant Related Parties, and the structure for the Debtors' reorganization. Specifically, the Holders of Opioid Claims, individually and collectively, and the Official Committee of Opioid-Related Claimants made significant contributions to the Chapter 11 Cases, including negotiating and entering into the OCC Settlement and otherwise actively supporting the Debtors' reorganization. Further, Released Co-Defendants and each of their Co-Defendant Related Parties, individually and collectively, contributed to the Chapter 11 Cases by negotiating and entering into the settlements embodied in the Plan with respect to the Released Co-Defendants and each of their Co-Defendant Related Parties. The release by the Protected Parties of the Holders of Opioid Claims appropriately offers protection to parties who actively and constructively participated in and contributed to the Debtors' restructuring and without whom the proposed restructuring contemplated by the Plan could not have been achieved.

67. The scope of the release by the Protected Parties of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties in the Plan is appropriately tailored to the facts and circumstances of the Chapter 11 Cases, and parties received due and adequate notice of the release by the Protected Parties. In light of, among other things, the value provided by the Opioid Claimants and the Official Committee of Opioid-Related Claimants, the contributions of the Released Co-Defendants and each of their Co-Defendant Related Parties, the consensual nature of the release by the Protected Parties, and the critical nature of the release to the Plan, the release by the Protected Parties of the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties is approved.

68. **Exculpation.** The exculpation provisions set forth in Article IX.F of the Plan (the "**Exculpation**") are approved. The Exculpation is appropriate under applicable law because it was proposed in good faith, was formulated following extensive good faith, arm's length negotiations

with key constituents, is a key element of the Restructuring Support Agreement, the Second Lien Notes Settlement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the OCC Settlement, the UCC Settlement, and the Plan, and is appropriately limited in scope, as it will have no effect on the liability of any Exculpated Party that results from any such act or omission that is determined by a Final Order to have constituted actual fraud, gross negligence, or willful misconduct. The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

69. The Exculpated Parties made significant contributions, or had significant contributions made on their behalf, to the Chapter 11 Cases and played an integral role in working towards the resolution of the Chapter 11 Cases. Accordingly, the exculpations contemplated by Article IX.F of the Plan are part of a fair and valid exercise of the Debtors' business judgment and are fair, reasonable, and appropriate under the circumstances of the Chapter 11 Cases.

70. **Injunctions.** The injunction provisions set forth in Articles IX.G-K of the Plan, including, without limitation, the Opioid Permanent Channeling Injunction, the Opioid Insurer Injunction, and the Settling Opioid Insurer Injunction: (a) are essential to the Plan; (b) are necessary to preserve and enforce the discharge and releases set forth in Articles IX.A and IX.B-E, respectively, of the Plan, the exculpation provisions in Article IX.F of the Plan, and the compromises and settlements implemented under the Plan; (c) are appropriately tailored to achieve that purpose; (d) are within the jurisdiction of this Court under 28 U.S.C. §§ 1334(a), 1334(b), and

1334(d); (e) are an essential means of implementing the Plan pursuant to section 1123(a)(5) of the Bankruptcy Code; (f) are an integral element of the Restructuring Transactions incorporated into the Plan; (g) confer material benefits on, and are in the best interests of, the Debtors and their Estates, creditors, and other stakeholders; (h) are critical to the overall objectives of the Plan; and (i) are consistent with sections 105, 1123, and 1129 of the Bankruptcy Code, other provisions of the Bankruptcy Code, and other applicable law. The injunction provisions set forth in Articles IX.G-K of the Plan, including, without limitation, the Opioid Permanent Channeling Injunction, the Opioid Insurer Injunction, and the Settling Opioid Insurer Injunction, were adequately disclosed and explained on the relevant Ballots, in the Disclosure Statement, and in the Plan. The record of the Confirmation Hearing and the Chapter 11 Cases is sufficient to support the injunction provisions set forth in Articles IX.G-K of the Plan.

71. The injunctions, releases, and exculpations set forth in Article IX of the Plan were adequately disclosed and explained in the Disclosure Statement, on the Ballots, through the Additional Opioid Notice Plan, in the Notices of Non-Voting Status, and in the Plan.

72. Further, the Supporting Parties, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, the Future Claimants' Representative, and the Ad Hoc Second Lien Notes Group affirmatively support the Plan, which includes the release and injunction provisions in favor of the Released Parties, the Protected Parties, and the Opioid Claimants (as applicable).

73. The record of the Confirmation Hearing and the Chapter 11 Cases is sufficient to support the injunctions, releases, and exculpations set forth in Article IX of the Plan. Based on the record of the Chapter 11 Cases, the representations of the parties, and the evidence proffered, adduced, and presented at the Confirmation Hearing, this Court finds that the injunctions, releases,

and exculpations set forth in Article IX of the Plan are consistent with the Bankruptcy Code and applicable law. The failure to implement such provisions would render the Debtors unable to confirm and consummate the Plan.

74. **Retained Causes of Action.** The provisions regarding the retention of Causes of Action in the Plan (other than the Assigned Third-Party Claims, the Assigned Insurance Rights, the Share Repurchase Claims, and Causes of Actions transferred to and assumed by the General Unsecured Claims Trust, the Asbestos Trust, and the Opioid MDT II), including, among others, Articles IV.O, IV.HH, and VI.II of the Plan, are appropriate and are in the best interests of the Debtors, their respective Estates, and their creditors. The list of retained Causes of Actions filed as part of the Plan Supplement adequately specifies the retained Causes of Actions under the Plan. In light of the foregoing, the Plan is consistent with section 1123(b)(3) of the Bankruptcy Code.

9. Section 1123(b)(4) – Sale of all or Substantially all of the Property of the Estate.

75. Section 1123(b)(4) of the Bankruptcy Code is inapplicable to the Chapter 11 Cases. The Plan proposes no sale of all or substantially all of the property of the Estate.

10. Section 1123(b)(5) - Modification of the Rights of Holders of Claims.

76. Article III of the Plan modifies or leaves unaffected, as the case may be, the rights of Holders of each Class of Claims, and therefore, the Plan is consistent with section 1123(b)(5) of the Bankruptcy Code.

11. Section 1123(b)(6) - Other Provisions Not Inconsistent with Applicable Provisions of the Bankruptcy Code.

77. The Plan includes additional appropriate provisions that are not inconsistent with applicable provisions of the Bankruptcy Code, including: (a) the provisions of Article IV of the Plan regarding the means for executing and implementing the Plan; (b) the provisions of Article V of the Plan governing the treatment of Executory Contracts and Unexpired Leases, certain

contractual claims with respect to Co-Defendant Claims, and certain Compensation and Benefits Programs; (c) the provisions of Article VI of the Plan governing distributions on account of, among others, Allowed Claims (other than Opioid Claims), particularly as to the timing and calculation of amounts to be distributed; (d) the provisions of Article VII of the Plan governing resolution procedures and distributions on account of, among others, Disputed Claims (other than Opioid Claims); (e) the provisions of Articles IX.C and IX.D of the Plan regarding the Third-Party Release and the Release of Opioid Claimants; and (f) the provisions of Article X of the Plan regarding retention of jurisdiction by the Bankruptcy Court over certain matters after the Effective Date. The Plan is therefore consistent with section 1123(b)(6) of the Bankruptcy Code.

12. Section 1129(a)(2) - Compliance with Applicable Provisions of the Bankruptcy Code.

78. The Debtors have complied with all applicable provisions of the Bankruptcy Code, as required by section 1129(a)(2) of the Bankruptcy Code, including sections 1122, 1123, 1124, 1125, 1126, and 1128 of the Bankruptcy Code and Bankruptcy Rules 3017 and 3018. The Disclosure Statement and the procedures by which the Ballots for acceptance or rejection of the Plan were solicited and tabulated were fair, properly conducted, and in accordance with sections 1125 and 1126 of the Bankruptcy Code, Bankruptcy Rules 3017 and 3018, and the Disclosure Statement Order. Consistent with Article XII.O of the Plan, the Debtors, the Reorganized Debtors, the Supporting Parties, the Future Claimants' Representative, the Official Committee of Unsecured Creditors, the Official Committee of Opioid-Related Claimants, and each of their respective current and former officers, directors, members (including *ex officio* members and any legal or financial advisors of any individual members), managers, employees, partners, advisors, attorneys, professionals, accountants, investment bankers, investment advisors, actuaries, Affiliates, financial advisors, consultants, agents, and other representatives of each of the foregoing Entities

(whether current or former, in each case in his, her or its capacity as such), have acted in “good faith” under section 1125(e) of the Bankruptcy Code. The Plan therefore complies with section 1129(a)(2) of the Bankruptcy Code.

13. Section 1129(a)(3) - Proposal of the Plan in Good Faith.

79. The Debtors proposed the Plan (including the Plan Supplement and all other documents necessary or appropriate to effectuate the Plan) in good faith and not by any means forbidden by law. In determining that the Plan has been proposed in good faith, the Bankruptcy Court has examined the totality of the circumstances surrounding the formulation of the Plan. The Debtors’ good faith is evident from the facts and record of the Chapter 11 Cases, the Disclosure Statement, and the record of the Confirmation Hearing. Based on the Disclosure Statement and the evidence presented at the Confirmation Hearing, the Bankruptcy Court finds and concludes that the Plan has been proposed with the legitimate and honest purpose of restructuring the Debtors’ funded indebtedness, resolving their opioid-related liabilities, resolving other contingent liabilities, including without limitation, litigation liabilities, recapitalizing their businesses, and maximizing the value of the Debtors and the distributions available to their creditors. Moreover, the Plan itself and the arms’ length negotiations amongst the Debtors, the Supporting Parties, the Future Claimants’ Representative, the Official Committee of Unsecured Creditors, the Official Committee of Opioid-Related Claimants, the Ad Hoc Second Lien Notes Group, and other constituencies leading to the Plan’s formulation, as well as the overwhelming support of creditors for the Plan, provide independent evidence of the Debtors’ good faith in proposing the Plan. Further, the Plan’s classification, indemnification, settlement, discharge, exculpation, release, and injunction provisions have been negotiated in good faith and at arm’s length, are consistent with sections 105, 1122, 1123(b)(6), 1129, and 1142 of the Bankruptcy Code, and are each necessary

for the Debtors' successful reorganization. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

80. The Plan gives effect to many of the Debtors' restructuring initiatives, including implementing the value maximizing Restructuring Transactions. Therefore, the Plan has been proposed in good faith to achieve a result consistent with the objectives and purposes of the Bankruptcy Code and the Debtors (and all of their respective officers, managers, directors, agents, independent contractors, financial advisors, consultants, attorneys, employees, partners, Affiliates, and representatives) have been, are, and will continue to act in good faith within the meaning of sections 1125(e) and 1126(e) the Bankruptcy Code if they proceed to: (a) consummate the Plan and the Restructuring Transactions and the agreements, settlements, transactions, and transfers contemplated thereby; and (b) take the actions authorized or contemplated by this Confirmation Order.

14. Section 1129(a)(4) - Bankruptcy Court Approval of Certain Professional Fee Payments as Reasonable.

81. Article II.A.2 of the Plan provides that all final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be Filed no later than 45 days after the Effective Date and that the Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules, and prior Bankruptcy Court orders.

82. All other payments made to or to be made by the Debtors for services or for costs and expenses in or in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, have been authorized by, approved by, or are subject to the approval of the Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

With respect to payments being made under Article IV.X.8-9 of the Plan and otherwise to (a) stakeholder professionals out of distributions to creditors under the Private Opioid Creditor Trusts and (b) to the State Opioid Attorneys' Fee Fund and the Municipal and Tribe Opioid Attorneys' Fee Fund, such payments are hereby approved and are not within the scope of section 1129(a)(4); alternatively, to the extent any such payments are within the scope of section 1129(a)(4), based upon the record, the Court finds that such fees and costs are reasonable and are hereby approved.

83. Accordingly, subject to any other applicable order of the Bankruptcy Court, the Bankruptcy Court has reviewed or will review the reasonableness of the final fee applications under sections 328 and 330 of the Bankruptcy Code and any applicable case law. Thus, the Plan complies with section 1129(a)(4) of the Bankruptcy Code.

15. Section 1129(a)(5) - Disclosure of Identity of Proposed Management, Compensation of Insiders and Consistency of Management Proposals with the Interests of Creditors and Public Policy.

84. The Plan satisfies the requirements of section 1129(a)(5) of the Bankruptcy Code because the Debtors have or will have disclosed solely to the extent such Persons are known and determined: (a) the identity of the members of the Reorganized Board; and (b) the nature and compensation for any insider who will be employed or retained by the Reorganized Debtors under section 101(31) of the Bankruptcy Code. The method of appointment of members of the Reorganized Board was consistent with the interests of Holders of Claims and Interests and public policy. The proposed officers and directors for the Reorganized Debtors are qualified, and their appointment to, or continuance in, such roles is consistent with the interests of Holders of Claims and Interests and with public policy.

85. Further, the Debtors will also have disclosed solely to the extent such Persons are known and determined the identity of the initial Opioid MDT II Trustee(s), the Opioid Creditor Trustees, the General Unsecured Claims Trustee, and the Asbestos Trustee. To the extent not

disclosed in the Plan Supplement, the identities and affiliations of the Opioid MDT II Trustee(s) and the Opioid Creditor Trustees shall be determined in accordance with Articles IV.U.1 and IV.X.2, respectively, of the Plan. Further, to the extent not disclosed in the Plan Supplement, the identities and affiliations of the General Unsecured Claims Trustee and the Asbestos Trustee shall be determined in accordance with Articles IV.HH.2 and IV.II.2, respectively, of the Plan. The appointment of such individuals to such positions, or the process by which such individuals have or will be identified or appointed, is consistent with the interests of Holders of Claims and public policy. Accordingly, the Plan satisfies the requirements of section 1129(a)(5) of the Bankruptcy Code.

16. Section 1129(a)(6) - Approval of Rate Changes.

86. Section 1129(a)(6) of the Bankruptcy Code is inapplicable to the Chapter 11 Cases. The Plan proposes no rate change subject to the jurisdiction of any governmental regulatory commission.

17. Section 1129(a)(7) - Best Interests of Holders of Claims and Interests.

87. The Plan satisfies the requirements of section 1129(a)(7) of the Bankruptcy Code. The evidence in support of the Plan that was proffered or adduced before and at the Confirmation Hearing, including the Eisenberg Declaration, the liquidation analysis attached to the Disclosure Statement as Exhibit E, and the facts and circumstances of the Chapter 11 Cases: (a) is reasonable, persuasive, credible, and accurate as of the dates such evidence was prepared, presented, or proffered; (b) utilizes reasonable and appropriate methodologies and assumptions; (c) has not been controverted by other evidence; and (d) establishes that Holders of Allowed Claims or Interests in each Class will recover at least as much under the Plan on account of such Claim or Interest, as of the Effective Date, as such Holder would receive if the Debtors were liquidated, on the Effective Date, under chapter 7 of the Bankruptcy Code.

88. The Plan provides for recoveries that are no less than, and in all cases greater than, what creditors might receive in a hypothetical chapter 7 liquidation with specific regard to creditors in classes 5 through 10. The testimony of the Debtors' expert witnesses, specifically, Mr. Randall S. Eisenberg (*see generally* the Eisenberg Declaration), evidenced that no creditor would receive or retain an amount under the Plan on account of its Claim that is less than the amount that such holder would receive or retain if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code. Specifically, on an aggregate basis, Class 5 Guaranteed Unsecured Notes Claims' recoveries under the Liquidation Analysis would be reduced to between fifteen percent (15%) and fifty-eight percent (58%) as compared to the Plan mid-point recovery of seventy-two percent (72%). *See* Eisenberg Declaration at ¶¶ 22-24. Furthermore, the Plan proposes providing the General Unsecured Claims Trust Consideration to Class 6 General Unsecured Claims pursuant to the Plan which is comprised of (a) Cash in the amount of \$135,000,000 (\$18,000,000 of which will go directly from the Reorganized Debtors to the Asbestos Trust), paid on the Effective Date; (b) the GUC Assigned Preference Claims; (c) the GUC Terlivaz CVR; (d) the GUC Assigned Sucampo Avoidance Claims; (e) the GUC Share Repurchase Proceeds; (f) the GUC VTS PRV Share; and (e) the GUC StrataGraft PRV Share, which is significantly more than the aggregate recoveries estimated under the Liquidation Analysis for Class 6 General Unsecured Claims of approximately \$1 million to \$6 million. *Id.* at ¶ 61. Distributions under the Plan are subject to ensuring Class 6 General Unsecured Claims receive no less than they are entitled to under the Debtors' Liquidation Analysis. *Id.* Similarly, Class 7 Trade Claims will receive a cash distribution of up to \$50 million under the Plan which is significantly higher than the aggregate recoveries under the Liquidation Analysis of \$0.1 million to \$1 million. *Id.* With respect to individual

recoveries at every Debtor, each class of creditors will receive equal to or more under the Plan than what they would receive in a Chapter 7 liquidation. *Id.* at ¶¶ 22-24.

89. Under the Plan, the Opioid MDT II Consideration and General Unsecured Claims Trust Consideration will be distributed on account of contingent liability claims, including for Opioid Claims and General Unsecured Claims. The evidence at the Confirmation Hearing established that the value of certain Litigation Claims (as defined in the Liquidation Analysis), Opioid Claims against the Debtors, and the value of other litigation claims against related third-parties (*e.g.*, the Debtors' directors and officers) that any individual creditor would retain or recover in a hypothetical chapter 7 liquidation is speculative and not capable of estimation, and in any case, is less than what any individual creditor is entitled to under the Plan.

90. As provided in the Liquidation Analysis, the Debtors face various Litigation Claims (as defined in the Liquidation Analysis) including the Opioid Claims and certain Acthar related Claims. Various litigation related creditors have asserted Claims against the Debtors in amounts totaling billions of dollars, and in some instances trillions of dollars, and such Claims are asserted against several or all of the Debtors in many instances. The Litigation Claims (as defined in the Liquidation Analysis) and Opioid Claims remain unliquidated, contingent, or disputed, and the aggregate amounts of such Claims are unknown. The allowance of these unliquidated, contingent, or disputed Claims could meaningfully reduce recoveries to other Holders of General Unsecured Claims. As further provided in the Liquidation Analysis, under chapter 7, the Litigation Claims (as defined in the Liquidation Analysis) and Opioid Claims, or any portion of such Claims, would need to be resolved through litigation and a trustee would need to engage litigation counsel to defend and liquidate those Claims. This differs significantly from the Plan, which (a) establishes the Opioid MDT II and various Opioid Creditor Trusts to resolve and distribute recovery to the

Opioid Claimants through the relevant trust distribution procedures from the Opioid MDT II Consideration (which includes the Initial Opioid MDT II Payment, the New Opioid Warrants, the Opioid Deferred Cash Payments, the Assigned Third-Party Claims, the Assigned Insurance Rights, and the Opioid MDT II Share Repurchase Proceeds) provided by the Debtors, and (b) resolves Litigation Claims (as defined in the Liquidation Analysis) through the distribution of recoveries out of the General Unsecured Claims Trust Consideration.

91. Litigation in a chapter 7 liquidation is likely to be meaningfully more costly and time-consuming than resolving all Opioid Claims through the Opioid MDT II and Litigation Claims (as defined in the Liquidation Analysis) through the General Unsecured Claims Trust Consideration that are established under the Plan. The outcome of such litigation is not certain and could result in significant costs that would further dilute recoveries in a chapter 7 liquidation. All such litigation expenses would be paid in full ahead of any recovery to general unsecured creditors in a chapter 7 liquidation. An overwhelming majority of the voting creditors, including forty-nine (49) U.S. States and territories, and substantially all of the classes of Opioid Claimants voted to accept the Plan. The Plan provides for the release of such creditors' potential third party claims against the Released Parties and Protected Parties (as applicable). This level of support further indicates their belief that recoveries under the Plan are not less than the recoveries they would obtain in hypothetical chapter 7 liquidation, including recoveries on account of such third-party claims. The Plan therefore complies with section 1129(a)(7) of the Bankruptcy Code.

18. Section 1129(a)(8) - Acceptance of Plan by Impaired Classes.

92. Classes 1 and 2(a) (and 11-12 to the extent Unimpaired under the Plan) are each Classes of Unimpaired Claims or Interests that are conclusively presumed to have accepted the Plan under section 1126(f) of the Bankruptcy Code. As set forth in the Final Voting Report, the Accepting Voting Classes have voted to accept the Plan in accordance with section 1126(c) of the

Bankruptcy Code. The Deemed Rejecting Classes are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. The Rejecting Voting Classes have voted to reject the Plan. Although section 1129(a)(8) of the Bankruptcy Code is not satisfied with respect to the Deemed Rejecting Classes and the Rejecting Voting Classes, the Plan may nevertheless be confirmed because the Plan satisfies section 1129(b) of the Bankruptcy Code with respect to each such Class.

19. Section 1129(a)(9) - Treatment of Claims Entitled to Priority Pursuant to Section 507(a) of the Bankruptcy Code.

93. Article II of the Plan provides for treatment of Administrative Claims, Priority Tax Claims, and Other Priority Claims, subject to certain bar date provisions consistent with Bankruptcy Rules 3002 and 3003, in the manner required by section 1129(a)(9) of the Bankruptcy Code.

20. Section 1129(a)(10) - Acceptance by at Least One Impaired Non-Insider Class.

94. As indicated in the Final Voting Report and as reflected in the record of the Confirmation Hearing, at least one Class of Claims or Interests that is Impaired under the Plan has voted to accept the Plan, disregarding any votes by insiders. Each of Classes 2(b)-(c) (to the extent Impaired under the Plan), Classes 4-9(g), and Class 10 are Impaired and have voted to accept the Plan, determined without including any acceptance of the Plan by an insider. The Plan therefore complies with section 1129(a)(10) of the Bankruptcy Code.

21. Section 1129(a)(11) - Feasibility of the Plan.

95. The Plan satisfies section 1129(a)(11) of the Bankruptcy Code. The evidence in support of the Plan that was proffered or adduced before and at the Confirmation Hearing, including the Eisenberg Declaration, and the financial projections attached to the Disclosure Statement as Exhibit D: (a) is reasonable, persuasive, credible, and accurate as of the dates such

evidence was prepared, presented, or proffered; (b) utilizes reasonable and appropriate methodologies and assumptions; (c) has not been controverted by other evidence; (d) establishes that the Plan is feasible and Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Reorganized Debtors or any successor to the Reorganized Debtors under the Plan; and (e) together with the Court's *Opinion and Final Order* [Docket No. 5886] denying the *Motion Of Attestor Limited And Humana Inc. For Entry Of An Order Allowing And Compelling Payment Of Administrative Claims Pursuant To Section 503(B) Of The Bankruptcy Code* [Docket No. 2159] and sustaining the *Debtors' Objection to Certain Acthar-Related Administrative Claims* [Docket No. 3529], establishes that the Reorganized Debtors will have sufficient funds available to meet their obligations under the Plan.

22. Section 1129(a)(12) - Payment of Bankruptcy Fees.

96. The Plan satisfies the requirements of section 1129(a)(12) of the Bankruptcy Code. Articles II.D and XI.C of the Plan provides for the payment of all fees due and payable pursuant to 28 U.S.C. § 1930 by the Debtors or the Reorganized Debtors, as applicable.

23. Section 1129(a)(13) - Retiree Benefits.

97. The Plan satisfies the requirements of section 1129(a)(13) of the Bankruptcy Code. Section 1129(a)(13) of the Bankruptcy Code requires a plan to provide for retiree benefits (as defined in section 1114 of the Bankruptcy Code) at levels established pursuant to section 1114 of the Bankruptcy Code. Article V.H of the Plan provides that the Reorganized Debtors shall honor all of the Debtors' Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards), including, without limitation, all retiree benefits programs. Accordingly, the Plan satisfies the requirements of section 1129(a)(13) of the Bankruptcy Code; *provided, however*, that nothing in this Confirmation Order will be construed to restrict or enlarge the Reorganized Debtors' rights to modify any such retiree benefits

(including health and welfare benefits) under applicable non-bankruptcy law; and *provided, further, however*, that nothing in the Plan or this Confirmation Order approves or authorizes the Debtors to make any payments or otherwise satisfy any Claims in violation of section 503(c) of the Bankruptcy Code.

24. Sections 1129(a)(14), (a)(15), and (a)(16) of the Bankruptcy Code are Inapplicable.

98. The Debtors are not (i) required to pay any domestic support obligations, (ii) individuals, or (iii) nonprofit corporations or trusts. Accordingly, sections 1129(a)(14) through (16) of the Bankruptcy Code are not applicable.

25. Section 1129(b) - Confirmation of the Plan Over the Non-Acceptance of Impaired Classes.

99. Pursuant to section 1129(b)(1) of the Bankruptcy Code, the Plan may be confirmed despite the fact that the Deemed Rejecting Classes and the Rejecting Voting Classes have not accepted the Plan because the Plan meets the “cramdown” requirements for confirmation under section 1129(b) of the Bankruptcy Code. Other than the requirement in section 1129(a)(8) of the Bankruptcy Code with respect to the Deemed Rejecting Classes and the Rejecting Voting Classes, all of the requirements of section 1129(a) of the Bankruptcy Code have been met. The Plan does not discriminate unfairly and is fair and equitable with respect to the Deemed Rejecting Classes and the Rejecting Voting Classes; *provided, however*, with respect to Class 9(h), nothing in this paragraph or in any other provision of this Confirmation Order shall alter or modify the rights, protections, and treatment set forth in the Plan for Holders of Allowed Claims in such Class, including as described in the definition of “Other Opioid Claimant Pro Rata Share” in the Plan. No Class of Claims and Interests junior to any of the Deemed Rejecting Classes or the Rejecting Voting Classes will receive or retain any property on account of their Claims and Interests, and no Class of Claims or Interests senior to the Deemed Rejecting Classes or the Rejecting Voting

Classes is receiving more than full payment on account of the Claims and Interests in such Class. The Plan therefore is fair and equitable, does not discriminate unfairly with respect to any of these Classes, and complies with section 1129(b) of the Bankruptcy Code.

26. Section 1129(c) - Only One Plan.

100. The Plan satisfies the requirements of section 1129(c) of the Bankruptcy Code. The Plan (including previous versions thereof) is the only chapter 11 plan filed in the Chapter 11 Cases.

27. Section 1129(d) - Purpose of Plan.

101. The primary purpose of the Plan is not avoidance of taxes or avoidance of the requirements of section 5 of the Securities Act of 1933, 15 U.S.C. § 77e, and there has been no objection filed by any governmental unit asserting such avoidance. The Plan therefore complies with section 1129(d) of the Bankruptcy Code.

28. Satisfaction of Confirmation Requirements.

102. As set forth above, the Plan complies in all respects with the applicable requirements of section 1129 of the Bankruptcy Code.

Q. GOOD FAITH PARTICIPATION

103. Based upon the record before the Bankruptcy Court, the Debtors, the Supporting Parties, the Future Claimants' Representative, the Official Committee of Unsecured Creditors, the Official Committee of Opioid-Related Claimants, the Ad Hoc Second Lien Notes Group, the Ad Hoc Group of Hospitals, the Ad Hoc Group of Personal Injury Victims, the Emergency Room Physicians Group, the NAS Committee, the Public School Mediation Participants, the Third-Party Payor Group, and each of their respective members, officers, directors, shareholders, employees, representatives, advisors, attorneys, financial advisors, investment bankers and agents have acted in good faith within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all their

respective activities relating to the Chapter 11 Cases, and the negotiation and pursuit of confirmation of the Plan. Therefore, they are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and by the releases and the exculpatory and injunctive provisions set forth in Article IX of the Plan.

R. AGREEMENTS AND OTHER DOCUMENTS

104. The Debtors have disclosed all material facts, to the extent applicable, regarding: (a) the adoption of the New Governance Documents or similar organizational documents; (b) the identity of the members of the Reorganized Board (to the extent known)¹⁴ and the initial Opioid MDT II Trustees; (c) the method and manner of distributions under the Plan, including the Opioid Deferred Cash Payments and the Opioid Deferred Cash Payments Terms; (d) the issuance of New Mallinckrodt Ordinary Shares and New Opioid Warrants; (e) the execution of and entry into the New Opioid Warrant Agreement, the Registration Rights Agreement, and the Exit Financing Documents; (f) the execution and entry into the Opioid MDT II Documents, the Opioid Creditor Trust Documents (as applicable), the General Unsecured Claims Trust Documents, and the Asbestos Trust Documents; (g) the adoption, execution, and implementation of the other matters provided for under the Plan, including those involving corporate or limited liability company (as applicable) action to be taken by or required of the Debtors or the Reorganized Debtors, as applicable, and including all actions contemplated by the Restructuring Transactions Memorandum; (h) the OCC Settlement, the UCC Settlement, and the Second Lien Notes Settlement; (i) securities registration exemptions; (j) the exemption under section 1146(a) of the

¹⁴ Pursuant to the terms of the Plan and the Sixth Plan Supplement [Docket No. 5716] filed on December 7, 2021, the Debtors will file additional plan supplement(s) disclosing the identity of additional directors proposed to serve as members of the Reorganized Board as of the Effective Date.

Bankruptcy Code; (k) the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes; (l) the Management Incentive Plan; (m) the Opioid MDT II, the Opioid Creditor Trusts, the General Unsecured Claims Trust, and the Asbestos Trust; (n) the implementation of the Opioid Operating Injunction; and (o) adoption, execution, and delivery of all contracts, leases, instruments, securities, releases, indentures, and other agreements related to any of the foregoing.

S. REJECTIONS OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

105. Each rejection of an Executory Contract or Unexpired Lease pursuant to Article V of the Plan shall be legal, valid, and binding upon the applicable Debtor and all non-Debtor parties to such Executory Contract or Unexpired Lease, all to the same extent as if such rejection had been effectuated pursuant to an appropriate authorizing order of the Bankruptcy Court entered prior to the Confirmation Date under section 365 of the Bankruptcy Code.

T. EXIT FINANCING DOCUMENTS

106. The Exit Financing Documents, the New Credit Facilities, New Takeback Term Loans, the Takeback Second Lien Notes, and the New Second Lien Notes to which they relate, are, individually and collectively, essential elements of the Plan, and entry into the Exit Financing Documents is in the best interests of the Debtors, their Estates, and the Holders of Claims and Equity Interests. The New Credit Facilities, New Takeback Term Loans, the Takeback Second Lien Notes, and the New Second Lien Notes are necessary and appropriate for confirmation and consummation of the Plan and the operations of the Reorganized Debtors and are key to the feasibility of the Plan. The New Credit Facilities, New Takeback Term Loans, the Takeback Second Lien Notes, and the New Second Lien Notes are the best financing alternative available to the Debtors, and the Debtors have exercised sound business judgment in determining to enter into

the Exit Financing Documents and have provided adequate notice thereof. The terms of the Exit Financing Documents set forth in the Plan Supplement are fair and reasonable and have been negotiated in good faith and at arm's length among the Debtors and the applicable agents, lenders, and/or arrangers, without the intent to hinder, delay, or defraud any creditor of the Debtors, and any credit extended and loans made or deemed made to the Reorganized Debtors by the aforementioned applicable agents, lenders, and/or arrangers, pursuant to the Exit Financing Documents, and the creation and perfection of the liens in connection therewith, and any fees paid thereunder, are deemed to have been extended, issued, made or deemed made, created and perfected in good faith and for legitimate business purposes. The Reorganized Debtors' entry into, and the terms of, the Exit Financing Documents and the payment of fees and expenses in connection therewith are fair and reasonable, reflect the Debtors' and Reorganized Debtors' exercise of prudent business judgment consistent with their fiduciary duties and are supported by reasonably equivalent value and fair consideration. The terms and conditions of the New Credit Facilities, New Takeback Term Loans, the Takeback Second Lien Notes, the New Second Lien Notes, and any other Exit Financing Documents are fair and reasonable and are approved. For the avoidance of doubt, certain Exit Financing Documents and other Plan Supplement documents, including the terms of the Exit Financing Documents (including those attached as part of the Plan Supplement) and the Opioid Deferred Cash Payments Terms and any related documents (including those attached as part of the Plan Supplement), remain subject to ongoing negotiation between the parties thereto and the terms of the Plan and, as applicable, the Restructuring Support Agreement.

U. OPIOID DEFERRED CASH PAYMENTS

107. The Opioid Deferred Cash Payments and the Opioid Deferred Cash Payments Terms and the additional documentation relating thereto (the "**Opioid Deferred Cash Payments Documents**") (which shall be deemed an attachment to, and an integral part of, this Confirmation

Order) are essential elements of the Plan and are in the best interests of the Debtors, their Estates, and the Holders of Claims and Equity Interests. The Opioid Deferred Cash Payments, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents are necessary and appropriate for confirmation and consummation of the Plan and the operations of the Reorganized Debtors and are key to the feasibility of the Plan. The Debtors have exercised sound business judgment in agreeing to make the Opioid Deferred Cash Payments in accordance with the Plan, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents, and have provided adequate notice thereof. The Opioid Deferred Cash Payments, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents are fair and reasonable, and have been negotiated in good faith and at arm's length among the relevant parties without the intent to hinder, delay, or defraud any creditor of the Debtors. The Reorganized Debtors' obligation to make the Opioid Deferred Cash Payments in accordance with the Plan, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents is fair and reasonable, reflect the Debtors' and Reorganized Debtors' exercise of prudent business judgment consistent with their fiduciary duties and are supported by reasonably equivalent value and fair consideration. The Opioid Deferred Cash Payments Terms and the Opioid Deferred Cash Payments Documents are fair and reasonable and are approved and are enforceable as an integral part of this Confirmation Order.

V. THE UCC SETTLEMENT

108. Entry into the UCC Settlement is in the best interests of the Debtors, their Estates, and the Holders of Claims and Equity Interests and is necessary and appropriate for consummation of the Plan. The Debtors have exercised sound business judgment in determining to enter into the UCC Settlement and have provided adequate notice thereof. The UCC Settlement has been negotiated in good faith and at arm's length and is deemed to have been made in good faith and

for legitimate business purposes. The terms and conditions of the UCC Settlement set forth in that certain *Mallinckrodt GUC Settlement Term Sheet*, filed at [Docket No. 4121-1] and further described in the Plan, including the UCC Appendix, are fair and reasonable and are approved.

W. THE OCC SETTLEMENT

109. Entry into the OCC Settlement is in the best interests of the Debtors, their Estates, and the Holders of Claims and Equity Interests and is necessary and appropriate for consummation of the Plan. The Debtors have exercised sound business judgment in determining to enter into the OCC Settlement and have provided adequate notice thereof. The OCC Settlement has been negotiated in good faith and at arm's length and is deemed to have been made in good faith and for legitimate business purposes. The terms and conditions of the OCC Settlement set forth in that certain *Global Opioid Settlement Term Sheet*, filed at [Docket No. 4121-2] and further described in the Plan are fair and reasonable and are approved.

X. THE SECOND LIEN NOTES SETTLEMENT

110. Entry into the Second Lien Notes Settlement is in the best interests of the Debtors, their Estates, and the Holders of Claims and Equity Interests and is necessary and appropriate for consummation of the Plan. The Debtors have exercised sound business judgment in determining to enter into the Second Lien Notes Settlement and have provided adequate notice thereof. The Second Lien Notes Settlement has been negotiated in good faith and at arm's length and is deemed to have been made in good faith and for legitimate business purposes. The terms and conditions of the Second Lien Notes Settlement set forth in that certain *Settlement Second Lien Notes Summary Terms*, filed at [Docket No. 4121-3] and further described in the Plan are fair and reasonable and are approved. For the avoidance of doubt, on the Effective Date, each Holder of Allowed Second Lien Notes Claims shall receive, in addition to New Second Lien Notes, its Pro Rata Share of accrued and unpaid interest on the Second Lien Notes to, but excluding, the Effective Date.

111. The Second Lien Notes Indenture Trustee diligently and in good faith discharged its duties and obligations pursuant to the Second Lien Notes Indenture and otherwise conducted itself with respect to all matters in any way related to the Second Lien Notes Claims, with the same degree of care and skill that a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Holders of Second Lien Notes Claims have not received disparate treatment under the Plan and the treatment is consistent with the terms and conditions under the Second Lien Notes Indenture. Accordingly, the Second Lien Notes Indenture Trustee has discharged its duties fully and in accordance with the Second Lien Notes Indenture.

Y. NEW OPIOID WARRANT AGREEMENT

112. The New Opioid Warrant Agreement and the New Opioid Warrants are essential elements of the Plan, the Restructuring Support Agreement, the Opioid Settlement (as defined in the Restructuring Support Agreement), and the OCC Settlement, and entry into the New Opioid Warrant Agreement is in the best interests of the Debtors and their Estates and necessary and appropriate for consummation of the Plan and the operations of the Reorganized Debtors. The Debtors have exercised sound business judgment in determining to enter into the New Opioid Warrant Agreement and have provided adequate notice thereof. The New Opioid Warrant Agreement has been negotiated in good faith and at arm's length and is deemed to have been made in good faith and for legitimate business purposes. The terms and conditions of the New Opioid Warrant Agreement are fair and reasonable and are approved.

Z. REGISTRATION RIGHTS AGREEMENT

113. The Registration Rights Agreement is an essential element of the Plan, and entry into the Registration Rights Agreement is in the best interests of the Debtors and their Estates and necessary and appropriate for consummation of the Plan and the operations of the Reorganized Debtors. The Debtors have exercised sound business judgment in determining to enter into the

Registration Rights Agreement and have provided adequate notice thereof. The material terms of the Registration Rights Agreement have been negotiated in good faith and at arm's length and are deemed to have been made in good faith and for legitimate business purposes. The terms and conditions of the Registration Rights Agreement set forth in the Plan Supplement are fair and reasonable and are approved.

AA. LIKELIHOOD OF SATISFACTION OF CONDITIONS PRECEDENT TO EFFECTIVE DATE

114. Without limiting or modifying the respective rights of the Debtors, the Supporting Parties, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, the Ad Hoc Second Lien Notes Group, and the Future Claimants' Representative under Article VIII.B of the Plan, the Debtors believe that each of the conditions precedent to the Effective Date, as set forth in Article VIII.A of the Plan, has been or is reasonably likely to be satisfied or waived in accordance with Article VIII.B of the Plan.

