**ANNUAL REPORT AND OPIOID ABATEMENT REPORT OF THE
NATIONAL OPIOID ABATEMENT TRUST II (NOAT II)
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2025**

Professor David Hickton, Dr. Megan Ranney, and the Honorable Gerald Bruce Lee (Ret.), the Trustees of the National Opioid Abatement Trust II (“NOAT II”), created pursuant to the Fourth Amended Joint Plan of Reorganization (with Technical Modifications) of Mallinckrodt plc and its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code, dated February 18, 2022 (the “Plan”) submit the following NOAT II Opioid Abatement Report and Annual Report (collectively, the “2025 Reports”) for the fiscal year ending December 31, 2025.

I. INTRODUCTION

The purpose of the 2025 Reports is to fulfill the reporting requirements of the National Opioid Abatement II Trust Agreement Dated as of June 16, 2022 (the “Trust Agreement”) and National Opioid Abatement Trust II Distribution Procedures (the “TDP”) and to report to the Bankruptcy Court on the actions taken by the Trustees on behalf of NOAT II from January 1, 2025 through December 31, 2025 (the “Reporting Period”).²

Section 2.4 of the Trust Agreement provides:

¹ A complete list of the Debtors in these Chapter 11 Cases may be obtained on the website of the Debtors’ claims and noticing agent at <http://restructuring.primeclerk.com/Mallinckrodt>. The Debtors’ mailing address is 675 McDonnell Blvd., Hazelwood, Missouri 63042.

² Capitalized terms not otherwise defined in the 2025 Reports shall have the meaning given to them in the Trust Agreement.

Within one hundred and twenty (120) days following the end of each calendar year, the Trustees shall file with the Bankruptcy Court the Annual Report audited by the Independent Auditors and accompanied by an opinion of such firm as to the fairness in all material respects of the special-purpose financial statements.

Section 2.5 of the Trust Agreement further provides:

Within one hundred and twenty (120) days following the end of each calendar year, the Trustees shall cause to be prepared and filed with the Bankruptcy Court an annual report on the Approved Opioid Abatement Uses with respect to such period, together with such additional information as the trustees determine necessary or appropriate in their discretion (each, a “NOAT II Opioid Abatement Report”).

NOAT II’s governing documents require that States and Qualifying Block Grantees shall provide NOAT II with any information reasonably required to satisfy the requirement of the Annual Report and NOAT II Opioid Abatement Report. See Section 7 of the TDP; see also Trust Agreement, Section 2.6(a) and (b).

II. BACKGROUND

On the Petition Date, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code, 11 U.S.C. § 101, *et seq.* in the Bankruptcy Court. On March 2, 2022, the Bankruptcy Court issued findings of fact and conclusions of law and entered an order confirming the Plan. On June 16, 2022 (the “Effective Date”), the Plan became effective and the Trustees began to operate NOAT II.

The purposes of NOAT II include assuming all liability for State Opioid Claims and Municipal Opioid Claims and making Abatement Distributions to Authorized Recipients for Approved Uses in accordance with the NOAT II TDP. See Section 1.2 of the Trust Agreement.

On the Effective Date, NOAT II received its first funding cycle of the Aggregate NOAT II Consideration as provided for in Section 3.4 of the Master Trust Distribution Procedures. From the Aggregate NOAT II Consideration, NOAT II established the NOAT II Operating Reserve in accordance with Section 1.2 of the Trust Agreement. The remainder of the Aggregate NOAT II Consideration received in the first funding cycle was allocated to funding Abatement Distributions to Authorized Recipients for Approved Uses.

On August 29, 2023, NOAT II received its second funding cycle of the Aggregate NOAT II Consideration as provided for in Section 3.4 of the Master Trust Distribution Procedures. The funds received by NOAT II in the second funding cycle included NOAT II's share of the proceeds from the sale of the New Opioid Warrants by the Master Distribution Trust II ("MDT II"). NOAT II reserved no additional funds for its operations, making the entirety of the consideration it received in the second funding cycle available to fund Abatement Distributions to Authorized Recipients for Approved Uses.

The Debtors filed a second chapter 11 bankruptcy case on August 28, 2023. Prior to the petition date for the second bankruptcy case, the Debtors entered into a settlement agreement with MDT II. As part of the settlement, MDT II negotiated for the amount of the Aggregate NOAT II Consideration for the second funding cycle and for certain contingent value rights. During the Reporting Period, NOAT II received \$24,478.038 in connection with the contingent value rights (the "CVR Funds").³

³ In light of the second bankruptcy case by the Debtors and the settlement with MDT II, NOAT II anticipates that any material future funding cycle will be sourced from litigation proceeds arising out of certain causes of action filed by MDT II against third parties.

III. TRUST ADMINISTRATION

Professor David Hickton, Dr. Megan Ranney, and the Honorable Gerald Bruce Lee (Ret.) served as the Trustees of NOAT II. Professor Hickton served as the Managing Trustee during the Reporting Period.

During the Reporting Period, the Trustees held regular meetings in accordance with the requirements of the Trust Agreement. Additionally, the Trustees met individually with Trust advisors, held special meetings, and devoted consistent time to reviewing, commenting, and approving various Trust matters outside of the scheduled meetings, including meeting with the State Attorneys General Steering Committee (the “State AG Committee”) to discuss the timing for distributing the CVR Funds in light of the amount involved. On December 9, 2025, after consultation with the State AG Committee, the Trustees unanimously exercised their discretion to modify the 75-day deadline set forth in the Trust Agreement and hold the CVR Funds until the earlier of 75 days after: (1) receipt of additional funding from MDT II; or (2) August 1, 2026, which may be subject to further extension of time following consultation with MDT II and the State AG Committee.

IV. ABATEMENT DISTRIBUTIONS

On June 19, 2022, three days after the Effective Date, NOAT II’s website was made publicly available and the portal became available for the submission of Statewide Abatement Agreements (“SAAs”) and Government Participation Mechanisms (“GPMs”). In accordance with the NOAT II governing documents, the SAA Filing Deadline occurred on August 15, 2022 and the deadline for eligible Qualifying Local Governments to elect to receive a Local Government Block Grant occurred on October 14, 2022. NOAT II continued to receive SAAs and GPMs through the end of calendar year 2022 and the third quarter of 2023, as permitted by

the NOAT II governing documents. At this time, there are only two States that have not submitted an allocation mechanism to NOAT II.

NOAT II has reviewed the SAAs, GPMs, and QBG elections as they were received, applied allocation models, calculated distributions, and provided beneficiaries with notices of proposed distribution. NOAT II engaged in discussions with beneficiaries to clarify allocations and address related distribution matters when appropriate. NOAT II also set March 1, 2026 as the deadline for the submission of Beneficiary Abatement Use Reports for NOAT II Funds received by NOAT II Beneficiaries during the Reporting Period.

During the Reporting Period, NOAT II continued to communicate with NOAT II Beneficiaries to receive information and instructions necessary to make Abatement Distributions. By the end of the Reporting Period, NOAT II made Abatement Distributions to each NOAT II Beneficiary who provided NOAT II with the information necessary to make the Abatement Distributions. During the Reporting Period, NOAT II disbursed \$29,240,367 in NOAT II Funds to its Beneficiaries. NOAT II continues to make Abatement Distributions to Beneficiaries as they submit the information necessary for distribution.

Attached hereto as Exhibit "A" is the 2025 NOAT II Opioid Abatement Report, which includes a Supplemental 2024 NOAT II Opioid Abatement Report, and a Supplemental 2023 NOAT II Opioid Abatement Report providing a summary of the NOAT II Abatement Distributions disbursed during the respective Reporting Periods and identifying the NOAT II Beneficiaries who submitted Beneficiary Abatement Use Reports to NOAT II.

V. FINANCIAL INFORMATION

NOAT II's audited financial statements for the Reporting Period are attached hereto as Exhibit "B." The financial statements were audited by BDO USA, LLP. For the fourth consecutive year, NOAT II's interest income has exceeded its operating expenses.

Independent Auditor's Report

Trustees
National Opioid Abatement Trust II
Wilmington, Delaware

Opinion

We have audited the special-purpose financial statements of National Opioid Abatement Trust II (the Trust), which comprise the statements of assets, liabilities and net assets as of December 31, 2025 and 2024, and the related special-purpose statements of changes in net assets and special-purpose statements of cash flows for the year ended December 31, 2025 and December 31, 2024, and the related notes to the special-purpose financial statements.