BB. VALUATION

115. The valuation analysis pertaining to the Reorganized Debtors set forth in the Disclosure Statement at Exhibit F (as supplemented by the additional analysis relating thereto set forth in the Mehta Declaration in response to certain specified updates made by the Debtors to the Reorganized Debtors' forecast through 2025 and testimony on November 1, 2021) was prepared in accordance with commonly used valuation principles and practices and is a fair and reasonable estimate of the total enterprise value and implied estimated equity value of the Reorganized Debtors on a post-emergence consolidated going concern basis for the purpose of providing adequate information to Holders of Claims against or Interests in the Debtors to make an informed judgment about the Plan, including for the purpose of estimating the recovery ranges of potential distributions under the Plan.

CC. IMPLEMENTATION AND BINDING EFFECT

116. All documents and agreements necessary or appropriate to implement the Plan, including those contained in the Plan Supplement, and all other relevant and necessary documents (including, without limitation, the New Governance Documents, the New Opioid Warrant Agreement, the Registration Rights Agreement, the Exit Financing Documents, the Opioid Deferred Cash Payments, the Opioid Deferred Cash Payments Terms, the Opioid Deferred Cash Payments Documents and the Federal/State Acthar Settlement Agreements) have been negotiated in good faith and at arm's length, are in the best interests of the Debtors, and shall, upon completion of documentation and execution (subject to the terms of the Plan, as applicable), be valid, binding, and enforceable documents and agreements not in conflict with any federal, state, or local law. The Debtors have exercised reasonable business judgment in determining which agreements to enter into and have provided sufficient and adequate notice of such documents and agreements. The terms and conditions of such documents and agreements (in each case, subject to the terms of the Plan, as applicable) have been and are continuing to be negotiated in good faith, at arm's length, are fair and reasonable, and are approved. The Debtors and Reorganized Debtors, as applicable, are authorized, without any further notice to or action, order, or approval of this Court, to (a) finalize and execute and deliver all agreements, documents, instruments, and certificates relating thereto and perform their obligations thereunder in accordance with the Plan, (b) incur the indebtedness and other obligations and provide the guarantees, in each case, contemplated by the Exit Financing Documents, the Opioid Deferred Cash Payments, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents, and (c) grant the liens securing the obligations incurred under the Exit Financing Documents.

117. Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, and subject to the occurrence of the Effective Date, on and after the entry of this Confirmation Order,

the provisions of the Plan, the Plan Supplement, and this Confirmation Order shall bind the Debtors, the other Protected Parties, all Released Parties, all Holders of Claims against or Interests in any Debtors, all parties to executory contracts and unexpired leases with any of the Debtors, and all other parties in interest in the Chapter 11 Cases, including the Debtors' Insurers, and each of their respective heirs, executors, administrators, estates, successors and assigns.

DD. ADDITIONAL OPIOID NOTICE PLAN

118. The Additional Opioid Notice Plan was necessary and appropriate given there was no claims bar date in the Chapter 11 Cases for Holders of Opioid Claims. The uncontroverted testimony set forth in the Finegan Declarations confirms that the Additional Opioid Notice Plan approved by this Court was incredibly extensive in its reach, having reached an estimated 91% of all adults 18 years of age and older in the United States with an average frequency of message exposure of six times, and an estimated 82% of all adults 18 years of age and older in Canada, with an average frequency of message exposure of six times, and was conducted in four languages through (a) direct mailings to certain individuals and entities, (b) network broadcast, cable, and streaming television, (c) terrestrial and streaming radio, (d) print media (e.g., magazines and newspapers), (e) online display (e.g., banner advertising on websites), (f) internet search terms (e.g., Google), (g) digital video and social media campaigns (e.g., Facebook, Instagram, Twitter, YouTube, and TikTok), (h) earned media (e.g., press releases), and (i) territorial and tribal media.

119. In the U.S. and the U.S. Territories, print media served approximately 4 million impressions, television and radio advertisements served over 218 million impressions, and the digital campaign served over 943 million impressions. In Canada, print media served approximately 15 million impressions, and the digital campaign served over 309 million impressions. In aggregate, the Additional Opioid Notice Plan collectively served over 1.1 billion impressions in the U.S. and the U.S. Territories and 324 million impressions in Canada. The

Debtors' designated opioid claimant website, www.MNKVote.com, received more than 310,900 website visitors with 368,100 page views and provided potential Opioid Claimants with a customized online Ballot to cast a vote on the Plan.

120. Additionally, and as part of the Additional Opioid Notice Plan, and in accordance with the Disclosure Statement Order, on September 30, 2021, certain notice materials and explanatory letters prepared by the Debtors and the Official Committee of Opioid-Related Claimants were mailed to approximately 31,495 pro se opioid creditors with opioid-related claims in the Purdue Pharma L.P. chapter 11 cases [*see* Docket No. 4587].

121. As a result, this Court determines that the Additional Opioid Notice Plan was reasonable and appropriate, and provided due, proper, adequate, timely, and sufficient notice of, among other things, the Chapter 11 Cases, the Plan, the Voting Deadline, the Opioid Voting Deadline, the Confirmation Hearing, the procedures to cast a vote on the Plan, the releases, the exculpatory provisions, and the injunctions set forth in Article IX of the Plan, including the Opioid Permanent Channeling Injunction, in satisfaction of the requirements of Bankruptcy Rule 3016(c), to both known and unknown Holders of Opioid Claims, and that such parties have had an opportunity to appear and be heard with respect thereto, and such that both known and unknown Holders of Opioid Claims are bound by the terms of the Plan. The Court also finds that notice was reasonably calculated, under all the circumstances, to apprise Opioid Claimants of the Chapter 11 Cases and the Confirmation Hearing, and afford them an opportunity to present their objections to the Plan as set forth in *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306 (1950).

EE. THE OPIOID PERMANENT CHANNELING INJUNCTION AND THE FUTURE CLAIMANTS' REPRESENTATIVE

122. As of the Petition Date, there were a substantial amount of personal opioid related lawsuits pending against the Debtors throughout the country. Equitable treatment of Holders of

Opioid Claims and Opioid Demands depends on all such claimants being subject to the same rules and procedures as provided under the terms of the Opioid MDT II Documents and Opioid Creditor Trusts Documents. Without the Opioid MDT II and the Opioid Creditor Trusts as provided by the Plan, Holders of Opioid Claims would be forced to litigate their Claims in the tort system as they arise and the relief available would likely be inconsistent. That would devolve into a race to the courthouse, with the result that the Debtors' limited resources would be consumed by those claimants who are first to file suit. In such case, Holders of earlier asserted Opioid Claims might be paid in full, while Holders of later Opioid Claims may be paid less or go unsatisfied altogether.

123. The terms of the Opioid Permanent Channeling Injunction, including any provisions barring actions against the Debtors (including the Protected Parties), are set out in conspicuous language in the Disclosure Statement and Article IX.H of the Plan. The Classes of Holders of Opioid Claims are to be addressed by the Opioid MDT II and/or the Opioid Creditor Trusts, as applicable. As stated in the Final Voting Report, of the Holders of Opioid Claims in Classes 8(a)-(d) that voted, well over 95 percent voted to accept the Plan. Similarly, of the Holders of Opioid Claims in Classes 9(a)-(h) that voted, well over 95 percent voted to accept the Plan.

124. As set forth in Article IX.H of the Plan, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable. The Opioid MDT II and the Opioid Creditor Trusts, as applicable, will have the sole and exclusive authority as of the Effective Date to satisfy or defend against all Opioid Claims, in accordance with the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable.

125. The Interests of Future Opioid PI Claimants have been represented by the Future Claimants' Representative. The Future Claimants' Representative, Mr. Roger Frankel, was engaged by the Debtors prior to the commencement of the Chapter 11 Cases, and appointed by the Court following the commencement of the Chapter 11 Cases, for the purpose of, among other things, protecting the rights of Future Opioid PI Claimants. Mr. Frankel has extensive experience with mass-tort bankruptcies. The Future Claimants' Representative adequately protected the rights of Future Opioid PI Claimants. The PI Trust will operate through mechanisms that provide reasonable assurance that the PI Trust will value, and be in a financial position to pay, present PI Opioid Claims and similar PI Opioid Demands in substantially the same manner. The PI Trust Documents, and the mechanisms, criteria and procedures therein for operating the PI Trust and addressing PI/NAS Opioid Claims, are fair and equitable with respect to PI Opioid Claimants in light of the benefits to be provided to the PI Opioid Trust on behalf of the Debtors and the other Protected Parties.

126. Further, the Future Claimants' Representative fulfilled his responsibilities and fiduciary duties to his respective constituency pursuant to the applicable appointment order.

127. To the extent a Person attempts to bring a Future Opioid PI Claim against the Debtors, the other Released Parties, and/or the other Protected Parties, such Future Opioid PI Claims shall be channeled to the PI Trust pursuant to Article IX.H of the Plan and in accordance with the applicable PI Trust Documents.

FF. OPIOID ATTORNEYS' FEES AND COSTS

128. The opioid attorney fees and costs provisions set forth in Article IV.X.8-9 of the Plan are fair, appropriate, and constitute an integral part of the resolution of the Chapter 11 Cases and the Opioid Settlement (as defined in the Restructuring Support Agreement). Such provisions embody negotiated settlements as described in the Mediator's Report filed by Kenneth R. Feinberg

on October 22, 2021. The Mediator's Report is persuasive and credible. Such attorney fees and cost provisions set forth in Article IV.X.8-9 of the Plan (i) were the product of good-faith, hard fought arm's-length discussions and mediations that spanned many months; (ii) with respect to the contingency fee resolutions with respect to the payment of the (a) Municipal and Tribe Opioid Attorneys' Fee Fund, (b) State Opioid Attorneys' Fee Fund, (c) Hospital Attorney Fee Fund, (d) NAS Monitoring Attorney Fee Fund, (e) Ratepayer Attorney Fee Fund, (f) Emergency Room Physicians Attorney Fee Fund, (g) payment of attorneys' fees for the Ad Hoc Group of Personal Injury Victims and the NAS Committee Ratepayer Costs and Expenses, as well as the funding of the Common Benefit Fund Escrow (items (a)-(g) and the Common Benefit Escrow shall be referred to as the "Public/Private Fee and Expense Settlement") are consistent with fee awards, arrangements, and assessments agreed upon in other similar mass tort cases; (iii) are consistent with fee awards, arrangements, and assessments in similar mass tort situations; (iv) with respect to such percentages agreed upon in Article IV.X.8-9 of the Plan are well within the range of reasonableness; (v) with respect to the Common Benefit Fund assessments were the reasonable result of the work of the public creditor contingency fee counsel that has benefited all other opioid claimant constituents; and (vi) as evidenced by the Public/Private Fee and Expense Settlement are necessary and integral to the Plan and the success of the Chapter 11 Cases, are in the best interests of the Debtors, their Estates, and the Holders of Claims and Interests, are fair, equitable, and reasonable and meet the standard for approval under Bankruptcy Rule 9019 and applicable law for the foregoing reasons as they (w) will avoid costly, protracted litigation over Confirmation of the Plan; (x) are far above the lowest range of reasonableness; (y) were heavily negotiated and extensively disclosed in the Disclosure Statement; and (z) were approved overwhelmingly by opioid claimants voting on the Plan.

GG. ADDITIONAL FINDINGS REGARDING CHAPTER 11 CASES AND PLAN

129. The Released Parties, individually and collectively, made significant contributions, or had significant contributions made on their behalf, to the Chapter 11 Cases, including negotiating and entering into the Restructuring Support Agreement and the Opioid Settlement (as defined in the Restructuring Support Agreement), the Debtors' providing funding for the Chapter 11 Cases, the Debtors' and Reorganized Debtors' funding the Opioid MDT II Consideration, facilitating the creation of the Opioid MDT II, the Opioid Creditor Trusts, and the General Unsecured Claims Trust, permitting use of their collateral during these Chapter 11 Cases, entering into the OCC Settlement, UCC Settlement, and Second Lien Notes Settlement, and funding each of the settlements, as applicable, and otherwise actively supporting the Debtors' reorganization. Nothing set forth in this paragraph 129 is to be construed as a finding that the Third-Party Release in Article IX.C of the Plan meets the tests for non-consensual third-party releases in the Third Circuit, an issue not considered or ruled on by the Court.

130. **Non-Precedential Effect for Holders of Opioid Claims.** The Plan, the Plan Supplement, and this Confirmation Order shall constitute a good faith full and final comprehensive compromise and settlement of Opioid Claims and controversies based upon the unique circumstances of these Chapter 11 Cases (such as the unique facts and circumstances relating to these Debtors as compared to other defendants in the general opioid litigations, and the need for an accelerated resolution without litigation) such that (a) none of the foregoing documents, nor any materials used in furtherance of Confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used as precedent, or used by any party or Person in any context whatsoever beyond the purposes of the Plan, in any other litigation or proceeding except

as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan before the Bankruptcy Court or any other court of competent jurisdiction, and (b) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise applicable to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. The Plan, the Plan Supplement, and this Confirmation Order shall be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding involving Opioid Claims in which none of the Debtors, the Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Supplement, or this Confirmation Order. Any Opioid Claimants' support of, or position or action taken in connection with, the Plan, the Plan Supplement, and this Confirmation Order may differ from his position or testimony in any other litigation or proceeding except in connection with these Chapter 11 Cases. Further, the treatment of Opioid Claims as set forth in the Plan is not intended to serve as an example for, or represent the parties' respective positions or views concerning any other chapter 11 cases relating to opioid products, nor shall it be used as precedent by any Entity or party in any other chapter 11 cases related to opioid products.

II. ORDER

BASED ON THE FOREGOING FINDINGS OF FACT AND CONCLUSIONS OF LAW, IT IS ORDERED, ADJUDGED, AND DECREED THAT:

A. FINDINGS OF FACT AND CONCLUSIONS OF LAW

131. The above-referenced findings of fact and conclusions of law are hereby incorporated by reference as though fully set forth herein and constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable herein by Bankruptcy Rule

9014. To the extent that any finding of fact is determined to be a conclusion of law, it is deemed so, and vice versa.

B. CONFIRMATION OF THE PLAN

132. The Plan, a copy of which is attached hereto as **Exhibit A**, along with each of its provisions (whether or not specifically approved herein) and all operative exhibits and schedules thereto, is confirmed, as modified by this Confirmation Order, in each and every respect pursuant to section 1129 of the Bankruptcy Code. All documents included in the Plan Supplement are integral to, part of, and incorporated by reference into the Plan. Subject to the terms of the Plan, the Debtors reserve the right, in accordance with the terms of the Restructuring Support Agreement and subject to any applicable consent rights set forth in the Plan, to alter, amend, update, or modify the Plan Supplement before the Effective Date in accordance with section 1127(b) of the Bankruptcy Code or remedy any defect or omission or reconcile any inconsistency in the Plan in such manner as may be necessary or appropriate to carry out the purpose and intent of the Plan. The terms of the Plan, the Plan Supplement, and the exhibits and schedules thereto are incorporated by reference into this Confirmation Order, and the provisions of the Plan and this Confirmation Order are non-severable and mutually dependent. Notwithstanding the foregoing, unless otherwise provided in this Confirmation Order, if there is any direct conflict between the terms of the Plan and the terms of this Confirmation Order, the terms of this Confirmation Order shall control.

133. The failure specifically to identify or refer to any particular provision of the Plan or any other agreement in this Confirmation Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Bankruptcy Court that the Plan and all other agreements approved by this Confirmation Order are approved in their entirety.

C. OBJECTIONS

134. All parties have had a fair opportunity to litigate all issues raised by objections, or which might have been raised, and the objections have been fully and fairly litigated. All objections, responses, statements, reservation of rights, and comments in opposition to the Plan, other than those withdrawn with prejudice in their entirety, waived, settled, resolved prior to the Confirmation Hearing, resolved or sustained on the terms set forth herein and as reflected in the Modifications to the Plan, or otherwise resolved on the record of the Confirmation Hearing and/or herein, are hereby overruled. The record of the Confirmation Hearing is hereby closed.

D. BINDING NATURE OF PLAN TERMS

135. Notwithstanding any otherwise applicable law, and except as otherwise expressly set forth in this Confirmation Order, from and after the entry of this Confirmation Order, but subject to Article VIII of the Plan, the terms of the Plan and this Confirmation Order, including the compromises, releases, waivers, discharges and injunctions described in Section I.P.8 above, shall be deemed binding upon, among others, (a) the Debtors, (b) any and all holders of Claims or Interests (irrespective of whether such Claims or Interests are Impaired under the Plan or whether the holders of such Claims or Interests accepted, rejected or are presumed to have accepted or deemed to have rejected the Plan), (c) any and all non-Debtor parties to Executory Contracts and Unexpired Leases with any of the Debtors, (d) the Supporting Parties, (e) the Official Committee of Opioid-Related Claimants and its members, in their capacity as such, (f) the Official Committee of Unsecured Creditors and its members, in their capacity as such, and (g) the respective heirs, executors, administrators, successors or assigns, if any, of any of the foregoing.

E. SOLICITATION AND NOTICE

136. Good and sufficient notice of the Confirmation Hearing, the Plan and all related documents, and the deadline for filing and serving objections to the confirmation of the Plan has

been provided, which notice is hereby approved. The solicitation of votes on the Plan, and the Solicitation Packages (a) complied with the solicitation procedures in the Disclosure Statement Order, (b) were appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, and (c) were in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

F. DEEMED ACCEPTANCE OF PLAN AS MODIFIED

137. The Modifications to the Plan address concerns raised by parties in interest and implement additional compromises of objections to the Plan. The Modifications, other than any Modifications in the *Third Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 6006] and the *Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 6066], were immaterial and comply with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019. Moreover, the Debtors' key constituents, including the Supporting Parties, the Future Claimants' Representative, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, and the Ad Hoc Second Lien Notes Group affected by such Modifications support, or otherwise have not objected to, the Modifications. Other parties in interest affected by such Modifications, including Covidien Limited (f/k/a Covidien plc) (to the extent applicable), negotiated certain of those Modifications to the *Second Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 5636] with the Debtors, the Governmental Plaintiff Ad Hoc Committee and the Official Committee of Opioid-Related Claimants, and support, or otherwise have not objected to, such Modifications. Further, with respect to the Modifications in the *Third Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*, the parties in interest

affected by such Modifications, specifically, the Co-Defendants, Supporting Parties, and the Insurers, support, or otherwise have not objected to, such Modifications contained in the *Third Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*. And with respect to the Modifications in the *Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*, the parties in interest affected by such Modifications, specifically, the Insurers and Covidien Limited (Covidien plc) (to the extent applicable) negotiated those Modifications with the Debtors, the Governmental Plaintiff Ad Hoc Committee and the Official Committee of Opioid-Related Claimants and support or otherwise have not objected to such Modifications contained in the *Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code*. Accordingly, no additional solicitation or disclosure was required on account of the Modifications and all holders of Claims and Equity Interests who voted to accept the Plan or who are conclusively presumed to accept the Plan are deemed to have accepted the Plan as modified, revised, supplemented, or otherwise amended. No holder of a Claim or Equity Interest shall be permitted to change its vote as a consequence of the Modifications.

G. PLAN CLASSIFICATION CONTROLLING

138. The categories listed in Article III of the Plan shall solely govern the classification of Claims and Interests for purposes of the distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the Holders of Claims in connection with voting on the Plan: (a) were set forth thereon solely for purposes of voting to accept or reject the Plan; (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of Claims under the Plan for distribution purposes; (c) may not be relied upon

by any Holder of a Claim as representing the actual classification of such Claim under the Plan for distribution purposes; and (d) shall not be binding on the Debtors except for voting purposes.

139. The Court hereby holds that (a) the classifications of Claims and Interests under the Plan (i) are fair, reasonable, and appropriate and (ii) were not done for any improper purpose, (b) valid business, legal, and factual reasons exist for separately classifying the various Classes of Claims and Interests under the Plan, and (c) the creation of such Classes does not unfairly discriminate between or among Holders of Claims or Interests.

H. PLAN SETTLEMENTS

140. In consideration for (a) the Plan distributions, releases, exculpation, injunctions, and other benefits provided under the Plan, and (b) the support of the Supporting Parties, the Future Claimants' Representative, the Official Committee of Opioid-Related Claimants, the Official Committee of Unsecured Creditors, and the Ad Hoc Second Lien Notes Group, upon the Effective Date, the provisions of the Plan constitute a good faith and integrated compromise and settlement of all Claims and controversies relating to any Allowed Claim or Interest or any Plan distribution to be made on account thereof or otherwise resolved under the Plan, including without limitation the settlements included in the Restructuring Support Agreement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the UCC Settlement, the OCC Settlement, the Second Lien Notes Settlement, Federal/State Acthar Settlement, and the Opioid Insurance Settlements. The entry of this Confirmation Order constitutes the Court's approval of the compromises and settlements of all such Claims and controversies, including without limitation the settlements included in the Restructuring Support Agreement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the UCC Settlement, the OCC Settlement, the Second Lien Notes Settlement, Federal/State Acthar Settlement, and the Opioid Insurance Settlements, as well as a finding by the Court that such compromises and settlements are fair,

equitable, and reasonable and in the best interests of the Debtors and their Estates. All Plan distributions made in accordance with the Plan are intended to be, and shall be, final.

141. The settlement provisions in Article IV of the Plan, and each component thereof, is hereby approved pursuant to Bankruptcy Code section 1123 and Bankruptcy Rule 9019 as fair and reasonable and in the best interests of the Debtors, their Estates, and Holders of Claims and Equity Interests. The settlement provisions in Article IV of the Plan are authorized and approved in all respects, subject to, and in accordance with, the terms and conditions thereof, the Plan and this Confirmation Order; and the terms thereof shall be binding upon all Persons, including any and all Holders of Claims or Interests (irrespective of whether such Claims and Interests are Impaired under the Plan or whether the Holders of such Claims and Interests accepted, rejected or are deemed to have accepted or rejected the Plan), any and all Persons who are parties to or are subject to the settlement, compromises, releases, waivers, and injunctions described herein or in the Plan or the settlement provisions in Article IV of the Plan, and their respective heirs, executors, administrators, trustees, affiliates, if any, of the foregoing.

**I. VESTING OF ASSETS IN THE REORGANIZED DEBTORS;
CONTINUED CORPORATE EXISTENCE**

142. On the Effective Date, except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated herein, including the Restructuring Transactions Memorandum and after giving effect to such Restructuring Transactions, pursuant to sections 1141(b) and 1141(c) of the Bankruptcy Code, all property of each Debtor's Estate, including (a) all retained Causes of Action other than (i) the Assigned Third-Party Claims, (ii) the Assigned Insurance Rights, (iii) the Share Repurchase Claims, and (iv) Causes of Actions transferred to and assumed by the General Unsecured Claims Trust, the Asbestos Trust, and the Opioid MDT II, (b) Excluded Insurance Policies, and (c) any property acquired by any of the Debtors pursuant to the

Plan, in each case, shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances (except such Liens securing the New Credit Facilities, the New Takeback Term Loans, the Takeback Second Lien Notes, the New Second Lien Notes, and the First Lien Notes, as applicable). Except as otherwise provided in the Plan or pursuant to actions taken in connection with, and permitted by, the Plan, each of the Debtors, as Reorganized Debtors, shall continue to exist on and after the Effective Date as a separate legal entity with all of the powers available to such legal entity under applicable law and pursuant to the applicable organizational documents, without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) in accordance with such applicable law. On and after the Effective Date, except as otherwise provided in the Plan and the Opioid Operating Injunction, each Reorganized Debtor may operate its business and may use, acquire, encumber, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code. Reorganized Mallinckrodt shall not, and neither shall any of its other subsidiaries, other than the Reorganized VI-Specific Debtors, be involved in the sale or distribution of opioids classified as DEA Schedule II–IV drugs in the future.

J. APPROVAL OF RESTRUCTURING TRANSACTIONS

143. On or prior to the Effective Date or as soon as reasonably practicable thereafter, the Debtors and the Reorganized Debtors, as applicable, are authorized to, consistent with and subject to the terms of the Restructuring Support Agreement and subject to the applicable consent and approval rights thereunder, take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by or necessary or appropriate to effectuate

the Restructuring Transactions (including any transaction described in, approved by, contemplated by, or necessary or appropriate to effectuate the Plan), and as set forth in the Restructuring Transactions Memorandum, including without limitation: (a) the creation of NewCo and/or any NewCo Subsidiaries that may, at the Debtors' or Reorganized Debtors' option in consultation with the Supporting Parties, acquire all or substantially all the assets of one or more of the Debtors; (b) the execution and delivery of appropriate agreements or other documents of sale, merger, consolidation, or reorganization containing terms that are consistent with the terms of the Plan and that satisfy the requirements of applicable law; (c) the execution and delivery of the Transfer Agreement and any other appropriate instruments of transfer, assignment, assumption, or delegation of any property, right, liability, duty, or obligation on terms consistent with the terms of the Plan; (d) the filing of appropriate certificates of incorporation, merger, migration, consolidation, or other organizational documents with the appropriate governmental authorities pursuant to applicable law; and (e) all other actions that the Reorganized Debtors determine are necessary or appropriate; *provided, however*, that nothing in this paragraph or elsewhere in this Confirmation Order or Plan shall modify or excuse the Debtors from complying with applicable limitations or restrictions contained in the Exit Financing Documents.

144. The actions to implement the Restructuring Transactions may include: (a) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the requirements of applicable law and any other terms to which the applicable Entities may agree; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on

terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (c) the filing of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, dissolution, or other organizational documents pursuant to applicable state law; and (d) all other actions that the applicable Entities determine to be necessary or advisable, including making filings or recordings that may be required by law in connection with the Plan, in each case, whether or not contemplated by the Restructuring Transactions Memorandum. Each applicable federal, state, and local governmental agency or department may accept the filing of any such document. This Confirmation Order is declared to be in recordable form and may be accepted by any filing or recording officer or authority of any applicable governmental authority or department without any further orders, certificates, or other supporting documents.

145. In each case in which the surviving, resulting, or acquiring Entity in any Restructuring Transaction is a successor to a Reorganized Debtor, such surviving, resulting, or acquiring Entity shall perform the obligations of the applicable Reorganized Debtor pursuant to the Plan, including (a) the obligations owed to parties under the Exit Financing Documents, (b) the obligations under the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents, and the obligations to make the Opioid Deferred Cash Payments in accordance therewith and in accordance with the Plan, (c) paying or otherwise satisfying the Allowed Claims to be paid or otherwise satisfied by such Reorganized Debtor, and (d) implementing the Management Incentive Plan; *provided*, that the foregoing shall not affect any contract, instrument, or other agreement or document effecting a disposition to such surviving, resulting, or acquiring Entity, which may provide that another Debtor or Reorganized Debtor shall perform such obligations. In all cases, implementation of any Restructuring Transaction shall not

affect (and no Restructuring Transaction is intended to affect) any performance obligations, distributions, discharges, exculpations, releases, or injunctions set forth in the Plan.

K. APPROVAL OF THE NEW CREDIT FACILITIES, NEW TAKEBACK TERM LOANS, TAKEBACK SECOND LIEN NOTES, NEW SECOND LIEN NOTES, AND REINSTATEMENT OF FIRST LIEN NOTES

146. On the Effective Date, the applicable Reorganized Debtors shall enter into the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes, as applicable, the terms of which will be set forth in the Exit Financing Documents. Until the Exit Financing Documents are finalized and executed, without further order or authorization of this Court, the Debtors, the Reorganized Debtors and their successors, subject to any applicable consent and approval rights under the Plan or the Restructuring Support Agreement, are authorized and empowered to further negotiate and make any and all modifications not inconsistent with the Plan (as modified from time to time, including by this Confirmation Order) to the Exit Financing Documents subject to Article XI.A of the Plan.

147. This Confirmation Order shall constitute authorization for the Reorganized Debtors to finalize, execute, deliver, and perform under the Exit Financing Documents, and those documents necessary or appropriate to consummate the transactions contemplated by the Exit Financing Documents and obtain the financing contemplated thereby, including all transactions contemplated thereby, including any and all actions to be taken, undertakings to be made, and obligations to be incurred, fees and expenses paid, and indemnities to be provided, without further notice to or order of the Court, act, or action under applicable law, regulation, order, or rule (including, without limitation, the Bankruptcy Code and section 303 of the Delaware General Corporations Law, to the extent applicable, and any analogous provision of the applicable business organizations law or code of each other state in which the Reorganized Debtors are incorporated or organized) or vote, consent, authorization, or approval of any Person (including, without

limitation, creditors, stockholders, directors, members, or partners of the Debtors or the Reorganized Debtors), subject to such modifications as the Reorganized Debtors may deem to be necessary or appropriate to consummate the transactions contemplated by the Exit Financing Documents. Subject to the occurrence of the Effective Date, the Exit Financing Documents, including without limitation the New Term Loan Documentation, the New AR Revolving Facility Documentation, the New Takeback Term Loans Documentation, the Takeback Second Lien Notes Documentation, and the New Second Lien Notes Documentation shall constitute the legal, valid, and binding obligations of the Debtors and the Reorganized Debtors, as applicable, and shall be enforceable in accordance with their respective terms. Each of the Reorganized Debtors, without any further action by the Court or any respective Reorganized Debtors' officers, directors, or stockholders, is hereby authorized to enter into, and take such actions as necessary or appropriate to perform under, or otherwise effectuate, the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes, the Exit Financing Documents in connection therewith, as well as any notes, documents, or agreements in connection therewith, including, without limitation, any documents required or appropriate in connection with (i) the giving of any guarantees in connection therewith, (ii) the creation or perfection of Liens or other security interests in connection therewith, (iii) the obtaining of commitments in respect thereof or the appointment or retention of any agent, arranger, bookrunner, lender, underwriter, initial purchaser or other similar party in connection therewith (including, without limitation, applicable commitment, engagement or fee letters or any related documentation) or (iv) the obtaining of any rating in connection therewith (including, without limitation, applicable fee and/or engagement letters relating to any such rating).

148. The Liens contemplated by and related to the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, New Second Lien Notes, the Exit Financing Documents and all other related documents, are approved and are valid, binding, and enforceable liens on the collateral specified, and with the priorities set forth, in the relevant agreements executed by the Reorganized Debtors in connection with the incurrence of the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes. The guarantees, mortgages, pledges, Liens, and other security interests granted pursuant to or in connection with the incurrence of the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes are granted in good faith as an inducement to the lenders and other secured parties thereunder to extend credit thereunder and shall be, and hereby are, deemed not to constitute a fraudulent conveyance or fraudulent transfer, shall not otherwise be subject to avoidance, recharacterization, or subordination, and the priorities of such guarantees, mortgages, pledges, liens, and other security interests shall be as set forth in the applicable intercreditor agreement(s) and other Exit Financing Documents executed in connection with the incurrence of the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes. Perfection of such Liens and security interests under the Exit Financing Documents shall occur automatically by virtue of the entry of this Confirmation Order, and any such filings, recordings, approvals, and consents shall not be required, and the Reorganized Debtors and the other Entities granting such Liens and security interests will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties to the extent required by the Exit Financing Documents.

149. The Reorganized Debtors and the secured parties (and their designees and agents) under the Exit Financing Documents are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary or appropriate to evidence, establish, and perfect such Liens in connection with the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes and as otherwise set forth in the Exit Financing Documents under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of the Plan and this Confirmation Order, and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties to the extent required by the Exit Financing Documents.

150. For the avoidance of doubt, (a) the New Takeback Term Loan Facility, if issued, shall be consistent with the First Lien Settlement Term Sheet (as defined in, and as attached to, the Restructuring Support Agreement), as modified in the *Fourth Amended Joint Plan of Reorganization (With Technical Modifications) of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* and otherwise subject to the Restructuring Support Agreement and (b) notwithstanding anything to the contrary set forth in the Plan, the proceeds of the New Term Loan Facility may also be used to finance the making of distributions pursuant to, or of the making of any payments to satisfy obligations established pursuant to, the Plan (but the use of such proceeds shall be subject to and shall comply with the terms and conditions of the applicable Exit Financing Documents and the terms and conditions of the First Lien Notes Indenture, to the extent then in effect). Further, for the avoidance of doubt, (a) the portion of the New Takeback Term Loans, if any, received by a Holder of Allowed 2024 First Lien Term Loan Claims shall be such holder's Pro Rata Share of the New Takeback Term Loans attributable to the

2024 First Lien Term Loan Claims (which, if issued, shall be issued in an aggregate amount equal to the 2024 First Lien Term Loans Outstanding Amount) and (b) the portion of the New Takeback Term Loans, if any, received by a Holder of Allowed 2025 First Lien Term Loan Claims shall be such holder's Pro Rata Share of the New Takeback Term Loans attributable to the 2025 First Lien Term Loan Claims (which, if issued, shall be issued in an aggregate amount equal to the 2025 First Lien Term Loans Outstanding Amount). Further, each reference to the "Second Lien Notes" in the definition of "New Term Loan Facility" in the Plan shall be deemed instead to be a reference to the "New Second Lien Notes".

151. Nothing in this Confirmation Order permits the entrance into any New Term Loan Facility to the extent that both (i) entrance into such New Term Loan Facility is prohibited by the First Lien Notes Indenture (after giving effect to the reinstatement thereof) and (ii) the obligations of the Debtors under the First Lien Notes Indenture are not satisfied and discharged in accordance with the terms thereof (except those obligations that expressly survive such a satisfaction and discharge in accordance with the terms thereof) prior to, or in connection with, the incurrence of the New Term Loan Facility.

152. Notwithstanding anything to the contrary in this Confirmation Order or the Plan, the Court's retention of jurisdiction shall not govern any disputes arising or asserted under the Exit Financing Documents or related collateral or other documents executed in connection with the incurrence of the New Credit Facilities, New Takeback Term Loans, Takeback Second Lien Notes, and New Second Lien Notes or any liens, rights or remedies related thereto.

153. On the Effective Date, subject to the terms of the Plan and this Confirmation Order, the obligations of the Debtors under the First Lien Notes, and the guarantees, mortgages, pledges, Liens, and other security interests granted pursuant thereto or in connection therewith, are hereby

reinstated pursuant to Section 1124 of the Bankruptcy Code. Upon the occurrence of the Effective Date, no Default or Event of Default shall have occurred and be continuing under the First Lien Notes or the First Lien Notes Indenture.

L. APPROVAL OF THE OPIOID DEFERRED CASH PAYMENTS, THE OPIOID DEFERRED CASH PAYMENTS TERMS, AND THE OPIOID DEFERRED CASH PAYMENTS DOCUMENTS

154. On the Effective Date, the applicable Reorganized Debtors shall be obligated to make the Opioid Deferred Cash Payments in accordance with the terms of the Plan, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents (which shall be deemed an attachment to, and an integral part of, this Confirmation Order). Until the Opioid Deferred Cash Payments Terms and the Opioid Deferred Cash Payments Documents are finalized, without further order or authorization of this Court, the Debtors, the Reorganized Debtors and their successors, subject to any applicable consent and approval rights under the Plan, are authorized and empowered to further negotiate and make any and all modifications not inconsistent with the Plan to the Opioid Deferred Payments Terms and the Opioid Deferred Cash Payments Documents subject to Article XI.A of the Plan.

155. This Confirmation Order shall constitute authorization for the Reorganized Debtors to finalize, execute, deliver, and perform their obligations under the Opioid Deferred Cash Payments Terms and the Opioid Deferred Cash Payments Documents and to make the Opioid Deferred Cash Payments in accordance therewith and in accordance with the Plan, in each case, without further notice to or order of the Court, act, or action under applicable law, regulation, order, or rule (including, without limitation, the Bankruptcy Code and section 303 of the Delaware General Corporations Law, to the extent applicable, and any analogous provision of the applicable business organizations law or code of each other state in which the Reorganized Debtors are incorporated or organized) or vote, consent, authorization, or approval of any Person (including,

without limitation, creditors, stockholders, directors, members, or partners of the Debtors or the Reorganized Debtors). Subject to the occurrence of the Effective Date, obligations under the Opioid Deferred Cash Payments Terms and the Opioid Deferred Cash Payments Documents and obligations to make the Opioid Deferred Cash Payments in accordance therewith and in accordance with the Plan shall constitute the legal, valid, and binding obligations of the Debtors and the Reorganized Debtors, as applicable, and shall be enforceable in accordance with their respective terms. Each of the Reorganized Debtors, without any further action by the Court or any of the respective Reorganized Debtors' officers, directors, stockholders, managers, members or partners, as applicable, is hereby authorized to take such actions as necessary to perform, and comply with, their obligations under the Opioid Deferred Cash Payments Terms and the Opioid Deferred Cash Payments Documents and to make the Opioid Deferred Cash Payments in accordance therewith and in accordance with the Plan.

156. The obligations of each obligor with respect to the Opioid Deferred Cash Payments, and the obligations of each obligor under the Opioid Deferred Cash Payments Documents, are incurred in good faith and shall be, and hereby are, deemed not to constitute a fraudulent conveyance or fraudulent transfer, shall not otherwise be subject to avoidance, recharacterization, or subordination.

157. Notwithstanding anything to the contrary in this Confirmation Order or the Plan, the Court shall retain jurisdiction over any disputes arising, or asserted, in connection with the Opioid Deferred Cash Payments, the Opioid Deferred Cash Payments Terms, and the Opioid Deferred Cash Payments Documents.

M. CANCELLATION OF NOTES, INSTRUMENTS, CERTIFICATES, AGREEMENTS, AND EQUITY INTERESTS

158. The provisions of Article IV.F of the Plan shall be, and hereby are, approved in their entirety. Without limiting the foregoing, except for the purpose of evidencing a right to a Plan distribution and except as otherwise set forth in the Plan (including, without limitation, with respect to the reinstatement of the First Lien Notes) and/or, as the case may be, the Scheme of Arrangement, on the later of the Effective Date and the date on which the relevant distributions are made pursuant to Article VI of the Plan and without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by any Person or Entity, all agreements, instruments, and other documents evidencing, related to, or connected with any Claim or Interest and any rights of any Holder in respect thereof, shall be deemed cancelled, discharged, and of no force or effect. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, including for the avoidance of doubt rights under any negative pledge clauses, except the rights provided for pursuant to the Plan. For the avoidance of doubt, nothing contained in this Confirmation Order shall in any way limit or affect the standing of the First Lien Agent, the Second Lien Notes Indenture Trustee, the Second Lien Notes Collateral Agent, the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or the Legacy Unsecured Notes Indenture Trustee to appear and be heard in the Chapter 11 Cases or any other proceeding in which they are or may become party on and after the Effective Date, to enforce any provisions of the Plan or otherwise.

N. CANCELLATION OF LIENS

159. Without limiting any of the provisions of Article IV.F of the Plan and subject to the provisions thereof, except for the purpose of evidencing a right to a Plan distribution and except as otherwise set forth in the Plan (including, without limitation, with respect to the reinstatement of the First Lien Notes) or Exit Financing Documents and/or, as the case may be, the Scheme of Arrangement, on the later of the Effective Date and the date on which the relevant distributions are made pursuant to Article VI of the Plan and without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote or other approval or authorization by any Person or Entity, all Liens securing any Secured Claim shall be fully released, settled, discharged, and compromised and all rights, titles, and interests of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, and the Holder of such Secured Claim shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder, and to take such actions as may be reasonably requested by the Reorganized Debtors or the agents, arrangers, and/or lenders under the Exit Financing Documents to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases, provided that if any such party does not so execute, deliver, and file or record such releases reasonably promptly upon the reasonable request of the Reorganized Debtors, the Reorganized Debtors are hereby authorized to execute and file or record such releases on such party's behalf. The applicable agents and/or trustees shall not have any liability for, and are hereby released and exculpated from, any Cause of Action relating to, arising from, or in connection with the release of Liens and security interests pursuant to this Confirmation Order. The filing of this Confirmation Order with any applicable

federal, state, provincial, or local agency or department (each of which is hereby directed to accept such filing if made) shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

O. PAYMENT OF FEES AND EXPENSES UNDER THE PLAN AND RESTRUCTURING SUPPORT AGREEMENT

160. The provisions of Articles II.A.2 and IV.S of the Plan shall be, and hereby are, approved in their entirety. Without limiting the foregoing, all final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be Filed no later than 45 days after the Effective Date. The Bankruptcy Court will determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior Bankruptcy Court orders. The Reorganized Debtors will pay Professional Fee Claims owing to the Retained Professionals in Cash to such Retained Professionals in the amount the Bankruptcy Court Allows from funds held in the Professional Fee Escrow Account, as soon as reasonably practicable after such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided* that the Debtors' and the Reorganized Debtors' obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account. To the extent that funds held in the Professional Fee Escrow Account are insufficient to satisfy the Allowed amount of Professional Fee Claims owing to the Retained Professionals, the Reorganized Debtors shall pay such amounts within ten (10) Business Days of entry of the order approving such Professional Fee Claims.

161. No later than the Effective Date, the Reorganized Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Retained

Professionals and for no other Entities until all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, claims, or interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. No funds held in the Professional Fee Escrow Account shall be property of the Estates of the Debtors or the Reorganized Debtors. When all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court, any remaining funds held in the Professional Fee Escrow Account shall be remitted to the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity being required. The Retained Professionals shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date projected to be outstanding as of the anticipated Effective Date, and shall deliver such estimate no later than five (5) Business Days prior to the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Retained Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Retained Professionals are not bound to any extent by the estimates. If a Retained Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Retained Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Reorganized Debtors shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications

are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

162. All Restructuring Expenses, including Transaction Fees, and Post Effective Date Implementation Expenses shall be paid in accordance with the Restructuring Support Agreement and Article IV.S of the Plan, and the terms under Article II.A.2 of the Plan shall not apply to the parties entitled to receive the Restructuring Expenses. The Reorganized Debtors shall pay the Post Effective Date Implementation Expenses that they incur on or after the Effective Date in the ordinary course of business and without application or notice to, or order of, the Bankruptcy Court.

163. Notwithstanding anything to the contrary contained in the Restructuring Expenses Order, on the Effective Date, the Reorganized Debtors shall be authorized to pay and shall pay the Noteholder Consent Fee and the Term Loan Exit Payment in full in cash pursuant to the terms of the Plan and the Restructuring Support Agreement, each of which payment shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or any other right of recovery of any Person under any legal or equitable theory or any contract.

164. Professionals that are required to seek payment or reimbursement under Article IV.X.8.F. of the Plan of their compensation, costs and/or fees shall file with the Bankruptcy Court an application for approval of such compensation, costs and/or fees, to be reviewed for reasonableness (a) first, not later than sixty (60) days following the Confirmation Date, with respect to compensation, costs and/or fees incurred during the period prior to November 1, 2021 (the first day of the Confirmation Hearing), and (b) second, not later than sixty (60) days following the Effective Date, with respect to compensation, costs and/or fees incurred during the period of November 1, 2021 through and including the Effective Date. Such applications shall be deemed an application for reasonable compensation for actual services performed by such professionals or

reimbursement for actual expenses incurred, but shall **not** be reviewed pursuant to section 330 of the Bankruptcy Code, nor any of the Bankruptcy Rules, nor any guidelines from the office of the U.S. Trustee, nor any other rules or guidelines applicable to fee applications. Each such application shall set forth the amount of compensation, costs and/or fees sought, provide a narrative basis for such compensation, costs and/or fees, and attach, as applicable, supporting documentation. A single application may cover one or more professionals that represented or advised an ad hoc group. Each such application shall be set for hearing on not less than fourteen (14) days' notice and served upon counsel to the Debtors, counsel to the official Committees, the Future Claims Representative, and the U.S. Trustee. If no objection is filed by any of such parties by the date that is three (3) days prior to such hearing, the Bankruptcy Court may enter an order approving such application without a hearing. With respect to applications filed by professionals that represented or advised the Ad Hoc Group of Personal Injury Victims or the NAS Committee under Article IV.X.8.F. of the Plan, the Supporting Parties have agreed and acknowledged that they shall not file any objections to such applications. Any such application made is without prejudice to any applications by the Ad Hoc Group of Personal Injury Victims, the NAS Committee, or professionals that represented or advised any of the foregoing for allowance and payment of compensation, costs or fees under section 503(b) of the Bankruptcy Code.

Without limiting the foregoing, prior to the Effective Date, the Debtors shall undertake any necessary or advisable steps to have the Reorganized Board in place immediately prior to the Effective Date. The existing officers of the Debtors as of the Effective Date shall remain in their current capacities as officers of the Reorganized Debtors, subject to the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Governance Documents and any applicable employment agreements that are assumed pursuant to the Plan.

173. As of the Effective Date, each Reorganized Debtor's memorandum and articles of association, bylaws, and other New Governance Documents shall, to the fullest extent permitted by applicable law, provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to, current and former managers, directors, officers, equity holders, members, employees, accountants, investment bankers, attorneys, other professionals, or agents of the Debtors and such current and former managers', directors', officers', equity holders', members', employees', accountants', investment bankers', attorneys', other professionals' and agents' respective Affiliates to the same extent as set forth in the Indemnification Provisions, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, fixed, or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. None of the Reorganized

Debtors shall amend and/or restate its memorandum and articles of association, certificate of incorporation, bylaws, or similar organizational document after the Effective Date to terminate or adversely affect, in relation to conduct occurring prior to the Effective Date, (a) any of the Indemnification Provisions or (b) the rights of such current and former managers, directors, officers, equity holders, members, employees, or agents of the Debtors and such current and former managers', directors', officers', equity holders', members', employees', and agents' respective Affiliates referred to in the immediately preceding sentence.

174. On the Effective Date the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Liability Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court. Confirmation of the Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Liability Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors shall retain the ability to supplement such D&O Liability Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary and in consultation with the Required Supporting Unsecured Noteholders. For the avoidance of doubt, the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies is hereby approved.

175. On or after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail

policy” and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with and subject in all respects to the terms and conditions of the D&O Liability Insurance Policies, which shall not be altered.

Asbestos Late Claims, will be assumed by the General Unsecured Claims Trust and will be resolved by the General Unsecured Claims Trustee. Holders of disallowed Asbestos Claims shall have no recourse to the Asbestos Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Asbestos Claims. Only the Asbestos Trustee shall be entitled to object to the Asbestos Claims, and, for the

The Monitor shall be the Chapter 11 Monitor in place as of the Effective Date unless justifiable cause exists and the Monitor Agreement shall remain in full force and effect upon the Effective Date, unless amended or superseded by further order of the Court. None of the Restructuring, the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger

any applicable change of control, vesting, termination, acceleration or similar provisions therein. No counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately prior to such assumption.

203. As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided* that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing in the Plan shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

any nature whatsoever, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, or rights against the Debtors, the Reorganized Debtors, or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, Opioid Claims, Opioid Demands, or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim, Opioid Claim, Opioid Demand, or Interest is Allowed; or (3) the Holder of such Claim, Opioid Claim, Opioid Demand, or Interest has accepted the Plan. For the avoidance of doubt, the Claims against the Debtors, the Reorganized Debtors, and any of their assets and properties discharged pursuant to the Plan shall include (y) any Claims to the extent based on any assertion that the *Wholesale Product Purchase Agreement* (as in effect immediately prior to the Effective Date and including any prior versions of such agreement) between Mallinckrodt ARD LLC and Priority Healthcare Distribution, Inc., and/or the Debtors' (or any predecessor's) pre-Effective Date performance thereunder consistent with its terms, constitute an anticompetitive agreement or other anticompetitive conduct under applicable law, and (z) any Claims based on pre-Effective Date sales of Acthar Gel to the extent based on any assertion that the Debtors' (or any predecessor's) acquisition by license and maintenance of any rights to Synacthen Depot and related assets constitute anticompetitive conduct under applicable law. Except as otherwise provided herein, any default by the Debtors with respect to any Claim, Opioid Claim, or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. This Confirmation Order shall be a judicial

determination of the discharge of all Claims, Opioid Demands, and Interests subject to the Effective Date occurring, except as otherwise expressly provided in the Plan. For the avoidance of doubt, nothing in this Article IX.A shall affect the rights of Holders of Claims and Interests to seek to enforce the Plan, including the distributions to which Holders of Allowed Claims and Interests may be entitled to under the Plan.

205. In consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Opioid Demands, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of this Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Opioid Demands, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromises or settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims and Assigned Insurance Rights; *provided, further*, that the Debtors do not release Claims or Causes of Action against Released Co-Defendants that (i) are commercial in nature, and (ii) are unrelated to the Chapter 11 Cases or the subject matter of a Pending Opioid Action; *provided, further*, that the Debtors do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and this Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. 208. The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.B of the Plan. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.B of the Plan.

209. Entry of this Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in Article IX.B of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the Claims released by the Debtor Release; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; and (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.B of the Plan. It is further understood and agreed that, pursuant to clause (z), the Governmental Units are not precluded from introducing or relying on facts or evidence occurring during the time period prior to the Confirmation Date in support of the request for future injunctive relief and the Debtors' and Reorganized Debtors' rights to object on any evidentiary grounds are reserved thereto.

212. 215. The Court hereby approves Article IX.D of the Plan, which provides:¹⁸ Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Protected Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, each Opioid Claimant (in its capacity as such) is deemed to have released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, each Debtor, Reorganized Debtor, and Protected Party from any and all Claims (including Opioid Claims and Opioid Demands), counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, or attorneys' fees and expenses whatsoever, including any derivative claims asserted, or assertable on behalf of the Debtors, or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown,

Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above (a) do not release any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation and (b) with respect to Co-Defendants and their Co-Defendant Related Parties, do not affect or alter (x) any treatment expressly set forth in Article III or Article V.G. of the Plan, (y) the preservation of Co-Defendant Defensive Rights as set forth in the Plan, including, without limitation, in Article IX.N of the Plan, or (z) any related substantive language set forth in the defined terms applicable to the foregoing clauses (x) or (y), as set forth in Article I of the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or

approval of any person, and this Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release by Opioid Claimants. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Protected Parties under the Plan.

216. Entry of this Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of this release by Opioid Claimants, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that this release is: (1) essential to the confirmation of the Plan; (2) given in exchange for the good and valuable consideration provided by the Protected Parties; (3) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (4) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

217. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to article IX.D of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document,

220. The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.E of the Plan.

222. Entry of this Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Protected Parties set forth in Article IX.E of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims; (b) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims released by the Protected Parties; (c) in the best interests of the Debtors, their Estates and all

223. The findings in the Confirmation Opinion related to the Third-Party Releases (as defined in the Confirmation Opinion) are incorporated by reference into this Confirmation Order, and if there is any direct conflict between the findings in the Confirmation Opinion related to the Third-Party Releases (as defined in the Confirmation Opinion) and as contained anywhere in this Confirmation Order, the findings in the Confirmation Opinion related to the Third-Party Releases (as defined in the Confirmation Opinion) shall control.

224. **Satisfaction of The Third Circuit Standard For Third-Party Releases.** The non-consensual third-party releases under Articles IX.D-E of the Plan satisfy the standard articulated in *In re Continental Airlines*, 203 F.3d 203 (3d Cir. 2000); *see also In re Millennium Lab Holdings II, LLC*, 591 B.R. 559, 584 (D. Del. 2018), *aff'd sub nom. In re Millennium Lab Holdings II, LLC.*, 945 F.3d 126 (3d Cir. 2019) (*citing to In re Master Mortgage Inv. Fund, Inc.*, 168 B.R. 930, 937 (Bankr.W.D.Mo.1994)).²⁰

²⁰ The *Master Mortgage* factors are: “(1) an identity of interest between the debtor and the third party, such that a suit against the non-debtor is, in essence, a suit against the debtor or will deplete assets of the estate; (2) substantial contribution by the non-debtor of assets to the reorganization; (3) the essential nature of the injunction to the reorganization to the extent that, without the injunction, there is little likelihood of success; (4) an agreement by a substantial majority of creditors to support the injunction, specifically if the impacted class or classes “overwhelmingly” votes to accept the plan; and (5) provision in the plan for payment of all or substantially all of the claims of the class or classes affected by the injunction.”

225. **Identity of Interest.** The non-consensual third-party releases under Article IX.D-E of the Plan benefit the Reorganized Debtors and there is an identity of interest between the released third-parties and the Reorganized Debtors. Specifically, Article V.F of the Plan provides that the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

226. Further, Article IV.E of the Plan provides that each Reorganized Debtor's memorandum and articles of association, bylaws, and other New Governance Documents shall provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to, current and former managers, directors, officers, equity holders, members, employees, accountants, investment bankers, attorneys, other professionals, or agents of the Debtors and such current and former managers', directors', officers',

equity holders', members', employees', accountants', investment bankers', attorneys', other professionals' and agents' respective Affiliates to the same extent as set forth in the Indemnification Provisions, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, fixed, or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted.

227. As such, there is an identity of interest because Claims or Causes of Action against the Debtors' directors or officers, agents, employees, professionals, and other parties mentioned in Articles IV.E and V.F will result in financial obligations for litigation and indemnification obligations against the Reorganized Debtors. There is an identity of interest between the Reorganized Debtor and aforementioned third-parties, such that a suit against those third-parties is, in essence, a suit against the Reorganized Debtors.

228. **Significant Contributions.** The Protected Parties being released under the non-consensual third-party releases under Article IX.D-E of the Plan, individually and collectively, made significant contributions, or had significant contributions made on their behalf, to the Chapter 11 Cases. Specifically, their contributions include without limitation negotiating and entering into the Restructuring Support Agreement and the Opioid Settlement (as defined in the Restructuring Support Agreement), facilitating the Debtors' and Reorganized Debtors' funding of the Opioid MDT II Consideration, facilitating the creation of the Opioid MDT II and the Opioid Creditor Trusts, entering into and funding the OCC Settlement, entering into and funding the UCC Settlement, actively supporting the Debtors' reorganization, managing and overseeing the Debtors' businesses during the Chapter 11 Cases, participating in depositions, appearing at Court hearings, and developing the business plan for the Reorganized Debtors so that the Reorganized Debtors could meet financial requirements under the Plan.

229. **Necessity.** The non-consensual third-party releases under Article IX.D-E of the Plan are integral and necessary to the Plan. But for the provision of these releases, the Restructuring Support Agreement, the Plan and its underlying settlements, including the UCC Settlement, OCC Settlement, and the Second Lien Notes Settlement incorporated into the Plan would not have been achieved. Without the releases under the Plan, the Debtors would be forced to continue to participate in thousands of opioid-related litigation and other potential third-party litigation thereby nullifying the benefits of the Plan, the aforementioned settlements incorporated therein, the Opioid Permanent Channeling Injunction, and any other benefits of the Chapter 11 Cases.

230. **Plan Acceptance.** The classes affected (*i.e.*, the opioid creditor classes in the Class 8 and 9 subclasses) by the non-consensual third-party releases under Article IX.D-E of the Plan voted to accept the Plan by the percentages required by section 1126 of the Bankruptcy Code. The final voting results from Prime Clerk demonstrate that the Opioid Claimants overwhelmingly, and nearly unanimously, voted in favor of the Plan. Overall, over 250,000 Opioid Claimants voted to accept the Plan, while approximately 5,000 Opioid Claimants voted to reject the Plan. Of the 12 opioid-related classes and subclasses entitled to vote (Classes 8 and 9(a)-(h)), 11 voted to accept the Plan with each of those subclasses having at least 90% in amount and number accepting the Plan. Specifically, of the Holders of Opioid Claims in Classes 8(a)-(d) that voted, well over 95 percent voted to accept the Plan. Similarly, of the Holders of Opioid Claims in Classes 9(a)-(h) that voted, well over 95 percent voted to accept the Plan. The only rejecting opioid class was Class 9(h) (Other Opioid Claims) which had less than a thousand Opioid Claimants vote to reject the Plan.

231. **Plan Treatment.** The classes affected (*i.e.*, the opioid creditor classes in the Class 8 and 9 subclasses) by the non-consensual third-party releases under Article IX.D-E of the Plan are receiving a substantial amount of consideration under the Plan in exchange for those releases. Specifically, the Opioid MDT II and Opioid Creditor Trusts are receiving the Opioid MDT II Consideration (which includes the Initial Opioid MDT II Payment, the New Opioid Warrants, the Opioid Deferred Cash Payments, the Assigned Third-Party Claims, the Assigned Insurance Rights, and the Opioid MDT II Share Repurchase Proceeds) provided by the Debtors. Further, the Opioid Claimants can pursue their Opioid Claims and Opioid Demands against the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents. The Opioid Claimants are also receiving a reciprocal release *from* the Protected Parties under Article IX.E of the Plan. Further, the Plan provides a mechanism under the Other Opioid Claimant Pro Rata Share for Holders of Other Opioid Claims to receive recoveries commensurate with (and proportionate to) the Holders of Opioid Claims.

GG. EXCULPATION

232. The Court hereby approves Article IX.F of the Plan, which provides:²¹ Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any person for any Claims or Causes of Action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, related to, or arising out of, the Chapter 11 Cases, formulating, negotiating, preparing, disseminating, implementing, filing, administering, confirming or effecting the confirmation or consummation of the Plan, the Disclosure Statement, the Opioid Settlement (as

defined in the Restructuring Support Agreement), the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto), or any contract, instrument, release or other agreement or document created or entered into in connection with any of the foregoing, or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the Disclosure Statement or confirmation or consummation of the Plan, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, or the Opioid Creditor Trust Documents, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; *provided, however*, that the foregoing provisions of this exculpation shall not operate to waive or release: (a) any Causes of Action arising from actual fraud, gross negligence, or willful misconduct of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (b) the rights of any person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; *provided, further*, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions or inactions.

233. The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any

applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

234. The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person or Entity.

HH. PERMANENT INJUNCTION

235. The Court hereby approves Article IX.G of the Plan, which provides:²² Except as otherwise expressly provided in this Confirmation Order or Plan, from and after the Effective Date all persons are, to the fullest extent provided under section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from: (a) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff, or subrogation of any kind; and (e) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Equity Interest or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or this Confirmation Order against any person so released, discharged or exculpated (or the property or estate of any person so released, discharged or exculpated). All injunctions or stays provided in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, or otherwise, and in existence on the confirmation date, shall remain in full force until the Effective

Date; *provided* that nothing in the Plan, Confirmation Order or other Definitive Documents shall in any way extend any stay in effect pursuant to the (x) *Order Granting the Debtors' Motion for Injunctive Relief Pursuant to 11 U.S.C. § 105* [Adv. Pro. No. 20-50850, Adv. Docket No. 170] (the “**First 105 Order**”), (y) *Order Granting the Debtors' Supplemental Motion for Injunctive Relief Pursuant to 11 U.S.C. § 105* [Adv. Pro. No. 20-50850, Adv. Docket No. 180] (the “**Supplemental 105 Order**”), or (z) any previously granted extensions of the First 105 Order or the Supplemental 105 Order ((x), (y) and (z) collectively, the “**105 Orders**”).

236. The Debtors and Reorganized Debtors' rights are reserved to seek relief from the Bankruptcy Court or District Court, as applicable, in the event any party raises or litigates in the Irish Examinership Proceedings any issue or claim that has been previously ruled upon under United States federal or state law in the Bankruptcy Court

II. OPIOID PERMANENT CHANNELING INJUNCTION

237. The Court hereby approves Article IX.H of the Plan, which provides:²³ *TERMS.* Pursuant to section 105(a) of the Bankruptcy Code, from and after the Effective Date, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable, and such Opioid Claimant shall have no right whatsoever at any time to assert its Opioid Claims (including Opioid Demands) against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all Opioid Claimants, including Future

Opioid PI Claimants, shall be permanently and forever stayed, restrained, barred, and enjoined from taking any of the following actions for the purpose of, directly or indirectly or derivatively collecting, recovering, or receiving payment of, on, or with respect to any Opioid Claim (including Opioid Demand) based upon or arising from the Debtors' pre-Effective Date conduct or activities other than from the Opioid MDT II or the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable:

- a. Commencing, conducting, or continuing in any manner, directly, indirectly or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;
- b. Enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any means or in any manner, whether directly or indirectly, any judgment, award, decree, or other order against any Protected Party or any property or interests in property of any Protected Party;
- c. Creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance against any Protected Party or any property or interests in property of any Protected Party;
- d. Setting off, seeking reimbursement of, contribution from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability owed to any Protected Party or any property or interests in property of any Protected Party; or
- e. Proceeding in any manner in any place with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Opioid MDT II or the Opioid Creditor Trusts, as applicable, except in conformity and compliance with the applicable Opioid MDT II Documents and Opioid Creditor Trust Documents.

RESERVATIONS. The foregoing injunction shall not stay, restrain, bar, or enjoin (a) the rights of Opioid Claimants to assert Opioid Claims (including Opioid Demands) against the Opioid MDT II or the Opioid Creditor Trusts, as applicable, solely in accordance with the Plan, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents, as applicable; and (b) the rights of Entities to assert any Claim, debt, obligation, or liability for payment of Trust Expenses against the Opioid MDT II.

MODIFICATIONS. There can be no modification, dissolution, or terminations of this Opioid Permanent Channeling Injunction, which shall be a permanent injunction.

NON-LIMITATION OF CHANNELING INJUNCTION. Nothing in the Plan, the Opioid MDT II Documents, or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability, or effectiveness of the Opioid Permanent Channeling Injunction issued in connection with the Plan.

BANKRUPTCY RULE 3016 COMPLIANCE. The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

JJ. OPIOID INSURER INJUNCTION

238. The Court hereby approves Article IX.I of the Plan, which provides:²⁴ *TERMS.* In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Opioid Insurer, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- c. creating, perfecting or enforcing in any manner any Lien of any kind against any Opioid Insurer, or against the property of any Opioid Insurer, on

²⁴ To the extent of a conflict between this Section II.JJ of this Confirmation Order and the Plan, the Plan controls.

account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;

- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any such Claim based on, arising under or attributable to an Opioid Insurance Policy.

RESERVATIONS. The provisions of this Opioid Insurer Injunction do not apply to the Opioid MDT II and shall not preclude the Opioid MDT II from pursuing any Claim based on, arising under, or attributable to an Opioid Insurance Policy (including the Assigned Insurance Rights) or any other Claim that may exist under any Opioid Insurance Policy against any Opioid Insurer, nor shall it enjoin the Opioid MDT II from prosecuting any action based on, arising from, or attributable to any Opioid Insurance Policy or from asserting any claim, debt, obligation, cause of action, or liability for payment against a Opioid Insurer based on, arising from, or attributable to any Opioid Insurance Policy (including the Assigned Insurance Rights). The provisions of this Opioid Insurer Injunction are not issued for the benefit of any Opioid Insurer, and no such insurer is a third-party beneficiary of this Opioid Insurer Injunction. For the avoidance of doubt, with respect to a Person that purports to be insured under any Opioid Insurance Policy, the Opioid Insurer Injunction shall enjoin only derivative claims and rights. Nothing in the Plan shall determine whether any Claim or right under any Opioid Insurance Policy is either derivative or direct, or otherwise would be disallowed or subordinated under the Bankruptcy Code, which determination shall be made, as necessary, to the extent such Claim or right is not otherwise released under the Plan, in accordance with applicable law.

MODIFICATIONS. To the extent the Opioid MDT II Trustees determine that some or all of the proceeds under the Opioid Insurance Policies are substantially unrecoverable by the Opioid MDT II, the Opioid MDT II shall have the sole and exclusive authority, upon written notice to any affected Opioid Insurer, to terminate, reduce, or limit the scope of this Opioid Insurer Injunction with respect to any Opioid Insurer, *provided* that any termination, reduction, or limitation of the Opioid Insurer Injunction (i) shall apply equally to all Classes of Opioid Claims, and (ii) shall comply with any procedures set forth in the Opioid MDT II Documents.

NON-LIMITATION OF INSURER INJUNCTION. Except as set forth in paragraph 2 and 3 of Article IX.I of the Plan, nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Opioid Insurer Injunction issued in connection with the Plan.

KK. SETTling OPIOID INSURER INJUNCTION

239. The Court hereby approves Article IX.J of the Plan, which provides:²⁵ Terms. In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Settling Opioid Insurer, solely to the extent that such Settling Opioid Insurer has been released from such Claim under such Opioid Insurance Policy pursuant to an Opioid Insurance Settlement, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- c. creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy; and

²⁵ To the extent of a conflict between this Section II.KK of this Confirmation Order and the Plan, the Plan controls.

- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such Opioid Insurance Policy.

REDUCTION OF INSURANCE JUDGMENTS. Any right, Claim, or cause of action that an insurance company may have been entitled to assert against any Settling Opioid Insurer but for the Settling Opioid Insurer Injunction, if any such right, Claim, or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim, or cause of action solely as a setoff claim against the Opioid MDT II and not against or in the name of the Settling Opioid Insurer in question. Any such right, Claim, or cause of action to which an insurance company may be entitled shall be solely in the form of a setoff against any recovery of the Opioid MDT II from that insurance company, and under no circumstances shall that insurance company receive an affirmative recovery of funds from the Opioid MDT II or any Settling Opioid Insurer for such right, Claim, or cause of action. In determining the amount of any setoff, the Opioid MDT II may assert any legal or equitable rights the Settling Opioid Insurer would have had with respect to any right, Claim, or cause of action. Any Opioid Insurance Settlement for which Court approval is sought shall be sent out on notice pursuant to Bankruptcy Rule 9019.

MODIFICATIONS. There can be no modification, dissolution or termination of the Settling Insurer Injunction, which shall be a permanent injunction.

NON-LIMITATION OF SETTling INSURER INJUNCTION. Nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Settling Insurer Injunction issued in connection with the Plan.

LL. OPIOID OPERATING INJUNCTION

240. The Court hereby approves the terms of the Opioid Operating Injunction, a copy of which is attached hereto as **Exhibit B**, and Article IX.K of the Plan.

MM. SETOFFS AND RECOUPMENT AND ACCESS TO OPIOID INSURANCE POLICIES

241. The Court hereby approves Articles IX.L-M of the Plan.

NN. ASSUMED CONTRACTS AND ASSUMED LIABILITIES; CURE COST; "ADEQUATE ASSURANCE"

242. The provisions governing the treatment of Executory Contracts and Unexpired Leases set forth in Article V of the Plan (including the procedures regarding the resolution of any and all disputes concerning the assumption or rejection, as applicable, of such Executory Contracts

and Unexpired Leases) shall be, and hereby are, approved in their entirety. Except as otherwise agreed by the Debtors and the applicable counterparty or counterparties pursuant to Article V.B of the Plan, the Cure Cost under each Executory Contract or Unexpired Lease shall be as set forth in the Contract/Lease Notices. Notwithstanding anything to the contrary in this Confirmation Order, any unresolved formal or informal objections to the Cure Cost of any Executory Contract or Unexpired Lease are not overruled and are adjourned indefinitely.

243. On the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (a) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (b) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (c) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

244. Entry of this Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumption of the Executory Contracts and Unexpired Leases (including the Restructuring Support Agreement pursuant to Article V.A of the Plan) pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as

such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease or the execution of any other Restructuring Transaction (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. For the avoidance of doubt, consummation of the Restructuring Transactions shall not be deemed an assignment of any Executory Contract or Unexpired Lease of the Debtors, notwithstanding any change in name, organizational form, or jurisdiction of organization of any Debtor in connection with the occurrence of the Effective Date.

245. Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the Debtors or Reorganized Debtors, as applicable, reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion prior to the Confirmation Date (or such later date as may be permitted by Article V.B or Article V.E below), *provided* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

246. On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth in the Plan, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement,

exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

OO. ASSUMPTION OF RESTRUCTURING SUPPORT AGREEMENT

247. Upon entry of this Confirmation Order, the Restructuring Support Agreement will be deemed assumed by the Debtors pursuant to sections 365 and 1123 of the Bankruptcy Code, with such assumption effective as of the Effective Date.

PP. CLAIMS, PROFESSIONAL COMPENSATION, AND BAR DATES

1. Claims Generally.

248. **Provisions Governing Distributions.** The distribution provisions of Article VI of the Plan shall be, and hereby are, approved in their entirety. Except as otherwise set forth in the Plan or this Confirmation Order, the Distribution Agent shall make distributions to Holders of Allowed Claims other than Opioid Claims at the address for each such Holder as indicated in the Debtors' records as of the date of any such distribution, including the address set forth in any Proof of Claim Filed by that Holder or, with respect to Holders of Allowed First Lien Revolving Credit Facility Claims and Allowed First Lien Term Loan Claims, the address recorded as of the Effective

Date in the register maintained by the First Lien Agent; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors. The Debtors and the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Distribution Agents to facilitate the distributions required under the Plan. The timing of distributions required under the Plan or this Confirmation Order shall be made in accordance with and as set forth in the Plan or this Confirmation Order, as applicable. The Debtors' obligation to make any distributions on account of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust will be satisfied by the transfer of the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust. The General Unsecured Claims Trustee shall make the Initial Fixed Distribution as soon as reasonably practicable after the Effective Date in accordance with the Plan, with additional distributions made in accordance with the Plan and General Unsecured Claims Trust Documents. The Opioid MDT II and Opioid Creditor Trusts will resolve Opioid Claims and make distributions on account thereof in accordance with the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

249. Procedures for Resolving Contingent, Unliquidated, And Disputed Claims or Interests. The procedures for resolving contingent, unliquidated, and disputed Claims and Interests contained in Article VII of the Plan shall be, and hereby are, approved in their entirety. If any Proof of Claim is filed in the Chapter 11 Cases, the Debtors or Reorganized Debtors, as applicable, must address such Claim and provide notice to the Court regarding whether such Claim will need to be addressed by the Court.

250. Opioid Claimants Proof of Claims for Opioid Claims. As set forth in Article VII.G of the Plan, Holders of Opioid Claims or VI Opioid Claims are not required to File a Proof

of Claim in the Chapter 11 Cases or a request for payment of an Administrative Claim on account of such Holder's Opioid Claims or VI Opioid Claims, and no such Holders should File such a Proof of Claim or such request for payment; *provided, however*, that a Holder of an Opioid Claim or VI Opioid Claim that wishes to assert Claims against the Debtors that are not Opioid Claims or VI Opioid Claims must File a Proof of Claim or a request for payment of an Administrative Claim with respect to such Claims which are not Opioid Claims or VI Opioid Claims on or before the applicable Claims Bar Date.

251. Notwithstanding the foregoing and subject to Article IV.Y in the Plan, the Opioid MDT II Administrator may establish a bar date for all Other Opioid Claims, which will be the date that is 60 days after the service of a notice to be filed with the Bankruptcy Court by the Opioid MDT II Administrator, in accordance with Article IV.Y of the Plan, stating that all Other Opioid Claimants must submit to the Opioid MDT II Administrator a proof of claim form (in a form substantially similar to Official Bankruptcy Form No. 410) within 60 days of the service of such notice. A sample proof of claim form shall be attached to the notice of the Other Opioid Claims Bar Date.

252. **Disallowance of Certain Funded Debt Claims.** Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the following Claims shall be disallowed on the Effective Date except as otherwise ordered by a Final Order of the Bankruptcy Court before the Effective Date: (a) any First Lien Credit Agreement Claims (i) for default rate interest under Section 2.13(c) of the First Lien Credit Agreement in excess of the non-default rate applicable under Sections 2.13(a) or (b) of the First Lien Credit Agreement, or (ii) for interest based on the asserted conversion of any "Eurocurrency Borrowing" to an "ABR Borrowing" (each as defined in the First Lien Credit Agreement) under Section 2.07(e)

of the First Lien Credit Agreement, to the extent such interest exceeds the interest payable on such borrowing as a Eurocurrency Borrowing; *provided* that, notwithstanding the foregoing, the Allowed First Lien Revolving Credit Facility Claims and the Allowed First Lien Term Loan Claims shall include the applicable amount of First Lien Revolving Credit Facility Accrued and Unpaid Interest and the First Lien Term Loans Accrued and Unpaid Interest, respectively, and such First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest shall not be subject to disallowance; *provided, further*, that notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the First Lien Credit Agreement, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order and any repayments of principal made pursuant to the *Order Granting Motion for Order (I) Authorizing Use of Cash Collateral Other Than in the Ordinary Course of Business, (II) Granting Limited Relief from the Automatic Stay, and (III) Granting Related Relief* [Docket No. 1745] (such payments of principal, the “**Cashflow Sweep Payments**”) during the Chapter 11 Cases to the First Lien Revolving Lenders, the First Lien Term Lenders and their respective agents and professionals shall be deemed indefeasibly paid to and retained by the First Lien Revolving Lenders, the First Lien Term Lenders and such agents and professionals, as applicable, and not recharacterized as principal payments (other than payments of principal made on or prior to April 23, 2021 (including, without limitation, the Cashflow Sweep Payments) and First Lien Term Loan Principal Payments, which payments shall in each case be treated as principal payments) or otherwise subject to disgorgement, recovery, turnover, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the First Lien Revolving Credit Facility Claims or the First Lien Term Loan Claims, as applicable; (b) any First Lien Notes Claims (i) for any “Additional Amounts” (as defined in the First Lien

Notes Indenture) or (ii) for default rate interest under Section 2.11 of the First Lien Notes Indenture; (c) any Second Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the Second Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the Second Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the Second Lien Notes Indenture; *provided*, that notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the Second Lien Notes Indenture, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order during the Chapter 11 Cases to the Holders of Second Lien Notes and their respective agents and professionals shall be deemed indefeasibly paid to and retained by the Holders of Second Lien Notes and such agents and professionals, as applicable, and not recharacterized as principal payments or otherwise subject to disgorgement, recovery, turnover, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the Second Lien Notes Claims; and (d) any Claims for payment of any amounts payable pursuant to the Cash Collateral Order arising after the Effective Date.

253. **Resolution of First Lien Noteholders’ Objections to Plan and Debtors’ Objection to First Lien Noteholders’ “Applicable Premium” Claim.**²⁶ At the end of an evidentiary hearing and oral argument held on November 5, 2021, the Court issued a ruling (the “**November 5, 2021 Ruling**”) overruling the objections to the Plan set forth in the *Objection and Response of the Ad Hoc First Lien Notes Group to (A) First Amended Joint Plan of Reorganization*

²⁶ Capitalized terms used in this paragraph of the Confirmation Order but not otherwise defined in the Confirmation Order shall have the meanings ascribed to such terms in the Funded Debt Claim Objection.

of Mallinckrodt Plc and its Debtor Affiliates under Chapter 11 of the Code and (B) Debtors' Objection to Funded Debt Claims [Docket No. 4709] (the "**Ad Hoc First Lien Notes Group Objection**"); (b) *Columbus Hill Capital Management, L.P.'s (A) Objection to Confirmation of Debtors' Joint Plan of Reorganization and (B) Response to Objection to Funded Debt Claims* [Docket No. 4729] (the "**Columbus Hill Objection**"); and (c) the *Statement of Wilmington Savings Fund Society, FSB as Indenture Trustee in Support of the Ad Hoc First Lien Notes Group's Objection* [Docket No. 4713] (the "**Wilmington Statement**," and collectively with the Ad Hoc First Lien Notes Group Objection and the Columbus Hill Objection, the "**First Lien Noteholders' Plan Objections**"). For the reasons set forth by the Court on the record in in the November 5, 2021 Ruling, the First Lien Noteholders' Plan Objections are overruled, other than as set forth in paragraph 286 of this Confirmation Order, which provides that Holders of First Lien Notes that objected to the confirmation of the Plan shall be permitted to opt out of the release set forth in Article IX.C of the Plan. All findings of fact and conclusions of law set forth in the November 5, 2021 Ruling are expressly incorporated into this Confirmation Order. In light of the Court's conclusion – as stated in the November 5, 2021 Ruling – that the proposed treatment of the First Lien Notes Claims under the Plan satisfies 11 U.S.C. § 1124(2) (*i.e.*, reinstatement without payment of any First Lien Notes Makewhole Claim), the Funded Debt Claim Objection is otherwise moot to the extent it addresses the First Lien Notes Makewhole Claim. For the reasons set forth in the November 5, 2021 Ruling, the Holders of First Lien Notes Claims shall not have, and shall hereby be prohibited and enjoined from asserting, any claims (including, without limitation, for turnover of payments) against any of the Prepetition Secured Parties (as defined in the Cash Collateral Order) or their agents, advisors, or other representatives under any of the Intercreditor Agreements in any way arising from, relating to, or as a result of the Debtors'

restructuring, the Plan, the distribution of property or any payments made under the Plan, or any order of the Bankruptcy Court in this case, or any other transaction, agreement, event, omission or other occurrence taking place on or before the Effective Date related or relating to any of the foregoing.