In our opinion, the accompanying special-purpose financial statements present fairly, in all material respects, the net assets of the Trust as of December 31, 2025 and 2024 and the changes in net assets and cash flows for the year ended December 31, 2025 and December 31, 2024, in accordance with the special-purpose basis of accounting described in Note 2 to the special-purpose financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements* section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the special-purpose basis financial statements which describes the basis of accounting. As described in Note 2, the accompanying special-purpose financial statements were prepared by the Trust on the special-purpose of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to present the net assets presently available for current and future claims and operating expenses. As a result, the special-purpose financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of the special-purpose financial statements in accordance with the special-purpose of accounting as described in Note 2 to the special-purpose financial statements. Management is also responsible for the design,

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

implementation, and maintenance of internal control relevant to the preparation and fair presentation of special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the special-purpose financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the special-purpose financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the special-purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the special-purpose financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the special-purpose financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the special-purpose financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the special-purpose financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Restriction of Use

Our report is intended solely for the information and use of the Trust and is not intended to be used and should not be used by anyone other than the specified party.

Other Information Included in the Annual Report

Management is responsible for the other information included in the annual report. The other information comprises the annual report and account of the Trust for the year ended December 31, 2025, but does not include the special-purpose financial statements and our auditor's report thereon. Our opinion on the special-purpose financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the special-purpose financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the special-purpose financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

National Opioid Abatement Trust II

Notes to Special-Purpose Financial Statements

1. Description and Funding of the Trust

National Opioid Abatement Trust II (the Trust) was formed and became effective on June 16, 2022, pursuant to the Fourth Amended Joint Plan of Reorganization (with Technical Modifications) of Mallinckrodt plc and its Debtor Affiliates (Mallinckrodt) under Chapter 11 of the Bankruptcy Code, dated February 18, 2022 (the Plan). The Trust is intended to qualify as a “Qualified Settlement Fund” within the meaning of Section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under Section 468B of the IRC, and to the extent permitted by law, for state and local income tax purposes.

The Plan provides, *inter alia*, for the establishment of an Opioid Creditor Trust, as defined, with respect to State Opioid Claims, as defined. As of the Effective Date, defined as June 16, 2022, any and all liability of the Debtors for any and all State Opioid Claims shall automatically be channeled to and assumed by the Trust.

In accordance with the National Opioid Abatement Trust II Agreement (the Trust Agreement), pursuant to the Plan and the Confirmation Order, the Trust shall (i) hold, manage and invest all funds and other Trust Assets (as defined in Section 1.3) received by the Trust from the Opioid MDT II (MDT II) for the benefit of the beneficiaries of the Trust; (ii) hold and maintain the National Opioid Abatement Trust II Operating Reserve (as defined in Section 1.2(g)(ii) below); (iii) administer, process, and resolve all State Opioid Claims and Municipal Opioid Claims in accordance with the National Opioid Abatement Trust II TDP; and (iv) pay all National Opioid Abatement Trust II Operating Expenses as defined in Section 1.2(g)(ii).

The Trust is funded with the consideration prescribed under the terms of the Plan through MDT II (also created under the Plan). Funds will be paid by Mallinckrodt to the MDT II and MDT II will make distributions to the Trust and other public and private creditor trusts. The MDT II consideration to be distributed to the Trust is comprised of initial and deferred cash payments from Mallinckrodt, certain Warrants, and certain other non-cash assets as set forth under the Plan. In general, the recoveries and the timing of proceeds to the Trust from such non-cash assets are uncertain at this time.

In general, the Trust’s aggregate consideration (as defined in the Plan) will be comprised of the following:

- a) 97.1% of the first \$625 million received on account of the Public Opioid Creditor Share Distributable Value.
- b) 97.05% of amounts received in excess of \$625 million and up to and including \$1.25 billion on account of the Public Opioid Creditor Share Distributable Value.
- c) 97% of amounts received in excess of \$1.25 billion on account of the Public Opioid Creditor Share Distributable Value.

Cash distributions from MDT II were received by the Trust on November 24, 2025, August 29, 2023 and June 17, 2022 in the amount of \$24,478,038, \$176,864,437 and \$178,814,391, respectively. Future cash received from MDT II will be recorded when received.