2. Administrative Claims.

254. The provisions governing the treatment of Allowed Administrative Claims set forth in Article II.A of the Plan are approved in their entirety. Without limiting the foregoing, except for any Administrative Claim subject to the Initial Administrative Claims Bar Date, all requests for payment of an Administrative Claim (excluding, for the avoidance of doubt, VI Opioid Claims, Cure Costs, Professional Fee Claims, the Disinterested Managers Fees and Expenses, Restructuring Expenses, Administrative Claims held by a Debtor or Non-Debtor Affiliate against a Debtor, Indenture Trustee Fees (to the extent they would be Administrative Claims) or United States Trustee quarterly fees payable pursuant to Article II.C below) that accrued on or before the Effective Date that were not otherwise satisfied in the ordinary course of business must be Filed with the Bankruptcy Court and served on the Debtors no later than the Administrative Claims Bar Date. If a Holder of an Administrative Claim (excluding, for the avoidance of doubt, VI Opioid Claims, Cure Costs, Professional Fee Claims, the Disinterested Managers Fees and Expenses, Restructuring Expenses, Indenture Trustee Fees (to the extent they would be Administrative Claims) or United States Trustee quarterly fees payable pursuant to Article II.C below) is required to, but does not, File and serve a request for payment of such Administrative Claim by the Administrative Claims Bar Date, such Administrative Claim shall be considered Allowed only if and to the extent that no objection to the allowance thereof has been interposed within three months following the subsequent filing and service of such request or as otherwise set by the Bankruptcy Court or such an objection is so interposed and the Claim has been Allowed by a Final Order;

provided that any Claim Filed after entry of a decree closing the Debtors' Chapter 11 Cases shall not be Allowed unless the Holder of such Claim obtains an order of the Bankruptcy Court allowing such Claim. For the avoidance of doubt, Administrative Claims that were subject to the Initial Administrative Claims Bar Date, proof of which was not timely submitted in accordance with the Initial Administrative Claims Bar Date Order, shall be disallowed.

3. Rejection Damage Claims.

255. Unless otherwise provided by a Bankruptcy Court order, and except as otherwise provided in this section of or otherwise in the Plan, any Proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Effective Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease). Any Proofs of Claim arising from the rejection of the Executory Contracts and Unexpired Leases that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court. All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall constitute General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan; *provided*, however, as set forth in Article V.G. of the Plan, any Claims arising out of the rejection of an Executory Contract that are Co-Defendant Claims shall be either Other Opioid Claims or No Recovery Opioid Claims, and shall be treated in accordance with the Plan, and the deadline for the filing of Proofs of Claim arising out of the rejection of an Executory Contract or Unexpired Lease set forth in Article V.C. of the Plan shall not apply with respect to any Co-Defendant Claim.

QQ. U.S. FEDERAL INCOME TAX MATTERS**1. U.S. Federal Income Tax Matters Relating to Opioid MDT II.**

256. The Opioid MDT II shall be structured to qualify as a “qualified settlement fund” for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes, to the extent applicable. Payments to the Opioid MDT II (whenever made, and from whatever source) shall constitute “restitution . . . for damage or harm” within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of payments to the Opioid MDT II on account of Opioid Claims, and such tax characterization shall not be construed to be dispositive for any non-tax purpose. Nor shall such tax characterization be construed to mean that Debtors’ payments satisfy the full extent of the liability associated with Opioid Claims, the satisfaction of which remains a valuable right assigned to the Opioid MDT II, nor that the remaining liability associated with Opioid Claims seeks restitution as a form of relief.

257. In addition, the Public Schools’ Special Education Initiative Contribution shall constitute “restitution . . . for damage or harm” within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization

of the Public Schools' Special Education Initiative Contribution, and such tax characterization shall not be construed to be dispositive for any non-tax purpose.

258. Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, on the one hand, and the Reorganized Debtors, on the other, shall reasonably cooperate in good faith with each other and their respective representatives with respect to the reporting required pursuant to Section 6050X of the Internal Revenue Code regarding the payments or transfers of property required under the Plan, with the goal of eliminating redundancies and complying with their reporting requirements, if any, in an efficient manner, including, if permitted under applicable law, appointing a single appropriate official to file a single information return in accordance with Treasury Regulation Sections 1.6050X-1(b)(3) and 1.6050X-1(f)(1)(ii)(B). Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, as applicable, shall, no later than thirty (30) days prior to the date on which each such information return, if any, is required to be filed, provide to the Reorganized Debtors a draft of any such information return it has determined that it is required to file with the IRS with respect to payments or transfer of property to it under the Plan and, prior to filing, shall consider in good faith any and all comments timely received from the Reorganized Debtors with respect thereto. If, after consultation with its tax advisors, the Trustees or other authorized persons of the Opioid MDT II, NOAT II or the Public Schools' Special Education Initiative reasonably determine in good faith that any such comments should not be reflected in such filing, the parties shall use reasonable best efforts to negotiate in good faith so as to reach a mutually agreeable resolution. If the parties are unable to reach a mutually agreeable resolution, the matter shall be resolved as directed by the Bankruptcy Court. In addition, each of the Opioid MDT II and the Public Schools' Special Education Initiative shall use reasonable best efforts to provide to the Reorganized Debtors, no

later than fifteen (15) days following the end of each calendar quarter, an estimate of the aggregate payments to any attorneys' fee funds established pursuant to Article IV.X.9 of the Plan.

259. The Opioid MDT II Trustees may request an expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the Opioid MDT II for all taxable periods through the dissolution of the Opioid MDT II. Each Opioid Creditor Trustee may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the applicable Opioid Creditor Trust for all taxable periods through the dissolution of such Opioid Creditor Trust.

260. Nothing in the Plan or this Confirmation Order, including without limitation this Paragraph 260, shall be deemed to (a) determine the United States federal tax liability of any Person, including but not limited to the Debtors, (b) have determined the United States federal tax treatment of any item, distribution or Entity, including the federal tax consequences of the Plan or this Confirmation Order, or (c) expressly expand or diminish the jurisdiction of the Bankruptcy Court to make determinations as to United States federal tax liability and United States federal tax treatment under the Bankruptcy Code and 28 U.S.C. §§ 157, 1334.

2. Compliance with Tax Requirements/Allocations.

261. To the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary (except for the *Consent Rights of Supporting Parties* in Article I.C of the Plan), the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, including requiring as a

condition to the receipt of a distribution, that the Holders of an Allowed Claim complete an IRS Form W-8 or W-9, as applicable. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

The parties to the JJCI APAP Agreements agree that such agreements contain no provisions affected by Article V.G of the Plan, and, from and after the Effective Date, no party to any JJCI APAP Agreement will assert any right to indemnification thereunder to the extent such a right would have been affected by Article V.G of the Plan.

For the avoidance of doubt, BMS is not deemed to have consented to the amendment and release provisions as described in Article V.G of the Plan related to the Debtors’ indemnification obligations under any BMS contract (including the BMS IV APAP Agreement dated February 1, 2006) and notwithstanding anything to the contrary in the Plan (including Article V.G. of the Plan), there shall be no deemed or implied amendment or modification of any BMS contract.

267. **Reservation of Rights under Police and Regulatory Laws - West Lake Landfill Superfund Site.** Notwithstanding anything to the contrary in the Plan, the injunctions, releases, and discharges set forth in the Plan shall not impair the rights, claims or causes of action of the United States or the State of Missouri under police and regulatory laws and regulations, against the Debtors regarding the West Lake Landfill Superfund Site, specifically with respect to the work of certain of the Debtors and/or their predecessors under various contracts with the U.S. Army Corps of Engineers, as assumed by the Atomic Energy Commission, a predecessor-in-interest to the Department of Energy, to support the production of refined uranium, including their production, storage and disposal of radioactive material, consisting of source, special nuclear, and/or byproduct material, in the greater St. Louis, Missouri area (“**Manhattan Project**”); and such rights, claims and causes of action shall not be discharged or otherwise adversely affected by the Plan, shall survive the Chapter 11 Case as if it had not been commenced, and may be determined or adjudicated before the respective administrative agency having jurisdiction or court of competent jurisdiction. Any recovery based on the Defined Liabilities from the Debtors or their estates or the Reorganized Debtors shall be limited to their ability to recover the same from their indemnitors pursuant to said contracts, provided that Mallinckrodt LLC agrees to timely tender claims for indemnification to such indemnitors for any judgment entered against it for, or settlement by Mallinckrodt LLC of, a Defined Liability. - a. Notwithstanding anything in this section RR.14 of this Confirmation Order, and to the extent otherwise permitted under applicable law (including, to the extent applicable, the terms of the Separation and Distribution Agreement by and between Covidien plc and Mallinckrodt plc dated as of June 28, 2013 (the “**Separation and Distribution Agreement**”)), the erosion of any applicable limits of a Shared Policy as a result of a settlement between the Opioid MDT II and an Opioid Insurer of Opioid MDT II Insurance Rights, or the payment of claims or settlement amounts to the Opioid MDT II by an Opioid Insurer under a Shared Policy in respect of Opioid MDT II Insurance Rights, shall not be or be deemed to be an impermissible release of any rights of Covidien under a Shared Policy, and shall not be rendered ineffective by this section RR.14 of this Confirmation Order.

- b. Nothing in the Plan, Plan Documents or this Confirmation Order shall grant the Opioid MDT II (a) any rights under any Insurance Contracts that are not Opioid Insurance Policies or (b) any rights in any Shared Policies beyond the Opioid MDT II Insurance Rights.
- c. With regard to any rights of Covidien under any Shared Policy, no injunction or other provision in the Plan, including the Opioid Insurer Injunction, the Settling Opioid Insurer Injunction, the Opioid Permanent Channeling Injunction, and the Opioid Claimant Release, shall enjoin or otherwise bar Covidien from exercising rights, if any, it may have under any Shared Policy, including against any Opioid Insurer, Settling Opioid Insurer or other Insurer ("**Covidien Insurance Rights**"). Similarly, notwithstanding anything in this section RR.14 of this Confirmation Order, and to the extent otherwise permitted under applicable law (including, to the extent applicable, the terms of the Separation and Distribution Agreement), the erosion of any applicable limits of a Shared Policy as a result of a settlement between Covidien and an Opioid Insurer of any Covidien Insurance Rights, or the payment of claims or settlement amounts to Covidien by an Opioid Insurer or other Insurer under a Shared Policy in respect of Covidien Insurance Rights, shall not be or be deemed to be an impermissible release of any Opioid MDT II Insurance Rights under a Shared Policy and shall not be deemed barred by, or a violation of, the Opioid Insurer Injunction, the Settling Opioid Insurer Injunction, and the Opioid Permanent Channeling Injunction or any other injunction or provision in the Plan barring the exercise of any rights under any Opioid Insurance Policy, or the Opioid Claimant Release and shall not be rendered ineffective by this section RR.14 of this Confirmation Order.

hearing on the merits, finding, conclusion, or determination of the specific consequences or effect of the Plan, the Plan Supplement, this Confirmation Order, or any other ruling by the Bankruptcy Court on any particular insurance coverage issue, including, without limitation, the rights and obligations of any Insurers or the Debtors or their successors under any of the Insurance Contracts, including the Opioid Insurance Policies (collectively, the “**Insurance Coverage Issues**”). In the event of any dispute concerning any Insurance Coverage Issue, such dispute shall be resolved pursuant to the terms and conditions of the Insurance Contracts, including the Opioid Insurance Policies, and/or applicable law in a subsequent litigation or other proceedings as appropriate, with any and all rights with respect thereto preserved.

278. For the avoidance of doubt, this paragraph shall not impact the release or other treatment of CVS/Caremark's Co-Defendant Claims and Opioid Claims (including Opioid Demands) set out under the terms of the Plan and this Order (collectively, the "**CVS/Caremark Co-Defendant Release Provisions**") and, to the extent there is any conflict between this paragraph and any CVS/Caremark Co-Defendant Release Provisions, the CVS/Caremark Co-Defendant Release Provisions shall govern.

283. 294. **Insurers' Settlement Language.** Notwithstanding any provision of the Plan or this Confirmation Order to the contrary, the Settlement Agreements (as defined in the Insurer Stipulation) with the Alleged Environmental Insurers (as defined in the Insurer Stipulation) are assumed by the Debtors under section 365 of the Bankruptcy Code, with the Alleged Environmental Insurers' (as defined in the Insurer Stipulation) consent under the facts and circumstances of this case, and with the Reorganized Debtors retaining all of the Debtors' prepetition rights and obligations under the Settlement Agreements (as defined in the Insurer Stipulation), and none of the Debtors' obligations, including any obligations to indemnify and hold harmless the Alleged Environmental Insurers (as defined in the Insurer Stipulation), being discharged, channeled, or impaired under the Plan. Neither the Plan, nor this Confirmation Order, shall impact any rights and obligations the Alleged Environmental Insurers (as defined in the Insurer Stipulation) might have under the Settlement Agreements (as defined in the Insurer Stipulation) with respect to entities other than the Debtors and Reorganized Debtors.

295. **Life Sciences Policy.** Notwithstanding any provision of the Plan or this Confirmation Order to the contrary, the Life Sciences Policy (as defined in the Insurer Stipulation) issued by Columbia Casualty Company ("**Columbia**") is assumed and assigned by the Debtors under section 365 of the Bankruptcy Code to the Opioid MDT II, with Columbia's consent under the facts and circumstances of this case, and with the Reorganized Debtors retaining no interest in, nor any right to make claims under, the Life Sciences Policy, as an Excluded Insurance Policy or otherwise, and with all of Columbia's rights and defenses under the Life Sciences Policy preserved and left unimpaired.

25. Humana Pharmacy.

296. In resolution of the *Limited Objection of Humana Pharmacy, Humana Pharmacy Solutions, Inc., and Enclara Pharmacia, Inc. to Confirmation of the Plan and Assumption of Executory Contracts* [Docket No. 4219], the Debtors, on the one hand, and Humana Pharmacy, Inc., Humana Pharmacy Solutions, Inc., and Enclara Pharmacia, Inc. (collectively, “**Humana Pharmacy**”), on the other hand, agree that, in accordance with the terms of the Plan, Humana Pharmacy is a Released Co-Defendant; *provided, however*, Humana, Inc. and its predecessors, successors, assigns, subsidiaries, and Affiliates other than Humana Pharmacy are not Co-Defendant Related Parties. In addition, a Co-Defendant Claim does not include any claim of the type alleged by Humana, Inc. on behalf of its subsidiaries and Affiliates against the Debtors in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, MDL No. 2724.

26. State Acthar Settlement Agreement.

297. Notwithstanding anything to the contrary set forth in the Plan, this Confirmation Order or any other Definitive Document (as defined in the Plan):

- a. In the event of any conflict between the Plan or this Confirmation Order, and a Federal/State Acthar Settlement Agreement signed by any Settling State (each a “**Rebate Claims State Settlement Agreement**,” and collectively, the “**Rebate Claims State Settlement Agreements**”), the Rebate Claims State Settlement Agreements shall control, including, without limitation, with respect to the release, discharge and/or injunction provisions of the Plan and this Confirmation Order. For the avoidance of doubt, (i) the release, discharge and/or injunction provisions of the Plan and this Confirmation Order shall not be applicable to, and shall not bar, restrict or limit, the rights and remedies granted to the Settling States in the Rebate Claims State Settlement Agreements, including, without limitation, the right to pursue the Landolt Civil Action (as defined in the Rebate Claims State Settlement Agreements) or any other action, as may be permitted in the Rebate Claims State Settlement Agreements, and (ii) 11 U.S.C. § 525 shall not apply to, or bar, restrict or limit, the rights accorded the Settling States in Paragraphs 22 and 23 of the Rebate Claims State Settlement Agreements to exclude Mallinckrodt from participating in any State Medicaid Programs.

- b. Any statutes of limitation and/or laches defense applicable to the Covered Conduct (as defined in the Rebate Claims State Settlement Agreements) are tolled for each Settling State until such time as all payment obligations under the Rebate Claims State Settlement Agreements have been satisfied by the Reorganized Debtors, and any default provision contained in the Rebate Claims State Settlement Agreements shall survive confirmation and shall not be subject to any discharge, release or injunction.
- c. The State courts shall have concurrent jurisdiction with this Court with respect to interpretation and/or enforcement of Rebate Claims State Settlement Agreements.

27. IQVIA Inc.

298. In resolution of the *Limited Objection of IQVIA RDS Inc. to Notice of Cure Amounts in Connection with Contracts and Leases* [Docket No. 3783], the *Limited Objection of IQVIA RDS INC. to Joint Plan of Reorganization of Mallinckrodt plc and its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 4132], and the *Supplemental Objection of IQVIA Inc., on Behalf of Itself, its Subsidiaries and Affiliates, to Notice of Cure Amounts in Connection with Contracts and Leases and Assumption of Leases* [Docket No. 4928], the Debtors, on the one hand, and IQVIA Inc. (formerly known as IMS Health Incorporated), its subsidiaries, affiliates, or related companies including, but not limited to, IQVIA RDS, Inc., ValueCentric, LLC, BuzzeoPDMA LLC, Highpoint Solutions, LLC, DMD Marketing, Quintiles, Inc., Quintiles Consulting, Inc., and Polaris Solutions, and their successors and assigns (collectively, “**IQVIA**”), on the other hand, hereby agree that any and all contracts or other agreements (together with any addenda, amendments, quotations, solutions, purchase orders, statements of work, project plans, and other exhibits, schedules and/or instruments related thereto, collectively, the “**Assumed IQVIA Contracts**”) other than the Rejected IQVIA Contracts (as defined below) that exist as of the Effective Date between any of the Debtors and IQVIA—including, but not limited to, the applicable agreements identified on the Assumed Executory Contract/Unexpired Lease List filed as Exhibit V to the Plan Supplement (as such list may be amended, supplemented, or otherwise

modified from time to time)—are hereby assumed as of the Effective Date upon payment to IQVIA of the cure amount of \$693,504.33 (the “**Cure Amount**”) pursuant to sections 365 and 1123 of the Bankruptcy Code. For the avoidance of doubt, IQVIA has expressly and effectively opted out of Article V.G of the Plan with respect to the Assumed IQVIA Contracts and the Assumed IQVIA Contracts shall be assumed in full and as-is, without any modification or amendment whatsoever, including, without limitation, all indemnification obligations contained therein, and IQVIA has not, and will not be deemed to, waive or release the Debtors, the Reorganized Debtors, or the Insurers (acting in such capacity) from any obligations to indemnify, reimburse, or provide contribution to IQVIA under the Assumed IQVIA Contracts in any respect including, but not limited to, obligations to indemnify, reimburse, or provide contribution to IQVIA that accrue after the Effective Date whether or not such obligations are based on acts or omissions arising prior to the Effective Date. The following contracts or agreements (collectively, the “**Currently Rejected IQVIA Contracts**”) shall be rejected as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code: (i) Customer Services Agreement dated May 20, 2013 between BuzzeoPDMA LLC, Quarles & Brady LLP and Mallinckrodt LLC (and SOWs issued thereunder); (ii) User-Customer Agreement for AMA Physician Professional Data dated January 1, 2011 between IMS Health Incorporated and Mallinckrodt LLC (and SOWs issued thereunder); (iii) Exalgo CRO – Clinical Research Organization Master Services Agreement dated December 30, 2011 between IMS Health Incorporated and Mallinckrodt LLC (and SOWs issued thereunder); (iv) IMS Solutions Agreement – Mallinckrodt-ISA 13-15 dated June 1, 2013 between Mallinckrodt LLC and IQVIA Inc., formerly known as IMS Health Incorporated and the Software-as-a-Service Addendum (and SOWs issued thereunder); and (v) MIDAS/SMART Information Services Agreement (and SOWs issued thereunder). Notwithstanding the foregoing, nothing herein shall

preclude the Debtors from rejecting other contracts or agreements with IQVIA (collectively, and together with the Currently Rejected IQVIA Contracts, the “**Rejected IQVIA Contracts**”) prior to the Effective Date; *provided, however*, that IQVIA expressly reserves the right to object to any such additional rejection designations or any adjustment to the Cure Amount as a result thereof.

28. Sanofi-Aventis U.S. LLC.

299. Footnote 178 of the Confirmation Opinion is hereby clarified. The reference to a \$45 million claim in footnote 178 of the Confirmation Opinion reflects the value (for Confirmation Hearing trial purposes only) of Sanofi’s claim as testified by Mr. Eisenberg. The rights of all parties are expressly reserved with respect to allowance or disallowance of Sanofi’s claims.

SS. POST-CONFIRMATION NOTICE AND NOTICE OF EFFECTIVE DATE

300. In accordance with Bankruptcy Rules 2002 and 3020(c), within [10] Business Days of the date of entry of this Confirmation Order, the Debtors shall serve a notice of the Plan confirmation (the “**Notice of Confirmation**”) substantially in the form attached hereto as **Exhibit C** by United States mail, first class postage prepaid, by hand, or by overnight courier service to all parties served with the Confirmation Hearing Notice; *provided* that no notice or service of any kind shall be required to be mailed or made upon any Entity to whom the Debtors mailed a Confirmation Hearing Notice, but received such notice returned marked “undeliverable as addressed,” “moved, left no forwarding address” or “forwarding order expired,” or similar reason, unless the Debtors have been informed in writing by such Entity, or are otherwise aware, of that Entity’s new address after conducting a commercially reasonable search therefor. To supplement the notice described in the preceding sentence, within 10 days of the date of this Confirmation Order the Debtors shall submit for publication the Notice of Confirmation once in USA Today and The Wall Street Journal (national edition). Mailing and publication of the Notice of Confirmation in the time and manner set forth in this paragraph shall be good and sufficient notice under the

particular circumstances and in accordance with the requirements of Bankruptcy Rules 2002 and 3020(c), and no further notice is necessary.

301. The Notice of Confirmation may constitute sufficient notice of the entry of this Confirmation Order to filing and recording officers and may be a recordable instrument notwithstanding any contrary provision of applicable non-bankruptcy law.

302. Pursuant to Bankruptcy Rules 2002(f)(7) and 3020(c), the Reorganized Debtor is authorized and directed to file and serve, within ten (10) days after the occurrence of the Effective Date, a notice of the Effective Date, which shall include notice of, among other things, (i) any outstanding applicable bar dates established by the Plan and this Confirmation Order; (ii) the issuance of the injunctions under the Plan, including the Opioid Permanent Channeling Injunction; (iii) the Effective Date; and (iv) notice of substantial consummation of the Plan on all parties that received notice of the Confirmation Hearing.

TT. EXEMPTIONS FROM REGISTRATION REQUIREMENTS

303. The offering, issuance, and distribution of the Takeback Second Lien Notes and the New Second Lien Notes in exchange for Claims pursuant to Article III of the Plan and, where applicable, in accordance with the terms of the Scheme of Arrangement and this Confirmation Order, shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act pursuant to section 4(a)(2) of the Securities Act. The Takeback Second Lien Notes and the New Second Lien Notes shall be subject to resale restrictions and may be resold, exchanged, assigned or otherwise transferred only pursuant to registration, or an applicable exemption from registration, under the Securities Act and other applicable law. The offering, issuance, and distribution of any other Securities, including the New Mallinckrodt Ordinary Shares (including any New Mallinckrodt Ordinary Shares issuable upon the exercise of the New Opioid Warrants) and the New Opioid Warrants in exchange for Claims pursuant to Article III of the Plan

and, where applicable, in accordance with the terms of the Scheme of Arrangement and this Confirmation Order shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act pursuant to section 1145 of the Bankruptcy Code. Any and all such New Mallinckrodt Ordinary Shares (including any New Mallinckrodt Ordinary Shares issuable upon exercise of the New Opioid Warrants) and New Opioid Warrants so issued under the Plan and, where applicable, the Scheme of Arrangement, will be freely tradable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in Section 2(a)(11) of the Securities Act, and compliance with any applicable state or foreign securities laws, if any, and any rules and regulations of the SEC, if any, applicable at the time of any future transfer of such Securities or instruments; (b) the restrictions, if any, on the transferability of such Securities and instruments; and (c) any other applicable regulatory approval.

304. The Reorganized Debtors need not provide any further evidence other than the Plan, this Confirmation Order, the Scheme of Arrangement, or the Irish Confirmation Order with respect to the treatment of the Takeback Second Lien Notes, New Second Lien Notes, New Mallinckrodt Ordinary Shares or New Opioid Warrants under applicable securities laws.

305. Notwithstanding anything to the contrary in the Plan, no Person or Entity (including, for the avoidance of doubt, DTC) shall be entitled to require a legal opinion regarding the due authorization, enforceability, legality or validity of, or the grant or perfection of any Lien in connection with, any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Credit Facilities, the Takeback Second Lien Notes, the New Second Lien Notes, the New Mallinckrodt Ordinary Shares (including any New Mallinckrodt Ordinary Shares issuable upon exercise of the New Opioid Warrants), and the New Opioid Warrants are exempt

from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. All such Persons and Entities including DTC shall be required to accept and conclusively rely upon the Plan, this Confirmation Order, the Scheme of Arrangement, or the Irish Confirmation Order in lieu of a legal opinion regarding such matters, including whether the New Credit Facilities, the Takeback Second Lien Notes, the New Second Lien Notes, the New Mallinckrodt Ordinary Shares (including any New Mallinckrodt Ordinary Shares issuable upon exercise of the New Opioid Warrants), and the New Opioid Warrants are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding any policies, practices, or procedures of DTC, DTC and any participants and intermediaries shall fully cooperate and take all actions to facilitate any and all transactions necessary or appropriate for implementation of the Plan or other contemplated thereby, including without limitation any and all distributions pursuant to the Plan and any and all Restructuring Transactions.

UU. EXEMPTIONS FROM CERTAIN TRANSFER TAXES

306. To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfer from a Debtor to a Reorganized Debtor or to any Entity pursuant to, in contemplation of, or in connection with the Plan or pursuant to: (a) the issuance, distribution, transfer, or exchange of any debt, securities, or other interest in the Debtors or the Reorganized Debtors; (b) the creation, modification, consolidation, or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (c) the making, assignment, or recording of any lease or sublease; or (d) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not, in each case, be subject to any U.S. federal, state, or local document recording tax, stamp tax, conveyance

fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and the appropriate U.S. state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

VV. PRESERVATION OF CAUSES OF ACTION

307. In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases set forth in Article IV.O of the Plan and in Article IX of the Plan, all Causes of Action, other than the Assigned Third-Party Claims, the Assigned Insurance Rights, the Share Repurchase Claims, and Causes of Actions transferred to and assumed by the General Unsecured Claims Trust, the Asbestos Trust, and the Opioid MDT II, that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, other than the Assigned Third-Party Claims, the Assigned Insurance Rights, the Share Repurchase Claims, and Causes of Actions transferred to and assumed by the General Unsecured Claims Trust, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors, the Reorganized Debtors, the General Unsecured Claims Trust, the Asbestos Trust, or the Opioid MDT II, in each case as applicable, will not pursue any and all available Causes of Action. The Debtors, the Reorganized Debtors, the General Unsecured Claims

Trust, the Asbestos Trust, and the Opioid MDT II, in each case as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to any such Cause of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. Notwithstanding the foregoing, (a) any and all Causes of Action belonging to the Estates against any Released Co-Defendant or their Co-Defendant Related Parties (other than any Estate Surviving Pre-Effective Date Claim) are not Assigned Third Party-Claims and are released under the Plan and (b) any Estate Surviving Pre-Effective Date Claims are not Assigned Third Party-Claims, are not released, and shall belong to Reorganized Mallinckrodt.

308. Notwithstanding any provision in the Plan or any order entered in these Chapter 11 Cases, as of and after the Effective Date, the Debtors and Reorganized Debtors forever waive, relinquish, and release any and all Causes of Action the Debtors and their Estates had, have, or may have (a) against any Released Party, or (b) that arise under section 547 of the Bankruptcy Code (and analogous non-bankruptcy law) against any Holder of a Trade Claim on account of such Trade Claims.

WW. EFFECTIVENESS OF ALL ACTIONS

309. All actions authorized to be taken pursuant to the Plan shall be effective on, prior to, or after the Effective Date pursuant to this Confirmation Order (as applicable), without further application to, or order of the Court, or further action by the respective officers, directors, managers, members, or stockholders of the Debtors or Reorganized Debtors and with the effect that such actions had been taken by unanimous action of such officers, directors, managers, members, or stockholders.

310. This Confirmation Order shall constitute all approvals and consents required, if any, by the laws, rules, and regulations of all states and any other governmental authority with respect to the implementation or consummation of the Plan and any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts and transactions referred to in or contemplated by the Plan, the Plan Supplement, the Disclosure Statement, the Exit Financing Documents, the New Governance Documents, the Definitive Documents, and any other documents, instruments, securities, or agreements, and any amendments or modifications thereto.

XX. CONFLICTS

311. To the extent that any provision of the Disclosure Statement, or any order entered prior to Confirmation (for avoidance of doubt, not including this Confirmation Order) referenced in the Plan (or any exhibits, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control. Unless otherwise provided in this Confirmation Order, to the extent that any provision of the Plan conflicts with or is in any way inconsistent with any provision of this Confirmation Order, this Confirmation Order shall govern and control.

312. Notwithstanding any provision of this Confirmation Order, to the extent of a conflict between any provision in this Confirmation Order and Article XII.Q (“*Special Provisions for the United States*”) of the Plan, Article XII.Q of the Plan controls.

313. Notwithstanding anything to the contrary in this Confirmation Order, to the extent of conflict between the Plan or this Confirmation Order, and the Rebate Claims State Settlement Agreements, the Rebate Claims Settlement Agreements shall control.

YY. RESERVATION OF RIGHTS

314. Subject to the conditions to the Effective Date, the Debtors reserve the right, subject to the terms of the Restructuring Support Agreement, to revoke or withdraw the Plan prior to the

entry of this Confirmation Order and to File subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if entry of this Confirmation Order or the Effective Date does not occur, or if the Restructuring Support Agreement terminates in accordance with its terms prior to the Effective Date, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan, assumption or rejection of executory contracts or leases effected by the Plan, and any document or agreement executed pursuant to the Plan or hereto shall be deemed null and void; and (c) nothing contained in the Plan, this Confirmation Order, or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims, Interests, or Causes of Action; (ii) prejudice in any manner the rights of the Debtors or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking of any sort by the Debtors or any other Entity; *provided*, that any Restructuring Expenses that have been paid as of the date of revocation or withdrawal of the Plan shall remain paid and shall not be subject to disgorgement or repayment without further order of the Bankruptcy Court.

315. Subject to the conditions to the Effective Date, the Plan shall have no force or effect unless and until the Bankruptcy Court enters this Confirmation Order. None of the filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests prior to the Effective Date. By consenting to the treatment provided by the Plan or otherwise supporting the Plan, no State or Tribe shall be construed to have waived any claim or defense of sovereign immunity that it may have in any other action or proceeding, including any action or proceeding occurring after the Effective Date.

ZZ. TERM OF INJUNCTIONS OR STAYS

316. Unless otherwise provided in the Plan or in this Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or this Confirmation Order) shall remain in full force and effect until the Effective Date; *provided* that nothing in the Plan, Confirmation Order or other Definitive Documents shall in any way extend any stay in effect pursuant to the 105 Orders. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

AAA. NONSEVERABILITY OF PLAN PROVISIONS UPON CONFIRMATION

317. If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; *provided* that, any such alteration or interpretation shall be acceptable to the Debtors, the Required Supporting Unsecured Noteholders, the Supporting Governmental Opioid Claimants, the Required Supporting Term Lenders, the Official Committee of Opioid-Related Claimants, and the Official Committee of Unsecured Creditors. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. This Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and

may not be deleted or modified without the consent of the Debtors; and (c) nonseverable and mutually dependent.

BBB. AUTHORIZATION TO CONSUMMATE

318. The Debtors are authorized to consummate the Plan at any time after the entry of this Confirmation Order subject to the satisfaction or waiver (with the consent of the applicable parties and in accordance with Article VIII.B of the Plan) of the conditions precedent to the Effective Date set forth in Article VIII.A of the Plan.

CCC. EFFECT OF NON-OCCURRENCE OF CONDITIONS TO THE EFFECTIVE DATE

319. If the Effective Date does not occur on or before the termination of the Restructuring Support Agreement, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan, assumption or rejection of executory contracts or leases effected by the Plan, and any document or agreement executed pursuant to the Plan or hereto shall be deemed null and void; and (c) nothing contained in the Plan, this Confirmation Order, or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims, Interests, or Causes of Action; (ii) prejudice in any manner the rights of the Debtors or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking of any sort by the Debtors or any other Entity; *provided*, that any Restructuring Expenses that have been paid as of the date of revocation or withdrawal of the Plan shall remain paid and shall not be subject to disgorgement or repayment without further order of the Bankruptcy Court.

DDD. RETENTION OF JURISDICTION

320. Notwithstanding the entry of this Confirmation Order and the occurrence of the Effective Date, except to the extent set forth in this Confirmation Order, in Article X of the Plan, and in the Opioid MDT II Documents and the Opioid Creditor Trust Documents, the Bankruptcy

Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including those matters set forth in Article X of the Plan.

EEE. DISSOLUTION OF COMMITTEES

321. On the Effective Date, the Official Committee of Unsecured Creditors and the Official Committee of Opioid-Related Claimants shall be dissolved and the members of each of the Official Committee of Unsecured Creditors and the Official Committee of Opioid-Related Claimants and each of their legal, consulting, financial, and/or other professional advisors shall be deemed released of all their duties, responsibilities, and obligations in connection with the Chapter 11 Cases and its implementation; *provided, however*, that following the Effective Date, the Official Committee of Unsecured Creditors and the Official Committee of Opioid-Related Claimants shall continue in existence and have standing and a right to be heard for the following limited purposes: (a) applications, and any relief related thereto, for compensation by Professional Persons and requests for allowance of fees and/or expenses under section 503(b) of the Bankruptcy Code, and (b) any appeals of, or related to, (x) this Confirmation Order or (y) other appeal to which the Official Committee of Unsecured Creditors or the Official Committee of Opioid-Related Claimants is a party.

322. Upon dissolution of the Official Committee of Unsecured Creditors, the General Unsecured Claims Trust and the Asbestos Trust shall jointly succeed to, and exclusively hold, the attorney-client privilege and any other privilege held by the Official Committee of Unsecured Creditors and shall enjoy the work product protections that were applicable or available to the Official Committee of Unsecured Creditors before its dissolution. After the Effective Date, neither the General Unsecured Claims Trust nor the Asbestos Trust can independently waive the attorney-client privilege or any other privilege. For any privilege to be waived, the respective trust must

first obtain advance written consent from the other trust which jointly holds said privilege and/or from any other party, including the Reorganized Debtors, as applicable, that may share in the applicable privilege.

FFF. TERMINATION OF CHALLENGE PERIODS

323. The Challenge Period (as defined in the Cash Collateral Order) for all parties is terminated as of the Effective Date (to the extent not yet terminated at such time), and the stipulations, admissions, findings, and releases contained in the Cash Collateral Order shall be binding on the Debtors' estates and all parties in interest (to the extent not yet binding at such time).

GGG. FINAL ORDER

324. This Confirmation Order is a Final Order and the period in which an appeal or any motion seeking to stay or alter the effectiveness hereof must be filed shall commence upon entry hereof.

HHH. IMMEDIATE BINDING EFFECT

325. Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and the documents and instruments contained in the Plan Supplement shall be and is immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, and any and all Holders of Claims and Interests (irrespective of whether Holders of such Claims or Interests are deemed to have accepted the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan and any and all non-Debtor parties to Executory Contracts and Unexpired Leases, and notwithstanding whether or not such Person or Entity (a) will receive or retain any property, or interest in property, under the Plan, (b) has filed a Proof of Claim in the Chapter 11 Cases or (c)

failed to vote to accept or reject the Plan, affirmatively voted to reject the Plan, or is conclusively presumed to reject the Plan. This Confirmation Order shall take effect immediately and shall not be stayed pursuant to Bankruptcy Rule 3020(e), 6004(h), 7062, or any stay of enforcement otherwise applicable to the Plan.

A. *Administrative Claims*

1. General Administrative Claims

Subject to the provisions of sections 328, 330(a), and 331 of the Bankruptcy Code, except to the extent that a Holder of an Allowed General Administrative Claim and the applicable Debtor(s) or Reorganized Debtor(s), as applicable, agree to less favorable treatment with respect to such Allowed General Administrative Claim, each Holder of an Allowed General Administrative Claim will receive, in full and final satisfaction of its General Administrative Claim, an amount in Cash equal to the unpaid amount of such Allowed General Administrative Claim in accordance with the following: (a) if such General Administrative Claim is Allowed on or prior to the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (b) if such General Administrative Claim is Allowed after the Effective Date, on the date such General Administrative Claim is Allowed or as soon as reasonably practicable thereafter or, if not then due, when such Allowed General Administrative Claim is due or as soon as reasonably practicable thereafter; (c) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Reorganized Debtors, as the case may be; or (d) at such time and upon such terms as set forth in an order of the Bankruptcy Court; *provided* that Allowed General Administrative Claims that arise in the ordinary course of the Debtors' business during the Chapter 11 Cases shall be paid in full in Cash in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice.

For the avoidance of doubt and notwithstanding anything to the contrary herein, all Opioid Claims arising after the Petition Date and based upon or arising from the Debtors' pre-Effective Date conduct or activities (and excluding, for the avoidance of doubt, any VI Opioid Claims), shall receive the treatment set forth herein for Classes 8(a)-8(d) and 9(a)-9(j) (as applicable) and shall not receive the treatment described above for General Administrative Claims. Upon the Effective Date, all General Administrative Claims that are Opioid Claims shall be channeled to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, as set forth in Articles IV.W.5, IV.X.5, and IX.H herein, and shall no longer have General Administrative Claim status. For the avoidance of doubt and notwithstanding anything to the contrary herein, to the extent incurred prior to the Effective Date, the New Credit Facilities shall survive the Effective Date and shall not constitute General Administrative Claims entitled to the treatment set forth in this Article II.A.1.

2. Professional Fee Claims, Restructuring Expenses, and Post Effective Date Implementation Expenses

All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be Filed no later than 45 days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, the Bankruptcy Rules, and prior Bankruptcy Court orders. The Reorganized Debtors shall pay Professional Fee Claims owing to the Retained Professionals in Cash to such Retained Professionals in the amount the Bankruptcy Court Allows from funds held in the Professional Fee Escrow Account, as soon as reasonably practicable after

such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided* that the Debtors' and the Reorganized Debtors' obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account. To the extent that funds held in the Professional Fee Escrow Account are insufficient to satisfy the Allowed amount of Professional Fee Claims owing to the Retained Professionals, the Reorganized Debtors shall pay such amounts within ten (10) Business Days of entry of the order approving such Professional Fee Claims.

No later than the Effective Date, the Reorganized Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Retained Professionals and for no other Entities until all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, claims, or interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. No funds held in the Professional Fee Escrow Account shall be property of the Estates of the Debtors or the Reorganized Debtors. When all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full in Cash to the Retained Professionals pursuant to one or more Final Orders of the Bankruptcy Court, any remaining funds held in the Professional Fee Escrow Account shall be remitted to the Reorganized Debtors without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity being required.

The Retained Professionals shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date projected to be outstanding as of the anticipated Effective Date, and shall deliver such estimate no later than five Business Days prior to the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Retained Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Retained Professionals are not bound to any extent by the estimates. If a Retained Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Retained Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Reorganized Debtors shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

For the avoidance of doubt, all Restructuring Expenses and Post Effective Date Implementation Expenses shall be paid in accordance with Article IV.S of the Plan, and the terms under this Article II.A.2 shall not apply to the parties entitled to receive the Restructuring Expenses. The Reorganized Debtors shall pay the Post Effective Date Implementation Expenses that they incur on or after the Effective Date in the ordinary course of business and without application or notice to, or order of, the Bankruptcy Court.

If a Holder of an Administrative Claim (excluding, for the avoidance of doubt, VI Opioid Claims, Cure Costs, Professional Fee Claims,

For the avoidance of doubt, Administrative Claims that were subject to the Initial Administrative Claims Bar Date, proof of which was not timely submitted in accordance with the Initial Administrative Claims Bar Date Order, shall be disallowed.

The Reorganized Debtors, in their sole and absolute discretion, may settle Administrative Claims in the ordinary course of business without further Bankruptcy Court approval. The Debtors or the Reorganized Debtors, as applicable, may also choose to object to any Administrative Claim no later than the Administrative Claims Objection Deadline, subject to extensions by the Bankruptcy Court, agreement in writing of the parties, or on motion of a party in interest approved by the Bankruptcy Court. Unless the Debtors or the Reorganized Debtors (or other party with standing) object to a timely-Filed and properly served Administrative Claim, such Administrative Claim will be deemed Allowed in the amount requested. In the event that the Debtors or the Reorganized Debtors object to an Administrative Claim, the parties may confer to try to reach a settlement and, failing that, the Bankruptcy Court will determine whether such Administrative Claim should be Allowed and, if so, in what amount.

All VI Opioid Claims shall survive Confirmation and Consummation of the Plan and shall be obligations of the relevant Debtors and/or Reorganized Debtors, as applicable, enforceable in any court of competent jurisdiction.

B. *Priority Tax Claims*

Except to the extent that a Holder of an Allowed Priority Tax Claim and the Debtor(s) against which such Allowed Priority Tax Claim is asserted agree to a less favorable treatment, in exchange for full and final satisfaction, settlement, release, and the discharge of each Allowed Priority Tax Claim, each Holder of an Allowed Priority Tax Claim due and payable on or prior to the Effective Date shall receive, as soon as reasonably practicable after the Effective Date, on account of such Claim: (1) Cash in an amount equal to the amount of such Allowed Priority Tax Claim; (2) Cash in an amount agreed to by the applicable Debtor or Reorganized Debtor, as applicable, and such Holder; *provided* that such parties may further agree for the payment of such Allowed Priority Tax Claim at a later date; or (3) at the option of the Debtors, Cash in an aggregate amount of such Allowed Priority Claim payable in installment payments over a period not more than five years after the Petition Date, pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. In accordance with section 1123(a)(1) of the Bankruptcy Code, the Debtors have not classified Administrative Claims, Priority Tax Claims, and Other Priority Claims as described in Article II.

The categories of Claims and Interests listed below classify Claims and Interests for all purposes, including voting, Confirmation and distribution pursuant hereto and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. The Plan deems a Claim or Interest to be classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or an Interest is in a particular Class only to the extent that any such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date.

2. Voting Classes

Claims in Classes 2(b)-(c), 3, 4, 5, 6(a)-(g), 7, 8(a)-(d), 9(a)-(h), and 10 are Impaired under the Plan and the Holders of Allowed Claims in all such Classes are entitled to vote to accept or reject the Plan, including by acting through a Voting Representative.⁵ For purposes of determining acceptance and rejection of the Plan, each such Class (including each Class identified by a number and letter) will be regarded as a separate voting Class and votes will be tabulated on a Debtor-by-Debtor basis.

An Impaired Class of Claims shall have accepted this Plan if (a) the Holders, including Holders acting through a Voting Representative, of at least two-thirds (2/3) in amount of Claims actually voting in such Class have voted to accept this Plan and (b) the Holders, including Holders acting through a Voting Representative, of more than one-half (1/2) in number of Claims actually voting in such Class have voted to accept this Plan. ⁴ The Plan provides for potential treatment which would render Claims in Classes 2(b), 2(c), and 3 Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan, and Holders of such Claims would not be entitled to vote.

⁵ Holders of Claims in Class 2(b), Class 2(c), and Class 3 are entitled to vote, but the Plan provides for potential treatment which would render these Claims Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan, and any votes by Holders of such Claims will be moot and disregarded.

Voting Representative, of at least two-thirds (2/3) in number of Claims actually voting in such Class have voted to accept the Plan.

3. Deemed Rejection of the Plan

Claims and Interests in Classes 9(i), 9(j), 13, and 14 are Impaired under the Plan and their Holders shall receive no distributions under the Plan on account of their Claims or Interests (as applicable) and are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Therefore, Holders of Claims and Interests in Classes 9(i), 9(j), 13, and 14 are not entitled to vote on the Plan and the votes of such Holders shall not be solicited.

4. Presumed Acceptance of the Plan or Deemed Rejection of the Plan

The Debtors shall seek Confirmation pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify the Plan in accordance with Article XI of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under the Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise; *provided* that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Pursuant to section 510 of the Bankruptcy Code, except where otherwise provided herein, the Reorganized Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination rights relating thereto.

F. *Special Provision Governing Unimpaired Claims*

Except as otherwise provided herein, nothing under the Plan shall affect or limit the Debtors' or the Reorganized Debtors' rights and defenses (whether legal or equitable) in respect of any Unimpaired Claims, including, without limitation, all rights in respect of legal and equitable defenses to, or setoffs or recoupments against, any such Unimpaired Claims.

G. *Vacant and Abstaining Classes*

Any Class of Claims or Interests that is not occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or Allowed Interest or a Claim or Interest temporarily Allowed under

Bankruptcy Rule 3018 shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code. Moreover, any Class of Claims that is occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept the Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under the Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Claims on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliate-subsiaries) corporate structure, for the ultimate benefit of the Holders of New Mallinckrodt Ordinary Shares, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under the Plan to make certain distributions to the Holders of Allowed Claims.

I. *New Credit Facilities*

For the avoidance of doubt and notwithstanding anything to the contrary herein, to the extent incurred prior to the Effective Date, the New Credit Facilities shall survive the Effective Date and shall not be entitled to treatment within any Class set forth herein.

Article IV.

MEANS FOR IMPLEMENTATION OF THE PLAN

A. *General Settlement of Claims and Interests*

In consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a set of integrated, good-faith compromises and settlements of all Claims, Interests, Causes of Action and controversies resolved pursuant to the Plan. The Plan shall be deemed a motion by the Debtors to approve such compromises and settlements (including but not limited to the UCC Settlement and the OCC Settlement) pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromises and settlements under Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, as well as a finding by the Bankruptcy Court that such integrated compromises or settlements are in the best interests of the Debtors, their Estates and Holders of Claims and Interests, and are fair, equitable and within the range of reasonableness. Subject to Article VI, distributions made to Holders of Allowed Claims and Allowed Interests in any Class are intended to be and shall be final and indefeasible and shall not be subject to avoidance, turnover, or recovery by any other Person.

The Restructuring Transactions shall not (a) adversely affect the recoveries under the Plan of (i) holders of Guaranteed Unsecured Notes Claims without the consent of the Required Supporting Unsecured Noteholders or (ii) the holders of Opioid Claims without the consent of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, or (b) materially adversely affect the rights or recoveries under the Plan of the holders of First Lien Term Loan Claims without the consent of the Required Supporting Term Lenders.

The Confirmation Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate Restructuring Transactions (including any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan).

C. *Corporate Existence*

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each Debtor is incorporated or formed and pursuant to the respective memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such memorandum and articles of association, certificate of incorporation and bylaws (or other formation documents) are amended by the Plan, by the Debtors, or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law).

D. *Vesting of Assets in the Reorganized Debtors*

Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated herein, including the Restructuring Transactions Memorandum, on the Effective Date, all property of each Debtor's Estate, including (a) all Causes of Action other than (i) the Assigned Third-Party Claims, and (ii) the Assigned Insurance Rights, (b) Excluded Insurance Policies, and (c) any property acquired by any of the Debtors pursuant to the Plan, in each case, shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan and the Opioid Operating Injunction, each Reorganized Debtor may operate its business and may use, acquire, encumber, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, including for the avoidance of doubt any restrictions on the use, acquisition, sale, lease, or disposal of property under section 363 of the Bankruptcy Code.

Reorganized Mallinckrodt shall not, and neither shall any of its other subsidiaries, other than the Reorganized VI-Specific Debtors, be involved in the sale or distribution of opioids classified as DEA Schedule II–IV drugs in the future.⁶

E. *Indemnification Provisions in Organizational Documents*

As of the Effective Date, each Reorganized Debtor's memorandum and articles of association, bylaws, and other New Governance Documents shall, to the fullest extent permitted by applicable law, provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to, current and former managers, directors, officers, equity holders, members, employees, accountants, investment bankers, attorneys, other professionals, or agents of the Debtors and such current and former managers', directors', officers', equity holders', members', employees', accountants', investment bankers', attorneys', other professionals' and agents' respective Affiliates to the same extent as set forth in the Indemnification Provisions, against any claims or causes of action whether direct or derivative, liquidated or unliquidated, fixed, or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. 1. The New Credit Facilities and Approval of the New Term Loan Documentation and New AR Revolving Facility Documentation

To the extent required and subject to the occurrence of the Effective Date, Confirmation of the Plan shall be deemed to constitute authorization and approval by the Bankruptcy Court (a) of the New Credit Facilities, (b) of the New Term Loan Documentation and New AR Revolving Facility Documentation (including all transactions contemplated thereby, and all actions to be taken, undertakings to be made and obligations to be incurred by the Reorganized Debtors in connection therewith, including the payment of all fees, indemnities and expenses provided for therein), and (c) subject to the occurrence of the Effective Date, for the applicable Reorganized Debtors to enter into and perform their obligations under the New Term Loan Documentation and New AR Revolving Facility Documentation and such other documents as may be reasonably required or appropriate. For the avoidance of doubt, if the New Takeback Term Loans are issued pursuant to the Plan, the incurrence of (x) the New Term Loan Facility shall utilize the baskets for Revolver Replacement Term Loans (as defined in the Supporting Term Lenders Joinder Agreement) and may use other baskets (solely to the extent available) and (y) the New AR Revolving Facility shall utilize the baskets for Qualified Receivables Facilities (as defined in the Supporting Term Lenders Joinder Agreement) and may use other baskets (solely to the extent available), in each case, set forth in and subject to the negative covenants limiting the incurrence of indebtedness and liens under the New Takeback Term Loan Documentation.

For the avoidance of doubt, subject to the entry of an order of the Bankruptcy Court approving such incurrence, either or both of the New Credit Facilities may be incurred by the Debtors as debtor-in-possession financing prior to the Effective Date. V. *Settlements of Opioid Claims*

1. Non-Precedential Effect for Holders of Opioid Claims

This Plan, the Plan Supplement, and the Confirmation Order constitute a good faith full and final comprehensive compromise and settlement of Opioid Claims and controversies based upon the unique circumstances of these Chapter 11 Cases (such as the unique facts and circumstances relating to these Debtors as compared to other defendants in the general opioid litigations, and the need for an accelerated resolution without litigation) such that (i) none of the foregoing documents, nor any materials used in furtherance of Confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used as precedent, or used by any party or Person in any context whatsoever beyond the purposes of this Plan, in any other litigation or proceeding except as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan before the Bankruptcy Court or any other court of competent jurisdiction, and (ii) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise applicable to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. This Plan, the Plan Supplement, and the Confirmation Order will be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding involving Opioid Claims in which none of the Debtors, the Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Supplement, or the Confirmation Order. Any Opioid Claimants' support of, or position or action taken in connection with, this Plan, the Plan Supplement, and the Confirmation Order may differ from his position or testimony in any other litigation or proceeding except in connection with these Chapter 11 Cases. Further, the treatment of Opioid Claims as set forth in this Plan is not intended to serve as an example for, or represent the parties' respective positions or views concerning any other chapter 11 cases relating to opioid products, nor shall it be used as precedent by any Entity or party in any other chapter 11 cases related to opioid products.

2. Transferability of Opioid Claim Distribution Rights

Any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Opioid MDT II or the Opioid Creditor Trusts on account of an Opioid Claim shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts, as applicable. Further, any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of an Opioid Claim

shall be nontransferable and nonassignable except by will, intestate, succession or operation of law or as otherwise provided in the Plan or any of the Opioid Creditor Trust Documents. Any rights of Holders of Opioid Claims to receive a Distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of Opioid Claims shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

W. *Transfers of Property to and Assumption of Certain Liabilities by the Opioid MDT II*

1. Transfer of Books and Records to the Opioid MDT II

On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of all books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the defense of Opioid Claims (including Opioid Demands) in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. The transfer of any privileged books and records provided to the Opioid MDT II necessary for the defense of Opioid Claims (including Opioid Demands) shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to defend the Opioid Claims (including Opioid Demands) as more fully set forth in the Opioid MDT II Cooperation Agreement. Further, pursuant to the Plan and the Confirmation Order, none of the Debtors, the Reorganized Debtors, any of the Debtors’ or the Reorganized Debtors’ Affiliates or the Disinterested Managers shall be liable for violating any confidentiality or privacy protections as a result of transferring the books and records to the Opioid MDT II in accordance with the Opioid MDT II Cooperation Agreement, and the Opioid MDT II, upon receipt of the books and records, shall take appropriate steps to comply with any such applicable protections.

2. Funding the Opioid MDT II

a. *Opioid MDT II Funding Amount*

The Opioid MDT II shall be funded solely by the Opioid MDT II Consideration. On the Effective Date, the obligations to provide the Opioid MDT II Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the Opioid MDT II Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

b. *Payments to the Opioid MDT II and to the Public Schools’ Special Education Initiative*

On the Effective Date, the Debtors and/or the Reorganized Debtors will make the Initial Opioid MDT II Payment, and thereafter, the Reorganized Debtors or Reorganized Mallinckrodt will make each of

the Opioid Deferred Cash Payments subject to the Prepayment Option; *provided* after any sale of (i) Mallinckrodt Enterprises Holdings, Inc. and its subsidiaries (including, for the avoidance of doubt, its successors and assigns) or (ii) a material portion of their assets or businesses (including as a result of a merger, equity sale, or asset sale), subject to compliance with the Debtors' covenants under the agreements governing their funded indebtedness (as may be modified from time to time), 50% of the "net proceeds" of such sale (after, for the avoidance of doubt, compliance with then-existing covenants) shall be paid to the Opioid MDT II; and the amount of such net proceeds actually conveyed to the Opioid MDT II will be deemed a ratable repayment against the remaining Opioid Deferred Cash Payments that the Opioid MDT II is entitled to receive. For the avoidance of doubt, the Debtors will not be under any obligation to undertake any such sale on any particular timeframe. The Debtors intend that payments to the Opioid MDT II (whenever made, and from whatever source) will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of payments to the Opioid MDT II on account of Opioid Claims, and such tax characterization shall not be construed to be dispositive for any non-tax purpose. Nor shall such tax characterization be construed to mean that Debtors' payments satisfy the full extent of the liability associated with Opioid Claims, the satisfaction of which remains a valuable right assigned to the Opioid MDT II, nor that the remaining liability associated with Opioid Claims seeks restitution as a form of relief.

In addition, the Debtors and the Public Schools' Special Education Initiative intend that the Public Schools' Special Education Initiative Contribution will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of the Public Schools' Special Education Initiative Contribution, and such tax characterization shall not be construed to be dispositive for any non-tax purpose.

Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, on the one hand, and the Reorganized Debtors, on the other, shall reasonably cooperate in good faith with each other and their respective representatives with respect to the reporting required pursuant to Section 6050X of the Internal Revenue Code regarding the payments or transfers of property required under the Plan, with the goal of eliminating redundancies and complying with their reporting requirements, if any, in an efficient manner, including, if permitted under applicable law, appointing a single appropriate official to file a single information return in accordance with Treasury Regulation Sections 1.6050X-1(b)(3) and 1.6050X-1(f)(1)(ii)(B). Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, as applicable, shall, no later than thirty (30) days prior to the date on which each such information return, if any, is required to be filed, provide to the Reorganized Debtors a draft of any such information return it has determined that it is required to file with the IRS with respect to payments or transfer of property to it under the Plan and, prior to filing, shall consider in good faith any and all comments timely received from the Reorganized Debtors with respect thereto. If, after consultation with its tax advisors, the Trustees or other authorized persons of the Opioid MDT II, NOAT II or the Public Schools' Special Education Initiative reasonably determine in good faith that any such comments should not be reflected in such filing, the parties shall use reasonable best efforts to negotiate in good faith so as to reach a mutually agreeable resolution. If the parties are unable to reach a mutually agreeable resolution, the matter shall be resolved as directed by the Bankruptcy Court.

In addition, each of the Opioid MDT II and the Public Schools' Special Education Initiative shall use reasonable best efforts to provide to the Reorganized Debtors, no later than fifteen (15) days following the end of each calendar quarter, an estimate of the aggregate payments to any attorneys' fee funds established pursuant to Article IV.X.9.

c. *New Opioid Warrants*

On the Effective Date, Reorganized Mallinckrodt shall issue, and the Debtors shall cause to be transferred, the New Opioid Warrants to the Opioid MDT II or to a newly formed limited liability company formed and wholly owned by the Opioid MDT II.⁷

d. *Assigned Third-Party Claims, Share Repurchase Claims, and Assigned Insurance Rights*

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights to the Opioid MDT II; *provided, that* the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the Opioid MDT II) on account of any Assigned Third-Party Claims shall be enjoined and barred. Subject to the foregoing, nothing contained in the Plan, the Plan Supplement, or the Confirmation Order shall operate to require any Opioid Insurer to pay under any Opioid Insurance Policy the liability of any Person that was not an insured prior to the Petition Date..

The Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the prosecution of the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided, that*, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. Such transfer shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to preserve, secure, prosecute, or obtain the benefit of the Assigned Third-Party Claims, the Share Repurchase Claims, and Assigned Insurance Rights as more fully set forth in the Opioid MDT II Cooperation Agreement.

The Opioid MDT II shall be authorized to conduct Rule 2004 examinations, to the fullest extent permitted thereunder, to investigate the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights, without the requirement of filing a motion for such authorization; *provided*, however, that no such Rule 2004 examinations shall be taken of the Debtors, the Reorganized Debtors, Medtronic plc (and/or its subsidiaries and affiliates, including Covidien Limited), or any of their respective predecessors, successors, assigns and each of their respective then-current or former employees, officers,

⁷ The Debtors and the Supporting Parties are discussing the original issuance of the New Opioid Warrants to a newly formed limited liability company ("LLC") formed by and initially owned by Opioid MDT II. At emergence, Reorganized Debtor will issue the warrants to LLC directly. Following the issuance of the warrants to LLC, Opioid MDT II will distribute substantially all of the equity interests in LLC to the Creditor Trusts, retaining the portion allocable to the Opioid MDT II disputed claims reserve and any other portion allocable to Opioid MDT II beneficiaries other than the Creditor Trusts. A further transfer of LLC equity is expected with respect to TAFT II and the TAFT II beneficiaries.

directors or Representatives without further order of the Bankruptcy Court (if the Chapter 11 Cases remain open) after notice and an opportunity to object and be heard. Notwithstanding the foregoing, nothing herein shall interfere with the obligations of the Debtors, the Reorganized Debtors, or any of their respective then-current or former employees, officers, directors or Representatives to cooperate with the Opioid MDT II as set forth herein and in the Opioid MDT II Cooperation Agreement. For the avoidance of doubt, in the context of an actual pending litigation or contested matter, the rules of discovery applicable to such litigation or contested matter will control.

In implementing the assignment of the Assigned Insurance Rights, the Debtors or the Reorganized Debtors, on the one hand, and the Governmental Plaintiff Ad Hoc Committee and the MSGE Group or the Opioid MDT II, on the other hand, shall cooperate and negotiate in good faith concerning (x) treatment of unsatisfied self-insured retentions under the applicable Insurance Contracts, which, to the extent they remain to be paid as of the Effective Date, shall be satisfied to the extent and in the manner required by applicable law, with the objective of minimizing adverse consequences to Mallinckrodt, Reorganized Mallinckrodt, and the Opioid MDT II (it being understood that the foregoing obligation shall not require the Debtors or Reorganized Debtors to satisfy all or any portion of any such self-insured retentions with respect to any Opioid Insurance Policies) and (y) any actions by the Debtors, Reorganized Debtors, or the Opioid MDT II to pursue or preserve the Insurance Contracts relating to the Assigned Insurance Rights.

without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court; provided that the settlement, monetization, or disposition of the Share Repurchase Claims may not treat the holders of interests in such Share Repurchase Claims inconsistently without such holders' consent or, if applicable, without offering such holders the right to participate in such settlement, monetization, or disposition).

Any request by the Opioid MDT II, the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, or the Official Committee of Opioid-Related Claimants for cooperation by the Debtors and Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the Opioid MDT II Consideration in the Opioid MDT II

The Opioid Creditor Trusts shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees and other charges incurred subsequent to the date upon which the Opioid Creditor Trusts are established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

To the extent that the Opioid MDT II discovers, through its pursuit of the Assigned Insurance Rights, Insurance Contracts that are not included on the Schedule of Opioid Insurance Policies or the Schedule of Excluded Insurance Policies, (i) the Opioid MDT II will provide notice of such discovery to the Reorganized Debtors as soon as reasonably practicable following such discovery and (ii) the Opioid MDT II and the Reorganized Debtors will work in good faith to agree whether such Insurance Contract is an Opioid Insurance Policy or an Excluded Insurance Policy. The Reorganized Debtors, the Opioid MDT II, and the Insurers reserve their rights to pursue relief in any appropriate forum in the event the Reorganized Debtors and the Opioid MDT II are unable to reach an agreement whether such Insurance Contract is an Opioid Insurance Policy or an Excluded Insurance Policy.

7. Opioid MDT II Distributions

The Opioid MDT II shall make the Opioid MDT II Initial Distribution on the Opioid MDT II Initial Distribution Date and shall make the Opioid MDT II Subsequent Distributions on any Opioid MDT II Subsequent Distribution Date. The Opioid MDT II shall fund the Opioid Attorneys' Fees Fund with the Opioid Attorneys' Fees Fund Share, out of the Public Opioid Creditor Share. The Opioid MDT II shall also establish and fund the Opioid MDT II Operating Reserve and the Opioid MDT II Third-Party Payor Reserve.

8. Private Claimants' Attorneys' Fees.

A. Common Benefit Fund Assessments. On the Effective Date, a Common Benefit Escrow shall be established and funded by assessments of 5% of each Distribution made by the Private Opioid Creditor Trusts and the Ratepayer Account. Such assessments will be paid by each Private Opioid Creditor Trust and the Ratepayer Account in respect of the distributions made by each Private Opioid Creditor Trust and the Ratepayer Account to the Common Benefit Escrow and then, upon its establishment, directly to the Common Benefit Fund established by the MDL Court, on periodic schedules for each Private Opioid Creditor Trust and the Ratepayer Account acceptable to such creditors and the MDL Plaintiffs' Executive Committee, or as otherwise ordered by the MDL Court. The amounts in the Common Benefit Escrow shall be held in escrow until an order is entered by the MDL Court establishing a Common Benefit Fund, at which time the amounts held by the Common Benefit Escrow and all subsequent assessments of 5% of each Distribution made by the Private Opioid Creditor Trusts and the Ratepayer Account shall be transferred to and distributed in accordance with the order of the MDL Court establishing the Common Benefit Fund. To the extent a Hospital Opioid Claimant, a Third-Party Payor Opioid Claimant, a Ratepayer Opioid Claimant, a NAS Monitoring Opioid Claimant, a PI/NAS Opioid Claimant (or any ad hoc group consisting of Claimants of any of the foregoing) has retained counsel through an contingency fee arrangement, any contingency fees owed to such contingency counsel payable from Distributions under the Plan shall be reduced by the full amount payable under this Article IV.X.8. However, the applicable Claimant and its counsel, in their sole discretion, may agree that an amount up to but not exceeding 40% of the amount payable under this Article IV.X.8 may be applied to the reimbursement of actual costs and expenses incurred by such Claimant's counsel, in which case such agreed cost-reimbursement amount shall not reduce the contingency fee amounts payable to such counsel. For the avoidance of doubt, if the Debtors, the Governmental Plaintiff Ad Hoc Committee, and the MSGE Group agree to any reduced or less restrictive terms concerning the 5% Common Benefit Fund assessment (or its implementation) provided under any portion of this Article IV.X.8 for any of the Private Opioid Creditor Trusts and the Ratepayer Account, then such modifications shall apply to each of the groups, *mutatis mutandis*.

B. Hospitals Attorneys' Fees and Costs. On the Effective Date, the Hospital Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ad Hoc Group of Hospitals with respect to Hospital Opioid Claims. The Hospital Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Hospital Trust to Hospital Opioid Claimants that have not retained (or are not part of an ad hoc group that has retained) separate counsel through an individual contingency fee arrangement less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.Y.7(A). The Hospital Attorney Fee Fund shall be administered by the Hospital Trust on terms acceptable to the Ad Hoc Group of Hospitals.

C. NAS Monitoring Attorneys' Fees and Costs. On the Effective Date, the NAS Monitoring Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the NAS Committee with respect to NAS Monitoring Opioid Claimants. The NAS Monitoring Attorney Fee Fund shall be funded with (i) 20% of each distribution made to the NAS Monitoring Trust less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. Reasonable expert costs incurred by the NAS Committee in the formation of the abatement plan for the NAS Monitoring Trust shall also be paid by the NAS Monitoring Trust, and, for the avoidance of doubt, (x) there shall be no amounts payable to the Common Benefit Escrow or the Common Benefit Fund on account of such cost reimbursements and (y) the 20% limitation on attorneys' fees shall not apply to the foregoing reasonable expert costs. The NAS Monitoring Attorney Fee Fund shall be administered by the NAS Monitoring Trust on terms acceptable to the NAS Committee. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

D. Ratepayer Attorneys' Fees and Costs. On the Effective Date, the Ratepayer Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Ratepayer Mediation Participants. The Ratepayer Attorney Fee Fund shall be funded with (i) 20% of each distribution made by the Ratepayer Account less (ii) the amount of such Distributions payable to the Common Benefit Escrow and the Common Benefit Fund under Article IV.X.8.A. The Ratepayer Attorney Fee Fund shall be administered by the Ratepayer Account as set forth in this Article IV.X.8. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

E. Emergency Room Physicians Attorneys' Fees and Costs. On the Effective Date, the Emergency Room Physicians Attorney Fee Fund shall be established for the payment of attorneys' fees and costs of the Emergency Room Physicians Opioid Claimants. The Emergency Room Physicians Attorney Fee Fund shall be administered by the Emergency Room Physicians Trust as set forth in this Article IV.X.8. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel.

F. PI Claimant Costs and Expenses. The Opioid Creditor Trustee of the PI Trust shall pay or reimburse, as applicable, the compensation, costs and fees of professionals that represented or advised the Ad Hoc Group of Personal Injury Victims and the NAS Committee in connection with the Chapter 11 Cases, as and to the extent provided in the PI Trust Documents. Such compensation, costs and fees paid or reimbursed, as applicable, by the PI Trust shall be deducted from distributions from the PI Trust Holders of Allowed PI Opioid Claims and Allowed NAS PI Opioid Claims, in each case pursuant to the PI Trust Documents. Nothing in this Article IV.X.8 shall impair or otherwise affect any fee contract that is not a contingency fee contract between the Ad Hoc Group of Personal Injury Victims and its professionals, or between the NAS Committee and its professionals.

G. No Impairment of Contingency Fee Contracts; No Further Assessment. Except as expressly set forth in this Article IV.X.8, nothing in the Plan shall impair or otherwise affect any contingency fee contract between any Holder of a Claim (or any ad hoc group of Holders of Claims) and such Holder's (or ad hoc group's) counsel. In this regard, the payment of the assessments described in this Article IV.X.8 shall be the only payment that such Holders (or their counsel) shall ever have to make to the Common Benefit Fund with respect to amounts distributed under this Plan, and shall not be subject to any further or other common benefit or similar assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof.

9. Public Opioid Claimants' Attorneys' Fees

A. Opioid Attorneys' Fee Fund. On the Effective Date, the Opioid Attorneys' Fee Fund shall be established, and thereafter funded pursuant to Article IV.X.7 for payment of costs and expenses (including attorneys' fees) as further set forth in this Article IV.X.9.

B. Municipal and Tribe Opioid Attorneys' Fee Fund. On the Effective Date, the Municipal and Tribe Opioid Attorneys' Fee Fund shall be established for the payment of costs and expenses (including attorneys' fees) of Holders of Municipal Opioid Claims and Tribe Opioid Claims (including any ad hoc group consisting of any of the foregoing), other than any amounts paid to counsel to the Governmental Plaintiff Ad Hoc Committee and the MSGE Group in accordance with the Plan and the Restructuring Support Agreement. The Municipal and Tribe Opioid Attorneys' Fee Fund shall be funded in an aggregate

amount not to exceed \$110 million from periodic distributions of 5.5% of each distribution on account of the Public Opioid Creditor Share. Payments from the Municipal and Tribe Opioid Attorneys' Fee Fund shall be the exclusive means of payment from the Public Opioid Creditor Trusts for costs and expenses (including attorneys' fees) of any Holder of a Municipal Opioid Claim or Tribe Opioid Claim (or any ad hoc group consisting of any of the foregoing) or any attorney therefor, other than amounts paid in accordance with the order of the MDL Court establishing the Common Benefit Fund. Except as otherwise agreed to in writing by the MSGE Group and the MDL Plaintiffs' Executive Committee, the PEC/MSGE Mallinckrodt Fee Allocation Agreement shall be and remain fully enforceable, and shall apply to the Municipal and Tribe Opioid Attorneys' Fee Fund. All modifications of the Municipal and Tribe Opioid Attorneys' Fee Fund that directly impact reimbursement of costs and expenses of Holders of Tribe Opioid Claims shall be reasonably acceptable to the Tribal Leadership Committee.

On the Effective Date, the State Opioid Attorneys' Fee Fund shall be established for the payment of costs and expenses (including attorneys' fees) of the States (including any ad hoc group thereof), other than amounts other than any amounts paid to counsel to the Governmental Plaintiff Ad Hoc Committee in accordance with the Plan and the Restructuring Support Agreement. - (b) As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, each Holder of a U.S. Government-Opioid Claimant Medical Expense Claim shall, without any further action by the Bankruptcy Court, be conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released by the Opioid Creditor Trusts, and their agents, representatives, successors and assigns, in their respective capacities as such, of all claims and Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the release of the U.S. Government-Opioid Claimant Medical Expense Claims (other than a claim or Cause of Action to enforce the terms of the Plan, including, but not limited to, any release of the U.S. Government-Opioid Claimant Medical Expense Claims) that the Opioid Creditor Trusts have asserted or could assert on their own behalf or on behalf of another Person or party notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived), against a Holder of a U.S. Government-Opioid Claimant Medical Expense Claim and, in respect of each Holder of a U.S. Government-Opioid Claimant Medical Expense Claim, its respective agents, representatives, successors and assigns, in their respective capacities as such.

Y. *Administration of Opioid Claims*

All Opioid Claims will be administered, processed, and resolved pursuant to the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The Opioid MDT II Trustee(s) and Opioid Creditor Trustee(s), as applicable, shall determine the eligibility, amount and Allowance of the applicable Opioid Claims in accordance with the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The determination by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s) of the eligibility, amount and Allowance of each Opioid Claim (except for any Other Opioid Claims) shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other Person, except as set forth herein and in the Opioid MDT II Documents and Opioid Creditor Trust Documents. Distributions in respect of Allowed Opioid Claims shall be made by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s), in accordance with the trust distribution procedures and other provisions of the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents, from the applicable Opioid MDT II or Opioid Creditor Trust. Distributions from the Opioid MDT II, Opioid Creditor Trusts, and the Ratepayer Account shall be the sole source of recovery for Holders of Allowed Opioid Claims, and no Holder of an Opioid Claim shall have any other or further recourse to the Opioid Creditor Trusts, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Opioid Claims shall have no recourse to the Opioid Creditor Trusts, the Ratepayer Account, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

1. Administration of Other Opioid Claims

On the Effective Date or as soon as reasonably practicable thereafter, the Opioid MDT II Administrator will (i) file the notice of the Other Opioid Claims Bar Date with the Bankruptcy Court and (ii) publish the notice of the Other Opioid Claims Bar Date, the form of which shall be reasonably acceptable to the Reorganized Debtors. The notice shall be served on all known Other Opioid Claimants who were served with ballots for Class 9(h) or submitted ballots for Class 9(h). Any Other Opioid Claim for which no timely proof of claim form is submitted shall be deemed disallowed, subject to Bankruptcy Rule 9006.

All Other Opioid Claims shall be Disputed Claims under the Plan. Only Other Opioid Claims that become Allowed Claims pursuant to the procedures contained in Article IV.Y.2 herein shall be entitled to receive distributions on account of their respective Other Opioid Claimant Pro Rata Share. For the avoidance of doubt, Other Opioid Claims, whether Allowed or disallowed, shall not be entitled to any distributions from any Abatement Trust or other Opioid Creditor Trust.

After Other Opioid Claims are Allowed and in the course of making any Opioid MDT II Subsequent Distribution, the Opioid MDT II Administrator will calculate the Other Opioid Claimant Pro Rata Share for the Allowed Other Opioid Claims, and shall make distributions to Holders of Allowed Other Opioid Claims accordingly.

The Opioid MDT II Administrator may, in its discretion, elect to implement procedures for the establishment and release of a reserve for Other Opioid Claims that may be allowed in the future. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Opioid MDT II shall treat any such reserve as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including, to the extent applicable, the Opioid MDT II and Holders of Other Opioid Claims) shall be required to report for tax purposes consistently with the foregoing.

2. Objections to Other Opioid Claims

The Opioid MDT II Administrator shall be entitled to object to Other Opioid Claims. Any objections to Other Opioid Claims shall be served and filed on or before the later of (i) two-hundred and seventy (270) days after the Other Opioid Claims Bar Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown); any Disputed Other Opioid Claim to which no objection is served and filed within such time shall become an Allowed Other Opioid Claim after the expiration of such time. The Opioid MDT II Administrator shall be entitled to use omnibus objections in compliance with Local Rule 3007-1 and may seek Bankruptcy Court approval to establish additional objection or estimation procedures as the Opioid MDT II Administrator believes appropriate. Other Opioid Claims shall be Allowed or disallowed in accordance with the Bankruptcy Code, and any objection to, or other dispute regarding, the Allowance of an Other Opioid Claim shall (absent consensual resolution) be determined by the Bankruptcy Court. Notwithstanding anything to the contrary contained in the Plan, any disallowance of any Other Opioid Claim pursuant to any objection filed under this section of the Plan or otherwise shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code.

3. Resolution of Disputed Other Opioid Claims

On and after the Effective Date the Opioid MDT II Administrator shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Other Opioid Claims and to compromise, settle, or otherwise resolve any Disputed Other Opioid Claims without approval of the Bankruptcy Court.

4. Disallowance of Other Opioid Claims

Any Other Opioid Claims held by an Entity from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Other Opioid Claims may not receive any distributions on account of such Other Opioid Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors.

5. Estimation of Other Opioid Claims

The Opioid MDT II Administrator may at any time request that the Bankruptcy Court estimate any Other Opioid Claims pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose,

regardless of whether the Opioid MDT II Administrator has previously objected to such Other Opioid Claim or whether the Bankruptcy Court has ruled on any such objection; *provided*, however, any estimation of any Other Opioid Claim shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code. The Bankruptcy Court shall retain jurisdiction to estimate any Other Opioid Claim at any time during litigation concerning any objection to any Other Opioid Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any Other Opioid Claim, that estimated amount shall constitute the maximum limitation on such Other Opioid Claim (unless such Other Opioid Claim is subsequently Allowed in a greater amount pursuant to section 502(j) of the Bankruptcy Code), and the Opioid MDT II Administrator may pursue supplementary proceedings to object to the ultimate allowance of such Other Opioid Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Other Opioid Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

Z. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, prior to the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of the Plan, the Confirmation Order, the Scheme of Arrangement, the Irish Confirmation Order, the Restructuring Transactions, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents.