On December 8, 2022, the Warrants were monetized. On August 29, 2023, the Trust received its share of the cash proceeds in the amount of \$2,742,500, net of expenses incurred, associated with the monetization of these Warrants.

National Opioid Abatement Trust II

Notes to Special-Purpose Financial Statements

The Trust will make opioid claim payments, as set forth in the National Opioid Abatement Trust II Agreement, and in accordance with the National Opioid Abatement Trust II TDP, which provides for the State Beneficiaries and State Allocation Percentages.

As of December 31, 2025 and 2024, there was no funding receivable balance to the Trust.

The Trust made opioid claims payments of \$29,240,367 and \$8,226,538 for the years ended December 31, 2025 and 2024, respectively.

2. Significant Accounting Policies

Basis of Accounting

The Trust's policy is to prepare its financial statements on a special-purpose accounting methods, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). The special-purpose accounting method includes the following:

- Assets are generally recorded when they are received by the Trust and expenses are generally recorded when the invoice is received from the vendor. The Trust records interest income when earned and accordingly records an asset for interest receivable.
- Future fixed liabilities under contractual obligations and other agreements entered into by the Trust are recorded as deductions from net assets in the same period that the invoice for such contractual obligations or agreements are received by the Trust. Under U.S. GAAP, liabilities and contractual obligations are recorded over the period that is benefited by the underlying contract or agreement.
- The full amounts of Opioid Claims will be recorded in the period in which the abatement distributions are paid. Under U.S. GAAP, a liability would be recorded for an estimate of the total opioid claims to be made in accordance with the Trust Agreement and the TDP.
- Income tax expense payments or refunds, when applicable, will be recorded when paid or received. Under U.S. GAAP, a provision for income taxes is recorded based upon income reported for financial statement purposes, and federal and state income taxes both currently payable and changes in deferred taxes due to differences between financial reporting and tax bases of assets and liabilities.

Use of Estimates

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires the Trust to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and the disclosures of contingent assets and liabilities at the date of the special-purpose financial statements, as well as the reported amounts of additions and deductions to the net assets during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Trust considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

National Opioid Abatement Trust II

Notes to Special-Purpose Financial Statements

Accounts Payable

Accounts payable consist of accruals and outstanding invoices associated with managing the Trust.

Operating Expenses

Operating expenses of the Trust are paid from the net assets when invoices are received.

Income Taxes

The Trust is classified as a Qualified Settlement Fund pursuant to the Internal Revenue Code and Regulations thereunder (the Code). As a result, the Trust is subject to federal income taxes based on modified gross income, as defined by the Code. Per a Private Letter Ruling from the Internal Revenue Service (IRS), the Trust's income, including funding and investment income, is excluded from modified gross income. Accordingly, the Trust has generated no federal taxable income to date and does not anticipate ever generating federal taxable income. In the opinion of the Trustees and advisors, the Trust is also not subject to state income taxes and, therefore, the special-purpose financial statements do not include any provision or liability for state income taxes.

In accordance with authoritative guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board (FASB), management has evaluated the Trust's tax positions and has concluded that the Company has taken no uncertain tax positions that require adjustment to the special-purpose financial statements to comply with the provisions of this guidance.

3. Risks and Uncertainties

Certain of the Trust's assets are exposed to credit risk. Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits. The Trust has never experienced any losses related to these balances. Amounts on deposit in excess of federally insured limits at December 31, 2025, approximate \$324,000.

4. Trustees' Fees

The Trust Agreement describes the compensation to be paid to the Trustees for their services, including out-of-pocket costs and expenses. For the years ended December 31, 2025 and 2024, the Trust paid a total of \$700,000 in both years in Trustees fees and expenses.

5. Contingent Liabilities

The Plan Documents (as defined in the Plan) subject the Trust to certain reimbursement and indemnification obligations that may result in future claims against the Trust. The probability of such claims cannot be reasonably determined. The Trust has obtained insurance for purposes of supporting its obligation to indemnify the Trustees.

National Opioid Abatement Trust II

Notes to Special-Purpose Financial Statements

6. Subsequent Events

The Trust has evaluated its December 31, 2025 special-purpose financial statements for subsequent events through April 28, 2026, the date the special-purpose financial statements were available to be issued. The Trust is not aware of any subsequent events which would require recognition or disclosure in the special-purpose financial statements.