AA. *Industry-Wide Document Disclosure Program*

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall participate in an industry-wide document disclosure program by disclosing publicly a subset of its litigation documents, subject to scope and protocols described below.

1. Documents Subject to Public Disclosure

The following documents shall be produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to the Minnesota State Attorney General, on behalf of the Settling States, and are subject to public disclosure in perpetuity as part of an industry-wide document disclosure program, except for the redactions authorized by Article IV.AA.2:

- (a) All documents, indices, and privilege logs the VI-Specific Debtors produced to any of the Settling States prior to the Petition Date, including in litigation and in response to investigative demands or other formal or informal requests related to opioids.
- (b) All documents, indices, and privilege logs the VI-Specific Debtors produced in the Opioid Multi-District Litigation (*In re Nat'l Prescription Opiate Litig.*, No. 1:17-MD-2804 (N.D. Ohio)) and the New York litigation (*In re Opioid Litigation*, 400000/2017 (Suffolk County)) prior to the Petition Date.
- (c) All documents, indices, and privilege logs the VI-Specific Debtors have produced in other litigation related to opioids, excluding patent litigation.

All documents produced under this provision shall be provided in electronic format with all related metadata. The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors and the Minnesota State

Attorney General, on behalf of the Settling States, will work cooperatively to develop technical specifications for the productions.

2. Information That May Be Redacted

The following categories of information are exempt from public disclosure:

- (a) Information subject to trade secret protection. A “trade secret” is information, including a formula, pattern, compilation, program, device, method, technique or process, that (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, “trade secret” does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion.
- (b) Confidential personal information. “Confidential personal information” means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. “Confidential personal information” does not include the names of the VI-Specific Debtors’ and/or the Reorganized VI-Specific Debtors’ officers, directors, employees, agents, or attorneys.
- (c) Information that is inappropriate for public disclosure because it is subject to personal privacy interests recognized by law (e.g., HIPAA), or contractual rights of third parties that the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may not abrogate.
- (d) Information regarding the VI-Specific Debtors’ and/or the Reorganized VI-Specific Debtors’ employees’ personal matters unrelated to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors, including emails produced by the VI-Specific Debtors’ custodians discussing vacation or sick leave, family, or other personal matters.

3. Redaction of Documents Containing Protected Information

Whenever a document contains information subject to a claim of exemption pursuant to Article IV.AA.2, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce the document in redacted form. Such redactions shall indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions shall be limited to the minimum redactions possible to protect the legally recognized individual privacy interests and trade secrets identified above.

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, a log noting each document redacted. The log shall also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be produced simultaneously with the production of documents required by Article IV.AA.7.

In addition to the redacted documents, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall, upon any Settling State’s request, also produce all documents identified in Article IV.AA.1 in unredacted form to such Settling State at the same time. The redacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may be publicly disclosed in accordance with Article IV.AA.6. The unredacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to a Settling State shall be available only to such Settling State unless the VI-Specific

Debtors' and/or the Reorganized VI-Specific Debtors' claim of exemption under Article IV.AA.2 is successfully challenged in accordance with Article IV.AA.4 or the trade secret designation expires in accordance with Article IV.AA.5.

4. Challenges to Redaction

Anyone, including members of the public and the press, may challenge the appropriateness of redactions by providing notice to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors. If the challenge is not resolved by agreement, it must be resolved in the first instance by a third party jointly appointed by the Minnesota State Attorney General, on behalf of the Settling States, and the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to resolve such challenges. The decision of the third party may be appealed to a court with enforcement authority over the Opioid Operating Injunction. If not so appealed, the third party's decision is final. In connection with such challenge, a Settling State may provide copies of relevant unredacted documents to the parties or the decisionmaker, subject to appropriate confidentiality and/or in camera review protections, as determined by the decisionmaker.

5. Review of Trade Secret Redactions

Ten years after the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors complete the production of documents in accordance with this Article IV.AA, the Reorganized VI-Specific Debtors shall review all trade secret assertions made in accordance with Article IV.AA.2 and all non-manufacturing trade secret designations shall expire. The newly unredacted documents may then be publicly disclosed by the Minnesota State Attorney General, on behalf of the Settling States, in accordance with Article IV.AA.6. The Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, an updated redaction log justifying its designations of the remaining trade secret redactions as manufacturing trade secrets.

6. Public Disclosure through a Document Repository

The Minnesota State Attorney General, on behalf of the Settling States, may publicly disclose all documents covered by this Article IV.AA through a public repository maintained by a governmental, non-profit, or academic institution. The Minnesota State Attorney General, on behalf of the Settling States, may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents. When providing the documents covered by this Article IV.AA to a public repository, no Settling State shall include or attach within the document set any characterization of the content of the documents. For the avoidance of doubt, nothing in this paragraph shall prohibit any Settling State from publicly discussing the documents covered by this Article IV.AA.

7. Timeline for Production

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce all documents required by Article IV.AA.1 within nine months from the Petition Date.

8. Costs

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall be responsible for their allocable share of all reasonable costs and expenses associated with the public disclosure and storage of the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' documents through any public repository.

BB. *Monitor*⁸1. Appointment and Term

The Confirmation Order will provide for the appointment of the Monitor for a term of five years from the Petition Date. If, at the conclusion of the Monitor's five-year term, the Settling States determine in good faith and in consultation with the Monitor that the Reorganized VI-Specific Debtors have failed to achieve and maintain substantial compliance with the substantive provisions of the Opioid Operating Injunction, the Monitor's engagement shall be extended for an additional term of up to two years, subject to the right of the Reorganized VI-Specific Debtors to commence legal proceedings for the purpose of challenging the decision of the Settling States and to seek preliminary and permanent injunctive relief with respect thereto.

2. Identity

The Monitor for the full term shall be the Chapter 11 Monitor in place as of the Effective Date unless justifiable cause exists and the Monitor Agreement shall remain in full force and effect upon the Effective Date, unless amended or superseded by further order of the Bankruptcy Court, which order may be the Confirmation Order. For purposes of this paragraph, justifiable cause exists if the Monitor resigns or a court finds that the Monitor: (a) develops a conflict of interest that would undermine public confidence in the objectivity of his or her work; (b) has unreasonably failed to fulfill his or her material obligations under the Opioid Operating Injunction or pursuant to his or her work plan, (c) has engaged in any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct; or (d) has engaged in an intentional act of bias or prejudice in favor or against either party. Justifiable cause shall not include the Reorganized VI-Specific Debtors' or the Settling States' disagreements with the decisions of the Monitor, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Monitor has not been acting as an independent third party in rendering decisions.

If a new Monitor must be appointed during the term, the Reorganized VI-Specific Debtors and the Settling States shall exchange pools of recommended candidates within 30 days of the Monitor's departure. The pools shall each contain the names of three individuals, groups of individuals or firms and shall be based in part on experience with internal investigations or the investigative process (which may include prior monitorship or oversight experience) and expertise in the pharmaceutical industry, relevant regulatory regimes, and internal controls and compliance systems.

After receiving the pools of Monitor candidates, the Reorganized VI-Specific Debtors and the Settling States shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Reorganized VI-Specific Debtors and the Settling States may veto any of the candidates, and must do so in writing within 30 days of receiving the pool of candidates. If all three candidates within a pool are rejected by either the Reorganized VI-Specific Debtors or the Settling States, the party who rejected the three candidates may direct the other party to provide up to three additional qualified candidates within 15 days of receipt of said notice.

If the Reorganized VI-Specific Debtors or the Settling States do not object to a proposed candidate, the Reorganized VI-Specific Debtors or the Settling States shall so notify the other in writing within 30 days of receiving the pool of candidates. If more than one candidate remains, the Settling States shall select the Monitor from the remaining candidates.

⁸ This section is qualified in its entirety by the Voluntary Injunction and the Opioid Operating Injunction, and for any inconsistency between this section and the Voluntary Injunction and the Opioid Operating Injunction, the Voluntary Injunction and the Opioid Operating Injunction, as applicable, will govern.

3. Duties and Reporting

The Monitor shall be responsible for ensuring that the Reorganized VI-Specific Debtors (and any successors during the Monitor's term to the Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories) are in compliance with the Opioid Operating Injunction. The Reorganized VI-Specific Debtors and their professionals and representatives shall cooperate and reasonably respond to requests by the Monitor in the performance of its responsibilities, including reasonable requests for access to relevant books and records of the Reorganized VI-Specific Debtors. Subject to any legally recognized privilege and as reasonably necessary to perform his or her duties, the Monitor shall have full and complete access to the Reorganized VI-Specific Debtors' personnel, books, records, and facilities, and to any other relevant information, as the Monitor may request. The Reorganized VI-Specific Debtors shall develop such information as the Monitor may request and shall fully, completely and promptly cooperate with the Monitor.

The manner in which the Monitor will carry out his or her responsibilities, the general scope of information that the Monitor will seek to review in fulfilling his or her duties and, where applicable, the methodologies to be utilized shall be consistent with the work plan used by the Chapter 11 Monitor as of the Effective Date (the "Work Plan"). The Reorganized VI-Specific Debtors, the Settling States, and the Monitor may jointly agree to revisions to the Work Plan.

The Monitor shall file a report with the Settling States regarding compliance by the Reorganized VI-Specific Debtors with the terms of the Opioid Operating Injunction every 90 days after the Effective Date (the "**Monitor Reports**"). The Reorganized VI-Specific Debtors and the Settling States may jointly agree to decrease the frequency of Monitor Reports to every 180 days. To the extent permissible by state public record laws, these reports (in whole or in part) may be filed subject to restriction from public disclosure. The content of Monitor Reports shall be set forth in the Work Plan.

Prior to issuing a Monitor Report, the Monitor shall confer with Reorganized VI-Specific Debtors and the Settling States, either jointly or separately (in the discretion of the Monitor), regarding his or her preliminary findings and the reasons for those findings. The Reorganized VI-Specific Debtors shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report.

4. Relief and Cure

In furtherance of the responsibilities of the Monitor, the Monitor shall be authorized to seek relief from the Bankruptcy Court, to the extent necessary to carry out its obligations hereunder.

In the event a Monitor Report identifies a potential violation of the Opioid Operating Injunction, the Reorganized VI-Specific Debtors shall have the right to cure any potential violation within 30 days.

5. Professionals and Costs

The Monitor shall have the authority to employ, upon written consent from the Reorganized VI-Specific Debtors, such consent not to be unreasonably withheld, delayed or conditioned, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's responsibilities. Requests to employ such individuals will be decided upon no later than ten (10) days from their receipt.

All compensation, costs and fees of the Monitor and any professionals retained by the Monitor shall be paid by the Reorganized VI-Specific Debtors.

6. Liability

The Monitor shall serve without bond or other security. The Monitor shall have no obligation, responsibility, or liability for the operations of the Reorganized VI-Specific Debtors.

CC. *Trade Claimant Agreements*

As to any Trade Claimant that agrees by so indicating on its Ballot to maintain with the Debtors Favorable Trade Terms, the Plan shall constitute (i) if applicable, an amendment to such Trade Claimant's assumed or assumed and assigned Executory Contract between any Debtor and such Trade Claimant, instituting the foregoing trade terms in such Executory Contract, or (ii) otherwise, a contractual agreement by such Trade Claimant to maintain such trade terms for at least twelve (12) months after the Effective Date.

DD. *Federal/State Acthar Settlement*

As of the Effective Date, the Federal/State Acthar Settlement Agreements shall be executed by Parent, Mallinckrodt ARD LLC, the U.S. Government, and the States. On the Effective Date or as soon as reasonably practicable thereafter, the Debtors and/or the Reorganized Debtors will make the Initial Federal/State Acthar Settlement Payment, and thereafter, the Reorganized Debtors will make each of the Federal/State Acthar Deferred Cash Payments; *provided*, that except as otherwise expressly set forth in any of the Federal/State Acthar Settlement Agreements executed by any State, the Initial Federal/State Acthar Settlement Payment and Federal/State Acthar Deferred Cash Payments shall bear interest accruing at an annual rate of 0.6255%, running from September 21, 2020, in eight installments.

EE. *Retainers of Ordinary Course Professionals*

Upon the Effective Date, each Ordinary Course Professional may apply its retainer, if any, against any outstanding prepetition balances owed by the Debtors to such Ordinary Course Professional.

FF. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

GG. *No Claims Under First Lien Notes/Second Lien Notes Intercreditor Agreement*

As the holders of First Lien Notes Claims shall have received recovery in full pursuant to the terms of this Plan, the holders of First Lien Notes shall not have any claims (including, without limitation, for turnover of payments) against the holders of Second Lien Notes (or the Second Lien Indenture Trustee or the Second Lien Collateral Agent) under the existing Intercreditor Agreement in any way arising from, relating to or as a result of the Debtors' restructuring (including, without limitation, of the First Lien Notes and Second Lien Notes), the Plan (including, without limitation, the treatment of the existing First Lien Notes Claims or Second Lien Notes Claims under the Plan or the making of distributions to the holders of the existing First Lien Notes Claims or Second Lien Notes Claims in accordance with the Plan), the distribution of property by the Debtors under the Plan, any related document or any order of the Bankruptcy Court, or any other transaction, agreement, event, omission or other occurrence taking place on or before the Effective Date related or relating to any of the foregoing, including without limitation the payment of any reasonable and documented out-of-pocket fees or expenses of the advisors to the Ad Hoc Second Lien Notes Group or the payment of the Second Lien Notes Indenture Trustee Fees, which payments shall be

final and not subject to disgorgement, turnover, recovery, avoidance, recharacterization or any other similar claim.

Prior to Effective Date, the Debtors shall not agree to any settlement with holders of the First Lien Notes Claims as to the treatment of such First Lien Notes Claims under this Plan that does not provide for a full release from any and all claims (including, without limitation, for turnover of payments) held by such settling holders of such First Lien Notes Claims against the holders of the Second Liens Notes Claims pursuant to the applicable Intercreditor Agreement.

HH. *General Unsecured Claims Trust*

1. Creation of General Unsecured Claims Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the General Unsecured Claims Trust in accordance with the Plan and the General Unsecured Claims Trust Documents. As of the Effective Date, the General Unsecured Claims Trust Documents shall be executed by the Debtors and the General Unsecured Claims Trustee, as applicable, and the General Unsecured Claims Trust shall be created. The General Unsecured Claims Trust will satisfy any applicable requirements to constitute a “qualified settlement fund” within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the General Unsecured Claims Trust and implementation of the UCC Settlement shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of General Unsecured Claims and Trade Claims to be assumed by the General Unsecured Claims Trust. The purpose of the General Unsecured Claims Trust shall be to, among other things: (1) resolve all Claims assumed thereby in accordance with the Plan, the General Unsecured Claims Trust Documents, and the Confirmation Order (but not, for the avoidance of doubt, (a) the Share Repurchase Claims, which will be liquidated by the Opioid MDT II or (b) any Claims to the extent and for so long as they are asserted as any other classification or status of Claims except General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust under Article IV.HH.7 of the Plan); (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the General Unsecured Claims Trust for use in resolving Claims assumed thereby; (3) enforce, pursue, prosecute, compromise, and/or settle the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims; (4) pay all GUC Trust Expenses as provided in the General Unsecured Claims Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the General Unsecured Claims Trust, including the fees and expenses of any professionals retained by the General Unsecured Claims Trust; and (6) qualify at all times as a qualified settlement fund.

3. Transferability of General Unsecured Claim Trust Distribution Rights

Any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, or the General Unsecured Claims Trust, as applicable. Further, any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall be nontransferable and nonassignable

except by will, intestate, succession, or operation of law or as otherwise provided in the Plan or any of the General Unsecured Claims Trust Documents. Any rights to receive a Distribution or other payment from the General Unsecured Claims Trust shall not constitute “securities” and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute “securities,” the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the General Unsecured Claims Trust

The General Unsecured Claims Trust shall be funded solely by the General Unsecured Claims Trust Consideration. On the Effective Date, the obligations to provide the General Unsecured Claims Trust Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the General Unsecured Claims Trust Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. Other than the obligation to provide the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust, the Debtors, the Reorganized Debtors, and the Estates shall have no obligation to make any payment on account of any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust.

The Reorganized Debtors shall market the StrataGraft priority review voucher at a time to be determined by the Reorganized Debtors’ board of directors. The Reorganized Debtors shall have sole discretion and control over the marketing and sale of the Stratagraft priority review voucher but shall provide the General Unsecured Claims Trustee with timely updates regarding all aspects of the marketing of the StrataGraft priority review voucher, and the General Unsecured Claims Trustee shall be entitled to reasonable consultation rights in respect of such marketing.

5. GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims to the General Unsecured Claims Trust; *provided*, that the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the General Unsecured Claims Trust) on account of any GUC Assigned Preference Claims or GUC Assigned Sucampo Avoidance Claims shall be enjoined and barred. In addition, the General Unsecured Claims Trust may obtain other consideration from third parties post-emergence, including but not limited to claims assigned by creditors, subject to the reasonable consent right of the Debtors or Reorganized Debtors, and the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with such other third-party consideration on the same terms as set forth in this Article IV.HH.

On and after the Effective Date, the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with the General Unsecured Claims Trust’s investigation, preservation, pursuit, and securing of the GUC Assigned Sucampo Avoidance Claims, including by providing non-privileged information (including, without limitation, data, documents, emails, and access to individuals with information) related to the GUC Assigned Sucampo Avoidance Claims, at the reasonable request of the General Unsecured Claims Trust. The General Unsecured Claims Trust shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date.

Any request by the General Unsecured Claims Trust for cooperation by the Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the General Unsecured Claims Trust Consideration in the General Unsecured Claims Trust

On the Effective Date, pursuant to the Plan and in accordance with the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust Consideration shall be transferred or issued to and vest in the General Unsecured Claims Trust free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Claims assumed by the General Unsecured Claims Trust). The General Unsecured Claims Trust shall have no liability for, and the General Unsecured Claims Trust Consideration shall vest in the General Unsecured Claims Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Claims assumed by the General Unsecured Claims Trust. From and after the Effective Date, all proceeds of the General Unsecured Claims Trust Consideration shall be paid to the General Unsecured Claims Trust to be applied in accordance with the General Unsecured Claims Trust Documents. For the avoidance of doubt, the Asbestos Cost Sharing Agreement shall be excluded from the General Unsecured Claims Trust and remain with the Reorganized Debtors.

7. Assumption of Certain Liability and Responsibility by the General Unsecured Claims Trust

In consideration for the property transferred to the General Unsecured Claims Trust and in furtherance of the purposes of the General Unsecured Claims Trust and the Plan, the General Unsecured Claims Trust shall assume all liability and responsibility, financial and otherwise, for (a) all General Unsecured Claims and (b) any Trade Claim, the Holder of which votes to reject the Plan or does not agree to maintain Favorable Trade Terms in accordance with the requirements set forth in the Disclosure Statement Order. The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the General Unsecured Claims Trust. Except as otherwise provided in the Plan and the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

8. Administration of General Unsecured Claims and Trade Claims Assumed by the General Unsecured Claims Trust

All Claims assumed by the General Unsecured Claims Trust will be administered, liquidated and discharged pursuant to the applicable General Unsecured Claims Trust Documents. Distributions in respect of Allowed Claims assumed by the General Unsecured Claims Trust shall be made by the General Unsecured Claims Trustee(s), in accordance with the General Unsecured Claims Trust Documents from the General Unsecured Claims Trust. Distributions from the General Unsecured Claims Trust shall be the sole source of recovery for Holders of Allowed Claims assumed by the General Unsecured Claims Trust pursuant to the Plan, and no Holder of any such Claim shall have any other or further recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Claims shall have no recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

Other than as described below, only the General Unsecured Claims Trustee shall be entitled to object to the General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. Any objections to such Claims shall be served and filed by the General Unsecured Claims Trustee on or before the later of (a) two-hundred and seventy (270) days after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The General Unsecured Claims Trustee shall be entitled to use omnibus objections in compliance with Local Rule 3007-1, in addition to any procedures set forth in the General Unsecured Claims Trust Documents, and may seek Bankruptcy Court approval to establish additional objection, estimation, or other claims reconciliation procedures as the General Unsecured Claims Trustee believes appropriate.

Notwithstanding anything to the contrary in the foregoing paragraph: (x) any settlement that results in allowance of any Acthar Claims shall require the consent of the Debtors (such consent not to be unreasonably withheld, conditioned, or delayed) and shall not include any direct or indirect admission of fault or liability as to the Debtors, the Reorganized Debtors, or any Released Party and shall not include any terms that allow for, establish, or tend to establish any legal or factual predicate for postpetition or post-Effective Date claims, liabilities, or obligations, including as to any form of legal or equitable relief, against the Debtors, the Reorganized Debtors, or any Released Party; (y) if, after the Effective Date, the merits of any Acthar Claim are to be the subject of litigation (as opposed to being settled or resolved without litigation), the Reorganized Debtors shall have the right to control the defense of any such Acthar Claim, as well as any settlement thereof (with the reasonable consent and at the expense of the General Unsecured Claims Trust); and (z) (i) all administrative, secured, and priority claims, including any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust a portion of which is asserted to be an administrative, secured, or priority claim and (ii) any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust that seeks injunctive relief shall be resolved by the Debtors in accordance with the terms, provisions, and procedures of the Plan, provided, however, that if such General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust is later determined not to be an administrative, secured, or priority claim, or any request for injunctive relief therein has been dismissed, such Claim shall be resolved by the General Unsecured Claims Trust in accordance with the terms, provisions, and procedures of the General Unsecured Claims Trust Documents and shall be controlled by the General Unsecured Claims Trustee(s), with the reasonable consent of the Debtors' *provided*, that the Debtors or the Reorganized Debtors shall not seek to allow a General Unsecured Claim that has been reclassified in accordance with clause (z).

9. Institution of Maintenance of Legal and Other Proceedings by General Unsecured Claims Trust; Cooperation

As of the date upon which the General Unsecured Claims Trust is established, the General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all legal actions and other proceedings related to any asset, liability, or responsibility of the General Unsecured Claims Trust, including in respect of the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims. The General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary or appropriate by the General Unsecured Claims Trust Trustee(s). The General Unsecured Claims Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other charges incurred subsequent to the date upon which the General Unsecured Claims Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

The General Unsecured Claims Trust shall be authorized to conduct examinations under Bankruptcy Rule 2004, to the fullest extent permitted thereunder, to investigate the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, without the requirement of filing a

motion for such authorization; *provided, however*, that no such examinations shall be taken of the Debtors, the Reorganized Debtors, any Released Party, or any of their respective then-current employees, officers, directors, representatives, or agents, without further order of the Bankruptcy Court after notice and an opportunity to object and be heard.

Before and after the Effective Date, the Debtors or the Reorganized Debtors (as applicable) shall provide reasonable cooperation to the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust (as applicable) in connection with the investigation and preservation of the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, including by providing information (including, without limitation, documents, emails, and access to individuals with information), at the reasonable request of professionals retained by the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust on the terms set forth in the GUC Trust Cooperation Agreement.

II. *Asbestos Trust*

1. Creation of Asbestos Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the Asbestos Trust in accordance with the Plan and the Asbestos Trust Documents. As of the Effective Date, the Asbestos Trust Documents shall be executed by the Debtors and the Asbestos Trustee, as applicable, and the Asbestos Trust shall be created. The Asbestos Trust will satisfy any applicable requirements to constitute a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the Asbestos Trust shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of Asbestos Claims. The purpose of the Asbestos Trust shall be to, among other things: (1) resolve all Asbestos Claims assumed thereby in accordance with the Plan, the Asbestos Trust Documents, and the Confirmation Order; (2) preserve, hold, collect, manage, and maximize the assets of the Asbestos Trust for use in resolving Asbestos Claims; (3) pay all Asbestos Trust Expenses as provided in the Asbestos Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (4) pay any and all administration and operating expenses of the Asbestos Trust, including the fees and expenses of any professionals retained by the Asbestos Trust; and (5) qualify at all times as a qualified settlement fund.

3. Transferability of Asbestos Trust Distribution Rights

Any right of a Holder of any Asbestos Claim to receive a distribution or other payment from the Asbestos Trust shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, or the Asbestos Trust, as applicable. Further, any right of a Holder of any Asbestos Claim to receive a distribution or other payment from the Asbestos Trust shall be nontransferable and nonassignable except by will, intestate, succession, or operation of law. Any rights to receive a Distribution or other payment from the Asbestos Trust shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the Asbestos Trust

The Asbestos Trust shall be funded solely by the Asbestos Trust Consideration, which shall be funded by the General Unsecured Claims Trust. On the Effective Date, the obligations of the General Unsecured Claims Trust to provide the Asbestos Trust Consideration shall constitute legal, valid, binding, and authorized obligations, enforceable in accordance with the terms hereof. The Asbestos Trust shall have no liability for, and the Asbestos Trust Consideration shall vest in the Asbestos Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Asbestos Claims. From and after the Effective Date, all Asbestos Trust Consideration paid to the Asbestos Trust shall be applied in accordance with the Asbestos Trust Documents. The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the Asbestos Trust. Except as otherwise provided in the Plan and the Asbestos Trust Documents, the Asbestos Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Asbestos Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

For the avoidance of doubt, the defense of any new litigations or claims concerning asbestos commenced against the Reorganized Debtors after the Effective Date will be the responsibility of the Reorganized Debtors, *provided* that the foregoing should not be construed as a waiver of any defense the Reorganized Debtors may have thereto, including that any liability in such litigations or claims are discharged pursuant to the Plan and the Confirmation Order. If any such new litigations or claims result in the filing of Proofs of Claim in the Bankruptcy Court, such Proofs of Claim shall be Asbestos Late Claims, and not Asbestos Claims.

JJ. *Other Terms of Settlement With Official Committee of Unsecured Creditors*

On the Effective Date or as soon as reasonably practicable thereafter and upon presentment of invoices in customary form (which may be redacted to preserve any confidential or privileged information), the Reorganized Debtors shall pay in Cash all reasonable, documented, out-of-pocket fees, expenses, and disbursements incurred by the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee (including reasonable and documented professional fees, expenses, and disbursements) whether prior to or after the Petition Date, but on or prior to the Effective Date in connection with the consummation of the Plan and occurrence of the Effective Date, without the need for application by any party to the Bankruptcy Court, and without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. *Assumption of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumption of the Restructuring Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Restructuring Support Agreement shall be binding and enforceable against the parties to the Restructuring Support Agreement in accordance with its terms. For the avoidance of doubt, the assumption of the Restructuring Support Agreement herein shall not otherwise modify, alter, amend, or supersede any of the terms or conditions of the Restructuring Support Agreement including, without limitation, any termination events or provisions thereunder.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease or the execution of any other Restructuring Transaction (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. For the avoidance of doubt, consummation of the Restructuring Transactions shall not be deemed an assignment of any Executory Contract or Unexpired Lease of the Debtors, notwithstanding any change in name, organizational form, or jurisdiction of organization of any Debtor in connection with the occurrence of the Effective Date.

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the Debtors or Reorganized Debtors, as applicable, reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion prior to the Confirmation Date (or such later date as may be permitted by Article V.B or Article V.E below), *provided* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

B. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Cost in Cash on the Effective Date or as soon as reasonably practicable, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree. No later than the Plan Supplement Filing Date, to the extent not previously Filed with the Bankruptcy Court and served on affected counterparties, the Debtors shall provide notices of the proposed assumption and proposed Cure Costs to be sent to applicable counterparties, together with procedures for objecting thereto and for resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related Cure Cost must be Filed, served, and actually received by the Debtors by the date on which objections to confirmation are due (or such other date as may be provided in the applicable assumption notice).

Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Cost will be deemed to have assented to such assumption and Cure Cost. Any timely objection to a proposed assumption or Cure Cost will be scheduled to be heard by the Bankruptcy Court at the Reorganized Debtors' first scheduled omnibus hearing after the date that is ten (10) days after the date on which such objection is Filed. In the event of a dispute regarding (1) the amount of any Cure Cost, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365(b) of the Bankruptcy Code under any Executory Contract or the Unexpired Lease, and/or (3) any other matter pertaining to assumption and/or assignment, then such dispute shall be resolved by a Final Order; *provided* that the Debtors or Reorganized Debtors may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court; *provided, further*, that notwithstanding anything to the contrary herein (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors reserve the right to reject any Executory Contract or Unexpired Lease previously designated for assumption within forty five (45) days after the entry of a Final Order resolving an objection to the assumption or to the proposed Cure Cost.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full satisfaction and cure of any Claims and defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, under any assumed Executory Contract or Unexpired Lease arising at any time prior to the effective date of assumption. Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, will continue to honor all postpetition and post-Effective Date obligations under any assumed Executory Contracts and Unexpired Leases in accordance with their terms, regardless of whether such obligations are listed as a Cure Cost, and whether such obligations accrued prior to or after the Effective Date, and neither the payment of Cure Costs nor entry of the Confirmation Order shall be deemed to release the Debtors or the Reorganized Debtors, as applicable, from such obligations.

C. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, and except as otherwise provided in this section of or otherwise in the Plan, any Proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Effective Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease). **Any Proofs of Claim arising from the rejection of the Executory Contracts and Unexpired Leases that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall constitute

General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan; *provided*, however, as set forth in Article V.G. of this Plan, any Claims arising out of the rejection of an Executory Contract that are Co-Defendant Claims shall be either Other Opioid Claims or No Recovery Opioid Claims, and shall be treated in accordance with the Plan, and the deadline for the filing of Proofs of Claim arising out of the rejection of an Executory Contract or Unexpired Lease set forth in this Article V.C. shall not apply with respect to any Co-Defendant Claim.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, will be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) will survive and remain unaffected by entry of the Confirmation Order.

E. *Reservation of Rights*

Neither anything contained in the Plan nor the Debtors' delivery of a notice of proposed assumption and proposed Cure Cost to any contract and lease counterparties shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.C of the Plan.

F. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

G. *Co-Defendant Contracts*

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), the assumption of any contract or lease under the Plan, the non-Debtor counterparty to which is a Released Co-Defendant, shall (a) release any Causes of Action on account of any and all terms or provisions of such contract or lease solely to the extent such terms or provisions create an obligation of any

party thereto (or any assignee thereof), or give rise to a right in favor of any non-Debtor under any Opioid Insurance Policy or any other insurance policy of any Protected Party, for the indemnification or reimbursement of any Person for costs, losses, damages, fees, expenses or any other amounts whatsoever relating to or arising from any actual or potential opioid-related litigation or dispute, whether accrued or unaccrued, asserted or unasserted, existing or hereinafter arising, based on or relating to, or in any manner arising from, in whole or in part, Opioid-Related Activities or other conduct occurring prior to the Effective Date; and (b) constitute (i) a release by each party of each other counterparty (and any assignee thereof or successor thereto), including a mutual release between (x) each non-Debtor counterparty to the contract and its Co-Defendant Related Parties and (y) the Debtor counterparty to the contract and the Protected Parties, (ii) a release by each non-Debtor party of all Insurers, in the case of (i) and (ii), from any and all Causes of Action and other rights of recovery arising under or relating to such indemnification and reimbursement rights to the extent relating to any conduct occurring prior to the Effective Date, and (iii) an agreement by each non-Debtor counterparty to the contract and its Co-Defendant Related Parties to release any and all Co-Defendant Claims held by such parties against any Protected Parties. On the Effective Date, all Co-Defendant Claims arising under or related to any such assumed or assumed and assigned contract or lease, the non-Debtor counterparty to which is a Released Co-Defendant, shall be released and discharged with no consideration on account thereof, and all Proofs of Claim in respect thereof shall be deemed expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person. To the extent that any court of competent jurisdiction later determines that the releases granted by any Released Co-Defendant or its Co-Defendant Related Parties hereunder are unenforceable, such Person shall not be considered a Released Co-Defendant or Co-Defendant Related Party and shall not be Released Parties for any purpose under this Plan. Any and all Claims and Causes of Action against such Co-Defendant and its Co-Defendant Related Parties shall be Assigned Third-Party Claims, in such event.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors assume any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Co-Defendant Claims shall not be channeled to the Opioid MDT II or the Opioid Creditor Trusts and (ii) the Debtors' Claims and Causes of Action against such Co-Defendant shall be Retained Causes of Action and vest in the Reorganized Debtors and, for the avoidance of doubt, will not be Assigned Third-Party Claims or otherwise assigned to the Opioid MDT II.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors reject any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Opioid Claims shall be channeled to the Opioid MDT II as either No-Recovery Opioid Claims or Other Opioid Claims, unless such Opioid Claims are correctly classified in another class of Opioid Claims, and (ii) all Claims and Causes of Action against such Co-Defendant that would otherwise be considered Assigned Third-Party Claims shall be Assigned Third-Party Claims.

For the avoidance of doubt, unless otherwise agreed by the counterparty to any assumed or assumed and assigned contract or lease, the foregoing shall not release or otherwise modify any term or provision of such contract or lease to the extent of any indemnification or reimbursement rights (i) accruing after the Effective Date for conduct occurring after the Effective Date, (ii) for any amounts, if any, due to a Co-Defendant as a result of the New York Opioid Stewardship Act (2018 N.Y. Sess. Laws, ch. 57, pt. NN 7 (codified at N.Y. Pub. Health Law § 3323 and N.Y. State Fin. Law § 97-aaaaa)) or (iii) for any Co-Defendant Surviving Pre-Effective Date Claim. Notwithstanding the release, satisfaction, expungement

and extinguishment of Co-Defendant Claims, a Co-Defendant retains its Co-Defendant Defensive Rights, which includes the ability to recover from Persons that are not Protected Parties or from any insurance policies that are not Opioid Insurance Policies or other insurance policies of Protected Parties. The counterparty to such contract or lease and all other applicable Persons shall be bound by the terms set forth in this Article V.G.

H. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of the Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in the Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, will be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring, the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration or similar provisions therein. No counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately prior to such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided* that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. *Distribution on Account of Claims Other than Opioid Claims Allowed as of the Effective Date*

Except as otherwise provided in the Plan or a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Claims other than Opioid Claims Allowed on or before the Effective Date shall be made on the Initial Distribution Date; *provided* that (1) Allowed Administrative

Claims with respect to liabilities incurred by the Debtors in the ordinary course of business shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business or industry practice, (2) Allowed Priority Tax Claims shall be satisfied in accordance with Article II.B herein, (3) Allowed Other Priority Claims shall be satisfied in accordance with Article II.C herein, and (4) Allowed General Unsecured Claims and Allowed Trade Claims that would not come due in the ordinary course of the Debtors' business until after the Initial Distribution Date shall be paid by the Reorganized Debtors in the ordinary course of business; *provided, further*, that all Initial Distribution Date distributions are subject to the Disputed General Unsecured Claims Reserve in accordance with Article VII.H of the Plan. For the avoidance of doubt, the Debtors' obligation to make any distributions on account of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust will be satisfied by the transfer of the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust.

B. Distributions on Account of Claims Other than Opioid Claims Allowed After the Effective Date

1. Payments and Distributions on Disputed Claims

Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions on account of Disputed Claims other than Opioid Claims that become Allowed after the Effective Date shall be made on the next Periodic Distribution Date that is at least thirty (30) days after the Disputed Claim becomes an Allowed Claim; *provided* that (a) Disputed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business that become Allowed after the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (b) Disputed Priority Tax Claims that become Allowed Priority Tax Claims after the Effective date shall be treated as Allowed Priority Tax Claims in accordance with Article II.B of the Plan, and (c) Disputed Other Priority Claims that become Allowed Other Priority Claims after the Effective Date shall be treated as Allowed Other Priority Claims in accordance with Article II.C of the Plan.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order.

C. Timing and Calculation of Amounts to Be Distributed

Except as otherwise provided herein, on the Initial Distribution Date each Holder of an Allowed Claim other than an Opioid Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. If and to the extent that any Disputed Claims exist, distributions on account of such Disputed Claims shall be made pursuant to Article VI.B and Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

D. Delivery of Distributions

1. Record Date for Distributions

For purposes of making distributions on the Initial Distribution Date only, the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims other than Opioid Claims

reflected in the Debtors' books and records as of the close of business on the Confirmation Date; *provided, however*, that such record date will not apply to any distributions related to the First Lien Notes, Second Lien Notes, or Guaranteed Unsecured Notes maintained through DTC, and the record date for Holders of Allowed First Lien Term Loan Claims shall be the Effective Date. Subject to the foregoing sentence, if a Claim other than an Opioid Claim is transferred (a) twenty-one (21) or more days before the Confirmation Date and reasonably satisfactory documentation evidencing such transfer is Filed with the Bankruptcy Court before the Confirmation Date, the Distribution Agent shall make the applicable distributions to the applicable transferee, or (b) twenty (20) or fewer days before the Confirmation Date, the Distribution Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form is Filed with the Bankruptcy Court before the Confirmation Date and contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General

Except as otherwise provided in the Plan, the Distribution Agent shall make distributions to Holders of Allowed Claims other than Opioid Claims at the address for each such Holder as indicated in the Debtors' records as of the date of any such distribution, including the address set forth in any Proof of Claim Filed by that Holder or, with respect to Holders of Allowed First Lien Term Loan Claims, the address recorded as of the Effective Date in the register maintained by the First Lien Agent, as applicable; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Distributions by Distribution Agents

The Debtors and the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Distribution Agents to facilitate the distributions required hereunder. Except in the case of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee, each serving as a Distribution Agent, to the extent the Debtors and the Reorganized Debtors, as applicable, determine to utilize a Distribution Agent to facilitate the distributions under the Plan to Holders of Allowed Claims other than Opioid Claims, Guaranteed Unsecured Notes Claims, 4.75% Unsecured Notes Claims, and Legacy Unsecured Notes Claims, any such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or distributions required under the Plan; and (c) waive any right or ability to setoff, deduct from or assert any lien or encumbrance against the distributions required under the Plan to be distributed by such Distribution Agent; *provided*, that no Distribution Agent (including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee) will be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

Distributions on account of the Allowed First Lien Term Loan Claims will be made to the First Lien Agent or the New Takeback Term Loan Agent, as applicable, and the First Lien Agent or the New Takeback Term Loan Agent (as applicable) will be, and will act as, the Distribution Agent with respect to the Allowed First Lien Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents. Distributions on account of the Allowed Second Lien Notes Claims will be made to or at the direction of the Second Lien Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee will be, and will act as, the Distribution Agent with respect to the Allowed Second Lien Notes Claims in accordance with the terms and conditions of this Plan and the Second Lien Notes Indenture.

The Debtors or the Reorganized Debtors, as applicable, shall pay to the Distribution Agents all reasonable and documented fees and expenses of the Distribution Agents without the need for any approvals, authorizations, actions, or consents. The Distribution Agents (other than the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy

Unsecured Notes Indenture Trustee) shall submit detailed invoices to the Debtors or the Reorganized Debtors, as applicable, for all fees and expenses for which the Distribution Agent seeks reimbursement and the Debtors or the Reorganized Debtors, as applicable, shall promptly pay those amounts that they, in their sole discretion, deem reasonable, and shall object in writing to those fees and expenses, if any, that the Debtors or the Reorganized Debtors, as applicable, deem to be unreasonable. In the event that the Debtors or the Reorganized Debtors, as applicable, object to all or any portion of the amounts requested to be reimbursed in a Distribution Agent's invoice, the Debtors or the Reorganized Debtors, as applicable, and such Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate payment of such disputed fees and/or expenses. In the event that the Debtors or the Reorganized Debtors, as applicable, and a Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

4. Distributions to Holders of Second Lien Notes Claims, Guaranteed Unsecured Notes Claims, 4.75% Notes Claims, and Legacy Unsecured Notes Claims

The distributions of Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be made under this Plan to Holders of Guaranteed Unsecured Notes Claims shall be deemed made by the Debtors or Reorganized Debtors, as applicable, to the Guaranteed Unsecured Notes Indenture Trustee which shall transmit (or cause to be transmitted) such distributions to such Holders as set forth below. Notwithstanding anything to the contrary in this Plan, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, may transfer or facilitate the transfer of such distributions through the facilities of DTC in exchange for the relevant Guaranteed Unsecured Notes. If it is necessary to adopt alternate, additional or supplemental distribution procedures for any reason including because such distributions cannot be made through the facilities of DTC, to otherwise effectuate the distributions under this Plan, the Debtors or Reorganized Debtors, as applicable, shall implement the Alternate/Supplemental Distribution Process. The Debtors or Reorganized Debtors (as applicable) shall use their best efforts to make the Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be distributed to Holders of the Guaranteed Unsecured Notes eligible for distribution through the facilities of DTC.

Distributions on account of the Guaranteed Unsecured Notes Claims, the 4.75% Unsecured Notes Claims, and the Legacy Unsecured Notes Claims will be made to or at the direction of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee, as applicable. As soon as practicable, each of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall arrange to deliver such distributions to or on behalf of such Holders in accordance with the Plan and the applicable debt documents, subject to the rights of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee to exercise any charging lien granted under the Guaranteed Unsecured Notes Indenture, the 4.75% Unsecured Notes Indenture, or Legacy Unsecured Notes Indenture, as applicable. None of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall incur any liability whatsoever on account of making any distributions in accordance with the Plan, whether such distributions are made by it, or by the Distribution Agent at its reasonable direction and whether made on or after the Effective Date.

The obligations of the Guaranteed Unsecured Notes Indenture Trustee under or in connection with this Plan, the Guaranteed Unsecured Notes Indentures, the Guaranteed Unsecured Notes, and any related notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents, shall be discharged and deemed fully satisfied upon the Effective Date. On and after the Effective Date, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as trustee, shall be appointed and act as a Distribution Agent with respect to the applicable Guaranteed Unsecured Notes Claims to facilitate the

distributions provided for in this Plan to the applicable Holders of Allowed Guaranteed Unsecured Notes Claims. The obligations of the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, under or in connection with this Plan shall be discharged and deemed fully satisfied (as applicable) upon either: (i) DTC's receipt of the distributions with respect to the Allowed Guaranteed Unsecured Notes Claims; or (ii) if the Alternate/Supplemental Distribution Process is utilized, upon the earlier of the completion of the Guaranteed Unsecured Notes Indenture Trustee's role in such process or in accordance with the terms of the Alternate/Supplemental Distribution Process and, in either case, the Guaranteed Unsecured Notes Indenture Trustee shall not, in any capacity, have liability to any person for having made, or facilitating the making of, the distributions through the foregoing items (i) and (ii). The Guaranteed Unsecured Notes Indenture Trustee, as a Distribution Agent under this Plan, will be entitled to recognize and deal with for all purposes the Holders of the Guaranteed Unsecured Notes to the extent necessary to facilitate the distributions with respect to Allowed Guaranteed Unsecured Notes Claims to such Holders. Regardless of in which capacity it is acting, the Guaranteed Unsecured Notes Indenture Trustee in any capacity shall not be responsible for, and may conclusively rely on, the Alternate/Supplemental Distribution Process.

The distributions to be made under this Plan to Holders of Second Lien Notes Claims shall be deemed completed when made to or at the direction of the Second Lien Notes Indentures Trustee, which shall be deemed to be the Holder of all Second Lien Notes Claims for purposes of distributions to be made hereunder, and the Second Lien Notes Indenture Trustee shall hold or direct such distributions for the benefit of the Holders of Second Lien Notes Claims. The Second Lien Notes Indenture Trustee may transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with Holders of the Second Lien Notes Claims, to the extent consistent with the customary practices of DTC. If the Second Lien Notes Indenture Trustee is unable to make, or consents to the Reorganized Debtors making, such distributions, the Reorganized Debtors, with the Second Lien Notes Indenture Trustee's cooperation, shall make such distributions to the extent practicable to do so. The Second Lien Notes Indenture Trustee shall have no duties or responsibilities relating to any form of distribution that is not DTC eligible and the Debtors or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of a Second Lien Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. Regardless of whether distributions to Holders of Second Lien Notes Claims are made by the Second Lien Notes Indenture Trustee, or at the reasonable direction of the Second Lien Notes Indenture Trustee, the Second Lien Notes Indenture Trustee's charging lien shall attach to such distributions in the same manner as if such distributions were made through the Second Lien Notes Indenture Trustee. The Second Lien Notes Indenture Trustee shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct.

Notwithstanding any policies, practices or procedures of DTC or any other applicable clearing system, DTC and all other applicable clearing systems shall cooperate with and take all actions reasonably requested by the Notice and Claims Agent, the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee to facilitate distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, and Allowed Second Lien Notes Claims, including without requiring that such distributions be characterized as repayments of principal or interest. No Distribution Agent, including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee in any capacity, shall be required to provide indemnification or other security to DTC in connection with any distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, or Allowed Second Lien Notes Claims through the facilities of DTC.

5. Minimum Distributions

Notwithstanding anything herein to the contrary, other than on account of Unimpaired Claims, the Reorganized Debtors and the Distribution Agents shall not be required to make distributions or payments of less than \$100 (whether Cash or otherwise) and shall not be required to make partial distributions or payments of fractions of dollars or distributions of fractions of a New Mallinckrodt Ordinary Share. Whenever any payment or distribution of a fraction of a dollar or a fraction of a New Mallinckrodt Ordinary Share would otherwise be called for, the actual payment or distribution will reflect a rounding down of such fraction to the nearest whole dollar or nearest whole New Mallinckrodt Ordinary Share.

6. Undeliverable Distributions

a. Holding of Certain Undeliverable Distributions

Undeliverable distributions shall remain in the possession of the Reorganized Debtors, subject to Article VI.D.5.b of the Plan, until such time as any such distributions become deliverable or are otherwise disposed of in accordance with applicable nonbankruptcy law. Undeliverable distributions shall not be entitled to any additional interest, dividends, or other accruals of any kind on account of their distribution being undeliverable. Nothing contained herein shall require the Reorganized Debtors to attempt to locate any Holder of an Allowed Claim.

b. Failure to Present Checks

Checks issued by the Reorganized Debtors (or their Distribution Agent) on account of Allowed Claims shall be null and void if not negotiated within 90 days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim with respect to which such check originally was issued.

E. *Compliance with Tax Requirements/Allocations*

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, including requiring as a condition to the receipt of a distribution, that the Holders of an Allowed Claim complete an IRS Form W-8 or W-9, as applicable. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts Other than Opioid Insurance Policies*

Notwithstanding anything to the contrary in the Plan, the Plan Supplement, the Disclosure Statement or the Confirmation Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

(a) on and after the Effective Date, all Insurance Contracts that are not the Opioid Insurance Policies (i) are found to be and shall be treated as, Executory Contracts under the Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (ii) shall vest in

the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts that are not the Opioid Insurance Policies and as to which no Proof of Claim, Administrative Claim or Cure Cost claim need be filed; and

(b) solely with respect to Insurance Contracts that are not Opioid Insurance Policies, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in the Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (i) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (ii) Insurers to administer, handle, defend, settle and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (A) workers' compensation claims, (B) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in the Plan to proceed with its claim, and (C) all costs in relation to each of the foregoing; and (iii) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts other than Opioid Insurance Policies, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts other than Opioid Insurance Policies and/or applicable non-bankruptcy law. For the avoidance of doubt, this Article VI.F shall not apply to Opioid Insurance Policies and Opioid Claims.

G. *Distributions on Account of Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VI.A through VI.F (except as set forth in the last sentence of Article VI.E) shall not apply to any Opioid Claims, and all distributions to Holders of Opioid Claims (including Opioid Demands) shall be made by and from the Opioid MDT II and the Opioid Creditor Trusts in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

H. *Allocation of Distributions Between Principal and Interest*

Except with respect to the 2024 First Lien Term Loan Claims and the 2025 First Lien Term Loan Claims and as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

I. *Postpetition Interest on Claims*

Notwithstanding anything else in this Plan or the Confirmation Order, postpetition interest shall accrue and be paid on the First Lien Revolving Credit Facility Claims, the First Lien Term Loan Claims, the First Lien Notes Claims, and the Second Lien Notes Claims as set forth in the Plan. Unless otherwise specifically provided for in this Plan (including the preceding sentence and Article II.B.2 of the Plan), the

Confirmation Order, the Cash Collateral Order, or Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any other Claims and no Holder of any other Claims shall be entitled to interest accruing on or after the Petition Date on any Claim.

Article VII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *Allowance and Disallowance of Claims Other than Opioid Claims*

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim other than Opioid Claims and any other Claims Allowed under this Plan (including the First Lien Term Loan Claims), including the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim other than Opioid Claims or contingent or unliquidated Claim other than Opioid Claims in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

B. *Prosecution of Objections to Claims other than Opioid Claims*

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Debtors shall have the authority to File objections to Claims (other than Claims that are Allowed under this Plan or Opioid Claims) and settle, compromise, withdraw, or litigate to judgment objections to any and all such Claims, regardless of whether such Claims are in an Unimpaired Class or otherwise; *provided, however*, this provision shall not apply to Professional Fee Claims, which may be objected to by any party-in-interest in these Chapter 11 Cases. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim other than Opioid Claims without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors shall have the sole authority to administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. The General Unsecured Claims Trustee shall be required to notify the Reorganized Debtors simultaneously with the Notice and Claims Agent of any adjustments to be made to the Claims Register.

C. *Estimation of Claims and Interests other than Opioid Claims*

Before or after the Effective Date, the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim other than any Opioid Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection; and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or during the appeal relating to such objection; *provided* that if the Bankruptcy Court resolves the Allowed amount of a Claim, the Debtors and Reorganized Debtors, as applicable, shall not be permitted to seek an estimation of such Claim. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the

Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim subject to applicable law. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

D. *No Distributions Pending Allowance*

If any portion of a Claim other than an Opioid Claim is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Claim becomes an Allowed Claim.

E. *Time to File Objections to Administrative Claims*

Any objections to Administrative Claims shall be Filed on or before the Administrative Claims Objection Deadline, subject to any extensions thereof approved by the Bankruptcy Court.

F. *Procedures Regarding Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VII.A through VII.E shall not apply to any Opioid Claims, and all procedures for resolving contingent, unliquidated, and disputed Opioid Claims (including Opioid Demands) shall be governed by the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

G. *No Filing of Proofs of Claim for Opioid Claims or VI Opioid Claims*

Except as otherwise provided in the Plan, Holders of Opioid Claims or VI Opioid Claims shall not be required to File a Proof of Claim or a request for payment of an Administrative Claim on account of such Holder's Opioid Claims or VI Opioid Claims, and no such Holders should File such a Proof of Claim or such request for payment; *provided, however*, that a Holder of an Opioid Claim or VI Opioid Claim that wishes to assert Claims against the Debtors that are not Opioid Claims or VI Opioid Claims must File a Proof of Claim or a request for payment of an Administrative Claim with respect to such Claims which are not Opioid Claims or VI Opioid Claims on or before the applicable Claims Bar Date. The Opioid MDT II and Opioid Creditor Trusts will make distributions on account of Opioid Claims in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable. Within sixty (60) days after the Effective Date, the Reorganized Debtors shall File a report identifying all Proofs of Claim that are reasonably determined by the Debtors, in consultation with the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, and the Opioid MDT II Trustee(s), to be on account of any Opioid Claim, and upon the Filing of such report and notice to the Holders of such Proofs of Claim who shall have 14 days to object to such determination, all identified Proofs of Claim shall be deemed withdrawn and removed from the applicable claims register; *provided* that Proofs of Claim on account of Opioid Claims filed after the Effective Date shall automatically be deemed withdrawn and expunged; *provided, further*, that upon a motion and hearing with notice to the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, the Opioid MDT II Trustee(s), and, solely in the case of clause (b) below, the Holders of affected Proofs of Claim, the Debtors (a) may seek an extension to the deadline to File such report from the Bankruptcy Court and (b) may seek determination by the Bankruptcy Court that any Proof of Claim is on account of any Opioid Claim.

H. *Distributions After Allowance*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim. For the avoidance of doubt, this section of the Plan does not apply to General Unsecured Claims or Trade Claims assumed by the General Unsecured Claims Trust. The Debtors will retain the Trade Claim Cash Pool Unallocated Amount once all Allowed Trade Claims are satisfied in full.

I. *Disallowance of Certain First Lien Credit Agreement Claims, First Lien Notes Claims, and Second Lien Notes Claims.*

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the following Claims shall be disallowed on the Effective Date except as otherwise ordered by a Final Order of the Bankruptcy Court before the Effective Date: (a) any First Lien Credit Agreement Claims (i) for default rate interest under Section 2.13(c) of the First Lien Credit Agreement in excess of the non-default rate applicable under Sections 2.13(a) or (b) of the First Lien Credit Agreement, or (ii) for interest based on the asserted conversion of any “Eurocurrency Borrowing” to an “ABR Borrowing” (each as defined in the First Lien Credit Agreement) under Section 2.07(e) of the First Lien Credit Agreement, to the extent such interest exceeds the interest payable on such borrowing as a Eurocurrency Borrowing; *provided* that, notwithstanding the foregoing, the Allowed First Lien Revolving Credit Facility Claims and the Allowed First Lien Term Loan Claims shall include the applicable amount of First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest, respectively, and such First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest shall not be subject to disallowance; *provided further* that notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the First Lien Credit Agreement, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order during the Chapter 11 Cases to the First Lien Revolving Lenders, the First Lien Term Lenders and their respective agents and professionals shall be retained by the First Lien Revolving Lenders, the First Lien Term Lenders and such agents and professionals, as applicable, and not recharacterized as principal payments (other than payments of principal made on or prior to April 23, 2021 and First Lien Term Loan Principal Payments) or otherwise subject to disgorgement, recovery, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the First Lien Revolving Credit Facility Claims or the First Lien Term Loan Claims, as applicable (b) any First Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the First Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the First Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the First Lien Notes Indenture; (c) any Second Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any “Applicable Premium” (as defined in the Second Lien Notes Indenture) or optional redemption premium, (ii) for any “Additional Amounts” (as defined in the Second Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the Second Lien Notes Indenture; and (d) any Claims for payment of any amounts payable pursuant to the Cash Collateral Order arising after the Effective Date. The Debtors will file an objection to such Claims consistent with the foregoing in advance of the Confirmation Hearing, and the Bankruptcy Court’s determination of such objection shall be set forth in the Confirmation Order.

Article IX.

RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims, Opioid Demands, and Interests; Compromise and Settlement of Claims, Opioid Demands, and Interests.*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Opioid Claims, Opioid Demands, and Interests of any nature whatsoever, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, or rights against the Debtors, the Reorganized Debtors, or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, Opioid Claims, Opioid Demands, or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim, Opioid Claim, Opioid Demand, or Interest is Allowed; or (3) the Holder of such Claim, Opioid Claim, Opioid Demand, or Interest has accepted the Plan. For the avoidance of doubt, the Claims against the Debtors, the Reorganized Debtors, and any of their assets and properties discharged pursuant to the Plan shall include (y) any Claims to the extent based on any assertion that the *Wholesale Product Purchase Agreement* (as in effect immediately prior to the Effective Date and including any prior versions of such agreement) between Mallinckrodt ARD LLC and Priority Healthcare Distribution, Inc., and/or the Debtors’ (or any predecessor’s) pre-Effective Date performance thereunder consistent with its terms, constitute an anticompetitive agreement or other anticompetitive conduct under applicable law, and (z) any Claims based on pre-Effective Date sales of Acthar Gel to the extent based on any assertion that the Debtors’ (or any predecessor’s) acquisition by license and maintenance of any rights to Synacthen Depot and related assets constitute anticompetitive conduct under applicable law. Except as otherwise provided herein, any default by the Debtors with respect to any Claim, Opioid Claim, or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims, Opioid Demands, and Interests subject to the Effective Date occurring, except as otherwise expressly provided in the Plan. For the avoidance of doubt, nothing in this Article IX.A shall affect the rights of Holders of Claims and Interests to seek to enforce the Plan, including the distributions to which Holders of Allowed Claims and Interests may be entitled to under the Plan.

In consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Opioid Demands, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Opioid Demands, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromises or settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. The Co-Defendant Defensive Rights shall not be waived, released, altered, impaired, or discharged and all Co-Defendant Defensive Rights are preserved, as provided in Article IX.N of the Plan.

B. *Releases by the Debtors*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and the restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Debtors and the Estates from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any security or indebtedness of the debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, litigation claims arising from historical intercompany transactions between or among a Debtor and another Debtor, the business or contractual arrangements between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents (including providing any legal opinion requested by any Entity regarding any transaction,

contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims and Assigned Insurance Rights; *provided, further*, that the Debtors do not release Claims or Causes of Action against Released Co-Defendants that (i) are commercial in nature, and (ii) are unrelated to the Chapter 11 Cases or the subject matter of a Pending Opioid Action; *provided, further*, that the Debtors do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding anything to the contrary in the foregoing, (x) the releases by the Debtors set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan, and (y) with respect to the Released Co-Defendants, nothing in this Article IX.B shall release any Estate Surviving Pre-Effective Date Claim. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.B of the Plan. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.B of the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors set forth in Article IX.B of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court’s finding that such release is: (a) in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise

of the Claims released by the Debtor Release; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; and (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.B of the Plan.

C. *Releases by Non-Debtor Releasing Parties Other Than Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, except as otherwise explicitly provided herein, by the Non-Debtor Releasing Parties, in each case, from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such Holders or their Estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the purchase, sale, or rescission of the purchase or sale of any Security or indebtedness of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, litigation claims arising from historical intercompany transactions between or among a Debtor and another Debtor, the business or contractual arrangements or interactions between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trust, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the prepetition documents, the "agreement in

principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Released Party, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing, other than Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence or willful misconduct. For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to Article IX.C of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Non-Debtor Releasing Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Released Parties for purposes of this Article IX.C. As a matter of clarification, the claims released by the Released Co-Defendants pursuant to Article IX.C shall not include any counterclaims, cross claims or other claims not directly arising from Mallinckrodt’s restructuring or these chapter 11 cases that the Released Co-Defendants may have against any Released Party in connection with any Pending Opioid Action or future action similar thereto, including any pending or future Opioid Action involving Mallinckrodt.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any criminal liability of a Released Party to a Governmental Unit arising out of, or relating to, any act or omission of a Released Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act; (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date; or (z) preclude the Governmental Units that are plaintiffs in *Connecticut et al., v. Sandoz, Inc. et al.*, Case No. 2:20-cv-03539 (E.D. Pa.) from seeking injunctive relief in such pending action governing future conduct of the Debtors or the Reorganized Debtors, as applicable, that would not otherwise be discharged under the Bankruptcy Code. It is further understood and agreed that, pursuant to clause (z), the Governmental Units are not precluded from introducing or relying on facts or evidence occurring during the time period prior to the Confirmation Date in support of the request for future injunctive relief and the Debtors’ and Reorganized Debtors’ rights to object on any evidentiary grounds are reserved thereto.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, causes of action, proceeding or investigations against any non-Debtor person or non-Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Non-Debtor Releasing Parties set forth in Article IX.C of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) given in exchange for the good and valuable consideration provided by the Released Parties; (b) a good faith settlement and compromise of the Claims released by Article IX.C of the Plan; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.C of the Plan; (g) consensual; and (h) essential to the confirmation of the Plan.

D. *Releases by Holders of Opioid Claims*

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Protected Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, each Opioid Claimant (in its capacity as such) is deemed to have released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, each Debtor, Reorganized Debtor, and Protected Party from any and all Claims (including Opioid Claims and Opioid Demands), counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, or attorneys' fees and expenses whatsoever, including any derivative claims asserted, or assertable on behalf of the Debtors, or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of any other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Opioid Claims (including Opioid Demands), the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), intercompany transactions between or among a Debtor and another Debtor, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, or any contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract,

instrument, document, or other agreement contemplated by the Plan or the reliance by any Protected Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the “agreement in principle for global opioid settlement and associated debt refinancing activities” announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Protected Party, or upon any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above (a) do not release any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation and (b) with respect to Co-Defendants and their Co-Defendant Related Parties, do not affect or alter (x) any treatment expressly set forth in Article III or Article V.G. of the Plan, (y) the preservation of Co-Defendant Defensive Rights as set forth in the Plan, including, without limitation, in Article IX.N of the Plan, or (z) any related substantive language set forth in the defined terms applicable to the foregoing clauses (x) or (y), as set forth in Article I of the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release by Opioid Claimants. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Protected Parties under the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval, pursuant to Bankruptcy Rule 9019, of this release by Opioid Claimants, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court’s finding that this release is: (1) essential to the confirmation of the Plan; (2) given in exchange for the good and valuable consideration provided by the Protected Parties; (3) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (4) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to article IX.D of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any liability of a Protected Party to a Governmental Unit arising out of, or relating to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act perpetrated by the applicable Protected Party; or (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date.

E. *Release of Opioid Claimants*

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, in each case solely in their respective capacities as such, shall be deemed conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Protected Parties from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Protected Parties are, were, would have been, or will be legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived) based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of

confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, or the distribution of property under the Plan or any other related agreement, Pending Opioid Actions, the development, production, manufacture, licensing, labeling, marketing, advertising, promotion, distribution or sale of opioid-related products, any past use or misuse of any opioid sold by the Debtors or any of its affiliates, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided, however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims, Assigned Insurance Rights, and Share Repurchase Claims; *provided, further*, that the Protected Parties do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Holder of an Opioid Claim, Released Co-Defendant, or Co-Defendant Related Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct; *provided, further*, that nothing in this Article IX.E shall (a) release any Cause of Action the Protected Parties are entitled to assert that is both (i) contractual or commercial in nature and (ii) unrelated to the subject matter of Pending Opioid Actions, (b) release any Cause of Action the Debtors are entitled to assert, to the extent such Cause of Action is necessary for the administration and resolution of a Claim against a Debtor solely in accordance with the Plan, *provided, however*, that the foregoing clause (b) shall not apply to any Holder of a Co-Defendant Claim solely with respect to such Co-Defendant Claim, (c) release any claim or right of the Debtors or the Reorganized Debtors arising in the ordinary course of the Debtors' or Reorganized Debtors' business, including, without limitation, any such claim with respect to taxes, (d) be construed to impair in any way the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Definitive Documents, the Confirmation Order or the Restructuring Transactions, or (e) with respect to the Released Co-Defendants and their Co-Defendant Related Parties, nothing in this Article IX.E shall release any Estate Surviving Pre-Effective Date Claim. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this release of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, solely in their capacity as such, by the Protected Parties. Notwithstanding anything to the contrary in the foregoing, the releases by the Protected Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. For the avoidance doubt, the releases by the Protected Parties set forth in this Section IX.E shall not release any Holder of Opioid Claims from any specific Claim, counterclaim, dispute, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, lien, remedy, loss, contribution, indemnity, cost, liability, attorneys' fee or expense if such Holder of Opioid Claims, in its capacity other than as a Holder of Opioid Claims, has not released the applicable Protected Party from Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses arising from a common nucleus of operative facts.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.E of the Plan.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims,

causes of action, proceeding or investigations against any non-Debtor person or non- Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Protected Parties set forth in Article IX.E of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims; (b) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims released by the Protected Parties; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.E of the Plan; and (g) essential to the confirmation of the Plan.

F. *Exculpation*

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any person for any Claims or Causes of Action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, related to, or arising out of, the Chapter 11 Cases, formulating, negotiating, preparing, disseminating, implementing, filing, administering, confirming or effecting the confirmation or consummation of the Plan, the Disclosure Statement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto), or any contract, instrument, release or other agreement or document created or entered into in connection with any of the foregoing, or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the Disclosure Statement or confirmation or consummation of the Plan, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, or the Opioid Creditor Trust Documents, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; *provided, however*, that the foregoing provisions of this exculpation shall not operate to waive or release: (a) any Causes of Action arising from actual fraud, gross negligence, or willful misconduct of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (b) the rights of any person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; *provided, further*, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person or Entity.

G. *Permanent Injunction*

Except as otherwise expressly provided in the Confirmation Order or Plan, from and after the Effective Date all persons are, to the fullest extent provided under section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from: (a) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff, or subrogation of any kind; and (e) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Equity Interest or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Confirmation Order against any person so released, discharged or exculpated (or the property or estate of any person so released, discharged or exculpated). All injunctions or stays provided in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, or otherwise, and in existence on the confirmation date, shall remain in full force until the Effective Date. Article IX.G of the Plan shall not apply to Opioid Claims, which shall be subject to Article IX.H of the Plan.

H. *Opioid Permanent Channeling Injunction*

TERMS. Pursuant to section 105(a) of the Bankruptcy Code, from and after the Effective Date, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to this Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable, and such Opioid Claimant shall have no right whatsoever at any time to assert its Opioid Claims (including Opioid Demands) against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all Opioid Claimants, including Future Opioid PI Claimants, shall be permanently and forever stayed, restrained, barred, and enjoined from taking any of the following actions for the purpose of, directly or indirectly or derivatively collecting, recovering, or receiving payment of, on, or with respect to any Opioid Claim (including Opioid Demand) based upon or arising from the Debtors' pre-Effective Date conduct or activities other than from the Opioid MDT II or the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable:

- Commencing, conducting, or continuing in any manner, directly, indirectly or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;
- Enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering by any means or in any manner, whether directly or indirectly, any judgment, award, decree, or other order against any Protected Party or any property or interests in property of any Protected Party;

- Creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance against any Protected Party or any property or interests in property of any Protected Party;
- Setting off, seeking reimbursement of, contribution from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability owed to any Protected Party or any property or interests in property of any Protected Party; or
- Proceeding in any manner in any place with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Opioid MDT II or the Opioid Creditor Trusts, as applicable, except in conformity and compliance with the applicable Opioid MDT II Documents and Opioid Creditor Trust Documents.

RESERVATIONS. The foregoing injunction shall not stay, restrain, bar, or enjoin (a) the rights of Opioid Claimants to assert Opioid Claims (including Opioid Demands) against the Opioid MDT II or the Opioid Creditor Trusts, as applicable, solely in accordance with the Plan, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents, as applicable; and (b) the rights of Entities to assert any Claim, debt, obligation, or liability for payment of Trust Expenses against the Opioid MDT II.

MODIFICATIONS. There can be no modification, dissolution, or terminations of this Opioid Permanent Channeling Injunction, which shall be a permanent injunction.

NON-LIMITATION OF CHANNELING INJUNCTION. Nothing in the Plan, the Opioid MDT II Documents, or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability, or effectiveness of the Opioid Permanent Channeling Injunction issued in connection with the Plan.

BANKRUPTCY RULE 3016 COMPLIANCE. The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

I. Opioid Insurer Injunction.

TERMS. In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Opioid Insurer, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any

Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;

- c. creating, perfecting or enforcing in any manner any Lien of any kind against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any such Claim based on, arising under or attributable to an Opioid Insurance Policy.

2. **RESERVATIONS.** The provisions of this Opioid Insurer Injunction do not apply to the Opioid MDT II and shall not preclude the Opioid MDT II from pursuing any Claim based on, arising under, or attributable to an Opioid Insurance Policy (including the Assigned Insurance Rights) or any other Claim that may exist under any Opioid Insurance Policy against any Opioid Insurer, nor shall it enjoin the Opioid MDT II from prosecuting any action based on, arising from, or attributable to any Opioid Insurance Policy or from asserting any claim, debt, obligation, cause of action, or liability for payment against a Opioid Insurer based on, arising from, or attributable to any Opioid Insurance Policy (including the Assigned Insurance Rights). The provisions of this Opioid Insurer Injunction are not issued for the benefit of any Opioid Insurer, and no such insurer is a third-party beneficiary of this Opioid Insurer Injunction. For the avoidance of doubt, with respect to a Person that purports to be insured under any Opioid Insurance Policy, the Opioid Insurer Injunction shall enjoin only derivative claims and rights. Nothing in this Plan shall determine whether any Claim or right under any Opioid Insurance Policy is either derivative or direct, or otherwise would be disallowed or subordinated under the Bankruptcy Code, which determination shall be made, as necessary, to the extent such Claim or right is not otherwise released under this Plan, in accordance with applicable law.

3. **MODIFICATIONS.** To the extent the Opioid MDT II Trustees determine that some or all of the proceeds under the Opioid Insurance Policies are substantially unrecoverable by the Opioid MDT II, the Opioid MDT II shall have the sole and exclusive authority, upon written notice to any affected Opioid Insurer, to terminate, reduce, or limit the scope of this Opioid Insurer Injunction with respect to any Opioid Insurer, *provided* that any termination, reduction, or limitation of the Opioid Insurer Injunction (i) shall apply equally to all Classes of Opioid Claims, and (ii) shall comply with any procedures set forth in the Opioid MDT II Documents.

4. **NON-LIMITATION OF INSURER INJUNCTION.** Except as set forth in paragraph 2 and 3 of this Article, nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust

Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Opioid Insurer Injunction issued in connection with the Plan.

J. *Settling Opioid Insurer Injunction.*

1. **Terms.** In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Settling Opioid Insurer, solely to the extent that such Settling Opioid Insurer has been released from such Claim under such Opioid Insurance Policy pursuant to an Opioid Insurance Settlement, including:

- a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- c. creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;
- d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy; and
- e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such Opioid Insurance Policy.

2. **REDUCTION OF INSURANCE JUDGMENTS.** Any right, Claim, or cause of action that an insurance company may have been entitled to assert against any Settling Opioid Insurer but for the Settling Opioid Insurer Injunction, if any such right, Claim, or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim, or cause of action solely as a setoff claim against the Opioid MDT II and not against or in the name of the Settling Opioid Insurer in question. Any such right, Claim, or cause of action to which an insurance company may be entitled shall be solely in the form of a setoff against any recovery of the Opioid MDT II from that insurance company, and under no circumstances shall that insurance company receive an affirmative recovery of funds from the Opioid MDT II or any Settling Opioid Insurer for such right, Claim, or cause of action. In determining the amount of any setoff, the Opioid MDT II may assert any legal or equitable rights the

Settling Opioid Insurer would have had with respect to any right, Claim, or cause of action. Any Opioid Insurance Settlement for which Court approval is sought shall be sent out on notice pursuant to Bankruptcy Rule 9019.

3. **MODIFICATIONS.** There can be no modification, dissolution or termination of the Settling Insurer Injunction, which shall be a permanent injunction.

4. **NON-LIMITATION OF SETTling INSURER INJUNCTION.** Nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Settling Insurer Injunction issued in connection with the Plan.

K. *Opioid Operating Injunction*

From and after the date on which the Opioid Operating Injunction Order is entered by the Bankruptcy Court or another court of competent jurisdiction, the VI-Specific Debtors and/or Reorganized VI-Specific Debtors, as applicable, and any successors to the VI-Specific Debtors' and/or Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories shall abide by the Opioid Operating Injunction as set forth in the Plan Supplement.

The VI-Specific Debtors and Reorganized VI-Specific Debtors, as applicable, consent to the entry of a final judgment or consent order upon the Effective Date imposing all of the provisions of the Opioid Operating Injunction in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). After the Effective Date, the Opioid Operating Injunction will be enforceable in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). The VI-Specific Debtors and Reorganized VI-Specific Debtors agree that seeking entry or enforcement of such a final judgment or consent order will not violate any other injunctions or stays that it will seek, or that may otherwise apply, in connection with its Chapter 11 Cases or Confirmation.

L. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or prior to the Effective Date (whether pursuant to the Plan, a Final Order or otherwise); *provided* that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Reorganized Debtor or the Opioid MDT II of any such Claims, rights, and Causes of Action; *provided, further*, that the exercise of rights of setoff and/or recoupment by non-Debtor third parties against the Debtors or Reorganized Debtors on account of any Assigned Third-Party Claims shall be enjoined and barred, to the extent permitted by applicable law.

M. *Access to Opioid Insurance Policies*

Notwithstanding anything herein to the contrary, the Debtors shall not be released from liability for any Claim (other than any Co-Defendant Claim) that is or may be covered by any Opioid Insurance Policy; *provided* that recovery for any such Claim, including by way of settlement or judgment, shall be limited to the available proceeds of such Opioid Insurance Policy (and any extra-contractual liability of the Opioid Insurer with respect to any Opioid Insurance Policy) and shall be

asserted pursuant to procedures set forth in the Opioid MDT II Documents, and no Person or party shall execute, garnish or otherwise attempt to collect any such recovery from any assets other than the available proceeds of the Opioid Insurance Policy. The Debtors shall be released automatically from a Claim described in this paragraph upon the earlier of (x) the abandonment of such Claim and (y) such a release being given as part of a settlement or resolution of such Claim, and shall be released automatically from all Claims described in this paragraph upon the exhaustion of the available proceeds of the relevant Opioid Insurance Policy (notwithstanding the nonoccurrence of either event described in the foregoing clauses (x) and (y)).

N. *Co-Defendant Defensive Rights*

Except as provided in the Opioid Insurer Injunction, the Settling Opioid Insurer Injunction or this Article IX.N, notwithstanding anything to the contrary in this Article IX or in the Plan as it currently exists or as it might be further amended, the Confirmation Order or any order entered in connection with the Plan (or the Plan as amended) (or any such order, as amended, modified or supplemented), or any supplement to the Plan (or the Plan as further amended), nothing contained in the Plan or any of the foregoing documents or orders (including without limitation, the classification, treatment, allowance, disallowance, release, bar, injunction, Opioid Permanent Channeling Injunction or any other provision of the Plan or the Plan as amended with respect to, impacting, affecting, modifying, limiting, subordinating, impairing, in any respect, a Co-Defendant Claim), will release, bar, enjoin, impair, alter, modify, amend, limit, prohibit, restrict, reduce, improve or enhance any Co-Defendant Defensive Rights of any Holder of a Co-Defendant Claim as such rights exist or might in the future exist under applicable non-bankruptcy law. Nothing in the Plan, any of the Definitive Documents or in the Confirmation Order shall preclude, operate to or have the effect of, impairing any Holder of a Co-Defendant Claim from asserting in any proceeding any and all Co-Defendant Defensive Rights that it has or may have under applicable law. Nothing in the Plan, any of the Definitive Documents or the Confirmation Order shall be deemed to waive any Co-Defendant Defensive Rights, and nothing in the Chapter 11 Cases, the Plan, any of the Definitive Documents or the Confirmation Order may be used as evidence of any determination regarding any Co-Defendant Defensive Rights, and under no circumstances shall any Person be permitted to assert issue preclusion or claim preclusion, waiver, estoppel, or consent in response to the assertion of any Co-Defendant Defensive Rights. This Article IX.N shall be included in the Confirmation Order. Co-Defendant Defensive Rights (i) may be used to offset, set-off, recoup, allocate or apportion fault, liability, or damages, or seek judgment reduction or otherwise to defend against any Cause of Action or Claim brought by any Person against the Holder of any Co-Defendant Claim based in whole or in part on Opioid-Related Activities; and (ii) shall in no case be used to seek any affirmative monetary recovery from any Protected Party or any Asset of any Protected Party (including from any Opioid Insurance Policy or any other insurance policy of a Protected Party) on account of any Claim or Cause of Action released pursuant to Article IX.D, and shall in no case be used to seek an affirmative recovery from the Opioid MDT II or any Asset of the Opioid MDT II or any Opioid Creditor Trust or any Asset of any Opioid Creditor Trust. Any verdicts in any litigation shall not be binding on the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account if the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account do not participate in such litigation (and the Opioid MDT II, the Opioid Creditor Trusts, and the Ratepayer Account are not required to participate in such litigation).

Article X.

Article XII.

UCC Appendix

Exhibit 6 – Appendix**Allocation of Recoveries to Holders of Class 6 Claims and Certain Class 7 Claims****Executive Summary**

This appendix is intended to describe the methodology by which recoveries per the UCC Settlement are allocated to each sub-class of Allowed Class 6 Claims and Allowed Class 7 Claims that are assumed by the General Unsecured Claims Trust¹ (collectively, the “**Relevant Claims**”) under the Plan as determined by the UCC. The UCC’s Class 6 allocation of recoveries is an integral component of the UCC Settlement that materially increased the pool of consideration available to Holders of Relevant Claims. That consideration consists of (a) \$135 million in cash on the Effective Date (the “**Initial Cash Payment**”) plus (b) additional non-cash consideration to be monetized for which value is currently undetermined (the “**Other GUC Settlement Consideration**,” and together with the Initial Cash Payment, the “**General Unsecured Claims Trust Consideration**”), including certain litigation claims and the right to share in any future proceeds of certain priority review vouchers and other contingent value rights.² To resolve issues set forth in the UCC’s Supplemental Objection to the Disclosure Statement [Docket No. 2852], the allocation represents a compromise of the UCC’s objections to the distributions set forth in the June 8, 2021 version of the Plan [Docket No. 2916].

The allocation of recoveries to Holders of Relevant Claims is the product of a multi-step calculation process:

1. UCC Waterfall: The UCC’s professionals constructed a creditor recovery model (the “**UCC Waterfall**”) which valued assets and claims at, and estimated recoveries to creditors of, each Debtor entity and non-Debtor affiliate in accordance with the absolute priority rule and based on certain assumptions. Key assumptions underlying the UCC Waterfall are described below.³
2. Allocation Step 1: The UCC’s professionals calculated the potential recoveries to each sub-class of Holders of Relevant Claims at various estimates of General Unsecured Claims Trust Consideration by multiplying estimated General Unsecured

¹ These Class 7 Claims assumed by the General Unsecured Claims Trust will consist of Claims initially classified as Class 7 Claims under the Plan that are ineligible for treatment as Class 7 Claims due to the applicable Holder having (i) voted to reject the Plan and/or (ii) declined to agree to Favorable Trade Terms.

² The UCC professionals believe that a range of \$180 to \$220 million is a reasonable estimate of aggregate General Unsecured Claims Trust Consideration based upon information available at the time the UCC Settlement was reached and includes assumptions about future events.

³ While the estimated aggregate recoveries to Holders of Class 6 Claims per the UCC Waterfall (“**UCC Waterfall Recoveries**”) were used in the UCC’s mediation with the Debtors to inform the negotiation of the UCC Settlement, the UCC Waterfall Recoveries do not mirror recoveries to Holders of Class 6 Claims per the UCC Settlement. Such aggregate recoveries instead reflect a consensual, good faith, resolution and settlement of various controversies between the Debtors and the UCC as well as potential intercreditor controversies between and among the Class 6 sub-classes.

Claims Trust Consideration by each Class 6 sub-class's estimated recovery amount as determined by the UCC Waterfall as a percentage of UCC Waterfall Recoveries.

3. Allocation Step 2: The UCC allocation (the "**Allocation**") for distributing potential recoveries among Holders of Relevant Claims reasonably adjusts the calculations in Allocation Step 1 for timing and amounts of recoveries consistent with the overall GUC Settlement and as further described herein. The Allocation includes both (i) initial, fixed cash distributions or reserves⁴ (the "**Initial Fixed Distributions**"), and (ii) additional distributions from proceeds to be realized from Other GUC Settlement Consideration (the "**Additional Distributions**"). The General Unsecured Claims Trust Consideration is comprised of the Initial Fixed Distributions and the Additional Distributions.

Actual results presented herein may be materially different than the estimated results illustrated in Tables 1, 2, 4, 5, 6, 7 and 8 as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses.⁵

UCC Waterfall

The UCC Waterfall⁶ reflects hypothetical recoveries that would be received by each of the following Class 6 sub-classes on a Debtor-by-Debtor basis: (i) Class 6(a) – Acthar Claims; (ii) Class 6(b) – Generics Price Fixing Claims; (iii) Class 6(c) – Asbestos Claims; (iv) Class 6(d) – Legacy Unsecured Notes Claims; (v) Class 6(e) – Environmental Claims and Class 6(f) – Other General Unsecured Claims;⁷ and (vi) Class 6(g) – 4.75% Unsecured Notes Claims. *See* Plan at Art. III.B.6. The UCC has informed the Debtors that the UCC Waterfall is premised upon the following assumptions, among many others, to estimate recoveries to creditors:⁸

- Total enterprise value of \$5.7 billion, calculated as the average of the midpoints of the different valuations asserted by the Debtors⁹ and the UCC.

⁴ The Initial Fixed Distributions equal the Initial Cash Payment less \$10 million to be held in reserve for administration expenses of the General Unsecured Claims Trust.

⁵ It is currently expected (and assumed for purposes of this Allocation) that GUC Trust Expenses are \$10 million.

⁶ For the avoidance of doubt, the UCC Waterfall and the allocation methodology described herein is solely the work product of the UCC professionals.

⁷ For the purposes of the UCC Waterfall and Allocation, Classes 6(e) and 6(f) are illustrated as a single group of creditors at each Debtor entity (as applicable). Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust will be calculated pro rata on an entity-by-entity basis, as further described below.

⁸ The following is not intended to be an exhaustive list of the assumptions underlying the UCC Waterfall.

⁹ To maintain consistency between the valuations asserted by the Debtors and the UCC, the Debtors' valuation was reduced by the UCC professionals to account for the estimated value of CARES Act tax refund receivables.

- The allocation of total enterprise value, and other assets not included in total enterprise value (such as cash on hand), on an entity-by-entity basis.
- Treatment of funded debt claims upon consideration of underlying credit documents, and allocation of such claims on an entity-by-entity basis.
- A good faith estimation of claims, including contingent claims, on an entity-by-entity basis.¹⁰
- The satisfaction of unsecured claims, after full satisfaction of all secured claims, on an entity-by-entity basis.
- Exclusion of CMS and opioid settlements (*i.e.*, the settlements are not given effect).

Table 1 below illustrates estimated recoveries to Holders of Class 6 Claims per the UCC Waterfall:

Table 1

Sub-class	Est. Share of Aggregate Class 6 Entitlements
6(a) – Acthar Claims	29.0%
6(b) – Generics Price Fixing Claims	6.0%
6(c) – Asbestos Claims	1.9%
6(d) – Legacy Unsecured Notes Claims	5.4%
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%
6(g) – 4.75% Unsecured Notes Claims	28.5%
Total	100.0%

Allocation Step 1

Applying the estimated recoveries in the table above, the UCC professionals calculated the first step in the allocation process using various estimates of General Unsecured Claims Trust Consideration less GUC Trust Expenses (“Net Consideration”), as illustrated in Table 2 below:

Table 2

¹⁰ The estimation of claims in the UCC Waterfall in no way implies or concedes the validity, amount or priority of such claims.

	Est. Share of Aggregate Class 6 Entitlements		@ Net Consideration (\$ millions)		
Sub-class	@ Net Consideration $\leq 282^{11}$ (per Table 1)	@ Net Consideration = 300 ¹²	125	200	300
6(a) – Acthar Claims	29.0%	29.1%	36.2	58.0	87.3
6(b) – Generics Price Fixing Claims	6.0%	6.0%	7.5	11.9	17.9
6(c) – Asbestos Claims	1.9%	1.9%	2.4	3.8	5.8
6(d) – Legacy Unsecured Notes Claims	5.4%	5.1%	6.8	10.9	15.3
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	29.2%	29.3%	36.5	58.4	87.9
6(g) – 4.75% Unsecured Notes Claims	28.5%	28.6%	35.6	57.0	85.8
Total	100.0%	100.0%	125.0	200.0	300.0

The percentages set forth for each sub-class in the applicable column under the heading “Est. Share of Aggregate Class 6 Entitlements” are referred to herein as the “**Class 6 Entitlements**”.

Allocation Step 2

The UCC adjusted the allocation of recovery amounts for each Class 6 sub-class under Allocation Step 1 (the “**Recovery Adjustments**”) to fairly, reasonably, and equitably account for various settlements embodied in the UCC Settlement that compromise a myriad of (i) disputes between the Debtors and Holders of Class 6 Claims and (ii) actual and potential intercreditor controversies between and among the Class 6 sub-classes. Among other factors, the UCC considered the extent to which:

- General Unsecured Claims Trust Consideration will exceed the Initial Cash Payment.
- Claims in each sub-class are contingent, unliquidated and/or disputed.
- Contingent, unliquidated claims in certain sub-classes face the risk of complete or partial disallowance.

Allocation Step 1, coupled with the Recovery Adjustments, yield the Initial Fixed Distributions and the Additional Distributions described below.

Initial Fixed Distributions: Table 3 below illustrates the Initial Fixed Distributions:

Table 3

¹¹ Once Net Consideration exceeds approximately \$282 million, pursuant to the UCC Waterfall, the Legacy Unsecured Notes’ Class 6 Entitlement, when multiplied by Net Consideration, would provide a recovery in excess of the Legacy Unsecured Notes Claims. As a result, the excess would be reallocated among the other sub-classes.

¹² At \$300 million of Net Consideration, approximately \$1.0 million available to Legacy Unsecured Notes in excess of the Legacy Unsecured Notes Claims is reallocated among the other sub-classes.

Sub-class	Initial Fixed Distributions (\$ millions)
6(a) – Acthar Claims	7.5
6(b) – Generics Price Fixing Claims	8.0
6(c) – Asbestos Claims	18.0
6(d) – Legacy Unsecured Notes Claims	10.9
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6
6(g) – 4.75% Unsecured Notes Claims	57.0
Total	125.0

The Initial Fixed Distributions will be paid to Holders of Generics Price Fixing Claims, Asbestos Claims, Legacy Unsecured Notes Claims, and 4.75% Unsecured Notes Claims. While the Initial Fixed Distributions for Holders of Acthar Claims and Environmental Claims / Other General Unsecured Claims are initially being held in reserve, such amounts shall be paid as long as the reconciled amounts of Acthar Claims and Environmental Claims / Other General Unsecured Claims equal or exceed \$7.5 million and \$23.6 million, respectively.

Additional Distributions: The Additional Distributions to Holders of Class 6 Claims shall be made to the following sub-classes (the “Entitled Sub-Classes”): (i) Acthar Claims (Class 6(a)); (ii) Legacy Unsecured Notes Claims (Class 6(d)); (iii) Environmental Claims (Class 6(e)); (iv) Other General Unsecured Claims (Class 6(f)); and (v) 4.75% Unsecured Notes Claims (Class 6(g)), and are summarized as follows:

- Holders of 4.75% Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$57.0 million.
- Holders of Legacy Unsecured Notes Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$10.9 million.
- Holders of Acthar Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$7.5 million.
- Holders of Environmental Claims / Other General Unsecured Claims would be entitled to Additional Distributions when their Class 6 Entitlement (subject to UCC Waterfall adjustments) multiplied by Net Consideration exceeds their Initial Fixed Distribution of \$23.6 million.
- Holders of Asbestos Claims and Generics Price-Fixing Claims are not entitled to Additional Distributions and will instead receive only their pro rata share of their respective Initial Fixed Distributions.

Specifically, Additional Distributions are calculated as follows for any Entitled Sub-Class: (i)(A)(I) the Class 6 Entitlement for that Entitled Sub-Class divided by (II) the sum of the Class 6 Entitlements for all Entitled Sub-Classes (at the applicable amount of Net Consideration), multiplied by (B) the aggregate Net Consideration less Initial Fixed Distributions made to all non-Entitled Sub-Classes (at the applicable amount of Net Consideration) less (ii) the Initial Fixed Distribution (and all prior Additional Distributions) made to that Entitled Sub-Class.

Example: Assuming Net Consideration of \$200 million, Acthar Claims would be entitled to Additional Distributions of approximately \$45.4 million calculated as follows:

(i)(A)(I) 29.0% [Table 2] divided by (II) 58.2% (i.e., 29.0% + 29.2%) [Table 2] multiplied by (B) \$106.1 million (\$200 million [Table 2] less \$93.9 million (\$8.0 million + \$18.0 million + 10.9 million + 57.0 million) [Table 3]) less (ii) \$7.5 million [Table 3].

Estimated recoveries to each sub-class based on the Allocation (i.e., Initial Fixed Distributions plus cumulative Additional Distributions) at various estimates of Net Consideration are illustrated within Table 4 below:

Table 4

Estimated Recoveries per Allocation (\$ millions)					
	@ Net Consideration (\$ millions)				
Sub-class	125	150	200	250	300
6(a) – Acthar Claims	7.5	28.0	52.9	70.5	86.6
6(b) – Generics Price Fixing Claims	8.0	8.0	8.0	8.0	8.0
6(c) – Asbestos Claims	18.0	18.0	18.0	18.0	18.0
6(d) – Legacy Unsecured Notes Claims	10.9	10.9	10.9	13.2	15.2
6(e) – Environmental Claims and 6(f) – Other General Unsecured Claims	23.6	28.2	53.3	71.0	87.2
6(g) – 4.75% Unsecured Notes Claims	57.0	57.0	57.0	69.3	85.1
Total	125.0	150.0	200.0	250.0	300.0

Additional Distributions are subject to material change as the UCC Waterfall inputs will be adjusted to account for the reconciliation of claims, the monetization of Other GUC Settlement Consideration, and the incurrence of GUC Trust Expenses. Thus, actual recoveries to Holders of Class 6 Claims within the Entitled Sub-Classes may be materially different than the estimated recoveries illustrated in Table 4 above.

Allocation to Holders of Class 6(e) Claims, Class 6(f) Claims, and Class 7 Claims Assumed by the General Unsecured Claims Trust

Distributions to individual claimants with Allowed Claims in Class 6(e), Class 6(f), and Class 7 that are assumed by the General Unsecured Claims Trust (collectively, the “Other Claims”) will be calculated pro rata on an entity-by-entity basis, pursuant to the UCC Waterfall and Allocation. Estimated recovery percentages to Other Claims on an entity-by-entity basis are illustrated in Table 5 below at various estimates of Net Consideration.

Table 5 is based upon estimates of potential claims and may not include a recovery percentage at every Debtor entity where Holders of Other Claims may have such claims Allowed. The absence of a particular Debtor entity from Table 5 does not indicate that a Holder of an Other Claim at such an entity will not receive a recovery. Rather, a Holder of an Other Claim at an absent Debtor entity will receive the recovery that it is entitled to pursuant to the Allocation.

Impact of Sensitizing Acthar Claims

As the Acthar Claims will be reconciled after the Effective Date,¹³ Tables 6, 7 and 8 below illustrate the impact that sensitizing Acthar Claims within the UCC Waterfall would have on estimated recoveries to Holders of Class 6 Claims, assuming Net Consideration of \$125 million, \$200 million, and \$300 million.

¹³ Solely for the purpose of calculating the Allocation, and given their separate treatment under the UCC Settlement, the amounts of the Asbestos Claims and the Generics Price Fixing Claims have been fixed. Reconciliation of the Asbestos Claims and Generics Price Fixing Claims for pro rata distribution purposes will occur through separate processes as detailed in the UCC Settlement.

PEC/MSGE Mallinckrodt Fee Allocation Agreement

PEC/MSGE Mallinckrodt Fee Allocation Agreement

1. This agreement applies to the Mallinckrodt bankruptcy.
2. With respect to the Mallinckrodt bankruptcy, one singular “all attorneys’ fees” fund shall be deposited (as the funds are received) into an interest-bearing account to cover all attorneys’ fees for any lawyer involved in opioid litigation on behalf of cities, counties, and/or tribes. The fund is separate from the MDL Common Benefit Fund and does NOT cover fees for lawyers related to representing state Attorneys General, hospitals, third party payers, NAS babies, and/or personal injury/wrongful death claimants, or any other entity except cities, counties, and/or tribes, as payment of fees for those engagements will be subject to a different procedure and/or the claims are not covered by this agreement. Participation in the fund does not preclude applicants from participating in the MDL Common Benefit Fund or any fee funds or “backstops” established in state specific MOU’s or agreements.
3. Amounts distributed under this Plan shall not be subject to any future or other common fund, common benefit, or other assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof. The process, factors, and mechanism for distribution of fees from the fee fund shall be mutually agreed upon by the PEC and MSGE on or before January 1, 2023. If the parties are unable to agree the issue shall be presented to an agreed-upon neutral who shall determine the process, factors and mechanism for distribution of the fees.

II. SCOPE AND ENFORCEMENT

- A. All of the provisions of this Agreement shall apply both while Mallinckrodt is in bankruptcy and after Mallinckrodt emerges from bankruptcy, and they shall apply to the operation of Mallinckrodt’s Opioid Business by any subsequent purchaser (regardless of whether Mallinckrodt is sold through the bankruptcy process or after bankruptcy, and regardless whether the purchaser buys all or just a portion of Mallinckrodt’s Opioid Business). For the avoidance of doubt, nothing in this Agreement applies to the operation of a subsequent purchaser(s)’ pre-existing opioid business.
- B. The provisions of this Agreement will not apply to Mallinckrodt’s parent or its parent’s subsidiaries, other than those subsidiaries included in the above definition of Mallinckrodt, so long as Mallinckrodt’s parent agrees in a legally binding manner that neither it, nor any of its other subsidiaries, will be involved in the sale or distribution of opioids classified as DEA Schedule II–IV drugs in the future.
- C. In connection with its Chapter 11 Cases, Mallinckrodt consents to the entry of a final judgment or consent order upon the Effective Date imposing all of the provisions of this Agreement in state court in each of the Settling States. During the pendency of the Chapter 11 Cases, this Agreement is enforceable in the Bankruptcy Court. After the Effective Date, this Agreement is enforceable in state court in each of the Settling States. Mallinckrodt agrees that seeking entry or enforcement of such a final judgment or consent order will not violate any other injunctions or stays that it will seek, or that may otherwise apply, in connection with its Chapter 11 Cases or the confirmation of its Chapter 11 Plan.

D. The provisions of this Agreement that apply to the OCC shall no longer apply upon the effectiveness of a Chapter 11 Plan.

E. **Term**

1. Unless addressed in Section II.E.2–3, each provision of this Agreement shall apply for 8 years from the Petition Date.
2. The provisions of Section III.A (“Ban on Promotion”), Section III.B (“No Financial Reward or Discipline Based on Volume of Opioid Sales”), Section III.F (“Ban on Prescription Savings Program”), Section III.G (“Monitoring and Reporting of Direct and Downstream Customers”), Section III.H (“General Provisions”), Section III.I (“Compliance with All Laws and Regulations Relating to the Sale Promotion and Distribution of Any Opioid Product”), and Section V (“Public Access to Documents”) shall not be subject to any term.
3. The provisions of Section VI (“Independent Monitor”) shall apply for five years from the Petition Date. If, at the conclusion of the Monitor’s five-year term, the Settling States determine in good faith and in consultation with the Monitor that justifiable cause exists, the Monitor’s engagement shall be extended for an additional term of up to two years, subject to the right of Mallinckrodt to commence legal proceedings for the purpose of challenging the decision of the Settling States and to seek preliminary and permanent injunctive relief with respect thereto. For purposes of this paragraph “justifiable cause” means a failure by Mallinckrodt to achieve and maintain substantial compliance with the substantive provisions of this Agreement.

F. **Notice and Cure**

1. For the purposes of resolving disputes with respect to compliance with this Agreement, should any State Attorney General have reason to believe that Mallinckrodt has violated a provision of this Agreement subsequent to the Petition Date, then such Attorney General shall notify Mallinckrodt in writing of the specific objection, identify with particularity the provisions of this Agreement that the practice appears to violate, and give Mallinckrodt 30 days to respond to the notification. Promptly after Mallinckrodt’s receipt of any such written notice, Mallinckrodt shall provide such written notice to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC.
2. Upon receipt of written notice from such State Attorney General, Mallinckrodt shall provide a written response to the Settling States and to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC, containing either a statement explaining why Mallinckrodt believes it is in compliance with this Agreement or a detailed explanation of how the alleged violation occurred and a statement explaining how and when Mallinckrodt intends to remedy or has remedied the alleged violation.

3. Such State Attorney General may not take any action concerning the alleged violation of this Agreement during the 30-day response period. Nothing shall prevent such State Attorney General from agreeing in writing to provide Mallinckrodt with additional time beyond the 30 days to respond to the notice and Mallinckrodt shall promptly provide notice of any such additional response time to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC. However, such State Attorney General may take any action, including, but not limited to legal action to enforce compliance with the consent judgment specified by Section II.C, without delay if such State Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.
4. Such State Attorney General may bring an action against Mallinckrodt to enforce the terms of the consent judgment specified by Section II.C, but only after providing Mallinckrodt an opportunity to respond to the notification as described above or within any other period as agreed to by Mallinckrodt and such State Attorney General.
5. Nothing in this Agreement shall be interpreted to limit any State Attorney General's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law, and Mallinckrodt agrees to comply with a CID or investigative subpoena issued pursuant to such authority.
6. Nothing herein shall be construed to exonerate any failure to comply with any provision of this Agreement after the Petition Date, or to compromise the authority of any State Attorney General to take action for any failure to comply with this Agreement.
7. Nothing herein shall compromise the OCC's right to enforce its specific information rights and consultation rights set forth in this Agreement in the Bankruptcy Court during the pendency of the Chapter 11 Cases.

5. Treatment of Pain

10. Mallinckrodt will be in compliance with Sections III.C.2 and III.C.3 with respect to support of an individual Third Party to the extent that the Independent Monitor or the Settling States determines that such support does not increase the risk of the inappropriate use of Opioids and that Mallinckrodt has not acted for the purpose of increasing the use of Opioids.

 - a. Mallinckrodt shall make available all previously disclosed data and/or information regarding Mallinckrodt Opioid Products;
 - b. Mallinckrodt shall make available all previously unreleased data regarding Mallinckrodt Opioid Products, for both approved and unapproved indications, including:
 - i. Full analyzable data set(s) (including individual participant-level data de-identified by an independent biostatistician);
 - ii. The clinical study report(s) redacted for commercial or personal identifying information;
 - iii. The full protocol(s) (including the initial version, final version, and all amendments); and
 - iv. Full statistical analysis plan(s) (including all amendments and documentation for additional work processes) and analytic code.
 - c. Mallinckrodt shall make available the above information for all studies for any new Mallinckrodt Opioid Product or new indications that are

B. Third-Party Data Archive

1. Mallinckrodt shall share the above information via a third-party data archive that makes clinical data available to Qualified Researchers with a bona fide scientific research proposal.
2. The data archive shall have a panel of reviewers with independent review authority to determine whether the researchers are qualified, whether a research application seeks data for bona fide scientific research, and whether a research proposal is complete.
3. The panel may exclude research proposals with a commercial interest.

C. Non Interference

1. Mallinckrodt shall not interfere with decisions made by the staff or reviewers associated with the third-party data archive.

D. Data Use Agreement

1. Any data sharing agreement with a Qualified Researcher who receives shared data via the third-party data archive shall contain contact information for Mallinckrodt's pharmacovigilance staff. Every agreement shall require the lead qualified researcher to inform Mallinckrodt's pharmacovigilance staff within 24 hours of any determination that research findings could detrimentally impact the risk-benefit assessment regarding the product. The lead Qualified Researcher may also inform regulatory authorities of the safety signal impacting the risk-benefit assessment. Mallinckrodt's pharmacovigilance staff shall take all necessary and appropriate steps upon receipt of such safety information, including but not limited to notifying regulatory authorities or the public.

E. Cost

1. Mallinckrodt shall bear all costs for making data and/or information available.

V. PUBLIC ACCESS TO MALLINCKRODT DOCUMENTS

A. Documents Subject to Public Disclosure

1. The following documents shall be produced by Mallinckrodt to each Settling State and are subject to public disclosure in perpetuity as part of an industry-wide document disclosure program, except for the redactions authorized by Section V.B:

- a. All documents, indices, and privilege logs Mallinckrodt produced to any of the Settling States prior to the Petition Date, including in litigation and in response to investigative demands or other formal or informal requests related to opioids.
 - b. All documents, indices, and privilege logs Mallinckrodt produced in the Opioid Multi-District Litigation (*In re Nat'l Prescription Opiate Litig.*, No. 1:17-MD-2804 (N.D. Ohio)) and the New York litigation (*In re Opioid Litigation*, 400000/2017 (Suffolk County)) prior to the Petition Date.
 - c. All documents, indices, and privilege logs Mallinckrodt has produced in other litigation related to opioids, excluding patent litigation.
 - d. All filings, motions, orders, court transcripts, deposition transcripts, and exhibits in the possession, custody, or control of Mallinckrodt from litigation related to opioids, excluding patent litigation.
2. All documents produced under this provision shall be provided in electronic format with all related metadata. Mallinckrodt and the Settling States will work cooperatively to develop technical specifications for the productions.

B. Information That May Be Redacted

1. The following categories of information are exempt from public disclosure:
 - a. Information subject to trade secret protection. A “trade secret” is information, including a formula, pattern, compilation, program, device, method, technique or process, that (a) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, “trade secret” does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion.
 - b. Confidential personal information. “Confidential personal information” means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. “Confidential personal information” does not include the names of Mallinckrodt’s officers, directors, employees, agents, or attorneys.

- c. Information that is inappropriate for public disclosure because it is subject to personal privacy interests recognized by law (*e.g.*, HIPAA), or contractual rights of third parties that Mallinckrodt may not abrogate.
- d. Information regarding Mallinckrodt employees' personal matters unrelated to Mallinckrodt, including emails produced by Mallinckrodt custodians discussing vacation or sick leave, family, or other personal matters.

C. Redaction of Documents Containing Protected Information

1. Whenever a document contains information subject to a claim of exemption pursuant to Section V.B, Mallinckrodt shall produce the document in redacted form. Such redactions shall indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions shall be limited to the minimum redactions possible to protect the legally recognized individual privacy interests and trade secrets identified above.
2. Mallinckrodt shall produce to each Settling State a log noting each document redacted. The log shall also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be produced simultaneously with the production of documents required by Section V.F.
3. In addition to the redacted documents, Mallinckrodt shall, upon any Settling State's request, also produce all documents identified in Section V.A above in unredacted form to such Settling State at the same time. The redacted documents produced by Mallinckrodt may be publicly disclosed in accordance with Section V.E below. The unredacted documents produced by Mallinckrodt to a Settling State shall be available only to such State unless Mallinckrodt's claim of exemption under Section V.B is successfully challenged in accordance with Section V.C.4 or the trade secret designation expires in accordance with Section V.D.
4. Anyone, including members of the public and the press, may challenge the appropriateness of redactions by providing notice to Mallinckrodt. If the challenge is not resolved by agreement, it must be resolved in the first instance by a third party jointly appointed by the Settling States and Mallinckrodt to resolve such challenges. The decision of the third party may be appealed to a court with enforcement authority over this Agreement. If not so appealed, the third party's decision is final. In connection with such challenge, a Settling State may provide copies of relevant unredacted documents to the parties or the decisionmaker, subject to appropriate confidentiality and/or in camera review protections, as determined by the decisionmaker.

D. Review of Trade Secret Redactions

1. Ten years after Mallinckrodt completes the production of its documents in accordance with Section V, Mallinckrodt shall review all trade secret assertions made in accordance with Section V.B.1 and all non-manufacturing trade secret designations shall expire. The newly unredacted documents may then be publicly disclosed by a Settling State in accordance with Section V.E. Mallinckrodt shall produce to each Settling State an updated redaction log justifying its designations of the remaining trade secret redactions as manufacturing trade secrets.

E. Public Disclosure through a Document Repository

1. Each Settling State may publicly disclose all documents covered by Section V through a public repository maintained by a governmental, non-profit, or academic institution. Each Settling State may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents. When providing the documents covered by Section V to a public repository, no Settling State shall include or attach within the document set any characterization of the content of the documents. For the avoidance of doubt, nothing in this paragraph shall prohibit any Settling State from publicly discussing the documents covered by Section V.

F. Timeline for Production

1. Mallinckrodt shall produce all documents required by Section V.A within nine months from the Petition Date.

G. Costs

1. Mallinckrodt shall be responsible for its allocable share of all reasonable costs and expenses associated with the public disclosure and storage of Mallinckrodt's documents through any public repository.

H. Suspension

1. Mallinckrodt's obligation in Section V shall be suspended on the nine-month anniversary of the Petition Date, unless and until two corporate defendants in opioid-related litigation other than Mallinckrodt have agreed or been ordered to publicly disclose opioid-related documents. For the avoidance of doubt, Insys Therapeutics, Inc. shall constitute one of the two necessary defendants based on the "Liquidating Trustee Disclosure Requirement" provisions of the Second Amended Joint Chapter 11 Plan of Liquidation confirmed by the United States Bankruptcy Court for the District of Delaware on January 16, 2020.

VI. INDEPENDENT MONITOR

A. Appointment of Monitor

1. Mallinckrodt agrees that it will retain an outside, independent individual (the “Monitor”) to evaluate and monitor Mallinckrodt’s compliance with this Agreement.
2. Experience with internal investigations or the investigative process (which may include prior monitorship or oversight experience) and expertise in the pharmaceutical industry, relevant regulatory regimes, and internal controls and compliance systems may be considered in selecting the Monitor.
3. Within 30 days of the Petition Date, Mallinckrodt and the Settling States shall exchange pools of recommended candidates based in part on the above qualification and considerations to serve as the Monitor. The pools shall each contain the names of three individuals, groups of individuals or firms. A copy of each pool of candidates shall be shared with the OCC when such pools are exchanged between Mallinckrodt and the Settling States. The OCC may make suggestions for each side to consider.
4. After receiving the pools of Monitor candidates, Mallinckrodt and the Settling States shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project, provided, that the OCC may participate as an observer at any such interviews with the consent of the Settling States and Mallinckrodt. Mallinckrodt and the Settling States may veto any of the candidates, and must do so in writing (with a copy to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC) within 30 days of receiving the pool of candidates. If all three candidates within a pool are rejected by either Mallinckrodt or the Settling States, the party who rejected the three candidates may direct the other party to provide up to three additional qualified candidates within 15 days of receipt of said notice (and shall provide a copy of such direction to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC). Notice of such additional qualified candidates shall be given to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC upon the names of such candidates being given to the other party.
5. If Mallinckrodt or the Settling States do not object to a proposed candidate, Mallinckrodt or the Settling States shall so notify the other in writing (with a copy to the OCC for informational purposes only pursuant to the confidentiality provisions of the by-laws between Mallinckrodt and the OCC) within 30 days of receiving the pool of candidates. If more than one candidate remains, the Settling States shall select the Monitor from the remaining candidates. Mallinckrodt and the Governmental Ad Hoc Committee (as such term is defined in the restructuring

support agreement) shall jointly seek the Bankruptcy Court's approval of the selected Monitor candidate.

6. Unless justifiable cause exists, the Monitor appointed by the Bankruptcy Court shall continue to serve after the Effective Date. For purposes of this paragraph, justifiable cause exists if the Monitor resigns or a court finds that the Monitor: (a) develops a conflict of interest that would undermine public confidence in the objectivity of his or her work; (b) has unreasonably failed to fulfill his or her material obligations under this Agreement or pursuant to the Work Plan (as defined in Section VI.B3), (c) has engaged in any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct; or (d) has engaged in an intentional act of bias or prejudice in favor or against either party. Justifiable cause shall not include Mallinckrodt's or the Settling States' disagreements with the decisions of the Monitor pursuant to this Agreement, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Monitor has not been acting as an independent third party in rendering decisions.
7. If a new Monitor must be appointed, Mallinckrodt and the Settling States and the OCC shall follow the procedures and timeline set out above in subparagraphs 3-5. Court approval shall not be sought if Mallinckrodt is no longer under the Bankruptcy Court's jurisdiction..

B. Monitor's Responsibilities

1. Between the Petition Date and the Effective Date, the Monitor's duties shall be as follows:
 - a. The Monitor shall perform its duties according to the terms of this Agreement and shall be vested all rights and powers reasonably necessary to carry out such powers, duties, and responsibilities enumerated herein.
 - b. The Monitor shall work with all diligence perform his or her duties in a manner that does not unreasonably disrupt the operation of Mallinckrodt's business to confirm and oversee compliance with this Agreement.
 - c. The Monitor shall review and provide reports as outlined below.
 - d. Subject to any legally recognized privilege and as reasonably necessary to perform his or her duties hereunder, the Monitor shall have full and complete access to Mallinckrodt's personnel, books, records, and facilities, and to any other relevant information, as the Monitor may request. Mallinckrodt shall develop such information as the Monitor may request and shall fully, completely and promptly cooperate with the Monitor. The Monitor may raise with the Bankruptcy Court any issues relating to any failure of or delay in such cooperation for an expedited resolution by the Bankruptcy Court.

- e. The Monitor shall serve, without bond or other security, at the cost and expense of Mallinckrodt, with the Monitor's fees subject to final approval by the Bankruptcy Court. The Monitor shall have the authority to employ, upon written consent from Mallinckrodt, such consent not to be unreasonably withheld, delayed or conditioned, and upon Court approval, at the cost and expense of the Debtors' estates, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's responsibilities. Requests to employ such individuals should be directed to Mallinckrodt's General Counsel, and will be decided upon no later than ten (10) days from their receipt. The Monitor will work in good faith with Mallinckrodt to ensure such approved consultants will follow Mallinckrodt's policies and procedures with respect to any payments remitted directly by Mallinckrodt.
- f. The Monitor shall have no obligation, responsibility, or liability for the operations of Mallinckrodt.
- g. The Monitor shall sign onto any Protective Order entered by the Bankruptcy Court, and any confidentiality agreement consistent with any Protective Order as deemed necessary by the parties, and each of the Monitor's consultants, accountants, attorneys and other representatives and assistants shall also sign onto any Protective Order entered by the Court, and any confidentiality agreement consistent with any Protective Order as deemed necessary by the parties; provided, however, that nothing shall restrict the Monitor from providing any information to the Court and the parties consistent with the terms of any Protective Order.
- h. The Monitor shall promptly seek an order from the Bankruptcy Court requiring compliance or such other remedies as may be appropriate under the circumstances should Mallinckrodt not comply with this Agreement.
- i. The Monitor shall make a good faith effort to leverage Mallinckrodt's existing compliance mechanisms when reviewing Mallinckrodt's compliance with this Agreement.
- j. The Monitor shall make a good faith effort to perform his or her duties in a manner that does not unreasonably disrupt Mallinckrodt's business operations. In this regard, Mallinckrodt shall designate senior officials within the Office of the General Counsel to serve as the primary points of contact for the Monitor in order to facilitate the Monitor's access to documents, materials, or staff necessary to review Mallinckrodt's compliance with this Agreement. The Monitor shall communicate any request for documents, materials, or access to staff to the designated contacts, unless otherwise instructed. For the avoidance of doubt, nothing in this paragraph shall be interpreted to prohibit the Monitor from speaking with a current or former employee of Mallinckrodt.

2. **Reporting:**

- a. Within 45 days of the Petition Date, Mallinckrodt shall file a report with the Bankruptcy Court regarding its compliance with the terms of this Agreement (the “Mallinckrodt Compliance Report”). To the extent permissible by law, this report (in whole or in part) may be filed under seal or subject to such other confidentiality restrictions contained in a Protective Order.
- b. The Monitor must file a report with the Bankruptcy Court regarding compliance by Mallinckrodt with the terms of this Agreement no later than 45 days after the Work Plan (as defined in Section VI.B.3) is finalized, and then additional reports every 90 days thereafter (the “Monitor Reports”). The Court may, in response to such reports, provide further direction to the Monitor as it deems appropriate. To the extent permissible by law, these reports (in whole or in part) may be filed under seal or subject to such other confidentiality restrictions contained in a Protective Order. The content of Monitor Reports shall be set forth in the Work Plan. The frequency of Monitor Reports may decrease to every 180 days after the Effective Date.
- c. Prior to issuing any Monitor Report, the Monitor shall confer with Mallinckrodt, the Settling States, and the OCC, either jointly or separately (in the discretion of the Monitor), regarding its preliminary findings and the reasons for those findings. Mallinckrodt shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report.
- d. In the event the Monitor Report identifies a potential violation of this Agreement, Mallinckrodt shall have the right to cure any potential violation within 30 days.

3. **Work Plan:** The manner in which the Monitor will carry out his or her compliance responsibilities under this Agreement, the general scope of information that the Monitor will seek to review in fulfilling his or her duties and, where applicable, the methodologies to be utilized shall be set forth in a work plan (the “Work Plan”). Within 30 days after the Monitor’s appointment by the Bankruptcy Court, the Settling States and Mallinckrodt, upon consultation with the OCC, shall agree with the Monitor on the Work Plan. If the Monitor, the Settling States, and Mallinckrodt (upon consultation with the OCC) fail to reach agreement on the Work Plan within the designated time frame, the Monitor, Settling States, and Mallinckrodt will submit any disputed issues to the Bankruptcy Court for resolution.

4. **Post-Emergence:** Before the Effective Date, the parties will work in good faith to establish procedures for resolving disputes (including disputes over the Work Plan) and overseeing the Monitor’s obligations after Bankruptcy Court approval

of the Plan, and to make any other adjustments the parties agree to be reasonably necessary. The parties expect and agree that the principal obligations and conditions imposed by Section VI.B will otherwise remain in effect. After the Effective Date, all reasonable and necessary fees and costs of the Monitor shall be paid by Mallinckrodt.

If a Retained Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Retained Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Reorganized Debtors shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

For the avoidance of doubt, all Restructuring Expenses and Post Effective Date Implementation Expenses shall be paid in accordance with Article IV.S of the Plan, and the terms under Article II.A.2 of the Plan shall not apply to the parties entitled to receive the Restructuring Expenses. Further, specifically with respect to the Opioid Permanent Channeling Injunction (as defined in the Plan), the Plan channels all Opioid Claims to various opioid trusts for payment and forever prohibits all opioid claimants from asserting any Opioid Claim against or seeking any money on account of any Opioid Claim from the Debtors, their officers and directors and certain other parties specified in the Plan as "Protected Parties" regardless of whether such claimants vote on the Plan or assert claims against an opioid trust at a later date. General Unsecured Claims and Asbestos Claims, respectively (and in each case, as defined in the Plan).
